Lincoln and his harem fired a massive Kamehameha at Squillia Naire, and she got hit hard by the blast, but she didn't die from the Kamehameha, she wound up getting some really big boo-boos.

Lincoln: There's no point in you staying with Lord Zedd and Rita Repulsa, time for you to join Vypra.

Lincoln sent Squillia Naire to The Masters of Evil via a portal he opened up.

Nico: And now, another of Lord Zedd and Rita's enemies are now in Vypra's ranks.

Me: And the campaign against Lord Zedd and Rita Repulsa has just begun!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of J.D. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster me's point of view as he hides in some trees, he moved the trees aside and was watching us menacingly as he was breathing, snorting, and grunting heavily, then, he pushed the trees back. Then, back to us.

MONSTROUSLY LOUD BELCH!

Lucy: He's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of J.D., or we're going to force you out.

A massive and muscular figure came out on all fours growling like a dog, it was the feral animal Packing Day version of me.

Zayto: That's your feral animal Packing Day version of yourself?!

Me: Yep.

Feral Animal Packing Day Me: (ROARS)

My feral animal Packing Day self charged at me, but I punched him hard and he flew right into a wall, he got back up, but he roared and beat his hairy chest like a gorilla: HE WAS PISSED!

Althea Iridiana: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Althea Iridiana's pink eyes turned neon pink and she was surrounded by a rainbow energy aura with stars, the seven colors of the rainbow, light, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached my feral animal Packing Day self, she left rainbow energy, stars, the seven colors of the rainbow, light, paints, phoenixes, and angels with every step.

Althea Iridiana: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn lets out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Althea Iridiana was surrounded by a massive vortex of rainbow energy, stars, the seven colors of the rainbow, light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Rainbow flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at my feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Althea Iridiana emerged, but she was changed forever.

Althea Iridiana grew from 7'0" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large rainbow planets orbiting around her legs, she has the body of a goddess, she has pink highlights in the bangs of her long rainbow hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a rainbow energy aura with stars, the seven colors of the rainbow, light, paints, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Weather Painter Rainbow emblazoned on her forehead with rainbow iris, she has on angel earrings with rainbow gems for eyes and holding the Star, Rainbow, Light, and Eternity Kanjis in their hands, she also has Weather Painter Rainbow with rainbow gems for eyes and holding the Star, Rainbow, Light, and Eternity Kanjis in her hands for the second pendant on the bottom of her rainbow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Althea Iridiana's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of rainbow energy, stars, the seven colors of the rainbow, light, paints, phoenixes, and angels, and when it emerged, it was transformed into Althea Iridiana's Cosmic Eternal Seven Color Rainbow Light Weather Painter Rainbow Phoenix God Angel Greatsword of Cosmic Eternal Seven Color Rainbow Light Weather Painter Rainbow Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded rainbow gems and Weather Painter Rainbow and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large rainbow gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with rainbow gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with rainbow gems for eyes and rainbow gem in its mouth for the pommel, Althea Iridiana has on her brand-new large gold Bracers of The Champions of The Universe with large rainbow gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Weather Painter Rainbow's head with rainbow gems for eyes and rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Varie: Oh… my… God! J.D., you now look (EXTREMELY TURNED ON) SO MUCH MORE SEXIER AND AWESOME!

Camie: (EXTREMELY TURNED ON) HE SURE IS MUCH MORE SEXIER!

Everyone cheered wildly for what Althea Iridiana, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Althea Iridiana's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long rainbow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large rainbow planets orbiting around her legs, and massive rainbow angel wings are permanent, and my new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind my head, large twelve planets orbiting around my legs and ten smaller planets orbiting around my waist, Third Eye, eleven massive and long rainbow wolf tails, larger rainbow wolf ears on top of my head, and massive rainbow elemental angel wings are permanent.

Althea Iridiana: That's it for that animal. Thanks for helping me take down J.D.'s feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Althea.

Me: My pleasure, Althea.

Suddenly, Althea Iridiana wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Althea Iridiana's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter Rainbow flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and rainbow lights behind them and we cheered wildly. Then, Lincoln and Althea Iridiana sucked in and absorbed the elemental forces and rainbow lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Althea Iridiana and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of J.D. a lesson he'd never forget.

Luan: And J.D. absorbed him and ascended just like Lincoln.

Nico: You said it. (Looks at my harem) Uh, J.D., I'd brace yourself if I were you, your brand-new ascension and body transformation has really turned on your harem even more.

Suddenly, I was pounced on by my harem and they kissed me all over the place, and when my harem got up and off, I had an atomic red blush on my face, massive and muscular body, and eight-pack abs, I had steam whistling out of my wolf ears and normal ears, and my pupils turned into hearts.

Me: (In Heaven) That… was… so… awesome!

Nico: (Snickers) You know they're gonna have fun with you tonight, lover boy. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person: my younger sister, Selina Morrigan, Avatar of Syn Shenron and Daughter of The Morrigan, The Celtic Goddess of War, she's Lincoln's Guardian Angel from Ireland and the younger sister of Sabrina Morrigan, and just like her sister, she's an extremely powerful Angel of Darkness with extremely incredible and massively powerful powers over darkness, dark magic, black magic, Satanic Magic, summoning demons, bringing the dead back, and summoning zombies and creatures of the damned, powerful black magic arts and dark magic arts, along with being born with midnight black angel wings, and just like Shania Syn Shenron, Selina Morrigan has all the powers and abilities of Syn Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Syn Shenron and the daughter of The Celtic Goddess of War, The Morrigan, and she really trained him hard in everything that she knows in warfare and using the powers of darkness. He made her a beautiful necklace and an awesome dark greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Selina Morrigan hates Chandler with a blazing passion because of what he's done, and she swore that if she ever saw that smelly sewage asshole and his lackeys, Artie and Trent, she would send their souls screaming to the blackest depths of The Celtic Otherworld to be torn apart by the minions of the Morrigan.

Me: WHOA!

Lincoln: Yeah, no one would never dare to mess with Sabrina and Selina, messing with the daughters of The Morrigan.

Tim: Means certain death. Angering the daughters of The Morrigan is the last thing anyone would ever do.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral three has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Whirlin: Now, we know Zedd's plan.

Iceage: Like we're gonna let that happen!

Magma: And I thought Octomus was bad.

Sportsmaster: Let's worry about that later.

Kerbero Gangan: For now, let's celebrate our victory!

Nico: Yeah! Great job today everyone.

Me: That's number 3 down.

Lola: Yeah.

Lori Loud: (To the viewers) This was literally an amazing one.

Me: Yep.

We went back home and had a great chili dog buffet dinner and then went back and enjoyed the rest of the day and went to sleep.

# COSMIC FURY PART 4

COSMIC FURY PART 4

---

In the early morning hours at 1:30 AM, Lincoln had a dream, and he saw seven figures who was hiding out and living in the streets of Swansea, Wales. But, they were no ordinary three figures, they were Ivy Loud, daughter of Lincoln's future wife, Teresa/ Transmutate. Sonic-Boom, An blue hedgehog. Tails-Tech, An young two-tailed fox. Knuckle-Thrash, An red echidna. Tri-Serow, an japanese goat-antelope. Percertor, an small fox-like creature. and Sloth-Bill, an ground sloth. Lincoln woke up from the dream, but he wasn't the only one, Teresa/Transmutate, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Teresa/Transmutate: And not only that, it also means that we found out where our daughter are at.

Black Alpha: Along with a blue hedgehog, a young two-tailed fox, a red echidna, a japanese goat-antelope, a fox-like creature, and a ground sloth.

Me: They're at Swansea, Wales.

Nico: Oh man, that's not good at all.

Lincoln: I know, Nico. Come on, we're better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Teresa/Transmutate, Me, and Nico were heading to Swansea, Wales. Then, Lincoln saw a slender and thin

12-years-old young Basilisk/Human girl who has fair skin, wide yellow-gold eyes with black irises and lavender pupils, lavender basilisk-like ears, and lavender hip-length hair. She wears a dark green and light green long sleeve striped polo shirt with white cuffs and collar, black jeans, and a pair of black ballet flats. An anthropomorphic Hedgehog with predominantly blue fur. Has small triangular ears on the top of the head, seven quills that extend from the back of the head, with three on the back and a tail. Also has green eyes, a black nose, and peach fur on the belly and muzzle, with the muzzle fur extending to the center of the nose ridge. An young anthropomorphic Fox with two tails instead of one. Has mostly amber fur with white fur around the muzzle, belly, and the tips of the tails. Also has sky blue eyes, triangular ears with white canals, and three locks of hair on the forehead. An anthropomorphic Echidna with predominantly red fur that covers most of the body, a black and pointy nose on the peach-furred muzzle, a white crescent-shaped patch of fur on the chest, and purple eyes. Also has seven dreadlock-like spines around the sides and back of the head, broad shoulders, and a medium-sized, tri-crooked tail. A 7 feet tall Japanese goat-antelope covered in aqua blue fur and has jagged yellow horns similar in shape to thunderbolts. The snout is a lighter shade of blue than the rest of the fur, and there's a black blaze running from the nose to the back of the head. The tail has the same color as the snout. The legs have black bands with lighter fur underneath located by the ankle beneath the knee joint and just above the large black hooves. The eye color was yellow with black pupils. A 3 feet tall fox-like creature with tan light-blue fur, a small white under the belly, around the mouth, inside the ears, and edge of 3-fox-like tails. Has dark blue fur around the paws and edge of ears along with a line on the backside. There were also dark nails, golden brown eyes and lastly a red jewel on its forehead style like a diamond. A strangely weird looking 3-4 feet tall green fur prehistoric ground sloth, whitish yellow fur from the belly, and light tan green color eyes with black pupil centers. Has long claws on the tan yellow hands and feet. Has a short tail, a purplish button nose, and buck teeth. Oddly enough this creature's head-frame has somewhat a ping-pong ball-like eyes where one is bigger than the other from the right side to the left side. Lincoln saw who they are, they were Ivy Loud, Sonic-Boom, Tails-Tech, Knuckle-Thrash, Tri-Serow, Perceptor, and Sloth-Bill.

Lincoln: Excuse me, are you Ivy?

Ivy Loud: Indeed we are. What brings you all here?

Lincoln: Glad you ask. I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know too well.

Then, Teresa/Tranmutate came out, and when Ivy Loud saw her, she was stunned.

Ivy Loud: Mother?

Teresa/Transmutate: I'm here, sweetie.

Ivy Loud, ran up to Teresa/Transmutate, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Teresa, your mother is many of my many future wives.

Ivy Loud: Does that means… you're my father.

Lincoln: (smiled) What else I won't I be?

That filled Ivy Loud with joy, Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Sonic-Boom and Tri-Serow: Hope you don't mind having us part of you kids?

Knuckle-Thrash: Because Ivy help us, and we want to help her too.

Perceptor: Plus we're like brothers to her.

Ivy Loud: Can they, dad?

Lincoln: Welcome to the family.

Then, Lincoln picked Sonic-Boom, Tails-Tech, Knuckle-Thrash, Tri-Serow, Perceptor, and Sloth-Bill up and they hugged as well.

Tails-Tech and Sloth-Bill: (Tears of Joy) I love happy endings.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Ivy Loud, Sonic-Boom, Tails-Tech, Knuckle-Thrash, Tri-Serow, Perceptor, and Sloth-Bill to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Teresa/Transmutate with her kids, and Ivy Loud, Sonic-Boom, Tails-Tech, Knuckle-Thrash, Tri-Serow, Perceptor, and Sloth-Bill now has a loving, strong, brave, and caring father in their life.

We were 96 miles above the surface of the planet.

Nico: WOW! The view of the entire planet is beautiful from this high up!

Xenia: It sure is!

Nicole: No kidding!

Misty Tredwell: Boy this is amazing from this high up!

Camie: Boy it sure is awesome!

Toru: It sure is breathtaking!

Cyberdark Keel: It sure is awesome!

Wasp: I'll say!

Nico: Bucky, I want to thank you, Cyberdark Keel, and your teams for coming.

Winter Soldier: No problem Nico. This is gonna be fun.

Cyberdark Keel: It sure will be awesome.

Wasp: I agree! I'm looking forward to this.

Me: Me too Janet!

Nico: Janet, remember when Hank was Ant Man?

Wasp: How can I forget. What he did was ruining Scott's image.

Camie: Man what a jerk!

Lola: Yeah!

Me: Hank Pym A.K.A. Yellowjacket. That was nuts.

Wasp: It sure was.

Nico: He was still a hero despite what he did. But the Ant Man mantle is better off with Scott.

Wasp: That is for sure.

Lola: Yeah I agree.

Me: Me too Janet.

Twilight Sparkle: Wow! The view of the planet is amazing from up here.

Nico: Boy no kidding. Everything looks incredible.

Qin: It sure does. And seeing the stars this close to the edge of space is amazing!

Eli: No kidding.

Me: Yeah. Boy yesterday's mission was awesome.

Rarity: It was most amazing darlings. And we got to interrogate Squillia Naire Shadow Spade Style.

Me: We sure did! And on the planet Mustafar.

Varie: In Darth Vader's old fortress. It was really scary seeing that.

Camie: It sure was. And I was not expecting her to use that as her base of operations.

Me: Me neither. I remember seeing that in Star Wars III and it was creepy.

Eli: Yeah it sure was.

Laney: Yeah. But at least we now know what Lord Zedd has planned.

Nico: I knew Zedd was crazy. But to go so far?

Me: To wipe out all the Good in the entire multiverse!? That is beyond anything that Opaline would have done or even Voldemort!

Nico: No shit! That's infinitely worse than pure evil!

Camie: Yeah no kidding!

Shanan: And I have the final component he needs to make the bomb. I'm not going to let him have it!

Nico: Wasn't Void Queen going to do a similar plan?

Me: She was! But she was going to use Time Travel to kill all the Sentai Teams.

Nico: That's right! I remember that!

Lola: At least we stopped her.

Me: Yeah!

Nico: And worst of all is that Zedd's backup plan is to destroy Angel Grove like he did so many times before 30 years ago.

Lola: I know!

Kit Taylor: But we're not going to let him do that either!

Nico: We'll need to find the resources needed in order to make weapons to deactivate his bomb.

Me: Good idea and We can ask Zordon what it is we need.

Nico: Awesome idea.

Qin: Yeah.

Nico: Yep.

Me: Also we'll have to warn Zordon about what Lord Zedd is trying to accomplish.

Nico: Agreed.

Maria: Lets worry about that later.

Nico: Yeah. So what's the quarry this time Nicole?

Nicole: Well it's also the very reason why we are so high up. It's called The Wind Staff of Vayu.

Nico: The God of Wind in Hindu Myth.

Nicole: That's right. It has all the powers of the winds and legends says that it's hidden in a huge flying fortress this high up.

Qin: WHOA!

Xenia: This high above the planet? Amazing!

May: I know!

Qin: It's beautiful!

Me: Wow!

I pulled out the card for Chronomaly Vimana!

Me: WHOA! It looks very similar to Chronomaly Vimana!

Nico: It sure does!

Misty Tredwell: This is amazing!

Apple Bloom: It sure is breathtaking! (LOUD FART) Oops! Sorry.

Me: No worries.

Lola: But this is cool seeing this!

Nicole: Amazing! And it's fitting too! For centuries the Vimana were known as the legendary flying palaces and chariots of Hindu Myth.

Nico: Nice!

We flew up and went into it and it was amazing!

Nico: Wow!

Me: Incredible!

Nicole: Boy this is really amazing! It's amazing that we are the first to see this place this high up above the Earth.

Nico: I know!

Qin: Amazing!

We got into a huge room and it was full of wind fairy statues and more

Xenia: Wow!

Lana: Boy this is incredible!

Nico: So many statues!

Lily: They sure are beautiful.

Qin: Yeah they sure are.

Lola: Look!

We saw an altar that had a wind column in it and it had THE STAFF OF VAYU! It was an emerald green crystal staff and it had the powers of wind in it.

Nicole: There it is! The Staff of Vayu! At long last we found it.

Nico: Who gets it?

Pipp Petals: Posey should! Oh my glitter she would be perfect for it.

Nico: Awesome.

Varie: Yeah!

We called her up.

Posey Bloom: So this staff will be perfect for me? Well if you think so.

Nico: Go for it.

Posey Bloom: Okay.

She gulped and went up to the staff and she reached into the column and grabbed it and then it glowed and she underwent an amazing transformation!

(ESCAFLOWNE EXTENDED INTRO FOX KIDS PLAYS)

She was enveloped in a massive vortex of wind and she grew green angel wings and her power grew fast!

When it was done we were amazed!

Me: WHOA! Posey how do you feel?

Posey Bloom: I feel amazing guys!

Pipp Petals: Oh my glitter! You look amazing Posey.

Nico: Way to go Posey!

Maria: You should be proud!

Posey Bloom: I am.

Nico: Awesome!

Varie: That was still amazing!

Nico: There's no need to be nervous at all.

Posey Bloom: Sorry about that.

Qin: No worries.

Nico: Yeah.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we're also in for a fierce battle: Twisted Rapunzel has come here, and she's out for blood.

We gasped.

Nico: No doubt it's against Mother Gothel.

Me: Yep, but it was too late as we got rid of her. But, we're going to cure her, right?

Lincoln: Yep.

Suddenly, Lincoln's large solid gold halo with four large orbiting gold rings on the corners of the halo began to glow and emanate rainbow light, and then, we saw Lincoln's orange version of He-Man's loincloth, long wild white hair, large white wolf ears, eleven massive and long white wolf tails, and massive white angel wings turn from white to gold, and his gold chest harness remained the same. Lincoln transforms into Lincoln, God of The Eternal Wheel of Life.

Eli: It's been a while since we've seen you transform into your God of The Eternal Wheel of Life form.

Lincoln: Yep.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, looks like we got another Twisted Princess to cure.

Me: Yep.

Allie Knudson: This is one version of Rapunzel that I really feel bad for.

Helena Nicos: Me too.

We were told about what happened. When Rapunzel wanted to heal Flynn from his wound, Gothel secrectly pulled out her dagger again to kill him permanently. But Flynn could not bear seeing Rapunzel being a prisoner for the rest of her life so he picked a sharp glass piece and stabbed Rapunzel. Gothel shocked! Rapunzel fell down by Flynn and her golden hair turned to brown. Gothel's youth ended and became a pile of dust. But then a heartless Rapunzel awakened with black eyes. She saw Pascal, wrapped her around him and he became a zombie-like thing for her. The same thing happened to Maximus. Everything around her dies, the forest become haunted because of her. Rapunzel buried her dead love and went to hunt the Stabbington Brothers, who were the only ones left who knew of Rapunzel.

When it was done we were shocked!

Nico: Oh my god.

Lola: Oh man.

Qin: Gothel you heartless evil snake.

Me: Because of you, you turned Rapunzel into a zombie.

Qin: And not the kind that is good.

I then heard a Pokemon Cry.

Me: Huh?

I looked and saw a Lunala with a Solrock and Lunatone.

Me: Whoa! Lunala, Solrock and Lunatone.

Lola: And the Sun and Moon rock pokemon.

Nico: Neat! And the Moonlight Pokemon

Me: Oh and they hurt themselves.

Lunala: Yes but we'll be fine.

Lunatone: Yeah.

Solrock: Yeah.

Me: Lets get you healed up.

We went and did so.

Nico: So do you get all 3 of them or 1 of them?

Me: All three.

Qin: Awesome!

Camie: Yep.

We got them healed up.

Lunala: Thank you.

Nico: You 3 wanna come with us? You don't have to if you don't want to.

Lunatone: No we want to come with.

Solrock: It's the least we can do.

Lunala: Yeah!

Me: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Twisted Rapunzel) AHA! Gotcha! I just spotted Twisted Rapunzel, she's 20 yards away, and she's searching for Mother Gothel.

Nico: Let's head over there at once and cure her.

Lincoln: She needs her soul repaired at once. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Twisted Rapunzel.

We then landed the fortress over by the estate and kept it as a spare airship. Then we set out to face Twisted Rapunzel. We were flying in the air to find her.

Nico: Rapunzel? Where are you?

Maria: Does she still have access to her hair and frying pan?

Me: We'll find out. Damn that Gothel.

Xenia: Yeah.

And we saw Twisted Rapunzel. She was in a grassy field.

Lincoln: There she is, now to get her attention.

Lincoln fired golden energy blasts from his massive gold angel wings and the four large gold orbiting rings on the corner of the halo that hit Twisted Rapunzel, and that made her mad as we landed in front of her.

Twisted Rapunzel: Why… are you here?

Me: You know why we're here: to cure you of the darkness that stains your heart and soul.

Serena Amariah: And that's exactly what we came here to do.

Me: Oh Rapunzel.

I was really sad for her.

Twisted Rapunzel: Take a good look at your sister, Eli! Because of Gothel, I'm a fucking monster!

Eli: She got what she deserved sis! We killed her!

Laney: And banished her to the black gates!

Lola: Yeah!

Twisted Rapunzel: But look at me! I'm a lifeless husk! She killed me!

I then started walking over to her.

Me: Rapunzel.

Twisted Rapunzel: Just kill me J.D.!

But instead of killing her I then wrapped her in a hug.

Me: Rapunzel it's going to be okay. You did nothing to deserve this.

Eli then came over and hugged her too.

Me: I'm sorry Rapunzel. You suffered long enough and what Gothel did to you was completely unforgivable.

Eli: Yeah sis! This is all Gothel's fault. She took away everything from you.

Me: But you are still you despite everything you had to go through you will never be turned into a monster. You are still the most amazing and most beautiful dancer we all know and love. And that will NEVER change.

Twisted Rapunzel was touched.

Twisted Rapunzel took my gun out of my pocket and pointed it at her own head.

Twisted Rapunzel: But look at me J.D.! I can't go back!

Me: Yes you can Rapunzel!

I went over and took the blaster.

Me: Yes you can. It's never too late.

Eli: Yeah sis.

Me: Flynn would never want you to kill yourself. Your real mother and father and your kingdom would not want that. They loved you and never gave up hope for you to be safe. If you died then the kingdom of Corona would be heartbroken. So please. Don't give up on yourself. Just like we never gave up on you.

Eli: Yeah sis.

Twisted Rapunzel cried.

Twisted Rapunzel: Help me guys! Help me!

Lunala charged at her.

Lunala: We'll save you! MOONLIGHT BLAST!

She fired a wave of energy and blasted her down and Solrock fired a fire blast and Lunatone fired a moon blast. The blasts hit her and knocked her down.

Nico: True.

Suddenly, Serena Amariah's purple eyes turned neon purple and she was surrounded by a rainbow energy aura with stars, rainbows, magic, winds, rainbow super lightning, Alicorns, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Twisted Rapunzel, she left rainbow energy, stars, rainbows, magic, winds, rainbow super lightning, Alicorns, phoenixes, and angels with every step.

We were truly amazed by Serena Amariah's Super Angel-Loyalty Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Twisted Rapunzel saw it, she went mad and tried to use her hair to kill her, but Serena Amariah fired a massive barrage of rainbow energy, stars, rainbows, magic, winds, rainbow lightning, Alicorns, phoenixes, and angels which hit Twisted Rapunzel and sent her flying to a wall, she got back up, but now, she was even more enraged.

Serena Amariah: (Divine Echoing Godly Voice of The Harmony

Loyalty Rainbow Lightning Hurricane Alicorn Princess Phoenix God Angel and Divine Cosmic Eternal Harmony Loyalty Rainbow Lightning Hurricane Alicorn Princess Phoenix God Angel Love) I'm sorry, Rapunzel, but this needs to be done.

Rainbow Dash: It's necessary to do so, Serena, we need to defeat her, that way, Lincoln can cure her.

Suddenly, Rainbow Dash's purple eyes turned neon purple and she was surrounded by a rainbow energy aura with stars, rainbows, magic, winds, rainbow super lightning, Alicorns, phoenixes, and angels, she unholstered her massive Rainbow Dash's True Harmonious Loyalty Hurricane Air Skylander Rainbow Super Lightningstorm Magical Alicorn Greatsword of True Athletic Loyalty and Friendship, and as she approached Twisted Rapunzel, she left rainbow energy, stars, rainbows, magic, winds, rainbow super lightning, Alicorns, phoenixes, and angels with every step.

Rainbow Dash: Just like Serena said, what you went through was indeed horrible, the one person to be blamed for it was Gothel, but, you, you need not suffer from the scars of what he did, Rapunzel. I intend to bring you back into the light, and that's exactly what I intend to do.

Suddenly, Rainbow Dash was surrounded by a massive vortex of rainbow energy with stars, winds, magic, rainbows, and rainbow lightning surrounding the vortex, there are Alicorns, phoenixes, angels, and Rainbow Dash flying around the vortex, and in the vortex is a purple phoenix with blue eyes gazing at Twisted Rapunzel: the blue eyes of salvation.

Me: WHOA!

Nico: Looks like Rainbow Dash's not going to be a bystander in this!

Lincoln: Nope, she saw her friend transform, it makes sense she also transforms as well.

Then, as the vortex faded, Rainbow Dash emerged, but she was changed forever.

Rainbow Dash grew from 7'9" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large rainbow planets orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long flowing rainbow colored hair with rainbow streaks and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and a rainbow energy aura with stars, rainbows, magic, winds, rainbow super lightning, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has an Alicorn with the Rainbow Kanji above its horn emblazoned on her forehead and Third Eye with purple iris, she has on Alicorn earrings with rainbow gems for eyes and the Rainbow, Loyalty, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with rainbow gems for eyes and the Rainbow, Loyalty, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love, Rainbow Dash has on a red sleeveless sparkling blouse, blue sparkling pants with orange highlights and rainbow lightning on them, gold knee-high boots with wings on the back and lightning bolts on them and rainbow lightning bolts for the buckles, and sleeveless long white trenchcoat with stars, rainbows, magic, winds, rainbow lightning, Alicorns, phoenixes, and angels on the coattails, and on the back is an Alicorn with rainbow lightning surrounding it and on top of its horn is the symbol of The Air Skylanders and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding rainbow gem with neon glowing rainbow lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Rainbow Dash felt a sharp pain on her back, and then, her massive sky blue angel wings with rainbow highlights on the large sky blue feathers grew much larger for her new body and her rainbow tail also grew larger and longer. Rainbow Dash has on a Ring of The Phoenix with rainbow gem and heart-shaped gem embedded in it on her right ring finger and Green

Lincoln, Serena Amariah, Rainbow Dash, and I went after Twisted Rapunzel, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Twisted Rapunzel, and they exploded with incredible power as they hit her.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit her and slashed at her with his dark greatsword, Then, Lincoln, Serena Amariah, Rainbow Dash, and I fired powerful blasts of energy, rainbow super lightning, and planets at Twisted Rapunzel, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked her and she got badly hurt.

Lincoln fired gold spider silk webs that tied her up, and he chanted a powerful incantation and his large golden halo glowed and the four large orbiting gold rings fired rays of rainbow healing light which hit Twisted Rapunzel and purified her as we saw a black wisp of smoke come out with Gothel's cruel face on it and it was destroyed forever. Everyone cheered wildly as we holstered our weapons and powered down, and Serena Amariah's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long rainbow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large rainbow planets orbiting around her legs, and massive rainbow angel wings and longer blue horn are permanent, and Rainbow Dash's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer rainbow tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large rainbow planets orbiting around her legs, and massive blue angel wings and longer blue horn are permanent.

Suddenly, Serena Amariah and Rainbow Dash felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Serena okay, Rainbow Dash?

Rainbow Dash: We're a little dizzy, but otherwise, we're okay, Lincoln.

Me: That was so awesome!

Nico: And I was surprised that you also transformed too, R.D.

Lincoln: Like I said, it's fair that Rainbow Dash transformed to help me and Serena as well.

Me: Yep.

King Kai: (Telepathically) And I caught what you did to your feral animal Packing Day self, J.D., you absorbed him and transformed. Nice one, oh, and the next ones coming after you are not only the feral animal Packing Day version of Nico on your next mission, but the feral animal Packing Day version of Lincoln later today.

We gasped.

Nico: Ooh boy, this is gonna get ugly. Lincoln, what do they look like?

Lincoln took out his sketchbook and we saw Nico's feral animal Packing Day version, he looked like him, but with long wild unkempt dark blue hair, he had facial stubble on his jawline, he has hair on his forearms, he was extremely muscular with abnormally massive and powerful upper and lower body muscles and eight-pack abs and bulging veins, he has on an red coat with the sleeves torn off and he has thick chest hair on his massive pecs, he was only dressed in torn orange shorts, and he was on all fours.

And we saw Lincoln's feral animal Packing Day version, he looked like him, but with long wild unkempt white hair, he had facial stubble on his jawline, he has hair on his forearms, he was extremely muscular with abnormally massive and powerful upper and lower body muscles and eight-pack abs and bulging veins, he has on an red coat with the sleeves torn off and he has thick chest hair on his massive pecs, he was only dressed in torn orange shorts, and he was on all fours.

Nico: Damn, these versions of us look like wild beasts!

Lincoln: King Kai said we're facing your feral animal Packing Day version later after our main mission today, so that means, my feral animal Packing Day version is going to be during our workouts at our gym. I'll be ready for him.

Nico: And I'll be ready for my feral animal Packing Day self.

Me: Yep.

Twisted Rapunzel had her long golden hair back and had her wound's healed and her eyes back to normal.

Nico: Are you okay now?

Twisted Rapunzel: Yeah I'm better now.

Lola: Good.

Then she hugged me and cried hard into my chest and I comforted her.

Twisted Rapunzel: But where do I go now? Eugene is dead!

Me: You still have us Rapunzel. But if we ever do an adventure again where another version of Gothel is alive, I swear we'll bring justice to her.

Nico: Yeah she will pay for her crimes.

Horsea: And you still have your hair.

Qin: Yeah.

Me: We'll make sure Gothel never gets it again.

Camie: That is for sure.

Poliwag: As long as it's not cut.

Me: Don't worry. That's not going to happen.

Qin: Yeah.

Manaphy: Would you like some food, Pascal?

He nodded and Lana gave him flies.

They got weapons for said rangers.

Stacy Stegosaurus: No he was in a hurry to send me out.

Me: You threatened to inflict the same problem to Swartz to his heart. Right?

Stacy Stegosaurus: That's right.

Me: Geez!

Sougo: (gets out Patranger Ridewatch) You have the powers of the Cyberdark Monsters, right?

Geiz: (Gets out Kyuranger Ridewatch) What abilities do you have from Cyberdark Keel

Tsukuyomi: (gets out Lupinranger Ridewatch) We're just curious

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Stacy Stegosaurus: Well every Cyberdark Monster has a unique ability. My powers are the same as his too.

Me: She has all the powers of them all. Each of them.

Nico: Oh.

I pulled out the cards for all 9 of them.

Me: There's 9 monsters for them and they are all unique in their own way.

Nico: Yep.

Lincoln: Lets separate you first.

Lincoln did so.

Me: Lets get it on

Nico: (gets out Cyberdark Keel's Ridewatch) Feel the power of Cyberdark!

May: (Gets out Cyberdark Edge's Ridewatch) Feel the Edge!

Maria: (Gets out Cyberdark Cannon's Ridewatch) Fire the cannons!

Wasp: (Gets out Evil Neyla's ridewatch) I will show you the eye of the tiger!

They used the powers of Cyberdark Keel, Evil Neyla, Cyberdark Edge, Cyberdark Horn, Cyberdark Cannon and Cyberdark Claw and blasted the Another all over.

Then Hades, Centiback, Penpen, Universe 666 Sideshow Bob, the Gigant Chicks and Straizo came!

Nico: Whoa nice team Hades!

Hades: Thanks Nico and it's a great one.

Me: Yeah!

Nico: (Imitating Hades) I'm about to rearrange the cosmos… (GETS PISSED) and the one schlemiel who can louse it up… is waltzing around IN THE WOODS!

HE BURSTED INTO INTENSE FLAMES AND BLASTED THE ANOTHER ALL OVER!

Qin: WHOA!

Hades: Ooh! Chihuahua!

Poromon: Nice!

Me: I never get tired of that!

Lola: Me neither!

Hades: That was a great imitation of me scolding Pain and Panic.

Nico: Thanks. It was funny.

Qin: Like this.

She had Pain and Panic appear.

[Hades notices Pain is wearing Air-Hercs]

Hades: What… are… those?

Pain: Um, I don't know. I-I thought they looked kinda dashing…

Nico and Hades: [slowly burns up] I've got 24 hours to get rid of this… bozo, or the entire scheme I've been setting up for 18 years goes up in smoke, (GETS PISSED) (FLARES UP) and YOU ARE WEARING **HIS MERCHANDISE?!**

[Nico and Hades hear a noise, and sees Panic slurping some "Herculade"]

Panic: [chuckles nervously] Thirsty?

[Nico and Hades scream, and blows up like a volcano]

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were blown into a wall from the blast and burned all over!

WE LAUGHED!

Nico: (LAUGHS) That is always fun!

Hades: YEAH!

They high five.

WE LAUGHED!

Me: That always cracks me up!

Lola: Me too!

Poromon roasted marshmallows through the whole thing

Qin: That was funny!

Eli: So is this!

Eli blew Hades hair out!

Hades: Whoa is my hair out?

WE LAUGHED MORE!

Nico: (LAUGHS) That is funny!

Hades: Just like old times.

Me: Yep.

?: That is always funny!

Split Mushroom came.

Nico: Split Mushroom! Wow!

Me: Cool!

Split Mushroom: (In a girls voice) Awesome!

Nico: Sheena Shroomboom!? Whoa!

Shroomboom: Wow! She must be my gene-slammer too!

Sheena Shroomboom: That's right! She Shoots She Spores!

Shroomboom: Yep she is definitely me!

Sheena Shroomboom: Yep. I got this.

She fired waves of mushroom bombs and blasted the Another And I caught the Ridewatch and purified it.

Me: Awesome!

Nico: Didn't expect that.

Me: Well her last name is Shroomboom so it's no surprise and it is coincidental.

Nico: True.

Sheena reverted back and she was a girl with green hair and green eyes and had green leaf angel wings and had a green bikini on and had the Life Skylanders Symbol on her arm and she had the Life Skylanders symbol in the middle of her forehead with a mushroom in front of it.

Sheena Shroomboom: That was awesome!

Rarity: Lets get you some new clothes there darling.

The fashion brigade gave her awesome green clothes.

Sheena Shroomboom: Wow! I look awesome!

May: I didn't get hit!

Sheena Shroomboom: You don't want to get hit by my mushrooms. They have deadly hallucinogenic properties.

Me: Like those of Magic Mushrooms.

Sheena Shroomboom: Yep.

Nico: Oh boy.

WHAP!

I hit Nico on the head.

Nico: OUCH! What was that for!?

Me: For taking Magic Mushrooms during the 20 Days of Darkness you nincompoop!

Nico: You're never gonna let me live that down aren't' you?

Me: Nope.

Nico: Sorry.

Wasp: Do you have any good memories of Nico?

Sheena Shroomboom: When me and Nico went and found some awesome Maitake mushrooms for my family's restaurant and they loved them.

Me: Ooh luxurious.

Qin: And tasty too.

Nico: Yep.

Nico and Sheena hugged.

Nico: I've missed you.

Sheena Shroomboom: Same here.

We went back home.

Lincoln: Wow, looks like my rescue's taking place in the west of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we are in for one brutal fight: Fury Chef and Tooth Decay, the Akumas of Mom and Dad, are running loose and causing havoc, so we are going to take them down and send them to The Masters of Evil.

Me: Oh God, so now, we're dealing with the hypothetical Akuma of Mr. Lynn and Ms. Rita, this is going to get messy.

Nico: No fooling. So, what's their stories?

Lincoln: Fury Chef was created because of Flip and Lewis Travolta always causing trouble and ruining Dad's business and having no remorse at all got him so mad, he erupted, and Tooth Decay was created because of Flip's disregard for dental hygiene made her so nauseous, she got mad and kicked him out.

Nico: Jeez.

Lincoln: And Tooth Decay has the power to make peoples' teeth rot, their jaws fall out, and makes their breath smell worse than puke and if you make Fury Chef mad, he will kill you without a second thought!

We were horrified.

Winter Soldier: This is going to be one messy situation.

Lincoln: Yep. Let's get after them and fast before someone gets hurt. (SENSED A REALLY MASSIVE ENERGY SIGNAL) And I know who we're running into.

Suddenly, we saw a very beautiful and super sexy girl with long

black hair and red headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black sleeveless crop top, necklace with the One Star Dragon Ball for the pendant, black sleeveless gloves, black skirt, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic magic, demons, dragons, zombies, phoenixes, and angels on the coattails and on the back is Syn Shenron, The One-Star Dragon of Darkness and the Morrigan, holstered on her back is a massive black greatsword with seven replicas of the Seven Dragon Balls embedded in it and angel runes etched on the 7'9" massive, wide, double-edged purple and black blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the fourteen girls.

Lincoln: (GASPS) Selina Morrigan, Avatar of Syn Shenron and Daughter of The Morrigan, The Celtic Goddess of War.

Sabrina Morrigan: I knew my sister would be the next one to arrive.

Selina Morrigan: That's right, and I got the girls away from the Akumas of Mr. and Mrs. Loud, and I pissed off Fury Chef badly!

?: I'M GONNA CHOP YOU ALL INTO A MILLION PIECES!

?: YOUR TEETH WILL ROT AND FALL OUT AND YOUR BREATH WILL SMELL LIKE TOXIC WASTE!

We then saw Fury Chef and Tooth Decay, the Akumas of Lynn Sr. and Rita Loud, heading for us, and they were out for blood.

Lincoln: You know what, compared to Mom and Dad, you are nothing. You two are horrible at being a good chef and dentist and you enjoy hurting innocent people all for your own selfish amusement and wanting to see everyone suffer! I will never ever forgive someone like you, (RAINBOW ENERGY AURA FLARES UP EXTREMELY AND MUSCLES BULGE) I'M GOING TO BEAT YOU INTO A BLOODY STAIN!

Lincoln went at Fury Chef and Tooth Decay, and they seriously got into a massive fight as Lincoln punched and kicked Fury Chef and Tooth Decay all over the place, and he broke both Fury Chef and Tooth Decay's arms and legs and he also smashed his fists hard into Fury Chef and Tooth Decay's faces and into their stomachs! Then, they wound up getting consumed in a massive fight cloud!

POW! WHAM! BAM! SLAP! CHOMP! BONK! SLAM! CRACK! PIG SQUEALS! ELEPHANT TRUMPET! LION ROAR! SCREECH! SUMO SOUNDS! WHIP CRACK! SMACK! BANG!

BLARGA FLARGA!

Nico: OH SHIT!

Me: DAMN! NOW, THAT'S BRUTAL!

Lincoln: EAT BOOT, DISGRACES!

Lincoln kicked Fury Chef and Tooth Decay out of the fight cloud, and they're already bleeding and badly bruised and Fury Chef let out a loud scream of rage.

Then, Lincoln fired waves of ladybugs and red fire which hit Fury Chef and Tooth Decay and knocked them down and they were tied up and thrown to Vypra. We cheered as we holstered our weapons and powered down.

Lincoln: Now, we got the Akumatized versions of my friends and parents in The Masters of Evil. (To Selina Morrigan) And it's so good to see you again, Selina.

Selina Morrigan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Selina Morrigan as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Selina Morrigan was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he recovered.

Selina Morrigan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Selina Morrigan and he hugged her, and Selina Morrigan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selina Morrigan: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to

measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Selina Morrigan, Avatar of Syn Shenron and Daughter of The Morrigan, The Celtic Goddess of War, she's Lincoln's Guardian Angel from Ireland and the younger sister of Sabrina Morrigan, and just like her sister, she's an extremely powerful Angel of Darkness with extremely incredible and massively powerful powers over darkness, dark magic, black magic, Satanic Magic, summoning demons, bringing the dead back, and summoning zombies and creatures of the damned, powerful black magic arts and dark magic arts, along with being born with midnight black angel wings, and just like Shania Syn Shenron, Selina Morrigan has all the powers and abilities of Syn Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Syn Shenron and the daughter of The Celtic Goddess of War, The Morrigan, and she really trained him hard in everything that she knows in warfare and using the powers of darkness. He made her a beautiful necklace and an awesome dark greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Selina Morrigan hates Chandler with a blazing passion because of what he's done, and she swore that if she ever saw that smelly sewage asshole and his lackeys, Artie and Trent, she would send their souls screaming to the blackest depths of The Celtic Otherworld to be torn apart by the minions of the Morrigan.

Nico: Yeesh, so if anyone dared to anger her, she would send them straight to the dark depths of the Celtic Otherworld to be torn apart by the minions of the Morrigan?!

Lincoln: Yeah, no one wants to anger her, but pissing off both her and Sabrina, they'll wish they were better off dead because angering the daughters of the Morrigan will mean eternal damnation, and now that you're here, Selina.

Lincoln went up to and hugged Selina Morrigan in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

After we took down Fury Chef and Tooth Decay, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selina Morrigan saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selina Morrigan: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Selina, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Selina Morrigan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Selina Morrigan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing

900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

MONSTROUSLY LOUD BELCH!

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered it: it was Lincoln's feral animal Packing Day self hiding in the trees.

Lincoln: So, my feral animal Packing Day self's here, huh? Let's get him.

We flew out of the World Tree Estate and landed.

Lincoln: It's quiet. Too quiet, keep your eyes peeled.

Suddenly, in Feral Monster Lincoln's point of view as he hides in some trees, he moved the trees aside and was watching us menacingly as he was breathing, snorting, and grunting heavily, then, he pushed the trees back. Then, back to us.

MONSTROUSLY LOUD BELCH!

Lucy: He's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood

from anywhere, come on out now, feral animal Packing Day version of me, or we'll force you out.

A massive and muscular figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Lincoln.

Lori: That's the feral animal Packing Day version of Lincoln?!

Me: Yep.

Feral Animal Packing Day Lincoln: (ROARS)

Lincoln's feral animal Packing Day self charged at me, but Lincoln punched him hard and he flew into a wall, he got back up, and he gripped his orange coat and tore it off and he roared and beat his hairy chest like a gorilla: NOW, HE WAS MEGA PISSED!

Then, he pushed past us and ran at his harem, Guardian Angels, kids, sisters, and parents to kill them, but he teleported in between and punched him in the face.

Suddenly, Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stinger that opened up into a large sucker and he plunged it onto his feral animal Packing Day self's head and he was unable to fight back. Then, Lincoln sucked him into his body and absorbed him as the stinger changed back.

Michelle Aphrodite: (EXTREMELY TURNED ON) HE SURE IS MUCH MORE SEXIER!

Me: Uh oh, you've got your harem extremely turned on now, Lincoln!

Lincoln holstered his massive greatsword on his back and powered down, and Lincoln's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve planets orbiting around his legs and ten smaller planets orbiting around his waist, Third Eye, eleven massive and long white wolf tails and rabbit's tail, larger white wolf ears on top of his head, and massive white angel wings are permanent.

Suddenly, Lincoln was pounced on by his harem and they kissed him all over the place, and when his harem ceased their kissing, Lincoln had an atomic red blush on his face, his massive and muscular body and eight-pack abs and back were covered in lipstick marks, he had steam whistling out of his ears, and his pupils turned into hearts.

Lincoln: (In Heaven) That… was… so… awesome!

We returned home and continued our workouts.

Nico: That'll teach that animal, but those other animals aren't going to quit.

Lincoln: Nope. Now, your feral animal Packing Day self is coming here after our main mission today.

Me: Nico's going to absorb him and undergo the same transformation as us.

Nico: This should be good.

We got a shower, and then, Lincoln, Karin, Tayuya, Simulator Konan, and Simulator Pakura are heading to Aquarius.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Karin, Tayuya, Simulator Konan, and Simulator Pakura are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Karin, Tayuya, Simulator Konan, and Simulator Pakura all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Karin: Wow, so this is Aquarius. It sure is beautiful.

Lincoln: It sure is, Karin, and it's perfect for our first date. Shall we?

Lincoln, Karin, Tayuya, Simulator Konan, and Simulator Pakura dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Karin, Tayuya, Simulator Konan, and Simulator Pakura got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Karin, Tayuya, Simulator Konan, and Simulator Pakura and they hugged the girls in their abnormally massive and powerful muscular arms and Karin, Tayuya, Simulator Konan, and Simulator Pakura placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Karin, Tayuya, Simulator Konan, and Simulator Pakura as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquarius, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Karin, Tayuya, Simulator Konan, and Simulator Pakura with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Karin, Tayuya, Simulator Konan, and Simulator Pakura are in your harem, Linky.

Karin, Tayuya, Simulator Konan, and Simulator Pakura showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Karin, Tayuya, Simulator Konan, and Simulator Pakura, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for the second mission of Sunny, Harry and Aqua.

Nico: Anyone else wanna go with Aqua, Sunny, and Harry? Besides Ven, Ginny, Cheese, Princess Celestia, Brody, and Yost Cap?

Sarah: I'll go.

Duff Killigan: (Scottish Accent) So will I lads

Pipp Petals: And me, Hitch, Zipp, Izzy and Misty will go too. Oh my glitter this will be so fun!

Nico: It sure will.

Aqua: And I'm wearing an Aqua Blue Jumpsuit for this.

Me: All righty. Lets go!

We were off.

---

We arrived.

Joey Felt: Hey guys!

Sunny Starscout: Hey Joey.

Atomic Puppet: Awesome to see you all here.

Sunny: Guys, meet Ven, Ginny, Cheese, Princess Celestia, Brody, and Yost Cap.

Ventus: Hey there.

Ginny Weasley: (British Accent) Pleasure.

Cheese: Yes.

Princess Celestia: I am honored to meet you.

Brody: Awesome to meet you.

Yost Cap: Same here.

Sarah Gunnerson: I'm Sarah Gunnerson.

Duff Killigan: Top of the morning lad. I'm Duff Killigan.

Sunny Starscout: And these are my friends.

Hitch Trailblazer: Sheriff Hitch Trailblazer at your service.

Pipp Petals: I'm Pipp Petals.

Zipp Storm: I'm Zipp Storm.

Izzy Moonbow: I'm Izzy Moonbow.

Misty Brightdawn: And I'm Misty Brightdawn.

Me: Sunny and her friends are the next generation of the Guardians of Harmony.

Joey Felt: Wow! Awesome to meet you all.

Pipp Petal: Oh my glitter you too.

Joey Felt: Yeah Oh I have someone here too.

A girl came and she had magenta hair and dressed in punkish clothes.

Joey Felt: This is Pauline Bell. She's my best friend.

Me: Oh awesome to meet you Pauline.

Pauline Bell: It's an honor J.D. and I love all your adventures.

Cheese went to the garage.

Joey Felt: That's a nice jumpsuit, Aqua.

Aqua: Oh thank you. I'll see why I'm wearing it in a few minutes.

Pauline Bell: I have a feeling it will be awesome.

We then heard a noise.

Nico: Oh, Cheese. What the Hell did you do?!

We then went to Cheese. Next to him, Joey Felt's bike was without its wheels.

Atomic Puppet: (points accusingly at Cheese) Are you kidding me?! He's screwing everything up!

Cheese: (with drill in his hand) Nu uh. I'm only screwing the wheel!

Me: Cheese you are so silly!

Joey Felt: What is Cheese doing?

Me: Oh Cheese is an idiot. He has a brain the size of an amoeba and he is dumber than a sack of mayonnaise.

Pauline Bell: Oh yeah I heard he likes to be stupid.

Me: Yeah that's who he is.

Brody: I'm also the leader of the Ninja Steel Rangers.

Joey Felt: Awesome! I love the Power Rangers.

Me: They are so awesome.

Nico: Yep. We have Rangers of both America and Japan with us

Hitch Trailblazer: We sure do. It's so awesome.

Yost Cap: As for me, I'm the leader of the Avengers. But in another world.

Me: Yeah we call that world the Yost Universe. Long story.

Atomic Puppet: I see.

Pauling Bell: Cool!

Nico: It was awesome.

Joey Felt: Wait. You mean He Who must Not Be Named?

Nico: Hey, you can use his name. After all, saying it doesn't mean shit anymore.

Me: Nope. He's gone forever.

Sunny Starscout: Yep.

Atomic Puppet: Good riddance! He reminds me of a Nazi.

Yost Cap: (laughs) That's the same kind of thing I said to Malfoy back In my world

Me: That is true!

Sunny Starscout: Yeah.

Nico: Anyway, how have things been since the last visit?

Pauline Bell: Well we got trouble.

Me: What is it?

Joey Felt: We'll show you.

We followed Joey and then we saw a gross sight! IT WAS THE MUCUS MONSTER!

---

In his first appearance in "Bad Lair Day", it was his first that he spoke, but later in "Big Blowout", all he does is roar, as he come across, he's more likely to expel slime from his body on either side, as he shoots it towards people, causing them to become aggressive and annoyed, but however in Bad Lair Day, when he slimed on a random person, it never caused the person to get either annoyed or angered.

In the same entire episode, he was causing mayhem in Mega City, going from sewer to buildings, expelling slime upon everyone including AP and Joey, just as Joey and AP were arguing which it distracted enough time for the Mucus monster to shoot on people and on buildings and later escaped, which led to Joey and AP separated each other, as throughout the episode, as Joey and AP in no action which ended up with the Mucus monster continued silmming on everyone, which it prompted Joey and AP to try to stop but were slimed and end up fighting and then it washed of from water which was the weakness for the Mucus monster which his fate was being dissipated to nothing but his eyes.

---

Mw: What the fuck is that!?

Joey Felt: The Mucus monster.

Nico: That's a really big mucus!

Eli: Yeah!

Nico: It'll be perfect for the M.O.E.

Me: We're going to need a massive tissue.

Eli: Yeah! Wait look!

On top of its head was a girl with red hair and had red eyes and black clothes and pitch black angel wings!

Me: (GASP) Natalia Portaler!

Nico: Oh man! The Embodiment of Portaler?

Me: Yep. She's half Ménhùwǎngzhànian and has all of Portaler's powers.

Nico: Oh boy.

Aqua: Now you're going to see why I have a leotard on.

Aque concentrated and started sweating as her stomach growled.

She belched and then inflated and and then she grew fins and a tail and turned into KYOGRE!

Joey Felt: WOW! She's a Kyogre!?

Nico: Yep.

Brody: NINJA SPIN!

He transformed and was ready!

Brody: POWER OF THE NINJA! NINJA STEEL READ!

Nico: OH YEAH!

Sunny Starscout: Lets go get him!

Pipp Petal: EW! EW EW EW EW! I am not touching that thing!

Nico: Pipp this is no time to get cold feet!

Zipp Storm: He's right! We got to get it done no matter how disgusting.

Pipp Petals: You're right! (GULPS) I am going to regret this!

Duff Killigan: Lass, you don't have to fight him. Just his teleporting buddy!

Pipp Petals: That works! That totes works. Lets go!

We went at them and Joey put on Atomic Puppet and turned into his hero form!

Nico: OH YEAH!

Zipp Storm: Lets go!

We went at them.

I fired waves of energy and blasted the Mucus Monster all over.

Eli: Okay you overgrown booger! Time to throw you away.

Natalia Portaler: (Russian Accent) J.D.! You have to help me!

Me: We are going to Natalia! Hang on!

Ven got out his Shift Car and he activated it and fired energy waves and blasted the monster!

Aqua fired a wave of water and drenched it!

I fired a Liquid Electron blast of the antidote from my device on my arm and it was injected into Natalia!

Nico: WHOA! Lisa really came through for that one!

Natalia teleported behind Duff and tried to punch him

He grabbed her punch.

Duff Killigan: Not that easy lass.

Eli used the Force and knocked her out.

Eli: That will hold her.

Ginny got out her Shift Car and activated it and fired energy blasts.

Brody used Taskmaster's Shift Car and blasted the monster.

Duff tried to hit an explosive golf ball at Natalia but she teleported away

But the ball hit the monster and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMMMM!

It splattered all over Sunny!

KRASPLAT!

OH YUCK!

The monster regenerated itself and roared as Sarah got out her Shift Car

She fired waves of blue wolf fire and blasted him.

Me: Taste this!

I fired waves of energy balls and blasted the monster and globs of snot all over Pipp, Zipp and Izzy!

KRASPLAT!

Pipp screamed!

Natalia teleported behind Duff and tried to kick him

But he dodged it.

Then the antidote took effect and she got her blue eyes back and was cured!

Natalia: I'm cured! Wow!

Nico: But the Black Wings are permanent.

Brody used his shift car again and blasted the monster!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!

Snot splattered all over of Hitch!

KRASPLAT!

YUCK!

Yost Captain America used his Shift Car and blasted the monster with fire.

It burned him.

We fired energy waves and blasted the monster.

Aqua roared and fired an energy blast and blasted the monster.

Harry fired a magic blast.

Sunny Starscout fired magic blasts and blasted the monster.

Princess Celestia used her Shift Car.

She fired flan blasts and smashed the monster.

Nico: Aqua use water on it!

But then a wave of water and drenched it. The water started Melting it.

?: Someone called for that?

We saw SHELLMON!

Me: Whoa! Shellmon!

Shellmon: (In a gitls voice) Looks like I got here just in time.

Nico: Shelly Shell!? Whoa!

Aqua summoned a huge wave of water and finished the monster off.

Nico: Nice job Aqua!

Aqua: Thanks. Now I can revert back.

I gave her clothes to her and put a dome of darkness around her and she reverted back to normal and then she later knocked on the dome and I removed the dome and she was back to normal.

Me: There.

Shelley reverted back and was a girl with pink hair and pink and blue clothes and she had pink angel wings and had a shell club and had a Shellmon symbol on her Forehead and on her skirt.

Shelley Shell: That was cool!

Joey Felt: Does it hurt when you transform?

Aqua: No I'm used to it.

Me: Yeah.

Sunny and friends were covered in snot! YUCK!

Nico: Yuck.

Harry Potter: Yeah. Do you have any favorite memories of Nico?

Shelley Shell: I showed Nico my shell collection. I collect seashells and they are cool.

Me: Nice.

Nico: She has a massive seashell collection. And it's awesome.

Nico and Shelley hugged.

Nico: I've missed you.

Shelley Shell: Same here.

Nico: Yin and Arkayna should go next.

Me: Awesome idea.

Lola: Yeah!

Argyle Starshine: That is a cool idea.

Nico: Yep

Later we came back.

May: Hey guys how did it… GOOD GRIEF! Sunny you guys are a mess! What happened?

Me: Don't fucking ask.

Nico: We battled a snot monster and it was gross.

May: Oh man! Sorry guys.

Sunny Starscout: Yeah but it was cool.

Nico: Yin and Arkayna should go next.

Me: Awesome idea.

Lola: Yeah!

Argyle Starshine: That is a cool idea.

Nico: Yep

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

The cutie mark crusaders came in holding their stomachs.

Eileen: Are you girls okay?

Apple Bloom: I don't think so.

Sweetie Belle: We feel bloated.

Scootaloo: And like we're going to…

LOUD MASSIVE FART!

THEY RELEASED A MASSIVE LOUD FART!

Connie Trevalyon: Oh boy!

Me: What happened?

Apple Bloom: We had 9 bowls of Chief Wiggum's chili

Sweetie Belle: 3 for each of us

Me: Uh oh.

Scootaloo: But we can do this!

THEN THEY FARTED THE 1812 OVERTURE!

WE LAUGHED!

We laughed hysterically and when it was done everyone cheered!

Me: (LAUGHS) That was awesome!

Qin: (LAUGHS) Yeah!

Applejack: (LAUGHS) That was funny.

Rarity: Uch! It was gross but funny.

Rainbow Dash: (LAUGHS) YEAH!

Captain Underpants: I did that before and it was funny.

Sinnertwin: That's just nasty!

Qin: Oh come on it was really funny!

Nico: Besides no one has ever been able to do that.

Me: Fart the 1812 Overturn like that. Well done girls. But please don't do that again.

Apple Bloom: Sorry. (LOUD FART!)

?: Ooh man! That chili is wrecking you! Hope you don't destroy the place like that time Peter had Explosive Diarrhea.

CUTAWAY

* * *

Peter Griffin's house was shown.

But then…

LOUD DEEP FART!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

There was an explosion that blasted through the windows.

Peter Griffin: Brown house!

---

CUTAWAY ENDS

We looked and saw a girl with purple hair and purple eyes and black clothes and had purple star wings and had a galaxy symbol in the middle of her forehead.

Ginnia Galaxy: Ginnia Galaxy, Embodiment of Galaxy Man.

Jason Lee Scott: Ginnia! Wow!

Troy Burrows: Awesome to see you!

Ginnia Galaxy: Jason and Troy! Its been a while.

Me: Awesome to meet you Ginnia.

Streetwise: How do you meet Jason and Troy?

Ginnia Galaxy: I met Jason at the Angel Grove Cafe and helped him bash and destroy numerous Putties and Satan Frank.

Me: You mean the Japanese version of the final form of Dora Frank?

Ginnia Galaxy: That's right and it was awesome.

Nico: COOL!

Eli: Awesome!

Ginnia Galaxy: And I also won an eating contest against Bulk and Skull. I ate a 10 pound burger and Bulk and Skull fainted on the spot after 3 bites in.

Me: Crazy! But awesome.

Ginnia Galaxy: Yep. Also I met Troy when they battled Salamandam.

Eli: I remember him!

Me: Yeah that's one of the Gokaigers monsters.

Ginnia Galaxy: Yep. And it was fun. We destroyed him like he was nothing.

Nico: Well done! Would you like to join us?

Ginnia Galaxy: I would be honored.

The Cutie Mark Crusaders were FARTING LIKE CRAZY!`

FART FART FART FART FART FART FART FART!

LOUD FARTS!

Nico: (GAGGING AND COUGHING)

Qin: Man Wiggum's chili is really ravaging them!

Lola: GEEZ!

Blade Man: We have to do something about this gas!

Me: I don't think the mascots are willing to bounce on all three of them!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Scrozzle, he's taken over Alva Industries from Alva and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Scrozzle, he's taken over Alva Industries from Alva and he's causing havoc.

We gasped.

Devon: Scrozzle's broken out?!

Nico: This has Lord Zedd and Rita Repulsa written all over.

Me: Definitely.

Lincoln: We're heading down to help Alva take back Alva Industries, and I'm gonna kick Scrozzle hard in the crotch before we send him to Vypra to teach him manners.

Nico: Good idea.

Me: This should be good.

Nico: You said it. Alright, let's head out to help Alva take back Alva Industries from Scrozzle.

Lincoln: I've been waiting to take action against Scrozzle in case he broke out.

Me: Yep.

The previous group came.

Whirlin: Can me, Vanitas, Iron Lung, Merman, El Diablo, Stonedozer, Iceage, Magma, Sportsmaster, and Kerbero Gangan go with you guys?

Merman: (SNIFFS) WHEW! What is that stink!?

Me: Don't ask.

Nico: And yes you can come with us.

Nebula: Nico, which Gene Slammer do you think you'll meet next?

Nico: Frost Walrus next.

Qin: Cold.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Nico, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to the feral animal Packing Day version of Nico, and that rampaging animal is coming to pummel us with snowballs.

We gasped.

Me: I knew he'd be coming next. And just in case, Lincoln, can you show us the picture?

Lincoln: Got it.

Lincoln took out his sketchbook and we saw Nico's feral animal Packing Day version, he looked like him, but with long wild unkempt dark blue hair, he had facial stubble on his jawline, he has hair on his forearms, he was extremely muscular with abnormally massive and powerful upper and lower body muscles and eight-pack abs and bulging veins, he has on an red coat with the sleeves torn off and he has thick chest hair on his massive pecs, he was only dressed in torn orange shorts, and he was on all fours.

Nico: Damn, this version of me looks like a feral wild beast!

MONSTROUSLY LOUD BELCH!

Me: Along with having Lynn's monstrous side when she goes psycho on Packing Day.

Nephele Zephyrine: Big time. Leave him to me and Lincoln, we'll teach that animal a lesson he'll never forget.

Me: Hold on, Nephele, since this is a feral animal version of Nico, I'm also joining in as well because I know how strong he is.

Lincoln: That's a good idea, J.D.

Nico: Yeah, you guys are gonna need some extra muscle to deal with that snow monster. Alright, gang, let's out to help Alva take back Alva Industries from Scrozzle.

Lincoln: And deal another blow to Rita Repulsa and Lord Zedd, and once we get done taking down Scrozzle and sending him to Vypra, you're next, you rampaging four-legged monstrosity.

Nephele Zephyrine: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Alva take back Alva Industries and take down Scrozzle and send him to Vypra, and once we get done with Scrozzle, Lincoln and Nephele Zephyrine along with me are going to destroy the feral animal Packing Day version of Nico.

We were off to the Dakota City Sector

---

We arrived.

Me: We're here.

Maria: Home.

Qin: Yep.

Vanitas: Static, What can you tell us about Alva?

Static: Well his name is Edwin Alva and he owns Alva Industries and they were responsible for the making of the Quantum Vapor.

He went over his history.

---

The owner and head of Alva Industries, Edwin Alva Sr. was responsible for creating the Quantum Vapor that turned many teenagers at the docks into "Bang Babies".

History

While never admitting responsibility for the gas or attempting to right his wrongs, Alva did hold a grudge against Static after he attempted to expose Alva. Despite his best efforts, Alva never captured or figured out Static's secret identity.

Alva was never known for being close to his son. Alva Jr. figured out a way to control the effects of the Big Bang gas. When Alva ignored his son, the boy took his discovery and became known as Omnifarious. After Alva found out, his son overdosed on his Bang Baby pellets and turned himself to stone as a consequence. He then used his company resources to find a means to restore his son to normal.

Alva eventually reversed his son's condition through the utilization of other Bang Babies' powers. Despite trying to use Rubberband Man, Talon and Gear as his test subjects, Hotstreak and Static stopped him. When Static found out that this was all to get Alva's son back to normal, Static offered to use his powers to reverse Alva's son's condition. Not to be outdone by a rival, Hotstreak joined Static, and together, they were able to turn Alva's son back to normal. Regaining his son, Alva dropped his vendetta against Static: not long after however, Alva's terminated agent, Dr. Roberts, successfully learned Static's secret identity

---

When he was done we were shocked!

Me: So Alva is responsible for making the Quantum Vapor and the Bang Babies!

Xenia: That is horrible!

Me: So in a way he is responsible for some of you guys your powers. And if it weren't for him you guys wouldn't have joined us and the M.O.E.

Hotstreak: That is true.

Static: But I swear to you, he's working to redeem himself for this crimes.

King Kai: There's more. Alva's son Edwin tried to use his Omnifarious powers to fend off Zedd's goons. But he became a statue again in the process.

Retrax: Fuck! No father deserves to have his son turned into a statue like that. Especially if it was to fend off goons of Zedd.

Me: Oh man! We got to help him out big time!

Carmen: But at least now I know how I got my powers.

Maria: That is true sis.

Merman: First things first. We have to reclaim Alva Industries from Scrozzle.

Me: Right. We better call in the Metabreed too. Just to show them the FRUITS of their labor so to speak as well as to show thanks.

Nico: Awesome idea.

We did so.

And they came.

Puff: We're ready. So Alva Industries was taken over by Scrozzle.

Kangor: (Jamaican Accent) I always knew it was going to be his turn next mon.

Me: I agree.

Shiv: This will be interesting.

Nico: Lets go.

Trent: Lets call Biowulf too.

Me: Okay.

Biowulf was called and he came.

Biowulf: I'm here guys.

Me: Awesome.

We arrived there.

Me: We're here.

Stonedozer: Looks like Alva Industries is definitely under new Emplyment. I see Putrids as guards!

Me: Lets get them!

Cole: WILD ACCESS!

He transformed and was ready!

I fired waves of lasers and blasted the Putrids all over and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOOOMMMMM!

Sea Clamp: Lets get inside!

We went inside the building!

MORE PUTRIDS CAME!

Me: Here they come!

Toxica: PUTRIDS STAND DOWN!

The Putrids obeyed and they stopped.

Me: Whoa! Nice work Toxica.

Magma heard a scream.

Magma: I see Alva. He's being tortured by those Putrids!

Me: Lets go!

We went and found him and blasted the Putrids and they exploded!

KRAABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOMMM!

We went over and untied Alva and got him looked at.

Me: Mr. Alva are you alright?

Alva: Thanks to you guys. They were hurting me all over.

Varie: We'll look you over.

Alva: Never thought I'd thank you and your friends for helping me, Static. Nor did I expect the Metabreed to be helping you.

Static: Nice to see you too.

Leslie Gesneria: I don't mean to rush you. But Scrozzle has control of your company. We need to know how to get it shut down before giving control back to you.

Alva: Do you expect me to tell you how to do that? Do you take me for a fool?

Agony: No. You're a smart man. So you know that if we can't stop Scrozzle, we can't get you your company back and you can't help the people that Zedd is putting in danger. Like your son.

Alva: Don't speak of my son. And don't let this situation fool you. We aren't friends.

Nico: We don't have to be friends. But right now, we need each other's help. Think about it. If you don't help us now, millions of people will die thanks to Lord Zedd. Deep down, you're still a good man who wants to help people. I know you don't want that on your conscience.

Alva: (sighs) Your methods of persuasions are certainly different than J.D.'s, Nico. He likely would've told Eli to bonk my head until I complied.

Nico: Oh, trust me, I have plenty more effective methods than this. But you just lost your son. I'm not kicking a man when he's down.

Me: Me neither!

Qin: Yeah.

Laney: We aren't either.

Me: But I have the power to bring your son back.

Alva: You do?

Me: Yes I do. But where is he?

Alva: I don't know.

Kerbero Gangan: One thing at a time. First, we get your company

back.

Me: And we need to work fast!

We heard a crash and then heard more footsoldiers coming!

Me: More footsoldiers are coming!

Nico: And they are not alone!

Alva: There's a control panel that controls the company. Just press the buttons on it to shut everything down. That means Scrozzle won't be in control anymore

Breach: Right! Now, to use my portals to get rid of these guys!

Me: Go for it!

The footsoldiers were sucked into her portals.

Nico: Lets go find it!

We went to the controls.

We ran into more Putrids.

Sportsmaster: Great! More of them!

Me: I got this.

I fired waves of fire and blasted them.

We blasted them left and right.

We got to the control room and went in.

We saw the controls.

Me: That them?

Alva: Yes.

Dreamcatcher: And Look! Scrozzle's there too!

Me: You're right!

Eli: Entrance time.

We went at him.

Scrozzle laughed and then the spirits of the rangers came and then they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

A massive fiery explosion went off above him and a phoenix cry was heard and we came out!

Me: Scrozzle!

Scrozzle saw us.

Scrozzle: Team Loud Phoenix Storm and rangers nice to see you all again!

Iceage: Feeling isn't mutual!

Scrozzle: Now, listen. I'm what you might call a collector. If somebody wants something, I like to think I've got it. And if I don't have it. I'll get it.

Lincoln: (growls) Is there a rest stop between now and the point?

Scrozzle: (rolls his eyes) Jeez, at least the Rangers are more patient then you and your sisters. I've got several cabinets back there with your names on them, just waiting to be filled. And, as luck would have it, here you are. Standing just where I want you. So, what's it gonna be? You gonna be good and give up nicely?

Me: We don't give up easily!

Nico: Yeah! So we'll give you a chance to give up!

Camie: Yeah! Just be lucky we aren't banishing you to the black gates!

Nico: Yeah!

Scrozzle: You'll change your mind when you meet my friend.

Proto Man: Friend?

Then out came a blue hair girl with blue wolf eyes and she had red eyes and had black clothes and a blue wolf tail and had pitch black angel wings and she had a scar that went down the middle of her face from her lower lip to her neck.

Me: Blair Blitzwolfer!

Nico: The Embodiment of Blitzwolfer!?

Qin: Oh man!

Me: Yeah and she is half Loboan.

Blair Blitzwolfer: Yes and I have this.

Her lower jaw opened like Jared Nomak's and she fired waves of purple sonic energy and we dodged it!

El Diablo: Danny!

Danny: Right!

He went invisible and tried to sneak up on Blair. But she used her keen senses to find him before slashing at him

He dodged her and I fired an electron ray and injected the antidote into her.

Me: Nice!

Nico: Her mouth looks like that of Jared Nomak's!

Me: But she is not a vampire. She is a Loboan Embodiment. She doesn't have the mandible snout that Loboan's have so she has a mouth like that of Nomak's.

Beast Morphers: IT'S MORPHIN TIME! ACTIVATE BEAST POWER!

They transformed and were ready!

Beast Morphers: UNLEASH THE BEAST!

A massive fiery explosion blasted off behind them and they were ready.

Lucky: Time to test your luck!

Me: And your luck is about to run out!

Princess Rose: Interesting!

Blair did another Sonic Howl at Princess Rose

She dodged it!

Princess Rose: I SUMMON DES FROGS!

She summoned Des Frogs and they fired sonic croaks at her and blasted her down.

The antidote then took effect and she was cured! She had her blue eyes again!

Blair Blitzwolfer: I'm cured!

She kicked Scrozzle!

Me: Take that!

Iron Lung: So much for your so called friend!

Scrozzle: I WAS going to hang your heads on my cabinets. But now? I just want you all dead! Scuttleworms!

He summoned Scuttleworms!

Me: I was expecting you to summon Tronics since they were originally your footsoldiers under Evox!

Scrozzle: YOU HAVE NO RIGHT TO MENTION THAT NAME TO ME!

Me: Struck a nerve didn't I.

Scrozzle: Yes but were you all shocked to find out that Evox was also Venjix?

Me: THAT WAS A BIG SHOCKING REVELATION! Blew us out of the water!

Nico: WE NEED THE RED LION WILDZORD!

Cole: RIGHT! LION ZORD! DESCEND!

He played a tune and summoned him!

ROOOOOOOOOAAAAAARRRR!

He came!

Nico: YEAH!

Alva stepped on Scrozzle's hand, making him scream in pain.

Alva: As much as I'd like you to suffer for what you've done, J.D. and the others called first dibs.

Me: Nice one!

I blasted the Scuttleworms and destroyed them!

I kicked Scrozzle in his face and smashed him into the wall!

Devon: Just like old times!

Me: You said it!

I teleported and shut down the system for Alva Industries and rebooted the system! Restoring control to Alva!

Nico: There!

Scrozzle: NO! YOU MEDDLING FOOLS! YOU RUINED EVERYTHING!

Nico: At least you still have the Putrids!

Qin: Yeah!

Scrozzle: I don't need them to deal with you!

He fired energy beams and Nico fired beam blasts and the blasts overtook Scrozzle's and hit him and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

He was down.

Then Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Brain Freezer, Beautiful Gorgeous, and Red X came.

Nico: Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Brain Freezer, Beautiful Gorgeous, and Red X.

Scrozzle: Blaze! Are you here to help me?

Robo Blaze smiled.. before punching him in the face.

Robo Blaze: That was for all the times you were annoying to me!

Whiger: I bet you enjoyed that.

Griffin: Plenty more where that came from!

Beetle: (to Nico) We heard you fought Twisted Rapunzel.

Suddenly, in Feral Monster Nico's point of view as he hides in some trees, he moved the trees aside and was watching us menacingly as he was breathing, snorting, and grunting heavily, then, he pushed the trees back. Then, back to us.

MONSTROUSLY LOUD BELCH!

backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lucy: He's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of Nico, or we're going to force you out.

A massive and muscular figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Nico.

Zayto: That's the feral animal Packing Day version of Nico?!

Me: Yep.

Feral Animal Packing Day Nico: (ROARS)

Nico's feral animal Packing Day self charged at Nico, but he punched him hard and he flew right into a wall, he got back up, but he roared and beat his hairy chest like a gorilla: HE WAS PISSED!

Nephele Zephyrine: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Nephele Zephyrine's violet eyes turned neon violet and she was surrounded by a violet energy aura with stars, clouds, violet light, winds, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Nico's feral animal Packing Day self, she left violet energy, stars, clouds, violet light, winds, paints, phoenixes, and angels with every step.

Nephele Zephyrine: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn lets out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Nephele Zephyrine was surrounded by a massive vortex of violet energy, stars, clouds, winds, violet light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Cloud flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at Nico's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

But, when Nico's feral animal Packing Day self saw it, he roared in rage and fired more snowballs at her to kill her, but Nephele Zephyrine fired a massive barrage of violet energy, stars, clouds, violet light, winds, paints, phoenixes, and angels which hit Nico's feral animal Packing Day self and sent him flying into another wall, he got back up, and he gripped his orange coat and tore it off and he roared and beat his hairy chest like a gorilla: NOW, HE WAS MEGA PISSED!

Nico: Get away from her, you bitch!

Suddenly, Nico turned the tip of one of my eleven massive and long dark blue wolf tails into Cell's stinger that opened up into a large sucker and he plunged it onto his feral animal Packing Day self's head and he was unable to fight back. May: Oh… my… God! Nico, you now look (EXTREMELY TURNED ON) SO MUCH MORE SEXIER AND AWESOME!

Elly Chromington: (EXTREMELY TURNED ON) HE SURE IS MUCH MORE SEXIER AND MANLIER!

Everyone cheered wildly for what Nephele Zephyrine, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Nephele Zephyrine's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large violet and white planets orbiting around her legs, and massive white angel wings are permanent, and Nico's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve planets orbiting around my legs and ten smaller planets orbiting around my waist, Third Eye, eleven massive and long dark blue wolf tails and longer Saiyan Tail, large dark blue wolf ears on top of his head, and massive dark blue angel wings are permanent.

Nephele Zephyrine: That's it for that animal. Thanks for helping me take down Nico's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Nephele.

Me: My pleasure, Nephele.

Suddenly, Nephele Zephyrine wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nephele Zephyrine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter Cloud flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and violet lights behind them and we cheered wildly. Then, Lincoln and Nephele Zephyrine sucked in and absorbed the elemental forces and violet lights and they came back to us as the display vanished.

Eli: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Eli ran to me, Lincoln, and Nephele Zephyrine and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Nico a lesson he'd never forget.

Luan: And Nico absorbed him and transformed and ascended just like Lincoln and J.D.

Me: You said it. (Looks at Nico's harem) Uh, Nico, I'd brace yourself if I were you, your brand-new ascension and body transformation has really turned on your harem even more.

Suddenly, Nico was pounced on by May and his entire harem and they kissed him all over the place, and when his harem got up and off, he had an atomic red blush on his face with kiss marks on his massive and muscular body and eight-pack abs, he had steam whistling out of his wolf ears and normal ears, and his pupils turned into hearts.

Nico: (In Heaven) So… awesome!

Me: (Snickers) You know they're gonna have fun with you tonight, lover boy. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person: Caitlyn Cailleach, Avatar of Eis Shenron and Daughter of the Cailleach, The Celtic Goddess of Ice and Winter, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Ice and Snow with extremely incredible and massively powerful powers over snow, ice, snow storms, and cold, and summoning creatures of the snow, along with powerful black magic arts and dark magic arts, along with being born with blue angel wings, and just like Elandra Eis Shenron, Caitlyn Cailleach has all the powers and abilities of Eis Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Eis Shenron and Daughter of the Cailleach, The Celtic Goddess of Ice, and she really trained him hard in everything that she knows in using the powers ice. He made her a beautiful necklace and an awesome ice greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Caitlyn Cailleach hates Lori with a blazing passion because of what she's done, and she swore that if she ever saw that cold-blooded heartless control freak Alpha Bitch, she would freeze Lori to death and send her soul to the darkest depths of the Ninth Circle of Hell.

Me: BRR! NOW, THAT'S COLD!

Nico: Damn, if anyone crossed her.

Lincoln: Would be in for a cold fate crueler than death.

Selina Morrigan: We still remembered what Caitlyn did to a group of thugs back in Ireland, and it was literally a cold fate she dealt unto them.

Sabrina Morrigan: Me too.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral four has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Whiplash: It's a good thing we got Alva Industries back for you.

Vulture: Because we need it for something important.

Brain Freezer: Zedd's making a bomb to wipe out all good in the multiverse.

Beautiful Gorgeous: Think you can give us weapons to stop said bomb?

Alva: I need some materials first

Red X: Which are?

Alva: I'll tell you tomorrow morning

Nico: Okay. But still great job everyone.

Lucky: (to the viewers) Man this was awesome.

Me: It sure was.

We went back home and enjoyed the rest of the day and went to sleep.

Me: Man this place gives me the creeps.

Hades: It's my kind of place though and I am the God of the Underworld after all.

Nico: It's perfect.

Eli: Scary though.

Came: Man no kidding. Thank goodness Shaggy and Scooby aren't with us or they would be scared out of their minds here.

Sakura Knudson: Those two chickens? Yeah they sure would be scared no questions asked.

Lola: No kidding there.

Lucy Loud: I always love going to graveyards.

Anna Knudson: They are cool though. Sad but cool.

Nico: Anna, I want to thank you, Hades, and your teams for coming.

Anna Knudson: No problem Nico. And it's going to be awesome helping you out.

Me: You're going to do great Anna. You and your team are.

Anna Knudson: Thanks dad. That means a lot to me too.

Nicole: My sports sister can handle anything.

Anna Knudson: You know me well.

Ish: But this will be awesome and cool.

Rainbow Dash: You know it Ish!

Nico: Ish, are you glad you met Rainbow Dash?

Ish: I sure am glad.

Me: It's perfect sports heaven for R.D. And Ish and all of our favorite Athletes.

Lincoln: It sure is. Lynn loves hanging out with Ish and friends too.

Rainbow Dash: She sure does and It's really awesome that we can play so many great sports.

Nico: You all have so much in common.

Ish: Yep. We sure do.

Lola: So awesome.

Nico: You and her were destined to become siblings.

Ish: We sure were.

Me: Yep. Sports power to the max.

Rainbow Dash: Yeah that is for sure!

Camie: Yeah!

Laney: Yep. Man yesterday was crazy!

Lola: It was.

Camie: Yeah we saved Alva and got him his company back.

Nico: Did Alva send you the list of materials he needs to make the weapons?

Me: Actually yes he did.

I pulled it up and it was a list of really powerful items.

Nico: Wow! These are all items that make a Subatomic Disassembling Ray Blaster. Very interesting.

Nicole: And powerful too.

Qin: Yeah.

Camie: And the components look like they are really hard to find and get.

Varie: Like some of them are on different planets.

Nico: Yeah.

Maria: That's why we're going to said different planets to get them.

Nico: And a few of these planets we know and went to.

Lola: Yeah.

Eli: Luckily we got some of the components already at home. These are from Coruscant, Tatooine, Mustafar, Naboo and Geonosis. We just need to get the last 4 of them.

Me: And they are found on the planets Dantooine, Dagobah, Jaaku and (GASP) Planet Frieza 79.

Nico: So Frieza's home planet. Now I can destroy what's left of that monster for good and get the last piece.

Nicole: Nice.

Nico: We'll have to go to one of them for my rescue in two days.

Me: Okay.

Qin: Good idea. Alva may not like Static but he needs to have his son back.

Nico: I agree there. His heart is broken. So we'll fix it by getting him back in due time.

Qin: Yeah.

Nico: What are we getting this time?

Nicole: You'll love this one and it's the reason why Hades is with us too. We're going to find the Scythe of Hades. And legends say that it's the very scythe that is imbude with all of Hades power as well as all the powers over the forces of fire and the dead.

WE GASPED!

Qin: WHOA! That is amazing!

Hades: So you guys are gonna try to find my scythe. That's an amazing hunt for you all.

Nico: Have you used it before?

Hades: Well I did make it but I only used it on monsters that have outlived themselves. But the scythe outgrew me when I was planning the hostile takeover bit.

Nico: Oh.

Hades: And I had to hide it from Maleficent and the others in case they planned to take it from me

Nico: Very wise thinking there.

Me: At least Maleficent didn't find it here on Earth.

Laney: Probably because she thought that the Scythe was hidden in one of the worlds that Sora went too.

Camie: Yeah no kidding.

Hades: Mm hmm that could be the reason.

Me: Maleficent may have been known as the Iconic Mistress of all Evil but she was not very smart.

Nico: True to that.

We walked on.

Maria: Are we getting close?

Nicole: Well according to this map we got to look for a grave that is odd and different out of the others.

We looked around.

Me: Like that one? That one that looks like a skull on fire?

Nico: That could be it.

We went over.

Me: Hmm. How to open it.

Eli: Try poking its eyes.

Me: No offense to Ghost Rider but how can you poke a skull in the eyes?

I poked the skull and then a door opened and it led into a scary cave.

Me: Wow.

Eli: Told you.

Me: Still silly though.

We went down the stars and it lead into a cave that was right underneath the graveyard.

Me: Wow! This cave looks like its been here for a long time.

Nico: No kidding. Looks like no one knew this cave was even here.

Maria: Lets keep moving.

We went into the cave and it was creepy.

Varie: Boy this cave is as creepy as the graveyard.

Xenia: No kidding.

Varie: Yeah.

We then heard EERIE GHOSTLY MOANING

Nico: Hear that?

Lucy Loud: We must be getting close.

Me: Yeah.

Qin: (GULPS) That is scary.

Camie: It sure is.

We walked down more tunnels and then we got to a wall and I punched it down and then we got into a SCARY BIG ROOM! It was overflowing with wisps and spirits.

Me: Whoa!

Xenia: Wow!

Nico: Lucy would love this.

Lucy Loud: I already do Nico.

Brittney: All of us do.

Nico: Look!

On an alter of skulls was THE SCYTHE OF HADES! It was a scary bone scythe with blue fire along the blade and it had ghosts, wisps, spirits and dark mist around it.

Nicole: There it is! At long last we found it.

Me: Whoa! Hades your scythe is really scary.

Nico: Who will be Hades Successor?

Me: I think I got one. Onyx.

Misty Brightdawn: Onyx of Bridlewood? Good idea.

Qin: Ooh gloomy poet Onyx and she is also an amazing jazz player.

Laney: She plays the saxophone amazingly well like me and Lisa Simpson.

Nico: Good idea.

We called her.

Onyx came.

Onyx: Hey guys.

Izzy Moonbow: Glad you could make it Onyx!

Onyx: I'm excited for this.

Me: Go for it Onyx.

Onyx went up to the Scythe and then she grabbed it and pulled it out and it glowed and she underwent an amazing transformation in a vortex of skulls and blue fire!

(ESCAFLOWNE INTRO FOX KIDS EXTENDED PLAYS)

She grew black angel wings and had skull armbands and she had amazing power over the undead.

When the was done we were amazed!

Me: WHOA!

Xenia: Wow! Onyx you look awesome!

Lola: Yeah!

Me: How do you feel Onyx?

Onyx: I feel amazing.

Nico: You should be proud.

Hades: I agree there.

Onyx: Thanks.

Lola: That was cool though. Lets get out of here before I get scared more.

Me: Good idea.

We got outside.

Me: Whew.

Nico: It wasn't THAT scary.

Laney: No it wasn't.

Lincoln: Okay, guys, we got ourselves a huge emergency, and we've been waiting for this for a long time: we got word that Lady Tremaine has returned for revenge against us.

We gasped.

Nico: I should've known that greedy heartless cruel old hag would come back, I just knew it!

Me: Same here, but this is just perfect, now we can banish her to The Black Gates for good after everything she did to Cinderella.

Lincoln: Exactly, she's going to face judgement for her misdeeds. Oh, and I've got a surprise to show you guys.

Qin: Wow! Can't wait.

Suddenly, Lincoln's large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head began to glow and emanate rainbow light, and then, we saw Lincoln's orange version of He-Man's loincloth turns white, his long wild white hair grew longer and it flared upwards and turned orange with white and rainbow streaks, his large white wolf ears with rainbow markings and his eleven massive and long white wolf tails with rainbow tips and rainbow markings remained the same, a long white unicorn horn grew on top of his head, his massive white angel wings and medium-sized white angel wings underneath his massive white angel wings with aurora and orange tips remain the same but with the added addition of the cutie marks of Twilight Sparkle and her friends, and his gold chest harness remained the same. Lincoln transformed into DAYDREAM LINCOLN, GOD OF HARMONIC FRIENDSHIP AND DEFENDER OF THE DAY!

Twilight Sparkle: WOW!

Nico: It's been a long time since you transformed into your Daydream Lincoln form, but that form has gained quite the evolution.

Lincoln: Yeah, my Daydream Lincoln and God of Friendship forms merged together, and this is the result: Daydream Lincoln, God of Harmonic Friendship and Defender of The Day.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, and we've been waiting for the opportunity to finally finish off that greedy old hag.

Me: You said it, now let's get after that greedy old hag.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their

feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped

glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Lady Tremaine) AHA! Gotcha! I just spotted Lady Tremaine, she's 20 yards away, and she's searching for us in a fit of rage.

Nico: Let's head over there at once and give her a nasty surprise.

Lincoln: Right before we kill her. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange

tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Lady Tremaine

Tecna heard a Pokémon cry

Tecna: (British accent) Look here guys!

We saw a Cryogonal and it was hurt.

Me: Hey a Cryogonal.

Tecna: Oh the poor thing hurt itself.

Cryogonal: Yeah I know.

We got to healing it.

Nico: You okay now?

Cryogonal: Thanks to you guys.

Tecna: Do you want to come with us?

Cryogonal: Sure.

Me: Awesome.

Maria: Lets get moving.

We nodded.

We were flying in the air and we saw Lady Tremaine, and she was fuming in complete and total anger.

Lincoln: There she is, now to get her attention.

Lincoln fired rainbow energy blasts from his massive white angel wings and white unicorn horn and the four large gold orbiting rings on the corner of the halo that hit Lady Tremaine, and that made her even madder and furious than ever as we landed in front of her.

Me: I should've known you'd return one day, Tremaine.

Ella Tremaine: I would've thought you'd died for good during your banishment, but you sure were stubborn.

Marcella Marluxia: And Lord Zedd made a huge mistake bringing you back, you heartless old hag. Now, I'll finish what I started and get rid of you forever.

Lady Tremaine: You little brats! You will never stop me, I will have my Happily Ever After!

Asteria Astrophel: Go to Hell, you piece of shit!

Qin: People like you don't deserve a Happily Ever After!

Twisted Cinderella came and looked at Lady Tremaine with extreme hatred and rage and sheer murder in her eyes!

Tremaine: You dare side with them, Hades?!

Hades: I dare! Because they are my friends!

Twisted Cinderella: You took EVERYTHING from me! You killed my father, worked me as a slave and treated me like nothing but dirt, tore my dress to shreds and took away my rightful inheritence!

Tremaine: Because that fool didn't deserve anything! You didn't deserve anything either!

Nico: Well, YOU deserve to die!

Me: Banishing you to the dark planet in my opinion was too lenient! Now we're going to correct that mistake!

Camie: That's right!

Nico: We're destroying you once and for all!

Cryogonal charged at her and blasted her with an energy blast.

Varie punched Lady Tremaine in the face and our Cinderella slashed her in her face!

SLASH!

Lady Tremaine had a cut on her cheek!

Cinderella: That was for my father!

Me: I am a father but I would NEVER Treat my children the way you do! You make me sick! PHOENIX STYLE: SUN FEATHER STORM!

She fired a wave of fire and it formed into a dragon and blasted her down.

He fired X blasts of fire and blasted her all over the place.

Aqua stabbed her in the stomach!

SHEEN!

Aqua: That's for Cinderella!

Qin: You tell her Aqua!

Aqua (chuckles): I just keep getting a time to shine, don't I?

Sora: You sure do!

Qin: Yep!

Nico: Well, we're DEFINITELY killing her now.

Qin: After we have our fun putting you through the samekind of torture you put Cinderella through!

Lola: Times 100!

Camie: And it's going to hurt! REALLY BAD!

Nico: I meant that Aqua probably stabbed her vital organs

Me: Oh she did!

Qin: Time for more pain!

Camie: YEAH!

Suddenly, Asteria Astrophel's blue eyes turned neon blue and she was surrounded by a purple and cyan blue energy aura with stars, magic, nebulae, skulls, Alicorns, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Lady Tremaine, she left purple and cyan blue energy, stars, magic, nebulae, skulls, Alicorns, phoenixes, and angels with every step.

Asteria Astrophel: You absolutely make me sick to no end, Tremaine. You were not only very abusive and extremely cruel to Cinderella and favored your own daughters, but you, you went way too far in not only tearing and ruining Cinderella's dress for your own sick amusement, but you also murdered Cinderella's father so you could get his wealth and kill Cinderella as well. We were truly amazed by Starlight Glimmer's Super Angel-Empathy Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Lady Tremaine saw it, she went mad and got out a knife to kill her, but Starlight Glimmer fired a massive barrage of purple and cyan blue energy, stars, magic, nebulae, skulls, Alicorns, phoenixes, and angels which hit Lady Tremaine and sent her flying to a wall, she got back up, but now, she was even more enraged.

Lincoln, Asteria Astrophel, Starlight Glimmer, and I went after Lady

Tremaine, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Lady Tremaine, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Asteria Astrophel, Starlight Glimmer, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Lady Tremaine even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit her and slashed at her with his dark greatsword, Then, Lincoln, Asteria Astrophel, Starlight Glimmer, and I fired powerful blasts of energy, magic, stars, nebulae, skulls, bones, and planets at Lady Tremaine, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked her and she got badly hurt.

Starlight Glimmer: (Divine Echoing Godly Voice of The Harmony Empathy Undead Skylander Starlight Nebula Magic Alicorn Princess Phoenix God Angel and Divine Cosmic Eternal Harmony Empathy Undead Skylander Starlight Nebula Magic Alicorn Princess Phoenix God Angel Love) You got it.

Lincoln, Starlight Glimmer, and Asteria Astrophel formed three massive purple and cyan blue energy balls with bones, skulls, stars, nebulae, magic, Alicorns, phoenixes, and angels surrounding them and condensed them to the size of their bodies and aimed them at Lady Tremaine who saw that death was finally coming for her.

Lincoln, Starlight Glimmer, and Asteria Astrophel: UNDEAD PENANCE JUDGEMENT BOMB!

Lincoln, Starlight Glimmer, and Asteria Astrophel fired the energy balls and they hit Lady Tremaine and because she was an unrepentant greedy witch with cruelty in her heart, she was found guilty and sent to The Black Gates forever. Everyone cheered wildly as we holstered our weapons and powered down, and Asteria Astrophel's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple and cyan blue planets orbiting around her legs, and massive purple angel wings and longer purple horn are permanent, and Starlight Glimmer's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer purple and cyan blue streaked tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large rainbow planets orbiting around her legs, and massive purple angel wings and longer light purple horn are permanent.

Suddenly, Asteria Astrophel and Starlight Glimmer felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Asteria okay, Starlight Glimmer.

Starlight Glimmer: We're a little dizzy, but otherwise, we're okay, Lincoln.

Me: That was so awesome!

Nico: And I was surprised that you also transformed too, Starlight.

Lincoln: Like I said, it's fair that Starlight Glimmer transformed to help me and Asteria as well.

Me: Yep. Plus, that newly evolved Daydream form of yours is really awesome, Lincoln.

Nico: No fooling, that new Daydream Lincoln form of yours is even more powerful than ever.

Lincoln: But, I'm not the only one whose Daydream form has evolved even more.

Lincoln was right about that. Suddenly, my large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head began to glow and emanate rainbow light, and then, everyone saw my rainbow version of He-Man's loincloth turns white, my long rainbow hair flared upwards and it had rainbow streaks, my large rainbow wolf ears with aurora markings and my eleven massive and long rainbow wolf tails with aurora tips and aurora markings remained the same, a long orange unicorn horn grew on top of my head, my massive rainbow elemental angel wings and medium-sized rainbow elemental angel wings underneath my massive rainbow angel wings with aurora and red tips remain the same but with the added addition of the cutie marks of Twilight Sparkle and her friends, and my gold chest harness remained the same. I transformed into DAYDREAM J.D., GOD OF HARMONIC FRIENDSHIP AND DEFENDER OF THE DAY!

Nico: WOW!

Eli: Incredible!

Lincoln and I changed back.

Me: Now, we've finally taken care of Lady Tremaine, now we can move on with dealing with the Anothers.

Lincoln: Yep.

Nico: That was long overdue

Me: Good riddance. Cinderella got some well deserved payback.

Lola: Boy she sure did.

Camie: Yeah no kidding.

Qin: That's another of Disney's most evil villains dead and gone.

Nico: Nice job, Cryogonal!

Cryogonal: Thanks Nico!

Qin: That was awesome!

Camie: It sure was.

Poromon got out a beer bottle.

Poromon: Beer?

Cryogonal: I don't drink sorry.

Poromon: Okay then.

Poliwag did the Puppy Eyes.

Poliwag: Pwetty pwease?

Cryogonal: Nice try.

Nico: Poliwag that's enough

Maria: Did Alva say what materials he needs?

Me: I showed you a list remember?

Maria: Right. But what are we getting first?

Maria: Right. But what are we getting first?

Me: Neutronium Scrap Metal.

Nico: We got plenty of that back in our storage.

Me: Good

Nico: But if Alva needs that, then we should still get it.

Eli: Right.

Nico: Shouldn't be too hard to find.

Qin: Yeah.

Lola: And if any of Zedd's forces come we'll blast them.

Varie: Yep.

Devon: I really enjoyed defeating Scrozzle yesterday

Me: Good to catch up on some unfinished business.

Qin: Yeah

Devon: Too bad there were no Tronics.

Qin: I know.

Camie: That would have been fitting too.

Qin: It sure would have.

Nico: I think the Foot Soldiers are appearing in order

Qin: They must be.

Me: Yeah. And I like it.

Camie: Me too.

Laney: Yeah.

Nico: Meaning the Kelzaks are next.

Me: Yeah Ninja Storm's soldiers.

Qin: Yeah.

Me: Yep. Now the fun part starts.

Laney: The Anothers.

Nico: Which are?

Eli: (Concentrates) WHOA! We got Another Hades, Centiback, Penpen, Universe 666 Sideshow Bob, the Gigant Chicks and Straizo, and Scorcher, Firepower, Evil Star, Key and Overdrive.

Me: Whoa! So Anna Knudson, Ish, Bertha Loud, Irena Indigo Zap, Odd and Kelsey Winslow as well as Jason, Aurico, Tommy, TJ and Andros.

Qin: WHOA!

Rarity: Oh this is gonna be so fun darlings.

Then Rarity's Cutie Mark was glowing!

Me: Rarity's Cutie Mark is glowing.

Nico: Yeah!

Eli: And the Anothers minus Hades are all one person.

Nico: There they are!

We saw Another Centiback, Penpen, Universe 666 Sideshow Bob, the Gigant Chicks and Straizo, and Scorcher, Firepower, Evil Star, Key and Overdrive!

Me: Awesome!

Qin: This is gonna be awesome!

Another Penpen: (In a girls voice) It sure will.

They merged and she reverted back.

(ENDLESS MIST OF NIGHTMARES BY GATOPAINT PLAYS)

Rina Nightmare Rarity: (SINGING DIVINELY AS SHE REVERTED BACK AND DARKNESS, JEWELS AND LIGHTNING SWIRLED AROUND HER)

(Get me out of here)

(There's no turning back)

No escape from here

(Whispers calling up to me)

Someone, save me

The soft melody of my beating heart

Is fading through this darkness

Surrounding me, cradling me

I can't find a way out

My desire, my dream

It's turning its back to me

Is this how it's supposed to be?

No

Somehow

(I'm still here)

Trapped within these chains

Trying to hold on

While I hope you won't forget me

(It's useless) As I keep believing

(My fate has been sealed) I will see you again

To see your light shine through

This endless mist of nightmares

I feel those eyes staring

Those voices calling up to me

They need me

I must stay

[Guitar Solo]

I'm still here

Trapped within these chains

Trying to hold on

While I hope you won't forget me

(It's useless)

As I keep believing

(My fate has been sealed)

I will see you again

To see your light shine through

This endless mist of nightmares

(Please) The meaningful gift I've been given

(Let) "There's something you fear."

(Me) Means I should give something in return…

(Help) "Your kindness won't be forgotten"

We saw saw that she was a blue hair girl with blue eyes and black and blue clothes and had black angel wings and had a Tiara with Nightmare Rarity's Cutie Mark on it and on her skirt. She had a terrifying scythe in her hand and she had Nightmare Rarity's Tail.

She landed in front of us.

Me: WHOA!

Rina Nightmare Rarity: Rina Nightmare Rarity, Embodiment, Gene-slammer and Legacy of Nightmare Rarity.

Me: Whoa! The Jewels of Nightmarish Darkness!

Rarity: Oh that was an absolutely divine and amazing entrance darling.

Rina Nightmare Rarity: It sure was one worthy of the Gates of Hell.

Nico: I knew I saw a dark outline when Rarity's Cutie Mark glowed.

Me: Yeah.

Ice: (Scandinavian Accent) That was really amazing though.

Rina Nightmare Rarity: It sure was.

Me: And the song is awesome and very fitting for you too.

Rina Nightmare Rarity: It sure was amazing.

Me: Yep. By the way is the Another Hades friendly or hostile?

Rina Nightmare Rarity: Friendly and she is a really deadly one.

Me: Whoa!

Nico: Sorry we have to do this though.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: That was fun!

Nico: Now we wait.

Me: But with an Another of this caliber we don't have to wait long!

We saw ANOTHER HADES!

Me: Another Hades!

Hades: Ooh! Who is that good looking handsome God of the Underworld?

Me: Another you Hades.

Another Hades: (in a Girls voice) It will be fun.

She reverted back and was a girl with reddish pink hair and had red eyes and had purple clothes and had purple dragon wings and had a tiara with the symbol of Nocturne Jungle's Cutie Mark on it and on her skirt and she had a Star of Satan and a Voodoo Symbol and she had a Voodoo Symbol necklace. She also had a voodoo sword and had Nocturne Jungle's tail.

Victoria Nocturne Jungle: Victoria Nocturne Jungle, Embodiment, Gene-slammer and Legacy of Nocturne Jungle.

Me: Whoa! Awesome to meet you.

Laney: Yeah.

Lucy Loud: Are you a voodoo master?

Victoria Nocturne Jungle: Yes I am. I'm a master of darkness, dark magic and voodoo rituals and is even a master of black magic and Satanic Magic and has all the powers of Hades.

Hades: Ooh I think I'm going to like this girl. She has every single aspect of me in a nutshell.

Qin: She sure does!

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

They got weapons for said rangers.

Victoria Nocturne Jungle: No he didn't because I threatened to send him to the pits of Tartarus.

Me: Ooh! Nice!

Qin: He's dead anyway and in the black gates.

Me: Yep.

Sougo: (gets out Patranger Ridewatch) You have the powers of Hades, right?

Geiz: (Gets out Kyuranger Ridewatch) Do you have your own version of Cerberus?

Tsukuyomi: (gets out Lupinranger Ridewatch) Or Pain and Panic?

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Victoria Nocturne Jungle: Actually I do yes. But they are at home.

Nico: Cool.

Qin: Lets make this fun and cool!

Lincoln: Lets separate you first.

Lincoln did so.

Me: This will be good!

Hades: Let's get ready to (Echoing) RUMBLLLLLLE!

Nico: Aren't we forgetting one teensy-weensy, but ever so crucial, little tiny detail?

[Nico explodes into flames]

Nico: I OWN YOU!

[Nico summons Pain and Panic and notices Pain is wearing Air-Hercs]

Nico: What… are… those?

Pain: Um, I don't know. I-I thought they looked kinda dashing…

Nico: [slowly burns up] I've got 24 hours to get rid of this… bozo, or the entire scheme I've been setting up for 18 years goes up in smoke, and YOU ARE WEARING HIS MERCHANDISE?

[Nico hears a noise, and sees Panic slurping some "Herculade"]

Panic: [chuckles nervously] Thirsty?

[Nico screams, and blows up like a volcano]

KRABBBBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOO

He blasted Pain and Panic and Another Hades down and it was funny!

Nico: (gets out Hades' Ridewatch) Feel the heat!

He activated it.

Nico: I'm about to rearrange the cosmos… and the one schlemiel who can louse it up… is waltzing around IN THE WOODS!

HE EXPLODED INTO FLAMES AND BLASTED ANOTHER HADES ALL OVER!

May: (Gets out Penpen's ridewatch) Time for some ice!

Maria: (Gets out Gigant Birds Ridewatch) These birds pack a wallop!

Ish: (Gets out Centiback's Ridewatch) BLUE 44! HUT HUT HUT HUT HIKE!

They used the powers of Centiback, Penpen, Universe 666 Sideshow Bob, the Gigant Chicks and Straizo too and blasted the Another all over!

Then Road Kamelot, Olmzuno (Liveman), Fire Bug, Red (Spyro), Emperor Han and Tiger Phantom Smirodion came.

Me: NICE!

Nico: Nice Team Road Kamelot!

Road Kamelot: Thanks Nico!

Me: And this!

I fired a wave of ice!

Another Hades: FOLLOW THAT FINGAS HIM! (FREEZES SOLID) THE YUTZ WITH THE HORSE!

Me: Cold enough for you?

Horsea: Chill out!

He exploded out!

Another Hades: I hope you're ready because I'm going to get my titanic rear in gear and kick some Olympian Butt!

Eli snuck up behind him and blew his hair out!

Another Hades: Whoa is my hair out?

But then a wave of ice hit Another Hades and blasted him down and I caught the Ridewatch and purified it!

Frost Walrus came.

Frost Walrus: That was funny!

Me: Frost Walrus whoa!

Frost Walrus: (In a girls voice) (Swedish Accent) Oh ja that was fun!

Nico: Winona Walrus!? WHOA!

Woody Woodpecker: Whoa hang on! You mean you know Wally's daughter!?

Nico: Yep.

Poromon: It's true.

Woody Woodpecker: That is amazing!

Winona reverted back and she was a girl with blond hair and had blue eyes and had blue angel wings and was dressed in a blue bikini and she had a snowflake with a walrus in front of it.

Winona Walrus: That was fun ja.

Rarity: Don't worry darling we can get you new clothes.

They went and did so and she had awesome blue clothes.

Winona Walrus: Oh this looks amazing on me.

Nico: It sure does.

Qin: Yep.

May: I like how I don't get hit anymore.

Manaphy: Don't jinx it, Mama.

But then…

BLAANG! COW MOO! BLANG! BLANG!

She got hit on the head with 2 bowling balls and a bowling pin!

May: OOOOOOOWWWW!

She had three NASTY LUMPS ON HER HEAD!

Me: OOH! That had to hurt!

Derpy Hooves flew in.

Derpy Hooves: Oh man! Sorry May!

CRASH!

She crashed into May and knocked her down.

May: Me and my big mouth.

Manaphy: I told you not to jinx it, Mama!

Winona Walrus: That must really happen to her a lot.

Me: Don't fucking ask.

Ish: Do you have any favorite memories of Nico?

Winona Walrus: When me and Nico and Qin had a Swedish Meatball eating contest. I make the most amazing Swedish Meatballs.

Nico: It's true.

Qin: They were really tasty.

Woody Woodpecker: Your dad also makes really awesome Swedish Meatballs too.

Nico: Yep. Me and Qin and Winona all tied in that.

Me: Wow!

Nico: I know.

Nico and Winona hugged.

Nico: I've missed you.

Winona Walrus: Me too Nico.

We later went back home.

So, Lincoln's going to take him and his gang down and he's going to absorb them.

Lincoln: Whoa, we're here in Ireland, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news. Sabrina, Selina, Douglas McCarthy's back.

Sabrina Morrigan: (Shocked) What?!

Selina Morrigan: That huge musclebound bulked up brute's back again?!

Nico: Sounds like this guy's bad news, who is he?

Lincoln: Someone you aren't going to like. Douglas McCarthy, like Selina Morrigan said, is a huge musclebound bulked up brute who terrorized Dublin for years by trashing the place until he got arrested and sent to prison, but that big brute bulked up even more in muscle during the years he was imprisoned, and he waited for the right time to bust out by using his inhuman superhuman strength to break open his cell and escape.

Me: Sheesh, looks like we got to deal with that overgrown musclebound behemoth.

Lincoln: It's not just him though, his gang's also running loose and they're all just like him physically: spent all day in the gym and bulked up to the point of looking like overgrown musclebound beasts.

Anna Knudson: Yikes, and we're also keeping an eye out for any bastards trying to kill Shanan and get the key back for Lord Zedd.

Nicole: Yeah, now that we have it, Zedd and Rita's plan just took a huge hit. Now, let's take care of the McCarthy gang.

We took cover in the shadows and Lincoln turned the tips of his eleven massive and long white tails into Cell's stingers, and he began sneaking behind the massive armies of Douglas McCarthy's musclebound thugs causing havoc. Lincoln was right behind a group of thugs, and as he stabbed his tails into the backs of the group of thugs, Lincoln began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Then, Lincoln continued on with sneaking behind the remaining armies of Douglas McCarthy's musclebound thugs, and like he did with the first group, he stabbed his tails into the backs of the remaining armies of Douglas McCarthy's thugs and Lincoln began absorbing them, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Me: (Whispers) He's taken care of the armies of musclebound thugs around the place, now he's got to take care of the remaining musclebound thugs on the roofs.

Lincoln disappeared and reappeared on the rooftops without making any sort of noise, and when he was in the vicinity of the musclebound thugs, Lincoln stabbed his tails into the backs of the snipers and he began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done and the stingers changed back, all that was left of the snipers were their clothes and weapons.

Lincoln: Ah, now that was quite a feast.

Then, we reappeared as Lincoln descended in front of us.

Lincoln: We're all set to attack Douglas McCarthy, guys.

Me: With all his really massive armies of musclebound thugs absorbed by you, now he's all alone.

Nico: Let's do this.

Suddenly, we saw a very beautiful and super sexy girl with long ice blue hair and ice blue headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a ice blue sleeveless crop top, necklace with the Three Star Dragon Ball for the pendant, black sleeveless gloves, ice blue skirt, ice blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic magic, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails and on the back is Eis Shenron, The Three-Star Dragon of Ice and the Cailleach, The Celtic Goddess of Ice and Winter, holstered on her back is a massive white greatsword with seven replicas of the Seven Dragon Balls embedded in it and angel runes etched on the 7'9" massive, wide, double-edged white blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the five girls.

Lincoln: (GASPS) Caitlyn Cailleach, Avatar of Eis Shenron and Daughter of the Cailleach.

Caitlyn Cailleach: That's right, and I got the girls away from that massive giant overgrown musclebound bulked up brute, and he's pissed that you absorbed all of his armies of massive musclebound thugs.

?: (Irish Accent) LINCOLN LOUD, I'M GONNA TEAR YOU TO SHREDS AND THROW YOU IN THE RIVER!

We heard thundering footsteps and we saw a massive musclebound male with orange hair and wearing only a pair of pants and boots heading our way: it was Douglas McCarthy and he was pissed off.

Sylvester: So, now we got to take care of this overgrown gorilla.

Suddenly, Douglas McCarthy threw a punch into Lincoln's chest, big mistake as his fist was now engulfed in Lincoln's chest. Then, Lincoln clenched his hands and tensed his body as he began pulling Douglas McCarthy into his body and began absorbing him as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and he was assimilating all of his inhuman superhuman strength and he was getting stronger and stronger. Then, Douglas McCarthy was eventually absorbed into Lincoln as his massive white angel wings and medium sized white angel wings underneath spread out and Lincoln let out a dominant roar. We cheered as we holstered our weapons and powered down.

Lincoln: Whew, I've not done that in a long time. (Flexes his massive muscles) But, it was so worth it, I'm even more ripped than ever, but now, we're finally rid of that bastard and his gang for good after absorbing them. (To Caitlyn Cailleach) And it's so good to see you again, Caitlyn.

Caitlyn Cailleach: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Caitlyn Cailleach as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Caitlyn Cailleach was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Caitlyn Cailleach: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Caitlyn Cailleach and he hugged her, and Caitlyn Cailleach is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Caitlyn Cailleach: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Caitlyn Cailleach, Avatar of Eis Shenron and Daughter of the Cailleach, The Celtic Goddess of Ice and Winter, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Ice and Snow with extremely incredible and massively powerful powers over snow, ice, snow storms, and cold, and summoning creatures of the snow, along with powerful black magic arts and dark magic arts, along with being born with blue angel wings, and just like Elandra Eis Shenron, Caitlyn Cailleach has all the powers and abilities of Eis Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Eis Shenron and Daughter of the Cailleach, The Celtic Goddess of Ice, and she really trained him hard in everything that she knows in using the powers ice. He made her a beautiful necklace and an awesome ice greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Caitlyn Cailleach hates Lori with a blazing passion because of what she's done, and she swore that if she ever saw that cold-blooded heartless control freak Alpha Bitch, she would freeze Lori to death and send her soul to the darkest depths of the Ninth Circle of Hell.

Nico: Yeesh, so if anyone dared to anger her, she would freeze them to death and send them to the Ninth Circle of Hell. That's one Shadow Dragon Avatar no one wants to piss off.

Lincoln: Unfortunately, the thugs and criminals we've dealt with were as dumb as a truck tire and never learn their lesson, and now that you're here, Caitlyn.

Lincoln went up to and hugged Caitlyn Cailleach in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Caitlyn Cailleach: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Caitlyn Cailleach with ice blue gems on the gold lightning bolts and ice blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Caitlyn Cailleach: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Caitlyn Cailleach, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Caitlyn Cailleach's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Caitlyn Cailleach had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Reina from Tekken, Reiko Nogawa and Rika Makise from Bitch Battle Royale, and

Chiyuri Sugawara and Misae Nakamine from Bitch Hajimemashita.

Lincoln: Oh wow, it's Reina from Tekken, Reiko Nogawa and Rika Makise from Bitch Battle Royale, and Chiyuri Sugawara and Misae Nakamine from Bitch Hajimemashita.

Nicole: Thank goodness Caitlyn got them away from that overgrown gorilla. (GASPS) Oh god, Lincoln, there's something you should know about Reina, she's the illegitimate child of Heihachi Mishima. But, she's not like him in every way.

Lincoln: Whoa, I had no idea about that. Are you girls okay?

Reiko Nogawa: Yes, we're okay, thanks to you.

Then, when Reina and the other four girls saw who it was that saved them from Douglas McCarthy, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos, and Master of Elemental Forces, The Storms, Mythological Animals, Animals, Phoenixes, and Angels", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Reina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Reina: (Seductively and rubs her hands on Lincoln's massive pecs)

You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Reina, Reiko Nogawa, Rika Makise, Chiyuri Sugawara, and Misae Nakamine with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was an old enemy of Lincoln's named Douglas McCarthy, a massive bulked up and extremely muscular brute who'd terrorized Dublin for years by trashing the place until he got arrested and was sent to prison, but that big brute bulked up even more in muscle during the years he was imprisoned, and he waited for the right time to bust out by using his inhuman superhuman strength to break open his cell and escape

But, when Lincoln showed what he did first in absorbing the massive armies of his muscular thugs, and then we joined in and beating that big gorilla down and when he threw a punch into Lincoln's chest which enabled Lincoln to suck him in and absorb him, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Caitlyn Cailleach have a lot of catching up to do, now that she's back in town.

Maria: Damn, you sure had quite a feeding frenzy absorbing that brute's thugs, and when you faced that big brute, you used the same technique like you did with that filthy animal, Lucas Greyson.

Lincoln: Yep.

Nico: That animal made a huge mistake and he got his punishment.

Me: Yep, he and his gang were absorbed by Lincoln, and we stopped their rampage in Ireland.

---

After Lincoln absorbed Douglas McCarthy and his gang, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Caitlyn Cailleach saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Caitlyn Cailleach: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Caitlyn, and I can still defend

myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Caitlyn Cailleach: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Caitlyn Cailleach: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm rang, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a girl with black hair and a completely demented look on her face and with her was a slimy lizard.

Lincoln: Oh, you've got to be kidding! Selene, call Mayor Davis, tell her Vic's stepdaughter and her slimy lizard have come back for revenge!

Selene Arcangela: On it, Lincoln.

Nico: So, that…?!

Lincoln: Yep, that's Vic's stepdaughter and our hated archenemy, Maria Devins, she was the meanest, nastiest, spoiled, and completely rotten black-hearted monster we've ever met and she's just as bad as Vic. Her biological mom was the only decent person we've met, and when she heard the news that Vic was arrested, she went down there and she shoved the divorce papers in his face and made him sign them. Then, she kicked her rotten daughter out of the house after getting sick and tired of her messes and her heartless condescending attitude and she hated her daughter for what she tried to do in trying to kill me and my Guardian Angels to satisfy her jerk of a stepdad.

Laney: So, that little brat has come back even after she was banished from Gotham Royal York after her stepdad got arrested.

We flew out of the World Tree Estate and Lincoln fired energy blasts at Maria Devins and she went ballistic when she saw us.

Maria Devins: YOU STUPID LOWLIVES! YOU SENT MY STEPFATHER TO JAIL! YOU RUINED MY LIVES! I DESPISE ALL OF YOU SO FUCKING MUCH, I WANT ALL OF YOU TO DIE!

Our energy auras flared up extremely because of her hate. But, before she could come after us, she was hit in the face by a boxing glove that came out of a trick box, and that's when we saw Mayor Davis arrive.

Me: Mayor Davis.

Mayor Davis: Sorry for that, J.D. (To Maria Devins) I warned your stepfather that if I ever saw you and your slimy lizard here again, I was going to knock his block off so hard, he'll be eating through a tube!

Selene Arcangela: And we're going to do the same thing to you, you undisciplined bitch!

Maria Devins: I'LL KILL YOU, BITCH! AND THEN THIS TOWN WILL BE MINE AND ALL WILL BOW BEFORE ME LIKE THE

PIECE OF TRASH LOSERS THEY ARE!

Suddenly, Lincoln teleported right in front of her, and… !

POW!

Lincoln punched her so hard in the face, he knocked her out and then tied her up in a rainbow energy straitjacket and was taken to The Xaikora Prison for good, but like all the other Queen Bees labelled too dangerous, she was given the Star Warriors' Vengeance Curse, which means in one year's time, she'll be dead. Then, he teleported to the prison Vic was sent to and he punched him so hard, he was now going to be eating through a tube from now on.

Mayor Davis: (LAUGHS HYSTERICALLY) That was so awesome! Serves that jerk right.

Nico: Now, he's going to be eating through a tube from now on, serves him right.

Mayor Davis went back to City Hall and we returned home and continued our workouts.

Nico: So, we took care of that jealous, wrathful, envious vengeful undisciplined bitch and we sent her to the Xaikora Prison with the curse Lincoln put on her which'll send her to The Black Gates in a year, and that was a nice touch you did in punching Vic so hard.

Lincoln: And now, he'll be eating through a tube from now on.

Me: I think that was too merciful, he should've been rendered a boneless blob like Mr. Shu.

Lynn: Nah, besides that punch Lincoln delivered crippled him for good, so he won't be able to do anything for the rest of his life, and when he dies, he'll be leaving in a pine box.

We got a shower, and then, Lincoln, Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana

(League of Legends), Fiora, and Gwen (League of Legends) are heading to Blooper Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Ashe: Wow, so this is Aquarius. It sure is beautiful.

Lincoln: It sure is, Ashe, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Blooper Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe

666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) are in your harem, Linky.

Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends) showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Mean Twilight Sparkle, Universe 666 Mean Applejack, Universe 666 Mean Fluttershy, Universe 666 Mean Pinkie Pie, Universe 666 Mean Rarity, Universe 666 Mean Rainbow Dash, Ashe, Camille, Diana (League of Legends), Fiora, and Gwen (League of Legends), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy

McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Sand Kingdom for Round 3

Nicole: Awesome!

Ino: Me and Sakura will go next.

Sakura Haruno: Lets get them!

They went in and the Simulator activated and they were in Sand Kingdom for Round 3!

Nico: Here we are!

Ino: WHEW! It's hot here.

Sakura Haruno: No kidding.

Nico: Any tips Nicole?

Nicole: (On the Radio) Well there have been sightings of numerous Charging Chucks at the temple over there. Just go smash them into dust.

Nico: With pleasure.

Ino: I'm ready for this.

Sakura Haruno: Me too!

Nico: Lets go.

They were off.

They arrived at the temple and saw them!

Ino: There they are!

Nico: Lets smash their helmets off!

?: (ECHOING) ICE BLAST!

A blast of ice flew in from out of nowhere and it hit the Charging Chucks and froze them!

Sakura Haruno: WHOA!

They saw Seadramon and on its back was a girl with pink hair and blue eyes and pink clothes and pink angel wings and she had a tiara with the symbol of Jewel Man on it.

Jadha Jewel: Jadha Jewel, Embodiment of Jewel Man.

Seadramon: (In a girls voice) And we're ready for it.

Nico: And Sheena Seadra! Wow!

Ino: And Jadha it's awesome to see you again.

Sakura Haruno: You're looking great.

Jadha Jewel: Same to you Ino and Sakura! Its been a while.

Sunset Shiimmer: Wow! Jadha!

Carol: Awesome!

Jadha Jewel: And Sunset Shimmer and Carol too!? Wow! Been a while.

Nico: We can catch up more later. Lets thrash these football helmet freaks!

Nico: (gets out Hades and Cyberdark Keel's Ridewatches) Feel the heat of Cyberdark!

Nico activated them!

Nico: (EXPLODES INTO FLAMES) WHAT!? THE FATES ARE HERE AND YOU DIDN'T TELL ME!?

He fired waves of fire and blasted the Charging Chucks all over.

Ino: FIRE STYLE: FLAME SCYTHE BLADE DANCE!

She formed a scythe of fire and fired waves of fire and blasted them all over!

Sakura Haruno: EARTH STYLE: RASENGUN!

She formed a Rasengan of Earth Chakra on her finger and fired it like a gun and blasted them in a massive and incredibly powerful explosion!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were blown all over!

Jadha Jewel fired waves of jewels and blasted them and then they got rid of them! They got more power Moons.

Nico: YEAH!

Sheena reverted back and was a girl with teal blue hair and had blue eyes and teal blue clothes and had Seadramon's tail and had blue angel wings and had a symbol of Seadramon in the middle of her forehead and on her skirt and she had an ice sword.

Sheena Seadra: That was awesome!

They high five!

Nico: How do you meet Carol and Sunset?

Jadha Jewel: I met Carol when I was shopping at the mall and saw her being hurt by her ex-boyfriend and I punched him in the face.

We became good friends after that.

Carol: It's true and it was awesome.

Nico: Nice!

Jadha Jewel: Yep and I met Sunset when she was having homework problems with a question on jewels and I helped her with that.

Sunset Shimmer: Yeah she is smart about jewels.

Nico: Awesome.

Ino: And me and Sakura met her and we taught her how to use jewels for techniques.

Nico: Cool!

Jadha Jewel: Yep. It is so cool.

Nico: Yep.

Ino: Sheena do you have any memories of Nico?

Sheena SeadraL Well me and Nico went fishing and we caught a massively huge salmon and cooked it for dinner.

Nico: Awesome fish stew.

Ino: Awesome.

Nico and Sheena hugged.

Nico: I've missed you.

Sheena Seadra: Me too Nico.

Nico: Would you like to join the team.

Sheena: Me and Jadha would be honored.

They left the simulator and we cheered wildly for them.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later Rice came in and she had a really cool chair. It looked like a King Chair.

Selena Vega: Is that a new chair?

Rice: Actually this is an antique chair. I bought it at a yard sale and thought it looked cool.

Me: Ooh that's a nice chair.

I went over and looked at it.

Me: Wow! This is a 16th Century Germany King Palace Chair! This chair is over 500 years old.

Nico: Wow! It's still in really good shape.

Me: I know.

Rice: Yep. Me and the Underground girls are taking up a new hobby. We're going to restore antique furniture and sell it to museums.

Nico: Nice!

Poromon: (Knock, knock, knock) Rice. (Knock, knock, knock) Rice. (Knock, knock, knock) Rice.

Rice: Yello?

Poromon: You need to remove that chair from the estate. It's a health hazard.

Rice: Okay, relax. I took off the slipcovers, had them dry-cleaned and then fumigated the cushions.

Poromon: Really?

Rice: Yeah. It's cleaner than my couch. Found half a Hot Pocket in there.

Me: EW!

Poromon: It certainly looks okay. Has a strong toxic chemical smell. That's reassuring.

Rice: Why don't you give it a try, Poromon?

Poromon: All right. (sits in chair) It is a comfortable chair.

Rice: Why don't you just admit you overreacted?

Poromon: No, thank you. (Sees insect)

More appear and swarm all over Poromon. He jumps out of a daydream on his own couch.

Poromon: (at Rice's door) (Knock, knock, knock) Rice. (Knock, knock, knock) Rice. (Knock, knock, knock) Rice.

Rice: What's up, buttercup?

Poromon: You have to get rid of the chair.

Rice: Nope. (Closes door)

SLAM!

Poromon: (Knock, knock, knock) Rice. (Knock, knock, knock) Rice. (Knock, knock, knock) Rice.

Rice: What's the word, hummingbird? (laughs) See what I did there? Because you're a bird.

Poromon: Yes, I see what you did. But for your safety, please wait in my apartment as I call the authorities so they may remove the chair of death.

Rice: No. (Closes door)

SLAM!

Poromon: (Knock, knock, knock) Rice. (Knock, knock, knock) Rice. (Knock, knock, knock) Rice.

Rice: What's the gist, physicist?

Poromon: Under my authority as a self-appointed member of the Centers for Disease Control street team, these premises are condemned. (Rice tries to close door) As a man with a keen sense of style, I must tell you, that chair does not work with the room. (Rice closes door). (Knock, knock, knock) Rice. (Knock, knock, knock) Rice.

Rice opens door and waves the seat cushion at him. He screams and runs off.

Nico: Okay that's funny.

Me: Boy Poromon's being more Annoying that Lori's Fart problems!

Lori: I HEARD THAT!

Lucy Loud: Is something wrong, Poromon?

Poromon: We have to use the superlaser on Rice's new chair!

Me: Poromon no! That's far too extreme!

Fu: Yeah no kidding!

Poromon: Okay you're right that is overkill.

Me: Yeah.

Poromon: Maxxine, Rice has dragged a chair in off the street whose unknown provenance jeopardizes the health and welfare of every resident in our building.

Maxxine: Poromon we bought that chair from a yard sale.

Me: Yeah you're acting worse than Ed.

Maxxine: But if it makes you happy, I'll talk to Rice about it.

Poromon: Thank you.

Maxxine had her fingers tied behind her back.

Maxxine: Rice, I have a question about the chair.

Rice: And what's that?

Maxxine: Aren't you worried about it being unhygienic?

Rice: No, it's completely fine. Wait! I get it. Poromon sent you. He put you up to this.

Maxxine: (lying) No, he didn't.

Rice glared.

Maxxine: Okay yes he sent me. But that chair is not unhygienic.

Rice: Ok. Then, why don't you sit on it to prove him wrong?

Maxxine: Sure.

Maxxine went and sat on it.

Maxxine: Ooh it's comfy.

She felt something bite her on the butt!

Maxxine: Ow!

Rice: What's wrong?

Maxxine: Something in the chair's biting my tushy. It's not important. Ow!

She looked and saw something crawling in the cushion!

Maxxine and Rice screamed in fright.

We rushed in and I used Nico as a battering ram and smashed the door down!

KRASMASH!

Me: What the fuck is going on in here!

Nico: OW!

Blot: Fuck! There's something in the chair! We need to destroy it!

I went over and opened the cushion and then ROACHES CRAWLED OUT!

Nico: ROACHES!

Lana: OH BOY LUNCH!

Timon: It's roach lunch time Pumbaa!

Pumbaa: Oh boy! Big Fat Juicy Bugs!

They got to eating the roaches!

Groove: Poromon was right!

Me: But we are still not destroying that chair!

Lana, Timon and Pumbaa ate all the roaches that came out of the cushion and when they were done eating them all they released a massive belch!

LOUD DEEP BELCH!

Scream: Well, Poromon. You were right about the chair.

Donna Diego: Happy now?

Poromon: I sure am!

Poromon did a victory dance.

Lana: But that chair had awesome roaches! (LOUD BELCH)

Then Mung, Chowder, Lola, Stewie, Brian, Rarity and Sweetie Belle threw up ALL OVER MAY!

(MASSIVE PROJECTILE VOMITING!)

The vomiting lasted for over 1 minute and 42 seconds.

When it was done May was INNUNDATED IN THROWUP!

Me: OH SICK!

Rarity: Oh my goodness! Sorry May.

May: No problem.

Poliwag: Let me wash you off, May!

He fired water and washed her off.

Maria did the same too.

Poromon: HA! I was right!

BLANG!

Manaphy hit Poromon on the head with a frying pan.

Poromon: OUCH! Thanks Manaphy.

Xenia: Full moon frying pan.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Jozotic, the American version of Bangray, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Jozotic, the American version of Bangray, and he's causing havoc.

We gasped.

Nico: Oh man, the American version of Bangray. Looks like we're in for a challenge.

Me: Yep, but two can play at this game.

Lincoln: Yep.

Suddenly, Lincoln's wrist computer went off, and we saw the jealous younger sisters of the Dark World Goth Girls have died, and their souls were sent to The Black Gates, and their soulless bodies were transformed into demons under his control thanks to a demonic sigil on their foreheads.

Nicholette Torrington: And thus, Lincoln's Dark World Curses have taken our ex-sisters' souls and sent them to The Black Gates and their soulless bodies are turned into demons under his control.

Me: Nice.

Nico: But, that's so wicked. Alright, let's get going and deal with Jozotic.

Lincoln: He's not getting out of this one.

Me: Yep

The previous group came.

Brain Freezer: Can me, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Beautiful Gorgeous, and Red X go with you guys?

Nico: Yes you all can come with us.

Varie: Awesome!

Me: I can't help but wonder if the American version of Bangray has the same Memory powers as the Japanese version.

Nico: We'll find out soon.

Freon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Web Spider next.

Me: Cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Lori, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to the feral animal Packing Day version of Lori, and that rampaging animal is coming after us to pummel us with snowballs.

We gasped.

Me: I knew she'd be coming next. Lincoln, can you show us what she looks like?

Lincoln: On it.

Lincoln took out his sketchbook and we saw Lori's feral animal Packing Day version, she looked like her, but with long wild unkempt blonde hair, she has on a turquoise coat with the sleeves torn off and turquoise blue pants and black boots, and she was on all fours.

Nico: Damn, this version of Lori looks like a feral wild beast!

MONSTROUSLY LOUD BELCH!

Me: Along with having Lynn's monstrous side when she goes psycho on Packing Day. Plus, we saw how angry Lori got in the past, and she was scarier than a gorilla when she got mad.

Rayne Dodola: That was the one thing we had to deal with when that bitch inside her started to come out. So, now it's payback time on that bitch!

Nico: This is gonna get really really ugly. Alright, gang, let's go, we're heading out out to take down Jozotic.

Lincoln: And deal another blow to Lord Zedd and Rita Repulsa, and once we get done with Jozotic, you're next, you filthy animal.

Rayne Dodola: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Jozotic, and once we get done with Jozotic, Lincoln and Rayne Dodola along with me are going to destroy the feral animal Packing Day version of Lori.

We went to the ship and we were off to face Jozotic

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,577.9: The U.S.S. Phoenix is en route to the planet Dantooine for another component of the weapons we need to destroy the bomb Lord Zedd is making. Also to destroy Jozotic the American Version of Bangray.

Qin: Awesome!

Whiger: Looks like we're back to going to other planets.

Nico: Yep.

Eli: It'll be awesome to see Dantooine again.

Tania: Remind me what to expect from there?

Me: Well we're going to face Jozotic and his footsoldiers. It could be anything.

Nico: Yep.

Eli: Also this is where the Battle of Dantooine took place. The Confederacy of Independent Systems used Dantooine as a staging point to launch an attack against the assault ship blockade around the InterGalactic Banking Clan headquarters.

Anakin: He's right on that one.

Ahsoka: Yeah I remember that.

Camie: Wow.

Beetle: You mean money?

Eli: Exactly. It was where the empire got most of its funding. After the Galactic Empire fell from Power and the war ended it was disbanded. And most of its staff was arrested for corruption.

Me: Very interesting.

Camie: Yeah.

Me: Now I don't think we have ever been to the planet Dantooine before.

Qin: Yeah this'll be the first time we've been there.

Camie: Yeah.

Wood Man: Wasn't Padme's Ex there?

Padme: Yes he was.

Me: That was Senator Rush Clovis. He was a jerk.

Padme: Yeah he was.

Eli: Yeah I hated that guy. He was an arrogant one.

Laney: Didn't he kill himself to save Padme?

Me: Yes he did.

Vulture: I think he fell to his death.

Me: I think so. But Palpatine took over that clan after that.

Qin: Oh boy.

Lisa Loud: We have arrived at our destination.

Nico: Oh screen.

We saw that we were at the planet Dantooine!

Nico: Planet Dantooine.

Me: Wow!

We got to landing and we got out and saw the planet Dantooine! It was an amazing planet that had a surface very similar to the African Serengeti.

Me: So thie is the planet Dantooine.

Camie: It's beautiful!

Nico: It sure is.

Me: It looks reminiscent to the African Serengeti on Earth.

Eli: It sure does.

Android 21: Let me scan for life.

Me: Go for it.

She did so.

Red X: If Jozotic has the same powers as Bangray, we need to be ready for anything

Me: Agreed.

Qin: Yeah.

Fu: He's up to something.

Transquito: Whatever he pulls shouldn't be a problem.

Eli: Yep.

Qin: Wait look there.

We saw a little girl no older than around 4 or 5 years old and she had mint-green hair and had orange eyes and had red clothes.

Fu gasped!

Fu: No it can't be!

Beautiful Gorgeous: Who's that?

Fu flew over.

Fu: Rui!

Rui gasped and saw Fu for the first time in 150,000 years!

Rui: FU!

She and Rui hugged.

Fu: (Crying) I've missed you so much little sis! The Waterfall village killed you!

Qin: (GASP)

Fu; Guys this is my little sister Rui. She was killed because of a Beetle Hunt in the Waterfall.

WE GASPED!

Naruto: Like an angry mob attack there.

Armada Starscream: None of us brought her back.

Me: No it was the American Bangray.

Eli: I sense it.

Me: I can do it for Fu. She needs he sister.

I snapped my fingers and she had her sister back.

Rui: Fu I've missed you.

Fu: Me too sis. Me too.

Drakkon: He's probably close.

Nico: Yeah.

Eli: I sense him. 50 klicks that way.

Me: Okay.

Rui: We got a lot to catch up on sis.

Fu: We sure do.

Needle Man: You should be proud of Fu.

Rui: I am.

Fu: I have so much to tell her.

Me: Yeah. When we get back to Earth I got to file a report to Lady Hokage about this and have Shibuki there too.

Nico: Oh yeah. Important shinobi work.

A figure came and it was Chimera from Mystic Force!

---

Imperious used the energy he stole from Solar Streak Megazord to create a powerful monster called the Chimera in the Dimension of Wandering Souls. He stated that from the souls of all the warriors Leanbow had defeated, the Chimera has all of those powers. The monster then did battle with Daggeron, and helped Imperious defeat him.

Chimera then went to the Human World, and butted into the battle between the Rangers and Koragg. The Rangers tried to battle the super monster, but he was too powerful, even with their Legend Powers. After defeating them, Chimera ordered Koragg to send the Rangers to the Underworld.

After Leanbow saved the Rangers and Udonna, he transported them to another dimension. Though Imperious, Necrolai, and Chimera soon caught up with them. The teens morphed and battle Chimera again, without their Legend Powers. But again Chimera proved to be too powerful. He was only stopped for a short while when Solaris Knight came to the rescue on the Unicorn Brightstar. The Unicorn then transported the Rangers back to the Human world, and Imperious sent Chimera after them.

In the Human world, Chimera grew to giant size. Nick used Brightstar and morphed them both into their Titan Zord forms before the two combined together to form the Phoenix Unizord. The new Megazord battled Chimera, and the other Rangers formed the Mystic Dragon to join in the battle. However, the Chimera was still too great, and he threw the Mystic Dragon at the Phonix Unizord before blasting them with his extremely strong Hyper Lightning Breath, and soon the Mystic Dragon fell to Chimera's power. The

Centaurus Wolf Megazord then showed up during the battle, and waited to fight the Phoenix Unizord. The Unizord prolonged the battle until he destroyed the Chimera so the monster used his Lightning Breath again but it was stopped by the Unizord's spear. The Phoenix Unizord was able to gather all the strength needed, and use the Final Strike attack to destroy Chimera for good

---

Lincoln and his harem: ZORD FINAL SMASH: DINO STORM BLAST!

They fired Ki blasts based on the Zords of Ninja Storm and Dino Thunder which hit Jozotic all over.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Jozotic's chest, and then, Lincoln began absorbing Jozotic into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Jozotic: (In Pain) No! No! This can't be! Lord Zedd, Rita Repulsa, forgive me!

When Lincoln was done and the stingers changed back, nothing's left of Jozotic, and he banished his soul to The Masters of Evil.

Nico: Jozotic, you have failed this whole universe!

Me: And the campaign against Lord Zedd and Rita Repulsa has just begun!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Lori. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Lori's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY LOUD BELCH!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of Lori, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Lori.

Zayto: That's the feral animal Packing Day version of Lori?!

Me: Yeah, and she's even worse than Lynn on Packing Day.

Feral Animal Packing Day Lori: (ROARS)

Lori's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Rayne Dodola: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Rayne Dodola's indigo eyes turned neon indigo and she was surrounded by an indigo energy aura with stars, water, rain, indigo light, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Lori's feral animal Packing Day self, she left indigo energy, stars, water, rain, indigo light, paints, phoenixes, and angels with every step.

Rayne Dodola: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn lets out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Rayne Dodola was surrounded by a massive vortex of indigo energy, stars, water, rain, indigo light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Rain flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Lori's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Rayne Dodola emerged, but she was changed forever.

Rayne Dodola grew from 7'0" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large indigo planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long indigo hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon indigo eyes and an indigo energy aura with stars, water, rain, indigo light, paints, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Weather Painter Rain emblazoned on her forehead with indigo iris, she has on angel earrings with indigo gems for eyes and holding the Star, Rain, Light, and Eternity Kanjis in their hands, she also has Weather Painter Rain with indigo gems for eyes and holding the Star, Rain, Light, and Eternity Kanjis in her hands for the second pendant on the bottom of her indigo angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with indigo crystal links from her merged Crystal Necklace of the Buddha and indigo gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Rayne Dodola has on a sleeveless indigo vest, sleeveless indigo crop top, indigo skirt, indigo bridal gloves, indigo pants, indigo heeled sneakers with indigo legwarmers, and long sleeveless white trenchcoat with stars, water, rain, indigo light, paints, phoenixes, and angels on the coattails, and on the back is Weather Painter Rain and surrounded by stars, paints, rain, and indigo light, and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding an indigo gem with neon glowing indigo lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Rayne Dodola felt a sharp pain on her back, and then, her massive indigo angel wings with blue tips on the large indigo feathers grew much bigger for her new body and she also now has eleven massive and long indigo wolf tails with blue tips and blue markings, Rayne Dodola has on her Ring of the Phoenix with large indigo gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rayne Dodola's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of indigo energy, stars, water, rain, indigo light, paints, phoenixes, and angels, and when it emerged, it was transformed into Rayne Dodola's Cosmic Eternal Indigo Color Light Weather Painter Rain Phoenix God Angel Greatsword of Cosmic Eternal Indigo Color Light Weather Painter Rain Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded indigo gems and Weather Painter Rain and runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel heads for the crossguard, large white angel faces built into both sides of the hilt and large indigo gems embedded in their foreheads, longer midnight black handle, four large gold angel heads with indigo gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with indigo gems for eyes and indigo gem in its mouth for the pommel, Rayne Dodola has on her brand-new large gold Bracers of The Champions of The Universe with large indigo gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Weather Painter Rain's head with indigo gems for eyes and indigo gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lori Loud has transformed into SUPER ANGEL-DRAGON-EAGLE-FAIRY-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL HARMONY GA'OH HURRICANE FIRESTORM DRACONIC EAGLE FAIRY PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL HARMONY GA'OH HURRICANE FIRESTORM DRACONIC EAGLE FAIRY PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL HARMONY GA'OH HURRICANE FIRESTORM DRACONIC EAGLE FAIRY PHOENIX GOD ANGEL LOVE!

We were really amazed by Lori's Super Angel-Dragon-Eagle-Fairy-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Bobby saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Lori: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Ga'Oh Hurricane Firestorm Draconic Fairy Eagle Phoenix God Angel of Divine Cosmic Eternal Harmony United Friendship Almighty Ga'Oh Hurricane Firestorm Draconic Fairy Eagle Phoenix God Angel Love) (GASPS) I've literally ascended even more.

Luna: You sure did, sis!

Everyone cheered wildly for what Rayne Dodola, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Rayne Dodola's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long indigo wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large indigo planets orbiting around her legs, and massive indigo angel wings are permanent, and Lori's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve sky blue planets orbiting around her legs, and massive blonde angel wings are permanent.

Rayne Dodola: That's it for that animal. Thanks for helping me take down Lori's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Rayne.

Me: My pleasure, Rayne.

Suddenly, Rayne Dodola wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rayne Dodola's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter Rain flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and indigo lights behind them and we cheered wildly. Then, Lincoln and Rayne Dodola sucked in and absorbed the elemental forces and indigo lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Rayne Dodola and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Lori a lesson he'd never forget.

Luan: And Lori absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person: Bridget Brigid, Avatar of

Nuova Shenron and Daughter of Brigid, Celtic Goddess of Fire, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Fire with extremely incredible and massively powerful powers over fire and heat, and summoning creatures of fire, along with powerful black magic arts and dark magic arts, along with being born with orange fire angel wings, and just like Neri Nuova Shenron, Bridget Brigid has all the powers and abilities of Nuova Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Nuova Shenron and Daughter of Brigid, Celtic Goddess of Fire, and she really trained him hard in everything that she knows in using the powers of fire. He made her a beautiful necklace and an awesome fire greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Bridget Brigid hates Lynn with a blazing passion because of what she's done, and she swore that if she ever saw that four-legged belching farting mega-aggressive superstitious monstrosity, she would turn Lynn to ashes and send her soul to the fiery depths of Hell.

Me: WHOA! NOW, THAT'S HOT!

Lincoln: Infernally hot, because if anyone crosses her, they will be burned to ashes.

Selina Morrigan: We still remembered what Bridget did to a group of thugs back in Ireland.

Sabrina Morrigan: She burned them and many of them turned to ashes.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral five has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Juggernaut: Another of Zedd's goons smashed!

Firepower: And we got the Neutronium Scrap Metal.

KGBeast: That's one material down.

P'andor: And 3 to go.

Absorbing Man: Too bad I can't absorb some of that.

Me: Probably too heavy for you

Nico: Yeah. Great job today everyone. Next up is Dagobah and we're not gonna like going there like always.

Lucky: (To the viewers) Hope you liked part 5.

Qin: I know we all did.

We went back home and celebrated and I went to the Leaf with Fu and Rui and told Lady hokage everything that happened and she was shocked and amazed. Also Shibuki was notified and he was shocked too! And we came back and later enjoyed the rest of the day and went to sleep.

Lana: I have a feeling that Skyros is gonna be an interesting place

Nico: Me too. Especially with everything we read about.

Lola: Yeah.

Nico: It will be interesting to see Celestia and Luna's old home.

Camie: No kidding. If it still is around.

Qin: Yeah.

Touma: I'm looking forward to this.

Me: Same here.

Nico: Touma, I want to thank you, Road Kamelot, and your teams for coming.

Touma: No problem Nico. This will be fun.

Sabrina Saber: Yeah it sure will be awesome.

Lincoln: I'll say!

Nico: Sabrina, what do you like to do in your free time?

Sabrina Saber: I work at the local library and it's awesome for me to help out there and even read in my spare time.

Nico: That's a great job.

Xenia: It sure is.

Me: Yeah.

Nico: I bet Twilight likes to read with you.

Twilight Sparkle: I sure do Nico and it's awesome.

Nico: Cool!

Me: Yep.

Nico: Boy yesterday was great!

Me: It sure was! We battled the American version of Bangray.

Nico: And just like him, he's able to bring memories to life

Me: Now both America and Japan have versions of Bangray that can do that.

Qin: So awesome.

Lola: Yep

Nico: And he brought back Fu's sister Rui.

Maria: It wasn't fair how she died.

Nico: No it wasn't.

Me: I told Lady Hokage and Shibuki about it and lets just say that Shibuki was MASSIVELY pissed at the village council for what they did behind his back long ago.

Nico: (GULP) What happened?

Me: Trust me. You don't want to know.

Maria: It involves the Civilian Council, right?

Me: Yep. He disbanded the Waterfall Civilian Council and had them all publicly executed for treason and murder.

Nico: Ouch.

Me: They like the Leaf Civilian Council took their corruption to a whole new level

Nico: Geez.

Qin: Yikes.

Lola: Yeah.

Nico: Here we are.

We arrived at a huge floating island and it had waterfalls coming out of it.

Nico: I think this is it.

Nicole pulled out the book.

Nicole: Yeah this is it.

We flew up to the island and landed and saw that it was a completely ancient and ruined city.

Me: Whoa!

Twilight Sparkle: So this is Skyros.

Nico: Lets watch our step here.

Me: Wow. Look at this place.

It was a completely run down place with buildings and everything covered in moss and trees and all the buildings were run down and old and almost totally lost to the dust of time.

Nico: Wow. Looks like no one has been here for years.

Me: Eons have passed.

Lola: Boy Celestia and Luna's home really went downhill fast.

Camie: Yeah.

Nico: They don't even live here anymore

Me: No one lives here anymore. Its been centuries since then.

Nico: Wow.

We took a look around and we saw nothing but old buildings and ruins.

Nico: Geez!

Me: Boy this is really ancient.

Xenia: Wow!

Lola: How long do you think its been since anyone has been up here?

Me: I honestly don't know. Been hundreds maybe thousands of years.

Lola: Yeah.

Nico: Think we should restore this place?

Me: I think that's a great idea. And I know just the way to do so. Wait here.

I flew into the air and unsheathed my sword and used the Time Stone in my sword and the power of the Infinity Stone RESTORED THE ENTIRE PLACE TO WHAT IT WAS BEFORE IT FELL FROM GRACE! IT WAS LIKE AN AMAZING VERSION OF CANTERLOT TIMES 100!

WE WERE AMAZED!

Nico: NICE!

Qin: WOW! That was cool!

Me: I completely forgot the Time Stone can do that. But that is cool!

Lola: This is amazing!

Me: Wow! Skyros is much more beautiful than we thought.

Nico: It sure is. Still doesn't have anyone here though.

Me: I know.

Nico: We should change that later.

Me: Yeah.

Nicole: Now that everything is restored her lets continue on with finding our quarry.

Nico: What is it?

Nicole: The Staff of the Celestial Alicorn. It's said to be a staff that has all the powers of all 10 Elemental Alicorns.

Xenia: WHOA!

Sunny Starscout: That is amazing!

Nicole And it's power is said to be as strong as 100 Celestialsapiens.

WE GASPED!

Me: WHOA! That is powerful.

Nicole: Yep.

Nico: Lets get a move on then.

We followed Nicole and we got to a temple and we went in. It was a beautiful place and loaded with all kinds of Alicorn Statues and more.

Me: Wow! The Great Alicorn Forefathers of Skyros. Eons before Equestria was even founded.

Nico: Long before the Age of Twilight.

Me: Long before the age of ANYONE in Equestria. This place is thousands of years old.

Twilight Sparkle: This is all really amazing to see.

Camie: It sure is.

Me: This is amazing and incredible.

Lola: Yeah.

We got into an amazing room filled with amazing decor.

Me: Wow!

Nico: I think we can also say before the Age of humanity.

Me: Maybe not that far back. But it is likely.

Lola: Yeah.

Lana: Hey look!

We saw the staff! It was a beautiful sun staff made of rainbow diamond and it had jewels for each of the 10 elements in it.

Me:… who gets it?

Nicole: There it is! The Staff of the Celestial Alicorn!

Nico: Wow!

Qin: It's magnificent.

Nico:… who gets it?

Sunny Starscout: I'll go for it.

Me: Go for it Sunny.

Sunny walked up to it

She gulped and went over to the Staff and she reached and grabbed it and lifted it and it glowed and then Sunny was enveloped in a massive ball of light!

(ESCAFLOWNE INTRO EXTENDED FOX KIDS SONG PLAYS)

She had her wings of light spread and then she got the symbols of all the 10 Elemental Symbols on her shirt and then her power was rising fast!

When it was done she emerged forever changed!

Me: WHOA! Sunny you look incredible!

Sunny Starscout: Wow! I sure do!

Nico: You should be proud.

Sunny Starscout: I'll have to see what this can do on my third mission.

Nico: Good idea.

Qin: Yeah.

Lola: It will be awesome to see.

Nico: Oh, that's right. Today is number 3!

Eli: Yep.

Whenua: I should probably go with you

Qin: Awesome idea.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that we're not going to like in the slightest: we got word that a clone of Draco Malfoy has been sighted here in the ruins of the ancient Alicorn Land of Skyros.

We gasped.

Nico: Oh god, now we've got a clone of that ugly turdpot running loose in Skyros.

Me: I've got a ton of rotten words to say to that ugly turdpot, and his ears are gonna be bleeding like crazy!

Lincoln: Yeah, we've heard you say a lot more rotten words before, and I've got just the way to kill him.

Nicole: He's right, I saw what it was because we went after a coven of witches that Spear and Fang dealt with.

---

Lincoln and Nicole helped Spear and Fang deal with a coven of witches who drain men of their life force in a nightly ritual and use their life force to create daughters for their coven, and during the fight, Lincoln's deep sapphire eyes turned green and glowed, and then, the Head Witch and the witches had green markings appear on their bodies, and then, Lincoln made green energy snakes appear and forced them inside the Head Witch and her coven and then, the markings gathered into a green orb, and then, they screamed in agonizing pain, as the green orbs transform into green energy snakes that slithered out of the Head Witch and witches and their life force and the life forces of all the male cavemen they'd sacrificed were pulled out of their bodies and the Head Witch and witches were all turned into mummified husks, and the green energy snakes were devoured by Lincoln as he absorbs the life force energies and he gained a massive power boost.

FLASHBACK ENDS

Nico: Whoa, that was some serious dark magic those witches wielded. Nice one turning their magic against them.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Lori: We heard everything from Lincoln, I literally can't believe a clone of that despicable cockroach is here.

Me: Same here, but I'm looking forward to making his ears bleed and I've been wanting to get a second round on him.

Qin: Nice!

Leni heard a Pokemon Cry.

Leni: Look here guys!

We saw an Altaria.

Me: An Altaria.

Lola: Oh and the poor thing hurt its wing.

Altaria: I know. And it hurts.

Me: Oh we'll heal you up.

We did so.

Leni: Feel better?

Altaria: Thanks to you guys.

Qin: Want to come with us?

Altaria: I would be honored.

Me: Awesome.

Nico: Great!

Qin: Cool.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the Draco Malfoy clone) AHA! Gotcha! I just spotted the clone of that loathesome cockroach, he's 20 yards away, and he's searching for us in a fit of rage.

Nico: Let's head over there at once and give him a nasty surprise.

Lincoln: Right before we kill him. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into

Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Draco Malfoy clone.

Qin: Lets get to finding him.

Nico: He should be here somewhere.

We were off.

We were flying in the air and we saw the Draco Malfoy clone, and he was fuming in complete and total anger.

Lincoln: There he is, now to get his attention.

Lincoln fired rainbow energy blasts from his massive white angel wings and the four large gold orbiting rings on the corner of the halo that hit the Draco Malfoy clone, and that made him even madder and furious than ever as we landed in front of him.

Me: Well well, if it isn't the clone of the miserable ugly turdpot!

Eli: Our least favorite dirtclod!

Nico: Never thought we'd have to see your ugly face again!

Draco Malfoy clone: (British Accent) SHUT UP! (TAKES OUT WAND) AVADA KADAVRA!

The Malfoy clone fired a blast of green magic, but we formed diamond shields that deflected it and it hit a thug Lincoln missed and killed him.

Adrienne Nightingale: You missed, and go to Hell, you piece of shit!

Me: That's right! Just like your wretched father!

Draco Malfoy: YOU DON'T GET TO…

Me: SHUT YOUR FUCKING MOUTH! I am about to say something that you had coming for a long time!

Nico: I suggest you listen and listen good!

Me: That's right! I remember when I first met you Malfoy and you hated Harry Potter with a vengeance and always thought of yourself as a superior wizard. But in truth you are nothing more than a heartless bully and a ruthless genocidal racist and that makes you as bad anyone we know!

Draco: Because your…

Me: QUIET! I'm not finished! You are nothing more than a Nazi!

Draco: What did you call me!?

Me: YOU HEARD ME! You're a Nazi! All you Death Eaters are nothing but Nazis and you hate all Muggles and Muggleborn and think of them as nothing more than scum and they deserve to be exterminated! When in truth, it's YOU That should be exterminated! People like you give wizards everywhere a bad name and that's why you got what you deserve and that is a one way ticket down to the Fires of Hell for all eternity! Just like your motherfucking wretch of a father!

Draco growled!

Me: Oh you don't like that do you? Well how about this then. You thought of yourself as someone who was better than everyone else when in truth you are nothing more than a shallow and weak and pathetically disgusting and horrible human being that doesn't give a flying fuck about anyone but himself! Your father also thought the same way. You are EXACTLY like your miserable and pathetic father!

Draco: WHAT THE FUCK DID YOU SAY?!

Me: YOU HEARD ME! The apple doesn't fall far from the tree! Your father was a racist and so are you! You are a monster just like him and he got what he deserved! Just like you did! You don't care as long as you see peoples blood get spilled! That's why he died! Just like you did!

Draco: SHUT YOUR FUCKING MOUTH!

Me: YOU HATE EVERYONE THAT'S A MUGGLEBORN WIZARD AND WANT EVERYONE DEAD! And I'm glad I killed you!

Nico: It was from the chair itself!

Pumbaa: True. But those were delicious bugs!

LOUD BELCH!

Poromon: It was still creepy!

Me: Okay okay we get it!

Suddenly, Adrienne Nightingale's dark blue eyes turned neon dark blue and she was surrounded by a midnight blue and black energy aura with stars, magic, darkness, moonlight, Alicorns, phoenixes, and angels, she unholstered her massive greatsword, and as she approached the Malfoy clone, she left midnight blue and black energy, stars, magic, darkness, moonlight, Alicorns, phoenixes, and angels with every step.

Adrienne Nightingale: Even if you're just a clone of that ugly loathesome cockroach, you still make me sick to no fucking end, and I'm going to enjoy tearing you to shreds for everything you've done to Harry and his friends and for also siding with that bastard, Voldemort.

Suddenly, Adrienne Nightingale was surrounded by a massive vortex of midnight blue and black energy with stars, magic, darkness, and moonlight surrounding the vortex, there are Alicorns, phoenixes, angels, and Princess Luna flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at the Malfoy clone: the red eyes of eternal death.

Me: This is it.

Nico: Just like how Princess Luna transformed.

Lincoln: But, now you get to see her Gene-Slammer transform.

Then, as the vortex faded, Adrienne Nightingale emerged, but she was changed forever.

Lincoln, Adrienne Nightingale, Princess Luna, and I went after the Draco Malfoy clone, and we fired extremely powerful blasts of rainbow energy, midnight blue and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Draco Malfoy clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Adrienne Nightingale, Princess Luna, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Draco Malfoy clone even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Adrienne Nightingale, Princess Luna, and I fired powerful blasts of energy, magic, stars, darkness, moonlight, and planets at the Draco Malfoy clone, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Harry Potter: AVADA KADAVRA!

He fired a green blast but Malfoy dodged it.

Suddenly, the Draco Malfoy clone was tied by his wrists and ankles to two posts, and green markings appeared on his body, and then, Lincoln made a green energy snake appear and forced it inside the Draco Malfoy clone, and then, the markings gathered into a green orb, and then, he screamed in agonizing pain, as the green orb transformed into a green energy snake that slithered out of the Draco Malfoy clone and his life force was pulled out of his body and the Draco Malfoy clone was turned into a mummified husk, and the green energy snake was devoured by Lincoln and he absorbed the Draco Malfoy clone's life force and his magic and he gained a massive power boost and sent the clone's soul to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Adrienne Nightingale's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long midnight blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large midnight blue and black planets orbiting around her legs, and massive midnight blue angel wings and longer midnight blue horn are permanent, and Princess Luna's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer midnight blue tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large midnight blue planets orbiting around her legs, and massive midnight blue angel wings and longer midnight blue horn are permanent.

Suddenly, Adrienne Nightingale and Princess Luna felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Adrienne okay, Princess Luna?

Princess Luna: We're a little dizzy, but otherwise, we're okay, Lincoln.

Me: That was so awesome!

Nico: And I was surprised that you also transformed too, Princess Luna.

Lincoln: Like I said, it's fair that Princess Luna transformed to help me and Adrienne as well.

Me: Yep, and what you did to the Malfoy clone, damn, that was scary.

Lincoln: Yeah, but he had it coming.

Nico: You said a mouthful.

Poromon: (Spin-changed into a detective) I'm willing to bet that someone created that clone just to piss us off.

Poliwag: Yeah, but that someone would have to be incredibly insane and full of fucked-up hatred to do so.

Manaphy: That's right, a monster who still carries such insane madness and darkness in their twisted black heart. (POINTS

FINGER AT SEBASTIAN) Isn't that right, Sebastian?!

Sebastian Mendez: Yeah, right, like I'd ever do something like that!

Poliwag: Oh really?! We know you've done other things that are THAT fucked-up and THAT COMPLETELY INSANE! Need we remind you of all the times you've tried to kill Nico, Qin, and their friends in the past?!

Poromon: (Points wing at Sebastian) Or the wedding incident when you conspired with Andrea and Clark to kill Helen and her mom?!

Lincoln: (To Nico) Shouldn't we stop them?

Nico: In a minute, this is really getting good.

Poromon: That's right, only you would resort to some truly horrendous and absolutely evil and vile things in the past, because only you were that insane and that fucked-up to do so.

Sebastian Mendez: Poromon, I'm warning you. (Getting really mad) Cut it out!

Poromon: (Smirks) What's wrong, creepy and crazy? Getting nervous? And pissed off?

Me: Man, they should sign up for the police force, they make good intimidating detectives.

Poliwag: Cause we're just saying, only you would do something that evil, and if it's true.

Mascots: Then, you just earned yourself the wrath of THE TEAM LOUD PHOENIX STORM CUTE FORCE!

A MASSIVE EXPLOSION ERUPTED WITH ELEMENTS FIRING INTO THE SKIES!

Suddenly, the sclera of Sebastian's eyes turned dark red and his midnight blue eyes turned blood red and HE ABSOLUTELY FUCKING LOST IT!

Sebastian Mendez: (ENRAGED FUCKED-UP SCREAM) HOW DARE YOU ACCUSE ME OF THIS!

ACTION MUSIC PLAYS!

Poromon: AHA! YOU ADMITTED IT! We're never going to forgive you! TROUBLE BUSTERS!

Poliwag: YOU FREAKING BASTARD! (SLAPS SEBASTIAN IN THE FACE MULTIPLE TIMES WITH HIS TAIL!)

Sebastian Mendez: (SCREAMS IN PAIN) STOP!

Poromon: SHUT THE HELL UP! (PECKS SEBASTIAN ON THE HEAD!)

Sebastian Mendez: HAVE YOU LOST YOUR DAMN MINDS!?

Manaphy: I THINK IT'S THE OTHER WAY AROUND! YOU'RE THE ONE WHO'S LOST HIS DAMN MIND! YOU'RE STILL AS INSANE AND FUCKED UP AS MY BOYFRIEND SAID IN THE PAST! HOW MANY SCREWS ARE STILL LOOSE IN YOUR HEAD?! YOU ROTTEN BRAINED GOOD FOR NOTHING SINGLE CELLED MORON!

Everyone: OH! BURN!

Sebastian Mendez: (SCREAMS IN PURE RAGE)

SEBASTIAN RAN AT HORSEA AND TRIED TO SLASH AT HER WITH HIS CLAWS, BUT SHE DODGED IT AND HEADBUTTED HIM IN THE STOMACH!

Horsea: MISSED ME! MISSED ME! NOW YOU GOT TO KISS ME!

HORSEA KISSED SEBASTIAN ON THE MOUTH AND SLAPPED HIM WITH HER TAIL AND SEBASTIAN WAS SPITTING LIKE CRAZY!

Sebastian Mendez: BLECH! MASCOT GERMS!

Mevya: YOU BETTER WATCH YOUR MOUTH, YOU MOTH-

MUNCHING BEAR TRAP! YOU'RE OUTMATCHED AGAINST US AND YOU'RE NO MATCH FOR OUR CUTENESS, YOU SINGLE CELLED MORON!

Sebastian Mendez: (DEMONIC ROAR) HOW DARE YOU DISS ME!

Nico: OH, NOW YOU'VE REALLY MADE MAD!

Poromon: YOU HAD IT COMING, SHIT BIRD! YOUR TOXIC MADNESS AND POISONOUS DECEIT HAS BEEN LAID BARE!

Sebastian Mendez: YOU ROTTEN LITTLE… ! YOU THINK YOU'RE GOING TO GET AWAY WITH THIS?! FALSELY ACCUSING ME!?

Poromon: What?! You gonna do something about it?!

Mascots: LET'S DANCE, BITCH!

Sebastian Mendez: (JUMPS INTO THE AIR AND LETS OUT A BULL ROAR)

Sebastian went charging at the Cute Force who had a red cape in front, but as soon as he meets the cape.

CLANG!

Sebastian fell for the old anvil behind the cape gag and is knocked out!

Lincoln: Jeez, you guys really pissed him off, but I know he didn't do it, you guys just pissed him off with a false accusation.

Me: Yeah, not cool.

Nico: I know he was like this back in the past, and you'd never forgive him for what he tried to do to me, Qin, and our friends in his madness, but this was the fault of Chase Young's Dark Side that did this, so you better find a way to apologize, guys.

Poromon: We know.

Nico: Nice job Altaria!

Altaria: Thanks Nico! That was awesome.

Poromon: Yeah it was! (Pulls out a beer bottle) Want one?

Altaria: I don't drink sorry.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: Princess Celestia, Princess Luna your old home when we first came here was in ruins but thanks to the Time Stone I reversed all the damage done to it. Now it looks absolutely amazing and incredible!

Princess Celestia: Boy it sure does! It's like when we first left home.

Princess Luna: It sure feels like it sister.

Nico: Now what's next to get for Alva?

Me: Well that would be the Mustafar Mega Crystal. It's a red mega crystal that the Mustafarian's made from the lava of Mustafar. It was stolen by Lord Zedd's forces.

Nico: Well we'll find out who has it later.

Princess Celestia: Though Equestria has always been our new home

Me: That's true. But your old home is absolutely amazing! We never even heard about this place before until now.

Nico: It sure is amazing.

Princess Celestia: It sure is and we're glad you like it.

Nico: You're more than welcome to keep living in Equestria.

Princess Celestia: I know and like we said. It is our home and always will be.

Nico: Yeah. and we're glad.

Xenia: Yep.

Yost Wolverine: This place isn't looking too shabby.

Me: Well you have me to thank for that. When we arrived it was all ancient ruins thousands of years old. Now it was restored back to its former glory. I used the Time Stone to reverse the aging of it and bring it back.

Nico: Yep.

Yost Wolverine: That is amazing.

Me: Yep.

Yost Cap: Me and Logan are really happy for you two.

Princess Celestia: Thank you.

Princess Luna: Yeah.

Niico: Now it's time for the fun part. The Anothers.

Me: Yep.

Eli: (Concentrate) Whoa! We have Road Kamelot, Olmzuno (Liveman), Fire Bug, Red (Spyro), Emperor Han and Tiger Phantom Smirodion as well as Black Manta, Captain Cold, Toyman, Grodd and Superfriends Giganta.

Nico: WHOA! So Touma Kamiyama, Sabrina Saber, Eleanor Savrille, Taylor Kamiyama, Kita Yuan and Carrie Knudson, Yusuke, Qin, Carter, Donkey Kong and Giganta.

Qin: Yeah!

Me: Awesome.

Petunia Paleo: This will be great!

Then Petunia's cutie mark glowed!

Me: Petunia's Cutie Mark is glowing.

Qin: Yep.

Eli: And I sense that the Anothers minus Road Kamelot are one person.

Me: Nice.

Nico: THERE THEY ARE!

Then Olmzuno (Liveman), Fire Bug, Red (Spyro), Emperor Han and Tiger Phantom Smirodion as well as Black Manta, Captain Cold, Toyman, Grodd and Superfriends Giganta.

Qin: Whoa!

Nico: This will be good.

Lola: Yeah.

Nico: And you are?

Another Fire Bug: (In a girls voice) I am a good girl that loves exploring.

Then they merged and reverted back and it was a girl with periwinkle blue hair and she had purple eyes and had blue clothes and blue angel wings and had a tiara with the symbol of Petunia Paleo's cutie mark on it and on her skirt and had her tail and had Bonehead Magisword.

Penelope Petunia Paleo: Dr. Penelope Petunia Paleo, Adventure, explorer, paleontologist, archaeologist and historian and Embodiment, Gene-slammer and Legacy of Petunia Paleo.

Me: Wow! Awesome to meet you.

Nicole: Awesome to meet a fellow scientist.

Penelope Petunia Paleo: Same here.

Petunia Paleo: Wow! The embodiment, Gene-slammer and legacy of me! How cool is that!

Penelope Petunia Paleo: (LAUGHS) It's really awesome.

Me: Yeah. By the way is the Another Road Kamelot friendly or hostile?

Penelope Petunia Paleo: Friendly but she smells REALLY HORRIBLE!

Nico: Uh oh. Better plug our noses.

Qin: Yeah.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Maria: (Turns dial) HADES FURY 6!

She summoned Hades, Centiback, Penpen, Universe 666 Sideshow Bob, the Gigant Chicks and Straizo!

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

But then we smelled a REALLY HORRIBLE RANCID ODOR!

SEAL BARK!

Me: (SNIFFS) OH MAN! GOOD GOD! WHAT THE FUCK IS THAT SMELL!?

Nico: OH MAN! WHAT IS THAT HORRIBLE STENCH! ED!?

Ed: Wasn't me!?

Eddy: But this one smells just as bad as you Lumpy!

Qin: OH MAN! Smells like horrible stink bugs in a brine pool in Atlantic City!

Dudley Puppy: That's something I would say!

Nico: Okay, who smells like shit?!

Me: YEAH!

Eli: That guy!

We saw ANOTHER ROAD KAMELOT!

Me: Another Road Kamelot!

Road Kamelot: Whoa!

Another Road Kamelot: Sorry about the smell.

She reverted back and was a girl with brown hair and brown eyes and had tattered clothes that were filthy and she had brown angel wings and had a tiara with Pigpen's cutie mark on it and on her skirt and had Pigpen's tail and a Smelly Shoe Magisword in her hand!

Paige Pigpen: Paige Pigpen, Embodiment, Gene-slammer and Legacy of Pigpen.

Me: Oh pleasure to meet you. But I don't know how to tell you this but you stink! When was the last time you took a bath!?

Paige Pigpen: I haven't taken a bath for 15 years.

LIGHTHOUSE FOGHORN

ALL OF US: EW!

Me: THAT IS HEPATITIS WAITING TO HAPPEN!

Paige Pigpen: Yeah I like smelling like a rotten corpse.

Road Kamelot: You are one stinky stinky girl. Very impressive.

Some of us were hurling our guts out from the stench.

Lily: GEEZ! AND I THOUGHT PLANKTON SMELLED BAD BECAUSE OF THE STENCH OF FAILURE!

Plankton: (Offended) HEY!

Lily: Sorry Plankton.

Plankton: Actually you're right. I did smell that bad. But I don't have a nose so I don't know what that's like.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

They got weapons for those rangers.

Me: I think the answer to that is obvious. To get rid of that stench.

Paige Pigpen: Yeah but I told him no and shoved his face in my butt and farted in it.

WE LAUGHED!

Sakura Knudson: (LAUGHS) That was funny! But that explains for why he was throwing up and why the lab smelled so horrible!

Camie: Yeah.

Sougo: (gets out Patranger Ridewatch) You need a bath.

Geiz: (Gets out Kyuranger Ridewatch) Badly!

Tsukuyomi: (gets out Lupinranger Ridewatch) You're getting one as soon as we get home!

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Me: NO IFS, ANDS, OR BUTS ABOUT IT!

Nico: YEAH! That is for sure!

Qin: YEAH!

Lincoln: Lets separate you first.

Lincoln did so and we brought her over!

Eddy: P.U.! THIS GIRL REEKS! SHE SMELLS JUST AS BAD AS SOCKHEAD DID!

Ed: She smells worser than the sandwich under my bed Eddy!

Eddy: (LAUGHS) You got that right Lumpy! More like one of your three month old gym socks.

Ed: More like my feet on a rainy day Eddy!

Edd: (Sarcastically) Ha ha ha Very Funny.

Nico: (Gets out Road Kamelot's ridewatch) Feel the power of the Undead!

May: (Gets out Fire Bug's ridewatch) Feel the burn!

Maria: (Gets out Emperor Han's ridewatch) Immortality and Magic from China will rule!

Sabrina Saber: (Gets out Olmzuno's ridewatch) Time for you to get your stinky butt kicked!

They used the powers of Road Kamelot, Olmzuno (Liveman), Fire Bug, Red (Spyro), Emperor Han and Tiger Phantom Smirodion and blasted the Another down.

Then Mr. X, Crystal Monster, Vile, Chimera (Mystic Force Rangers), Universe 666 Tazma and Chimera (Winx Club) came.

Nico: WHOA! Mr. X nice team!

Mr. X: Thanks Nico.

Me: Awesome!

Mr. X: Geez! That girl smells just as bad as me! What was she rolling around in!?

Me: Uch don't fucking ask!

Then a web blast wrapped around the Another and blasted him down and I caught the ridewatch and purified it.

Me: Nice one!

Nico: Wow! Nice one Spidey!

Spiderman: Uh that wasn't me Nico.

Nico: What?

Chimera (Winx Club): Hey, Ben. (Blows him a kiss)

Ben: Chimera.

Riley growled.

I grabbed Riley.

Me: Easy Riley. Chimera. I didn't expect you to be in the M.O.E.

Camie: You know her?

Me: She's from the planet Solaria and years ago we foiled a massive conspiracy and we banished her and her mother to the Omega Dimension.

Nico: We sure did.

Robin: Reminds me of how Kitten has a crush on me.

Kitten: I got over that!

Me: Very coincidentally similar.

Qin: Yep.

Chimera (Winx Club): Yes it was.

Me: But what I want to know is who fired that webbing.

?: That was me.

Web Spider came.

Me: Web Spider! Whoa!

Nico: Nice!

Web Spider: (In a girl's voice) It sure was.

Nico: Wendy Spider!? Whoa!

She reverted back and was a girl with black hair and red eyes and had a black bikini on and she had black angel wings and had spider legs coming out of her butt and she had a symbol of a spider in front of a web in the middle of her forehead.

Wendy Spider: Awesome to see you again Nico and you too Qin.

Qin: You too.

Nico: Nice to see you too.

Rarity: We'll give you amazing clothes.

Me: And then lets head home and get Ms. Stinky here a bath.

Nico: Good idea!

Rarity did so and gave her black clothes and they looked great!

We then went back home and Paige Pigpen was taking to get a bath.

Nico: That's better!

Me: Yeah.

Sabrina Saber: What's your favorite memory of Nico?

Wendy Spider: Where I showed Nico and Qin my Arachne spider people artwork.

Qin: That was really cool.

Nico: Yep.

Nico and Wendy hugged.

Nico: I've missed you.

Wendy Spider: Same here.

Some of us went to our bathrooms and threw up.

Hellbird and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired an energy blast that hit Fire Hellbird and sent him to The Masters of Evil and he also assimilated his powers. We cheered as we holstered our weapons and powered down.

Lincoln: You lose, Fire Hellbird, now you're literally in for Hell. (To Bridget Brigid) And it's so good to see you again, Bridget.

Bridget Brigid: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Bridget Brigid as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Bridget Brigid was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Bridget Brigid: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Bridget Brigid and he hugged her, and Bridget Brigid is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Bridget Brigid: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation

and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Bridget Brigid, Avatar of Nuova Shenron and Daughter of Brigid, Celtic Goddess of Fire, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Fire with extremely incredible and massively powerful powers over fire and heat, and summoning creatures of fire, along with powerful black magic arts and dark magic arts, along with being born with orange fire angel wings, and just like Neri Nuova Shenron, Bridget Brigid has all the powers and abilities of Nuova Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Nuova Shenron and Daughter of Brigid, Celtic Goddess of Fire, and she really trained him hard in everything that she knows in using the powers of fire. He made her a beautiful necklace and an awesome fire greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Bridget Brigid hates Lynn with a blazing passion because of what she's done, and she swore that if she ever saw that four-legged belching farting mega-aggressive superstitious monstrosity, she would turn Lynn to ashes and send her soul to the fiery depths of Hell.

Nico: Yeesh, so if anyone dared to anger her, she would burn them to ashes and send them to Hell. That's one Shadow Dragon Avatar no one wants to piss off.

Lincoln: Unfortunately, the thugs and criminals we've dealt with were as dumb as a truck tire and never learn their lesson, and now that you're here, Bridget.

Lincoln went up to and hugged Bridget Brigid in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Bridget Brigid: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bridget Brigid with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Bridget Brigid: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Bridget Brigid, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Bridget Brigid's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Bridget Brigid had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Universe 666 Aisrehdar from Chronos Ruler, Ayane Houshou, Airi Ichinose, Sae Kanda, and Momoka Sakurai from Idol Pfpf, Natsuki and Akiha from Mayoiga no Oneesan The Animation, and Saya Kawasumi and Mika from Chichiiro Toiki.

Lincoln: Oh wow, it's Universe 666 Aisrehdar from Chronos Ruler, Ayane Houshou, Airi Ichinose, Sae Kanda, and Momoka Sakurai from Idol Pfpf, Natsuki and Akiha from Mayoiga no Oneesan The Animation, and Saya Kawasumi and Mika from Chichiiro Toiki.

Nicole: So, those are the girls Sergio's hypothetical Akuma captured. That filthy bird!

Lincoln: Vypra's gonna have a field day with him. Are you girls okay?

Ayane Houshou: Yes, we're okay, thanks to you.

Then, when Ayane Houshou and the other eight girls saw who it was that saved them from Fire Hellbird, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and

Ayane Houshou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayane Houshou: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Aisrehdar, Ayane Houshou, Airi Ichinose, Sae Kanda, Momoka Sakurai, Natsuki, Akiha, Saya Kawasumi, and Mika with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Party Hellbird, The Hypothetical Akuma Villain of Sergio the Parrot.

But, when Lincoln showed what we did in beating that out of control party bird and sending him to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Bridget Brigid have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, I can't believe there was a hypothetical Akuma of Sergio running loose! As if dealing with one Sergio was bad enough!

Lincoln: Yeah, one was bad enough. Vypra's gonna have a field day with him.

Ronnie Anne: Big time. Oh, and later today, you guys are going to meet Mama Lupe and her pet parrot, Paco, and don't worry, he's not like Sergio.

Nico: Thank goodness.

Ronnie Anne: But, you guys are going to be in for a surprise.

Me: This should be good.

---

After we took down Party Hellbird, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Bridget Brigid saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Bridget Brigid: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Bridget, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Bridget Brigid: That's incredible, and we'd already known just how

strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Bridget Brigid: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Ronnie Anne saw the Casagrande van arrive.

Ronnie Anne: Oh man, Abuela's here, and she's got Mama Lupe and Paco with her.

Maria Santiago: Your Abuela told me she went to the airport to get Mama Lupe and Paco and bring them here.

Me: Years ago, we met Arturo, and now, we're meeting more members of the family.

Nico: This is our first time meeting Ronnie Anne's great-grandmother.

Just then, Rosa arrived with Mama Lupe and Paco.

Rosa: (Spanish Accent) Look everyone, it's Mama Lupe and Paco.

Ronnie Anne: Mama Lupe, it's great to see you again.

They hugged.

Mama Lupe: (Spanish Accent) Ay, it's so good to see you again, Ronalda, and it's a pleasure to meet all of you. Rosa told me all about you.

Nico: She sure has.

Paco: (Spanish Accent) And we've been waiting for a chance to meet all of you when we had the chance.

Suddenly, Paco saw Sergio in a straitjacket and in a cage.

Paco: (Spanish Accent) Ay, and it's no surprise that your antics had finally caught up to you, Sergio, you never cared about anyone but yourself. Rosa told us about the trials they had for your crimes. I was embarrassed to call you my cousin and I made the right choice cutting my ties with you.

Me: You cut ties with Sergio?

Mama Lupe: (Spanish Accent) Si, he did. Paco was too embarrassed by his former cousin's wild antics and behavior.

Lincoln: We tried to straighten him out, but he just became worse than ever.

Kurumu: The worst part was Sergio putting that Anger and Paranoia chip on Linky. He's got some nerve!

Maria Garcia: (Spanish Accent) We were all peeved at what Sergio did along with all his past actions against Lincoln and all of us as well.

Aldonza Calavera: (Spanish Accent) And even though he should've been kicked out into the wild, we know he won't last a second, but all his partying privileges and such were revoked forever and he was forced to eat J.D.'s mega spicy tamales and we even pulverized

him.

Isabella Andwraith: (Spanish Accent) And not only did Paco cut his ties with Sergio, but Sancho and the rest of the pigeons also cut their ties with Sergio. Now, he's nothing but a convicted criminal and enemy of all birds and humans.

Mama Lupe: (Spanish Accent) Did you all use the Chancla on him?

Rosa: (Spanish Accent) Many times, Mama.

Ronnie Anne: But, it went out one ear.

Bobby: And out the other. That bird's gonna go too far one day, but like J.D. said, we're not kicking him out, but he's on permanent thin ice with all of us.

Me: Yep.

Paco: (Spanish Accent) And here's the surprise.

We saw Paco and Mama Lupe bring suitcases in.

Mama Lupe: (Spanish Accent) We're moving here to Gotham Royal York.

We gasped, and we cheered as Rosa helped Mama Lupe and Paco settle in their new home.

Nico: Wow, now Mama Lupe and Paco are moving in with us.

Ronnie Anne: They're definitely going to keep a stricter eye on Sergio and keep him from causing trouble again.

Lincoln: You said it.

We got a shower, and then, Lincoln, Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle are heading to Shoal Atoll.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9",

handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Universe 666 Opaline: Wow, so this is Aquarius. It sure is beautiful.

Lincoln: It sure is, Opaline, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle and they hugged the girls in their abnormally massive and powerful muscular arms and Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shoal Atoll, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko, and Simulator Nurse Loulabelle are in your harem, Linky.

Universe 666 Opaline, Simulator April O'Neil (Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko, and Simulator Nurse Loulabelle showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Opaline, Simulator April O'Neil

(Teenage Mutant Ninja Turtles Mutant Mayhem), Simulator Juniper Lee, Kimiko Tohomiko, and Simulator Nurse Loulabelle, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Sunny's 3rd mission.

Nico: Anyone else want to go with Sunny, Aqua, and Harry? Besides Yin, Arkayna, Onewa, Tala, Skulker, and Malachite?

Joey Felt: That is so cool!

Pauline Bell: It sure is!

Eddy: It has EVERYTHING to do with Opaline.

Me: You may want to sit down because we have one helluva story to tell you. Starting with Sunny's story.

We got ready and told them EVERYTHING

---

Sunny Starscout

At the beginning of the movie, Sunny is shown as a filly living with her father, Argyle Starshine, in Maretime Bay. She is somewhat of an outcast; while her father tells her stories of when all pony kinds lived in harmony, the other children play games depicting Unicorn and Pegasi as evil. She has a very close and loving relationship with her father, and they stick together when other ponies disapprove of their beliefs. She expresses sadness at the lack of friendship between the pony kinds and is cheered up by her father pretending to be a unicorn. She sends out a letter attached to a lantern inviting the other pony kinds to come to Maretime Bay before falling asleep to the story of how Twilight Sparkle and her friends. As she falls asleep, she asks Argyle why the kinds aren't friends, to which he responds by assuring her that one day, perhaps they will all be reunited.

We see her next as an adult mare, waking up to sell smoothies across town. She sings "Gonna Be My Day" as she reaches her ultimate delivery location: Canterlogic's Headquarters. Hitch Trailblazer and Sprout forbid her from entering, reminding her that Phyllis Cloverleaf had Sunny banned from the large show taking place that day. Sunny eventually relents under the pressure, but as Sprout leaves his post, she smirks and sneaks in.

During the show, Sunny gets onstage wearing pegasi wings and a unicorn horn and starts to protest. She ends up in the middle of an automated test showing off an array of Canterlogic's new Earth pony protection technologies. After being flung around, slimed, and thrown onto the catwalk, she still tries to deliver her speech. Phyllis counters her talking points and Sunny gets booed off the stage. Hitch leads Sunny back to her smoothie stand.

Now outside, Hitch tells Sunny that he's at the end of his rope dealing with her. She needs to choose between continuing to fight for her cause, or keeping him as a friend. He walks off, leaving Sunny to think. Some ponies run past her in a panic. Looking towards the source of the commotion, she is knocked off her feet by a rushing crowd. She is greeted by Izzy Moonbow, a Unicorn. This excites Sunny and causes the rest of the ponies to go into full panic mode. As Hitch enacts anti-Unicorn measures, Sunny helps Izzy escape to the lighthouse. Once inside, she learns that the Unicorns have lost their magic and vows to help her get it back. Hitch and Sprout arrive at the lighthouse to capture Izzy and arrest Sunny, but the two sneak off.

Outside of Maretime Bay, the gravity of the situation begins to sink in for Sunny, but she is distracted by Izzy explaining some of the misconceptions Unicorns have about Earth ponies. The two decide to set off to Zephyr Heights to ask the Pegasi what may have happened to the magic. Sunny reassures Izzy's unease at seeing the Pegasi and the two sing "I'm Lookin' Out For You" as they set on the trail, strengthening their bond. In the canyons outside of Zephyr Heights, she and Izzy encounter Zipp Storm performing tricks. They are asked by Zipp to keep the meeting a secret as two royal guards capture Izzy and Sunny.

In the Zephyr Heights elevator, Sunny interrogates the royal guards excitedly about magic before being distracted by the grandiosity of the city. As she is brought before the queen, Sunny notices that none of the Pegasi are flying. After Queen Haven and her daughters, Pipp Petals and Zipp, enter, Sunny attempts to ask her questions about magic, but is quickly shut down and thrown in the dungeon with Izzy.

In the dungeon, Zipp comes to visit and ask them questions. Pipp interrupts and Sunny asks why no one is flying. Pipp explains that only royals can fly. After she leaves, Sunny is brought to an old balloon station by Zipp. Sunny discovers relics that imply that all pony kinds used to get along and travel to different towns. Zipp explains to them that none of the Pegasi can fly and shows off a large, destroyed stain glass window which depicts a Pegasus, the Pegasus crystal, and a Unicorn. Sunny notices that there is a missing portion and quickly finds a discarded chunk on the floor which depicts the missing Unicorn crystal. She notices that the two crystals seem to slot together and decides that it must mean that the crystals should be reunited. Sunny learns that the Pegasus crystal is owned by Queen Haven, who wears it on her crown. Zipp proposes that they create a fake crown to replace the real one and steal the crystal during Pipp's upcoming concert.

At the concert, Sunny and Izzy are snuck into the main hall by Zipp and wait for the Queen to arrive. They swap the crown using a decoy Izzy made, but are pursued by Cloudpuff. Sunny and Izzy run around the concert hall, running into a disguised Hitch, who has come to arrest Sunny. After Cloudpuff steals the crystal back, the two dart into a room containing a crew pony and the controls for the lights and wires. Their antics scare the pony into causing major malfunctions with the lights and wires, giving them a convenient time to escape. Zipp has fetched the crystal back and they set off to leave, but Hitch calls attention to them. Hitch's disguise falls off and the four ponies escape together as Pipp's lie is revealed. In the alleyway outside of Zephyr Heights, Sunny learns that the Pegasus crystal was lost in all the commotion. Thankfully, Pipp escaped the wrath of the public and brought the crystal in search of answers. The group sets off to Bridlewood in search of the Unicorn crystal.

Tensions are rising as the ponies travel through daisy fields. Hitch threatens Sunny with arrest after the journey is done, but Sunny is not very bothered. They come across a broken bridge and tensions begin to bubble over into loud arguments. Sunny yells and tries to reassure everyone that once the journey is over, everything will be okay. Izzy knocks over a tree during this and they are all able to cross safely.

At night, Sunny sits with the girls of the group by a fire. Sunny goes to a cold and fire-less Hitch to convince him to help with the cause. She assures him that she's happy that he's with them. Sunny also reassures a forlorn Izzy that magic should be restored and it will make their journey worth it, even at the cost of the adventure ending. When Izzy explains that a latern with a message inspired her to visit Maretime Bay, Sunny recognizes it as the letter she and Argyle had made years ago.

At Bridlewood in Izzy's cottage, Sunny decides that disguises will help them search for the Unicorn crystal. They sing "Fit Right In" during which Sunny attempts to reassure Hitch's concerns with the plan. Walking through Bridlewood, Sunny notices that Izzy is very different in attitude from the other unicorns.

Izzy leads them to the Crystal Tea Room where Sunny interrogates a crystal expert on the status of a Unicorn crystal. The pony explains that he lost his crystals to Alphabittle Blossomforth, and Sunny talks him into a game to win the crystal. She wagers the Pegasus crystal, which concerns her friends. She reassures them that she could easily win the challenge, but is surprised to find that Alphabittle has a very elaborate game in mind. The game is a DDR-style dancing game. He tells her that she only needs to win one of three rounds in order to get the crystal. Sunny fails the first two rounds, but Pipp inspires her by telling her to feel the music ("It's Alright") and move to the beat. She successfully wins the crystal, but her fake horn falls off. Sunny takes both crystals and runs away with her friends after Hitch incites the "Bing Bong" ritual.

Queen Haven and Alphabittle run into the ponies and each other, but Sunny inspires hope by telling them that she's going to bring back magic. She and Izzy unite the crystals, but nothing happens. A dejected Sunny returns the crystals to Alphabittle and Queen Haven, apologizing for causing trouble, and leaves for Maretime Bay with

Hitch.

Sunny goes into her house and begins to pack up her figures depicting the Guardians of Friendship and the latern her father created at the beginning of the film. When she enters the observatory, she notices a mysterious carving on the table in the center which seem to depict the Pegasi and Unicorn crystals. She curiously paws at it before noticing the light reflecting off of the lantern, coming from a mysterious round gem in the center. She places the crystal in the center of the engraving and the table falls to create a slot for it and the other crystals to sit.

Hope restored, she runs into Maretime Bay and finds Hitch. She begins to explain that there's a third crystal, but is interrupted by a firework shot off in the distance near Canterlogic. They find out Sprout has risen to emperor and is out to destroy the Pegasi and Unicorns. She tries to explain to a riled-up crowd that they can bring magic back, but the crowd is swayed back to loyalty by Sprout's words of fear. Sunny and Hitch run to warn the others while Sprout chases them in a mech.

Izzy, Zipp, and Pipp have run to Maretime Bay in search of Sunny and Hitch, not wanting to be apart. They are pursued by Alphabittle and Queen Haven alongside a small crowd of Pegasi and Unicorns. Sprout arrives with a small army of Earth ponies and vows to destroy them. Sunny fetches the Unicorn and Pegasi crystals from Alphabittle and Queen Haven and heads to the lighthouse with her friends. Sunny, Izzy, and Pipp enter the observatory to unite the crystals, but Sprout causes the crystals to become lost and misplaced by ramming into the lighthouse. After some difficulty, Sunny eventually gets all three crystals in the slots, but is disheartened when nothing happens. After this, the lighthouse falls apart and Sunny and Izzy fall to the ground.

Unharmed, Sunny looks at the destroyed framed picture of her and Argyle. She is sad, but realizes that the crystals would not have ended the fear and distrust. She explains that they can bring everything back by choosing love and friendship, which is the true magic. Queen Haven, Phyllis, and Argyle symbolically vow to try to restore unity and help to fix the frames around the picture.

This small act of unity causes the crystals to lift Sunny into the air, circle her, and bestow upon her ethereal wings and a horn. Magic is finally restored, sweeping across the land. Sunny's friends point out her new features and the group go to Maretime Bay. Sunny is delighted to see all pony kinds getting along, and the group share a "Hoof to Heart!" cheer, excited to not have to split up.

## Chapter 1

In the hour-long special My Little Pony: Make Your Mark, taking place months after the events of A New Generation, Sunny and her friends live happily in Maretime Bay, with all three pony races living together. However, Sunny is unable to control her Alicorn form, often transforming without meaning to. When tensions start to build between the three races, Sunny and her friends work to ensure they are all included in the upcoming Maretime Bay Day celebration. When tensions reach their boiling point and magic goes haywire as a result, Sunny finally manages to intentionally access her Alicorn form in order to save Posey and Windy.

## Chapter 2

In Izzy Does It, Sunny is gifted a new mane accessory for her birthday by Izzy. She is also secretly given a magic compact by Misty that allows Opaline to spy on her, but she believes it to be a gift from Pipp. In Growing Pains, she voices her disapproval of Hitch for trying to keep the Earth ponies from using their newfound magic. She is also astounded when the Unity Crystals project a warning from Twilight Sparkle. In Portrait of a Princess, Sunny finds herself having to keep Queen Haven occupied while her daughters seek out a rare flower.

In Ali-Conned, Sunny struggles with getting ponies to believe in her causes. Opaline, using the compact to pretend to be Sunny's "inner self", manipulates her into embracing her Alicorn form to do so, but when Sunny realizes ponies only to listen to her in her Alicorn form, she is heartbroken. Her friends soon cheer her up and reveal that they made her dream of a community garden come true. In The Cutie Mark Mix-Up, Sunny and Hitch disagree over whose responsibilities are more difficult. When their cutie marks and personalities are accidentally switched by Sparky, they decide to take on each others' jobs, with the struggle to do so giving them a newfound respect for each other.

In The Traditional Unicorn Sleep-Over, Sunny attends Izzy's traditional Bridlewood-themed sleepover. She tells her friends the story of how Twilight Sparkle saved magic from an evil Alicorn by creating the Unity Crystals, only to be contradicted by Misty, who has her own version. When Izzy is saddened by Misty's sudden departure, Sunny, Pipp, and Zipp cheer her up by redecorating their bedroom area to look more like Bridlewood. In Hoof Done It?, Sunny is distraught when her lantern goes missing. She goes to Hitch for help and is on the verge of calling everypony in town for meeting when Pipp announces that she found it. In Have You Seen This Dragon?, Sunny attempts to alert ponies about Sparky's disappearance, but she is inadvertently sabotaged by Izzy's own efforts. She ultimately manages to bring her friends together for a coordinated search effort.

## Chapter 3

In the special My Little Pony: Winter Wishday, Sunny and her friends travel Equestria in the newly-built Mare Stream aircraft, experiencing the holiday traditions of Earth ponies, unicorns, and Pegasi. During this time, an unusual amount of snow falls, threatening to keep the group from returning home in time for Sunny to show her friends the Wishing Star as it passes over Maretime Bay. After Zipp discovers the cause of the snow to be the unicorns unknowingly casting a weather spell via an old holiday saying, Izzy provides them with a new saying that undoes the freezing weather, and they return home, where Sunny and her friends watch the Wishing Star pass by.

## Chapter 4

In the special Bridlewoodstock, Sunny witnesses the "Lumi-Bloom" in Bridlewood alongside her friends. She helps Pipp with her idea to put on a music festival by convincing a retired Earth pony band, The Dreamlands, to perform. When the Troggles attack, she uses her alicorn magic to help retrieve the rubies. In Top Remodel, Sunny asks the citizens of Maretime Bay for ideas on what to do with the shut-down Canterlogic factory. When the myriad of suggestions leaves Sunny wondering how she can possibly satisfy everypony, Izzy calms her down with some words of wisdom. Sunny then decides to remake the building into a multimedia community center called Canterlove Studios.

In The Jinxie Games, Sunny travels to Bridlewood with her friends to cheer on Hitch as he participates in Forest Critter Field Day. In Sunny Side Up, Sunny is convinced by Pipp to film a smoothie-making show alongside Hitch at Canterlove Studios. The show goes badly at first due to Hitch's stage fright, and Pipp's attempts to keep viewers interested by introducing outlandish elements frustrates Sunny, to the point where she makes a heartfelt speech to the ponies watching at home. After finally performing the show the way she was hoping to, Sunny encourages the rest of Maretime Bay to create their own shows. In The Manesquerade Ball, Sunny attends the anonymous ball with her friends and Misty, planning for them to perform a "Unity dance" she created. Despite her friends not having practiced enough, the dance is made a success by the group improvising.

In A Little Horse, Sunny tries to help the sick Pipp by recreating a soup Pipp was given by her mother as a filly. When her attempt fails, she tries to get the recipe from Queen Haven herself. After Haven admits that she bought the soup rather than make it herself, Sunny gets some to bring back to Maretime Bay. In Missing the Mark, Sunny and her friends find that Sparky is missing again, and Misty leads them to Opaline's castle. There, they are captured by Opaline and learn that Misty was serving her the entire time. When the regretful Misty frees them, Sunny manages to access her Alicorn form and faces off with Opaline directly. With the cutie mark magic of her friends providing a boost, Sunny overpowers Opaline and warns the evil Alicorn to stay away from her friends.

Opaline Arcana

Prior the events of the series, Opaline was an Alicorn filly who grew up in a place called Skyros, and her specialty was fire magic. However, she was bitterly jealous of both Princess Celestia and Princess Luna, who were also fillies at the time, because of they were capable of controlling the sun and moon respectively, which made them quite popular. At one point, Opaline tried to make friends with them, but only to be snubbed by them, causing Opaline to become resentful and giving her the need to prove that she shouldn't be underestimated (it's unknown if her backstory is either true or false, as she visually made Celestia and Luna look like condescending Alicorns rather than how they normally act just to make herself sympathetic).

Sometime in the future, during Twilight Sparkle's reign of Equestria, Opaline went to invade the land after she was banished from Skyros. Believing the Alicorns are meant to rule over ponies because she thought they were superior, Opaline wanted all the magic to herself and went to attack the dragons to absorbed all of their dragonfire and become a Fire Alicorn, but Twilight prevented her and separated the magic in three crystals for each pony kind to separate and all dragon magic inside the Dragon Stone. Because of her actions, Spike was forced to be separated from Twilight and her friends. Weakened, Opaline tries everything she can to regain her power and resume her conquest of Equestria. During then, Opaline searched for the most powerful magic in Equestria to claim back for herself. While searching, she comes across a filly by the name of Misty Brightdawn, who was lost in the woods after following a bunny-corn. Taking pity on the poor unicorn, she raises Misty as her servant.

While Queen Opaline doesn't physically appear in the film, her actions played a big role in shaping events of it. Due to her being responsible of not only separating three pony tribes which causing Equestria to lose its magic and each of them blames on each other, but also causing Sprout to turn himself into a petty and bullish yet insecure and cowardly deputy sheriff into a power hungry and tyrannical "emperor" of Maretime Bay who wants to wage a war against Pegasi and unicorns. But luckily, Sunny and her friends managed to stop him from doing so and succeeded in reuniting three pony tribes together which brought the magic back together.

## Chapter 1

Queen Opaline is introduced at the end of the Make Your Mark special. She sits in a throne room with her minion, a blue unicorn. She is delighted that the ponies have learned how to utilize magic again after it has returned. She states that she will "take back what's hers". This sets her up as a villain in future works.

# Chapter 2

In "Izzy Does It", Opaline sends Misty to spy on Sunny and her friends, and she reports her that magic has returned to Equestria just like she said. Misty sneaks to Sunny's smoothie stand and puts a golden compact with a red bow on it. When Misty returns to her castle and tells her more about the magic, she plans to become more powerful than ever before and promising her to get her cutie mark when it's done. It is revealed that the compact is the only way to spy on Sunny and her friends, but it won't let them see inside the Crystal Brighthouse, which she considers sending one of her allies to infiltrate it inside.

In "Growing Pains", Opaline and Misty continue spying on Sunny and everypony through the mirror compact, which then she puts her next plan into action. After a while, Misty reports on how the Earth Pony magic is going out of control in Maretime Bay, Opaline allows it to continue without any interference, plotting to take it for herself and become more powerful than ever.

In "Portrait of a Princess", Opaline sends Misty out to Maretime Bay to interfere with Pipp and Zipp's Portrait Day, a yearly occurrence for the two princesses of Zephyr Hights. Using her magic to create an Ocean Lily, a rare flower, she gives it to Misty to lure the two Pegasus Princesses into a trap so that their Portrait Day celebration would be ruined. This plan fails as Pipp uses her social media followers to escape.

In "Ali-Conned", Opaline takes advantage of Sunny's ability to become a temporal alicorn, and uses the mirror compact to make herself look like Sunny's reflection. Through the compact, Opaline encourages Sunny to embrace her alicorn status, as well as sending out Misty to help with it. Sunny denies being an alicorn all the time, as she just wants everypony to like her for who she is, and not what others want her to be.

In "The Cutie Mark Mix-Up", Opaline watches the Crystal Brighthouse from her castle, plotting to get the Prisbeam power from the Brighthouse. She creates an artificial magic mouse creature, sending it to where Sunny and Hitch were located. The Artificial Creature gains the attention of Sparky, a dragon that Hitch took care of ever since the events of Chapter One, and after chasing it Sparky sneezes, causing his dragon fire magic to switch Hitch and Sunny's cutie marks along with their personalities.

Sparky chases the artificial mouse creature into the Crystal Brighthouse, just as the animals were being rounded up by the rest of Sunny's friends. After discovering the re-created lantern that Sunny used to save Posey Bloom in the first chapter, Opaline plots to obtain the lantern and use it's magic to make herself all powerful. She later disintegrates an artificial mouse, possibly due to outliving its usefulness.

In "The Traditional Unicorn Sleepover", Opaline sends Misty to the Crystal Brighthouse, allowing her to join Izzy's sleepover, as a means of getting the lantern. The cover is nearly blown when Zipp noticed Misty acting suspicious.

In "Hoof Done it?", during the sleepover in the middle of the night, Misty stole the lantern and plots to take it to Opaline, so that she can finally obtain her cutie mark. This plan backfires as Pipp, Izzy, and Zipp interfere with the plans. Returning to Opaline's castle without the lantern, Opaline forgoes the lantern and instead goes after 'Dragon Fire Magic' upon hearing about Sparky's abilities.

In "Have You Seen This Dragon?", after Misty fails at capturing Sparky, she obtains some of his Dragon Fire inside a magic-proof glass jar, sending that back with her instead. Opaline obtains the magic from that smidge of Sparky's Dragon Fire, she begs for more of it after feeling so much powerful.

In "Top Remodel", Opaline becomes enraged that Twilight has enchanted the crystals with a secret message after watching Misty's recording of Zipp trying to solve the mysteries of Twilight Sparkle's message on her phone. Misty then told her that Twilight has put all of her magic to Unity Crystals which suggesting that they should steal them, but Opaline finds it impossible to get them because she needs to get strong enough to drain the magic from the crystals, even if it means trying to kidnap Sparky again. She told Misty not to fail her again before she left, leaving Misty to get anxious of her decision.

In "The Jinxie Games", Opaline angrily calls Misty down to the throne room after she returns from the Crystal Brighthouse to search for Sparky.

In "Sunny Side Up", after practicing her evil speech, Opaline devised her plans to steal the Mane Five's cutie marks in order to make herself more powerful if she has enough dragonfire on her hooves, but becomes enraged upon discovering that Misty haven't captured Sparky yet. After she tells her a backstory, Opaline immediately "grounds" Misty and sending her to her room, leaving her hooves to be chained by her magic smoke. She leaves her castle and walked around the land until she reached the Dragonstone where the Dragonfire is, plotting to take the artifact in order to make herself powerful. After a long-hour hike to the top, she attempts to touch the Dragonstone but only for the artifact to lose its magic and drops off to the ground. After she returns to the castle, she freeing Misty from her hooves and explaining her plan to get the Dragonstone. However, she later noticed Misty's drawn cutie mark on her flank.

In "The Manesquerade Ball", Opaline tells Misty she's no longer "grounded" and asked her to keep an eye on her castle while she went back to get the Dragonstone. Unfortunately for her, she wasn't aware that Misty snuck out of the castle to go to the Manesquerade Ball with the Mane Five while she's gone. After Misty returns back to her castle from the event, Opaline returns with a Dragonstone on her hoof before she left. She then enters Misty's room and told her to clean it up.

In "A Little Horse", Opaline was angry at Misty after discovering that Pipp and Zipp have almost found out about who she is, but has no choice but to decide to get Sparky so she could get more dragonfire for herself.

In "Missing the Mark", after Misty managed to capture Sparky and is about to bring him back to the Mane Five, Opaline arrives and became surprised that she brought the baby dragon to her. She then takes him to her study room where she absorbed all of Sparky's dragonfire to the Dragon Stone and is willing to drop him off the castle once the dragonfire is done being drained. When Misty brought the Mane Five to her castle to help them save Sparky, as the group finally meet Opaline face to face, she has them trapped inside her anti-magic bubble. After she reveals Misty's deception to the Mane Five, she explained her intentions of stealing everypony's magic once Sparky's dragonfire is done being drained. After she praises Misty for her accomplishment, Opaline asked her to watch Sparky if he gets dropped off the castle and mercilessly wants him to die instead of keeping him alive.

While absorbing Sparky's dragonfire through the Dragon Stone, she was hearing Misty calling for help and discovering that she was tied up in vines on her throne before she was forced to confront Sunny. After trapping Sunny under the rock, Izzy and Pipp throwing things at Opaline to protect her until they got trapped inside magic bubble. When Opaline is about to do something harmful to both unicorn and Pegasi, Sunny managed to use her Alicorn magic to protect them before they fought. The rest of Sunny's friends, including Misty, are cheering for Sunny, empowering her which gotten Opaline trapped inside the magic bubble back. After the Mane Five left with Sparky they rescued, Opaline furiously releasing Misty from the vines so she could clean up the mess they made. After Misty is done cleaning up the lair, Opaline began to praise her again before Misty secretly left to Crystal Brighthouse to teamed up with the Mane Five so they could defeat her together. Meanwhile back at her castle, Opaline is planning to absorbed more dragonfire from all dragons through Equestria in order to steal all magic.

## Chapter 5

In "Cutie Blossom Bash", Opaline is seen finding her manebrush called "Gertrude" and complaining about how Misty always failed and begs for her cutie mark. She also reveals that she never intended to give Misty a cutie mark, which she clearly enjoys out of pleasure. After Misty returns, Opaline noticed her new mane color before she gets to tell her about her plans.

In the two-part episode "Family Trees", Opaline was mentioned when Zipp asked Misty about her since she's worried about what the evil queen's planning to do, Hitch explained that Sparky has been tired ever since Opaline has steal all of his dragonfire and the Mane Five theorized that the dragons had left Dragon Lands before Opaline could found them all.

In "Father of the Bridlewood", she was mentioned when Misty remembered her plans of conquering Equestria and Zipp asked the Elder Flower about Queen Opaline.

In "Mane Smelody", after asking Misty where she has been, Opaline explained her plans to invade the Dragon Lands to terrorize the dragons and steal their dragonfire ever since they have awakened from their deep hibernation after magic has returned in Equestria, causing Misty to excuse herself so she could warn both Sunny and Zipp about what Opaline is planning.

In "Nightmare on Mane Street", Opaline discovered that she can use the Together Tree she planted to travel outside her castle to Maretime Bay. However, a Nightmare Night celebration was going on and when she arrives at Maretime Bay, nopony takes her seriously, believing she's wearing a fake alicorn costume. She steals Posey Bloom's cutie mark but doesn't want to spend all night stealing cutie marks so she returns to her castle to form a new plan.

In "The Isle of Scaly", prior to the episode, Opaline has been stealing all cutie marks from everypony to empower herself before moving on to the Isle of Scaly where she drains all of dragonfire from every dragons and later kidnaps both Lava and Jade and brings them to her castle. With Lava and Jade were captured on her hoof, she brainwashed them into her side by singing her own villainous song and using the dragonstone to put the under her control. The dragonstone is later empowered by Lava and Jade's dragonfire and later transferred them to Together Tree. With all cutie marks she has stolen, Opaline brags that nopony can stop her.

In the two-part episode "Roots of All Evil", Opaline has traveled around Equestria with Together Trees to steal all of the cutie marks from everypony. When she returns to her castle, she caught Spike and the dragons for tried to take the Dragonstone back from her and brainwashed them into doing her bidding. After revealing her plans to conquer Equestria after taking all magic from the land, she returns to Maretime Bay where she fought Hitch Trailblazer and takes his cutie mark to put it on her golden necklace where she's storing the Mane Five's cutie marks once she collects all of them.

Opaline and the brainwashed Lava and Jade arrived at the Crystal

Brighthouse to break inside and steal Sunny's cutie mark, but the magical barrier prevents them from breaking in. However, she was lured away by Misty to take away her golden necklace that stores the Mane Six's cutie marks until she managed to get away by setting up a drone as a decoy. Arrived at Zephyr Heights through Maretime Bay's Together Tree, she was forced to listening to Pipp's song as a distraction to get her and the dragons covered up in clothes by Zipp for the Pegasi royal sisters to get away, but Opaline managed to capture them and stole their cutie marks. Before she leaves, Misty confronts and standing up to her for all the abuse and mistreatment she received and telling that friendship has changed herself because of the Mane Five, causing Opaline to get angry at her so much that she takes away her cutie mark as petty revenge for her betrayal. Arrived at Bridlewood, she got everything including food thrown at her by Izzy and her fellow unicorns to fight against her. Izzy almost got away by placing her fake cutie mark on her flank, which causing Opaline to grew more angry and takes away her cutie mark in retaliation.

Meanwhile, despite everypony losing their hopes once Opaline stole everypony's cutie marks, they never gave up as they plans to channel their own unity and power of friendship at Together Trees from their respective locations to defeat Opaline and return all of their stolen cutie marks while Sunny went to confront Opaline in her castle by alone. When being confronted by Sunny, Opaline attempts to corrupt her into becoming just like her, but Sunny refused and they fought, but Opaline's magic is growing even stronger than the last time they fought. She then captures Sunny and takes away her cutie mark, believing she has already won since she finally got all cutie mark magic on her hoof. However, everypony's unity and power of friendship has been channeling through Together Tree to Opaline's which causes the Rainbow of Light to be released from Sunny's pendant and entangled her, allowing Sparky to take back the Dragonstone and returned all of the cutie marks back to everypony, while freeing Lava and Jade from her brainwashing as well. When her castle is about to collapse, Sunny and the dragons escape, leaving Opaline to become enraged and all alone by herself. She's about to go after them, but her cutie mark has taken away from her and she became imprisoned inside her own Together Tree for eternity. It's unlikely that she will escape imprisonment and it's unknown if she's even still alive.

When it was done they were shocked and utterly horrified!

Joey: She thought it was funny to spit on everything Twilight did?!

Me: Well to her yes. But she was a powerhungry monster and she wanted all the power of Equestria's magic all for herself and she wasn't going to stop until she got it no matter what the cost.

Eli: Yeah.

Me: She was pure evil incarnate. On November 20th, last year, we went into battle against her in the Kamchatka Peninsula, in Russia.

Nico: We defeated her. But to do so, we had to fight 24 of our old enemies.

Arkayna: Including my enemy Necrafa.

Me: Yeah and to honest, I always wanted to have another crack at them.

Eli: It was awesome.

Me: Yep. Necrafa was the the Number 1 enemy of the Mysticons on the planet Gemina.

Nico: Ugly story and a powerful adventure there.

Joey Felt: I'm glad you guys stopped them and Destroyed Opaline.

Sunny Starscout: We are too.

Pauline Bell: Thank goodness you all destroyed Opaline and Avenged Twilight's Legacy.

Me: Yeah no kidding.

Aqua: Is there anyone you want to introduce us too?

Joey Felt: Just her.

Abigail Felt came.

Eddy: Abigail! Wow!

Abigail Felt: Eddy and Luan you guys are looking great.

Luan: Same to you. You Abby.

Joey Felt: This is my little sister Abigail.

Me: Awesome to meet you.

Abigail Felt: Nice to meet you guys too.

Nico: Same here.

Aqua: Yeah.

Sunny Starscout: It's great to meet you too Abby.

Eii: Yeah. By the way has anything happened since we were here?

Joey Felt: Well, another of our bad guys is on the loose.

Me: Which one?

Pauline Bell: Naughty Kitty.

Me: Whoa! What can you tell us about her?

Joey Felt: Well she is a cat thief.

He told us about her.

---

Naughty Kitty is a villain of Atomic Puppet (Series). She Appeared in "AP vs. Disastro".

Naughty Kitty is a tall young woman with a slender figure, as well as having fairly wide hips. She has fair skin, bright green eyes with slit pupils (possibly contact lenses), magenta eyebrows, a dark magenta cat like nose, long magenta hair, and she also wears faux cat teeth, faux whiskers, and dark magenta lipstick. In The Big Shift, it is revealed that her eyebrows are a normal black color.

Her costume is seemingly supposed to a resemble a black cat, consisting a long black cat mask, a purple headband on her head, a black leather jacket over a black top, a black choker around her neck, black clawed gloves, a black skirt with a long cat tail, black and purple striped leggings, and knee-high black heeled boots.

She has a possession of wanting to steal any cat she favors of, however based on her appearance, and display feline-like personality although, after seeing AP, who she thinks he looks like cat in a different way rather than what cats normally looked like, she say some cat puns for example: "Cat got your tongue", she able to perform somersaults in order to outwit anyone, including Joey.

---

We were shocked.

Me: Geez! Boy she is very acrobatic and uses corny cat puns? Weird. She's like Catwoman but funnier.

Nico: I feel like Cat Burglars are a common occurance for heroes like us.

Me: Yeah. Specifically Batman because of Catwoman.

Eli: Yeah.

Me: Of course us too.

Aqua: That is true.

Nico: Well, good thing I brought some milk to lure her in just in case.

Me: And we'll need some fish for her.

Eli: And plenty of catnip.

Me: Yep.

Nico: Shall we get going?

Me: First we'll need this one to go to the dogs! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon! 🌙

Nico: Good idea!

Joey Felt: Cool!

Me: I am Wolf Moon! (HOWL)

Nico: Perfect for fighting a cat!

Me: Dogs and cats have been mortal enemies for as long as anyone can remember.

Eli: Yep.

Nico: Lets go.

We were off.

We looked around.

Nico: She's probably robbing something.

Me: Hmm. (Ears twitching) There!

Jumping out of a jewelry shop came NAUGHTY KITTY!

She had a bag of jewelry in her hands!

Me: HOLD IT RIGHT THERE!

Nico: Bad kitty!

Eli pulled out a squirt bottle and sprayed her!

Eli: NO NO! Drop it!

Naughty Kitty: Finders keepers!

Nico: Wrong!

I ran fast and grabbed the bag of jewels and smashed her down.

Me: You're a cat not a pack rat!

Aqua: Besides shouldn't you be stealing oh I don't know fish or milk?

Nico got out some milk as if on cue

Nico: Hungry kitty?

Eli: Come and get it!

She went over to it.

Me: Good kitty. That's right.

She then drank the milk.

Just then, we heard a rumble.

Me: What the?

We felt what sound like Kaiju footsteps!

Nico: LOOK!

We saw a girl that had red hair, red eyes, black clothes and pitch black angel wings and she was over 100 feet tall!

Me: (GASP) Willow Way Big!

Nico: She's as big as a kaiju!

I grew to her size!

Me: Willow!

Willow Way Big: J.D. help me.

Me: Willow is half Toku'Star and the embodiment of Way Big.

Nico: Whoa.

Eli: Wow!

I fired a beam of electron energy and injected the antidote into Willow.

Onewa used his Shift Car and he fired rock blasts and blasted Naughty Kitty down.

Sunny Starscout: Lets see what this can do. MAGIC! SHOOTING STAR SHOWER!

She fired a massive barrage of Stars and they rained down and bashed Naughty Kitty all over!

Nico: WHOA!

Eli: That was powerful!

Willow crosses her arms in an "X" and fires a large green ray at Goliath

He dodged it and Nico deflected the blast back.

I fired waves of blue fire energy and blasted her.

Goliath grew and knocked her down.

Eli: Yeah!

Whenua got out his shift car and bashed Naughty Kitty all over.

Joey fired atomic energy blasts and Pauline fired waves of light and smashed her down.

Willow smashed her fist on top of Goliath But he blocked it and kicked her down.

SMASH!

Nico: YEAH!

?: (ECHOING) ROARING FLAME!

FIREBALLS FLEW IN FROM OUT OF NOWHERE AND BLASTED NAUGHTY KITTY!

Eli: WHOA!

Meramon came!

Nico: Meramon! Wow!

Arkayna got out her Shift Car and fired waves of magic and blasted Naughty Kitty down.

Nico: YEAH!

Meramon: (In a girls voice) I'm ready to burn this bad cat!

Nico: Mina Mera!? Whoa!

Meramon: Awesome to see you again Nico!

Nico: You too.

Willow brought her fist down on Malachite

But Malachite grabbed her fist and crushed it and punched her down with some water.

Then the antidote took effect. She was back to normal size.

Willow had purple eyes.

Willow: (GROANS) What a headache.

Yin got out her Shift Car and fired energy waves and blasted Naughty Kitty all over.

Eli: Take this!

He fired waves of Force Lightning and electrocututed her!

Nico: YEAH!

Naughty Kitty charged at Skulker but he went intangible and she went through him.

Naughty Kitty: WHAT THE!?

Skulker: Never underestimate a ghost!

Tala: Time for a magic trick!

She chanted an incantation and fired a wave of magic and blasted down Naughty Kitty.

Eli: Take that!

Eddy: Lets end this!

Me: Gladly!

I fired Catnip blasts and she was dizzy and drowsy and then she fell asleep.

Nico: YEAH!

I slapped the cuffs on her and we locked her in a cage.

Nico: Nice.

Mina Mera reverted back and she was a girl with orange hair and had blue eyes and orange clothes and fire angel wings and had a symbol for Meramon in the middle of her forehead and on her skirt and she had a fire sword in her hands.

Mina Mera: That was cool.

Nico: That's how you cage a cat!

Eli: Ain't that the truth!

Joey Felt: Do you have a favorite memory of Nico?

Mina Mera: I sure do. When me and Nico found numerous cocaine smugglers and burned them into dust.

Nico: Yep.

Eli: Cool.

Nico and Mina hugged.

Nico: I've missed you.

Mina Mera: Same here.

* * *

We later came back home.

May: Hey guys. How did it go?

Nico: Awesome!

We told them everything and it was cool.

May: Boy that was awesome!

Camie: I'll say!

Nico: Next time, Halinor, Shinnosuke, and Ultrox should come with

Sunny: Awesome idea.

Lola: Yep.

* * *

Eddy came outside and saw something.

Eddy: May? You might want to come see what Manaphy's doing.

May came outside and gasped in horror!

She saw Manaphy juggling dynamite sticks!

She juggled them and threw them at the criminals and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

May: WHOA! That was cool! But Manaphy!

Manaphy: There's a crime wave going on!

May: OH MAN!

She went and pressed the alarm and we came out and saw the Mascots duking it out with a bunch of criminals!

May: Time for some pain!

She put on gloves and dipped them in glue and then put them in caltrops, razors and nails and glass and she was ready to shred their faces in! She punched them all over and their faces were shredded off!

Nico: YEAH!

Me: WHOA! BRUTAL!

Cecilia Lola: If you think that's bad, look what Horsea's doing!

Horsea was poking Pumas with a stick and they roared and went at NUMEROUS CRIMINALS that came at her and mauled them!

POW SMASH SQUELCH!

May was REALLY KILLING CRIMINALS!

I grabbed a criminal and snapped his neck!

Maria: Horsea!

Me: WHOA! Okay that was funny!

Nico:

Jirachi put bullseyes on some of the criminals and blasted them and

I blasted them too with a machine gun!

BING BING BING DING DING DING DING!

I threw a bunch of bullets and got them.

Maria: Horsea!

Me: WHOA! Okay that was funny!

Nico: No kidding.

Jirachi put bullseyes on some of the criminals and blasted them and I blasted them too with a machine gun!

BING BING BING DING DING DING DING!

I threw a bunch of bullets and got them.

Poliwag was using grenades as bowling balls.

Poliwag: He rolled them and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOMMM!

Me: WHOA! That was awesome!

Eli: Clever!

Nico: Okay maybe I was wrong about this! Using these dangerous gags on bad guys is clever!

Reflector: Take a guess at what Poromon is doing!

Poromon was taking a tank out for a joyride and smashing criminals with it!

Nico: YEAH! Turning them into roadkill!

Joe Swanson: Better them than me!

I fired more bullets at a bunch of criminals.

But then a bunny toy beating a drum came.

Toy: Keeps going and going and going and going.

Me and a criminal fired at it.

Toy: Nothing out lasts the…

BOOM!

Toy: (CRY OF AGONY)

It was shattered into a million pieces!

Me: YES!

I blasted the criminal!

We were really piling up the bodies!

First Aid: Tentacool's using chickens as arrows!

Varie: WHAT!?

She fired chickens!

They screamed and skewered numerous criminals in their chests and they fell down dead!

Chickens: (ROOSTER CROW)

They laid eggs!

Varie: Okay now that was funny!

We blasted the criminals all over.

The body count got to 145 and it had a counter that showed a score that said EQUAL TO ROBOCOP!

The body count rose up to 240 and it said EQUAL TO TOTAL

RECALL!

It then rose beyond 300 and it said BLOODIEST OF ALL!

?: I'll make sure these criminals are put in blocks.

A girl with orange hair and red eyes and grey clothes and orange angel wings and a tiara for Concrete Man came.

Cornelia Concrete: Cornelia Concrete, embodiment of Concrete Man.

She fired waves of concrete and entombed the criminals in blocks of cement.

Qin: Nice!

Tara: Wow! Cornelia awesome to see you!

Mallow: Same here!

Cornelia Concrete: You too Tara and Mallow. Its been a while.

Nico: How do you know Tara and Mallow?

Cornelia Concrete: I helped Tara get her memory back after Beast Boy tried to help her out. She lost her memory after she came back and I helped her.

Tara: It's true.

Nico: Wow!

Cornelia Concrete: And Mallow is my penpal. I was over in the Maldives on Vacation and met her for the first time. We battled members of Team Skull and thrashed them into next week.

Mallow: She is quite the fighter.

Cornelia Concrete: That was fun.

Me: Yep and that is amazing that you brought Tara's memory back.

Shanan: After she made the ultimate sacrifice to kill Slade.

Nico: Yeah. Would you like to join the team?

Cornelia Concrete: I would be honored.

Sheila: WOW! That was awesome guys! Well done!

Nico: Man that had to be the most criminals we destroyed in one day.

Xenia: No kidding!

We then went to the mascots and we were not happy with them.

Poromon: Ummm.

Pharaoh Man: (to the mascots) Are you guys happy now? You almost got killed!

Poromon: I know and…

Me: Guys that was dangerous but what you did was really awesome and funny! Man I haven't had that much fun in a long time.

Nico: I admit it was funny. But it was REALLY DANGEROUS! But still you did good catching all those criminals.

May: I'll say! But that was STILL DANGEROUS!

Me: Guys just tell them how they could have gotten hurt and all that. I know this is conflicting.

Maria: Horsea, what were you and the others thinking?!

Horsea: We weren't. But then this massive crime wave happened out of nowhere and we just thought about doing it.

Me: That's right! NUMEROUS criminals were busted out of prisons all over the city less than an hour ago. Katherine Mulligan said they were coming after us.

Nico: Oh man. I was in the shower when I heard about that and didn't get the memo.

Maria: Why didn't the defense grid turn on?

May: That was my fault. I pressed the alarm.

Me: Yeah she pressed the alarm before I did so.

May: Sorry.

Nico: Should we punish them for this?!

Me: Hmm. Nico If I may?

Nico: What is it?

Me: I have a pretty good hunch I know who released those criminals all over the city to come after us. So lets have the mascots give the Trinity of Violence more massages and cook our dinners for a month. Sound good?

Nico: Only if you tell me your hunch.

Me: Fair enough. I have a feeling that one of Lord Zedd's goons did it.

Nico: You may be right on that. Eli?

Eli: (Concentrates) Yes it's confirmed! One of Lord Zedd's Goons did release them all.

Nico: Maybe the next one we're about to face?

Me: It's possible.

Sheila: Yeah.

Nico: Okay then. Mascots as punishment you got to give the Trinity of Violence massages and cook our dinners for a : Maybe the next one we're about to face?

Me: It's possible.

Sheila: Yeah.

Nico: Okay then. Mascots as punishment you got to give the Trinity of Violence massages and cook our dinners for a month.

Edd: Do you 6 have anything you want to say for yourselves?!

Mascots: We're sorry guys!

Me: It's all right. But this turned out to be a bittersweet moment for you guys. Sweet because you guys destroyed tons of criminals and made everyone laugh really hard. And bitter because it was dangerous.

Nico: Well pointed out.

Maria: Did you not hear us or people who looked like us say this was dangerous?

Poromon: I don"t think we did.

Me: Well what were we saying when we were saying no?

Mascots: BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH

Me: Funny but I can tell they weren't listening

Chowder: And I thought I was called a scatterbrain.

Mung: True.

May: Oh, and we're keeping that tank.

Meg: (LAUGHS) That was funny killing those criminals with it.

Manaphy: Thanks.

Me: Maybe you can blow up bad supermarkets like how Brian and Stewie did.

Poromon: Awesome idea.

Nico: Where did you even get it?!

Poromon: We found it in a junkyard and restored it.

Me: Wow that is cool.

Nico: Okay. I think we can end this conversation on that note.

Me: Yep.

We went back into the estate.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Poliwag: Next, let's ride on a Primeape's head!

Nico: NO!

Kick Buttowski: Geez and I thought MY stunts were dangerous!

Laney: No kidding!

Me: But a Primeape will beat the living shit out of them till they are dead.

Ash: Yeah look what my Primeape did to me!

Horsea: Can we ride on the back of a jaguar?

Maria: NO!

Me: That is crazy! Geez where are they finding all these dangerous stunts?

Pizza Steve was tiptoeing away and I grabbed him.

Me: Have you been feeding the mascots dangerous daredevil stunt ideas!?

Pizza Steve: Hey, it wasn't my idea! They just found one of my magazines!

Me: Talk now!

Pizza Steve: Okay okay! Yes I have been feeding them ideas!

Me: Really?

Pizza Steve: It came from this magazine!

He showed us.

Me: (reading title) "Daredevil Stunts Aficianado - 100,000 Ways to Kill Yourself with Death Defying Cartoon Gags, Stunts and Shenanigans."

Pizza Steve: Been getting a subscription for this for a while.

Pizza Steve: You know what? I'll take that in stride.

Nico: Okay.

Me: Good.

Nico: We're still keeping the tank though.

Me: We know.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Inkworth, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Inkworth, and he's causing havoc. When we saw it, we knew it meant trouble.

We gasped.

Tommy: Now, we're going to deal with Inkworth.

Me: Yep. So, who we got left to deal with?

Suddenly, Lincoln formed an orb of orange light, and we saw who we're going to confront in the next few days: Bajillia Naire, Krymzo, Snoutia, Quaddo, Jadana, Rita Repulsa, and Lord Zedd.

Lincoln: We just got to deal with Bajillia Naire, Krymzo, Snoutia, Quaddo, and Jadana.

Nico: And then, we go after Rita Repulsa and Lord Zedd, and you thought ahead and told Zordon of what Lord Zedd's planned, Lincoln. Now, we'll be ready to destroy their bomb. Alright, team, let's head out and take down Inkworth.

Lincoln: He's not getting out of this one.

The previous group came.

Gentleman Ghost: Can me, Evil Green Ranger, Robo Roxy, Comic Book Guy, Juggernaut, Firepower, KGBeast, P'andor, Absorbing Man, and Riddler go with you all?

Nico: Yes you all can go with.

Eli: And May you are not going to like this but the next component is on the planet Dagobah.

Nico: Oh boy.

May: Aw man. Swamp muck filth central.

Kapri: Nico, which Gene Slammer do you think you'll meet next?

Nico: Tidal Whale next.

Nicole: Cool!

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's

Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Leni, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to the feral animal Packing Day version of Leni, and that rampaging animal is coming after us to pummel us with snowballs.

We gasped.

Me: I knew she'd be coming next. Lincoln, can you show us what she looks like?

Lincoln: On it.

Lincoln took out his sketchbook and we saw Leni's feral animal Packing Day version, she looked like her, but with long wild unkempt blonde hair, she has on a sea foam green coat with the sleeves torn off and sea foam green pants and black boots, and she was on all fours.

Leni: (SHRIEKS) That version of me is nothing but a fashion disaster!

MONSTROUSLY LOUD BELCH!

Me: Along with having Lynn's monstrous side when she goes psycho on Packing Day. Plus, we saw how angry Lori got in the past, and she was scarier than a gorilla when she got mad.

Morana Marzanna: We know the real you, Leni, you're fashionable and more civilized than her, which is why we're taking her down.

Nico: You said it. Alright, gang, let's go, we're heading out out to take down Inkworth.

Lincoln: And deal another blow to Lord Zedd and Rita Repulsa, and once we get done with Jozotic, you're next, you fashion disaster.

Morana Marzanna: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Inkworth, and once we get done with Inkworth, Lincoln and Morana Marzanna along with me are going to destroy the feral animal Packing Day version of Leni.

We went to the ship and we were off to Dagobah

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,580.4: The U.S.S. Valorous Phoenix is en route to the swamp planet Dagobah and we're heading there to battle Inksworth to collect the next component of the weapons we need to destroy Lord Zedd's bomb.

Comic Book Guy: It was probably Inksworth who let the inmates out

Me: It must be.

Eli: Yeah.

May: I've always hated going to Dagobah.

Karai: Remind us why?

May: Because the mud is so gross and it is not a pleasant spot. Also for years Yoda had to live there all by himself which is really sad.

Me: You're right on that. Master Yoda you must've been really lonely there on Dagobah.

Yoda: Lonely I was. But kept memories of those closest to me I did.

Firepower: I feel the same way.

Nico: Wow.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Dagobah!

We got to landing and got out and it was as swampy and gross as ever.

Me: Planet Dagobah.

Camie: Gross planet.

Brawl turned into his tank mode.

Brawl: Hey, Poromon. Why don't you ride in me?

Poromon: Okay!

He got into Brawl.

Nico: Cool.

Splash Woman: I can wash any muck that gets on us.

Maria: Me too.

Nico: Okay.

We walked on.

Me: Man this is a really scary planet.

May: No kidding.

Absorbing Man: I should absorb something just in case

Me: Plenty of trees here.

Qin: Yep.

But then May tripped and then…

SPLORF!

She fell right into the muck!

May: OH YUCK!

She was covered from head to toe in mud

Camille: You alright May?

May: Yeah but just covered in mud! It's why I hate coming here.

Maria washed of May.

May: Ahh thanks Maria.

Maria: No problem.

Me: I have a feeling that the Dino Thunder and SPD footsoldiers are next.

Camille: You alright May?

May: Yeah but just covered in mud! It's why I hate coming here.

Maria washed of May.

May: Ahh thanks Maria.

Maria: No problem.

Me: I have a feeling that the Dino Thunder and SPD footsoldiers are next.

Riddler: Riddle me this, Yoda: May we see your hut?

Yoda: Hut this way it is.

We followed Yoda and got to his hut.

We went in and it was a cool place as we saw before.

Nico: Wow.

Sandman: This is actually very nice.

Me: It sure is.

Yoda: Nice place it is. Been home since the Clone Wars for me.

Luke Skywalker: This is where I saw you die.

KGBeast: (Russian Accent) I remember that too.

Yoda: Died I did here. Sad it was

Me: But he lived for over 900 years which is really amazing.

Lola: Yeah it sure is.

Shadow the Hedgehog: At least you didn't die for nothing.

Yoda: True that is.

Eli: Yeah. (Senses something) Uh oh we got company!

We went out and saw TYRANNODRONES AND KRYBOTS!

Qin: Tyrannodrones and Krybots!

Juggetnaut: They got Hidiacs too!

Me: Now we're talking! Lets get them!

Connor: DINO THUNDER! POWER UP! HA!

Jack Landers: SPD EMERGENCY!

Nick Russel: MAGICAL SOURCE! MYSTIC FORCE!

They transormed and were ready for action!

Julio Santana: Bakugan Brawl! Bakugan Stand! Haos Tentaclear!

He summoned his Tentaclear!

Me: OH YEAH! LETS GET THEM!

We went at the foot soldiers and we we fought and kicked and blasted them all over the place. I kicked and punched a bunch of them and Nico did the same and we sent them flying all over the place.

Me: This is just the beginning!

I blasted one with a fire blast and sent him flying and massive fiery explosions blasted him all over.

KRABBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOOOOMMMMMMM!

Nick blasted a bunch of Foot Soldiers with fire and massive fiery explosions went off all over as they died.

KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOMMMM!

We jumped and smashed a bunch of foot soldiers with fire energy from our weapons and blew them apart and then the foot soldiers blasted at us and we flew into the air and massive fiery explosions went off all over the place as we flew and they missed all over!

KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMMM!

KRABBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOMMMM!
KRABBBOOOOOOOMMMMMMM!
KRABBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOMMMM!

Some blasts were even hitting the water and releasing huge splashes.

Qin: YEAH!

Nico fired waves of fire and blasted the Tyrannodrones and Krybots!

Nico: I always love battling the footsoldiers!

Robo Roxy: Speaking of which. Tronics!

She summoned Tronics!

Qin: YEAH!

They blasted the Footsoldiers all over!

We did the same the Tyrannodrones and Krybots and Hidiacs!

Nico: That's that. Now for Inksworth.

Qin: And I see him there.

We saw him in a clearing by a ship that was sunk in the swamp. He was ranting like mad.

Nico: Not very smart of him to come here huh?

Phage: Entrance time!

We went at him.

Inksworth was pissed.

Then the spirits of the Rangers came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a Phoenix Cry was heard. And then we came out!

Nico: Inksworth.

Zayto: Nice to see you.

Inksworth: Indeed. Too bad I can't get off this planet!

Me: Well a swamp planet was not the best choice.

Evil Green Ranger: Don't you have teleportation? Or a ship?

Inksworth: My ship got sunk here in the swamp!

We saw it submerged.

Evil Green Ranger: Oh.

Xenia: Like J.D. said, a swamp planet is not the best choice.

Me: That's right. Now I believe you have something we need.

Inksworth: Ah you mean this.

He held out a red glowing crystal. It was a MUSTAFARIAN MEGA CRYSTAL!

Nico: Is that a Mustafarian Mega Crystal?

Me: Yep. One of the components.

Inksworth: Well, I might be stuck here with all of you. But at least I can take some of you out!

Nico: How about we make this easy for you? Hand over the crystal and we'll be on our way.

Inksworth: Or this?

He fired an energy blast and I fired waves of energy and the blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blinded by the smoke.

Me: They always want to do it the hard way!

I teleported and grabbed the crystal as he was coughing.

I teleported back.

Me: Got it.

Eli: Awesome.

Inksworth: Scuttleworms!

He summoned Scuttleworms!

Me: You know those are ugly human versions of the worms on Arrakis!

Nico: YEAH!

We fired waves of energy and blasted the Scuttleworms all over.

Nico: Take that!

Me: YEAH!

Nico: We need Delta Runner 1 and the Mystic Phoenix!

Jack Landers: You got it!

They summoned said zords!

They blasted Inksworth all over!

Me: The Winner in The End is ME!

Inksworth: What!?

Me: Kamen Rider Geats Line. It just came out of the blue!

Me: Well the Mascots did good battling them!

We fired waves of energy.

Nico: That's not Geats' ONLY catchphrase!

Me: Now here comes the Highlight!

?: Awesome!

A figure came out and it was CYBERNETIC REX from episodes 23 and 24 of Operation Overdrive!

---

A robotic Tyrannosaurus/Allosaurus monster with battleship-like armor created and piloted by Moltor. It can bite, shoot lasers from its cannons, and it also has the ability to launch a swarm of Lavadactyls.

Moltor asked the Fearcats for a Gyro to power it, but the Gyro somehow doesn't work. Then Moltor and the Fearcats planned to capture Ronny to drain her energy as an alternative power source. Moltor and the Fearcats used the special battery that was powered from two powerful sources - Ronny and Sentinel Knight.

In the first battle with the Rangers, the Cybernetic Rex used a mass of lasers and an armada of Lavadactyls. Once powered, the Cybernetic Rex proves itself powerful enough to counter attack and defeat the DriveMax Ultrazord. It was running out of power as the BattleFleet Ship appeared and Moltor retreated.

During the second fight, the Cybernetic Rex battled the BattleFleet that was turned into Megazord Mode. The new robot was more powerful and blasted the Cybernetic Rex from its weapons. The Cybernetic Rex was soon easily destroyed at the hands of the BattleFleet Megazord.

---

Ronny: WHOA! Cybernetic Rex!

Cybernetic Rex: Been a while rangers!

Me: I remember you! You were Moltor's personal Megazord and you were powered by Ronny and the Sentinel Knight!

Lincoln and his harem: ZORD FINAL SMASH: S.P.D. MYSTIC BLAST!

They fired Ki blasts based on the S.P.D. and Mystic Force Zords and smashed Inkworth all over.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Inkworth's chest, and then, Lincoln began absorbing Inkworth into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

Inkworth: (In Pain) No! No! This can't be! Lord Zedd, Rita Repulsa, forgive me!

When Lincoln was done and the stingers changed back, nothing's left of Inkworth, and he banished his soul to The Masters of Evil.

Nico: Inkworth, you have failed this whole universe!

Me: And the campaign against Lord Zedd and Rita Repulsa has just begun!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Leni. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Leni's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY LOUD BELCH!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of Leni, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Leni.

Zayto: That's the feral animal Packing Day version of Leni?!

Me: Yeah, and she's even worse than Lynn on Packing Day.

Feral Animal Packing Day Leni: (ROARS)

Leni's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Morana Marzanna: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Morana Marzanna's blue eyes turned neon blue and she was surrounded by a marine blue energy aura with stars, snow, ice, blue light, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Leni's feral animal Packing Day self, she left marine blue energy, stars, snow, ice, blue light, paints, phoenixes, and angels with every step.

Morana Marzanna: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn lets out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Morana Marzanna was surrounded by a massive vortex of marine blue energy, stars, snow, ice, blue light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Snow flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Leni's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Morana Marzanna emerged, but she was changed forever.

Morana Marzanna grew from 7'0" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large marine blue planets orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long marine blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon marine blue eyes and a marine blue energy aura with stars, snow, ice, blue light, paints, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Weather Painter Snow emblazoned on her forehead with blue iris, she has on angel earrings with blue gems for eyes and holding the Star, Snow, Light, and Eternity Kanjis in their hands, she also has Weather Painter Snow with indigo gems for eyes and holding the Star, Snow, Light, and Eternity Kanjis in her hands for the second pendant on the bottom of her blue angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Morana Marzanna felt a sharp pain on her back, and then, her massive blue angel wings with white tips on the large blue feathers grew much bigger for her new body and she also now has eleven massive and long blue wolf tails with white tips and white markings, Morana Marzanna has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Leni turned the tip of one of my eleven massive and long dark blue wolf tails into Cell's stinger that opened up into a large sucker and she plunged it onto her feral animal Packing Day self's head and she was unable to fight back. Then, she sucked her into her body and absorbed her as the stinger changed back.

We were really amazed by Leni's Super Angel-Kaiju-Star Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial

Xelnaga transformation and when Ed saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Leni: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Chía Stellar Star Gravity Kaiju Nature Phoenix God Angel of Divine Cosmic Eternal Harmony United Friendship Almighty Chía Stellar Star Gravity Kaiju Nature Phoenix God Angel Love) (GASPS) OM Gosh, I've ascended even more.

Luna: You sure did, sis!

Everyone cheered wildly for what Morana Marzanna, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Morana Marzanna's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large blue planets orbiting around her legs, and massive blue angel wings are permanent, and Leni's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve sea foam green planets orbiting around her legs, and massive blonde angel wings are permanent.

Morana Marzanna: That's it for that animal. Thanks for helping me take down Leni's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Morana.

Me: My pleasure, Morana.

Suddenly, Morana Marzanna wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Morana Marzanna's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter snow flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and blue lights behind them and we cheered wildly. Then, Lincoln and Morana Marzanna sucked in and absorbed the elemental forces and blue lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Morana Marzanna and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Leni a lesson she'd never forget.

Luan: And Leni absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person: Dana Danu, Avatar of Naturon Shenron and Daughter of Danu, Celtic Goddess of Nature and Fertility, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Nature with extremely incredible and massively powerful powers over the forces of nature, and summoning creatures of fire, along with powerful black magic arts and dark magic arts, along with being born with green angel wings, and just like Natalia Naturon Shenron, Dana Danu has all the powers and abilities of Naturon Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Naturon Shenron and Daughter of Danu, Celtic Goddess of Nature and Fertility, and she really trained him hard in everything that she knows in using the powers of nature. She's a lover of all life, animals, and plants, and what she's seen of Lincoln taking care of the Earth and all of its inhabitants both animal and plant, have left an eternal impression on her, and she even took Lincoln to her house which also houses a very massive and beautiful garden that's just like The Garden of Eden and like the forests of the United States and it's also as humid as the jungles of the Amazon in South America. Lincoln made her a beautiful necklace and an awesome green nature greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Dana Danu hates Lisa with a blazing passion because of what she's done and she even clobbered her after she found her trying to destroy a beautiful forest in the north of Michigan, and she swore that if she ever saw that heartless cold emotionless evil monster, she would imprison Lisa inside a tree forever.

Me: That's so awesome!

Nico: So, if anyone dares to threaten her, you, or the environment.

Lincoln: She'll imprison that person inside a tree forever, and she has the power to do so.

Selina Morrigan: We still remembered what Dana did to a group of thugs back in Ireland.

Sabrina Morrigan: She imprisoned many of them inside tree prisons and when they were released, they were already dead drained of life which returned to the Earth.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral six has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Xaldin: Another material down.

Shiv: And two to go.

Myotismon: And then, we can focus on finding Zedd.

Abra Kadabra: But for now, let's-

May: CAN WE PLEASE GO ALREADY?!

Devack: Okay okay! Sheesh!

Me: She hates this planet.

Nico: Great job everyone.

Lucky: (To the viewers) This was fun.

Me: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

We were going to dish out some payback on all of Frieza's goons and kill ALL of them and make sure they all pay for their crimes.

Me: This is gonna be so good.

Nico: I have a feeling we're going to face a clone of Frieza too. And if that's the case then we're going to be ready for him.

Xenia: Yeah we will be.

Lola: This is gonna be good.

Nico: Frieza and his goons are all going to pay for what they did to my home planet.

Goku: Yeah!

Vegeta: That is for sure Bokrua.

Nico: Yep.

Juru: This is gonna be good.

Lola: Yeah!

Nico: Juru, I want to thank you, Mr. X, and your teams for coming.

Juru: No problem Nico. This is gonna be awesome and fun.

Lola: It sure is.

Rarity: It sure is amazing thaht you have your own team darling. It's very fun.

Juru: Thanks sis.

Me: Yeah!

Steven Universe: That is for sure guys!

Connie: Yeah we're ready!

Nico: Steven, you should be proud of what you've done for Beach City.

Steven: I sure am proud. But I had all my friends and Connie to help me get through it all in Beach City and on the Gem Homeworld.

Lapis Lazuli: That was a bunch of really awesome and fun adventures.

Connie: It sure was.

Peridot: We are amazed at how far Steven has come.

Me: Steven has touched the lives of so many people, not just in Beach City but also the Gem Homeworld.

White Diamond: He sure has and it's really amazing.

Blue Diamond: His mother would be really proud of him.

Lola: That is for sure.

Nico: You even turned Jasper's life around.

Steven Universe: Yeah I sure did.

Me: Yeah that was cool.

Yellow Diamond: It sure was and the best part is he married Connie earlier.

Nico: He sure did. That is so awesome.

Me: After everything they went through they more than earned that wedding too.

Nico: I agree there.

Qin: Same here.

May: I do too. Man yesterday's mission was both fun and gross! YUCK!

Nico: We saw Yoda's hut.

Qin: That's true. It was sad that Yoda died there in exile.

Lola: It was.

May: Yeah it sure was.

Varie: No kidding there.

Camie: That was sad.

Nico: Yep.

May: I got dirty!

Qin: No kidding! YUCK!

Me: That was gross.

Laney: Yeah that was really a gross planet.

Nico: But at least we got rid of another one of Zedd's forces.

Lola: And got another one of the components we need to stop that bomb Lord Zedd is making.

May: We can talk about the mission. But I don't want to go back to that planet!

Me: Well I keep telling you that being a hero is always a dirty job but someone has to do it.

Nico: Yeah.

May: True. But we will never go back to that planet again.

Me: We'll make a note of it.

Nico: If we ever do go back you can sit that one out. We won't hold that against you.

May: Thanks Nico.

Nico: You're welcome. But yeah that was awesome battling Inksworth.

Lola: It sure was.

Maria: We're here.

We arrived at planet Frieza 79.

Qin: So this is Frieza's world.

Nico: Yep.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that we're not going to like in the slightest: we got word that a clone of Frieza has been sighted, along with all of Frieza's goons.

We gasped.

Nico: A clone of Frieza and all of his goons are here?!

Me: Oh man!

Lori: I can't believe a clone of Frieza is here, along with all of his goons. But, we need to get the second part of the materials here.

Nico: You're right, Lori. But, this is also another chance for me to get some well-deserved payback on the ruthless tyrant that destroyed our entire planet.

Lincoln: Clone or not, Frieza and all his goons will die once again, and we'll wipe them all out from the universe and beyond.

Qin: That is for sure.

Nico: That monster just will never learn from his mistakes.

Vegeta: And never will in a million years.

We landed.

Ino then heard a Pokemon Cry.

Ino: Look here.

We saw a Tsareena.

Me: A Tsareena.

Ino: Oh poor thing.

Tsareena: Really bad men hurt me.

Me: Poor thing.

We got to healing it.

Tsareena: Thank you.

Ino: You okay now?

Tsareena: Thanks to you.

Ino: Want to come with us?

Tsareena: Sure.

Mallow: Awesome. Looks like Tsareena has a little playmate.

Qin: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles

detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the Frieza clone) AHA! Gotcha! I just spotted the clone of Frieza, he's 20 yards away, and he and his goons are already on the prowl.

Nico: Let's head over there at once and end that bastard for good.

Lincoln: Along with all his goons. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of

hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Frieza and all of Frieza's goons.

We were flying in the air.

Nico: They should be here somewhere.

Me: Look there.

We saw the fortress of Frieza 079.

Vegeta: That's the fortress I was bound to back in those days.

Goku: So this is where you lived back then.

Vegeta: That's right Kakarot.

Goku: That's rough.

We flew in and busted in through the fortress! Alarms sounded.

Lincoln: (Senses Multiple Energy Signals) Oh great, here come all of his goons!

Me: Here they come!

We then saw all of Frieza's goons heading our way.

Me: That bastard, I should've known he'd send his goons after us.

Qin: Because we busted through.

Nico: Every last one of them were responsible for so much death and destruction they caused in that monster's name, and he's also got the clones of Zarbon, Dodoria, Cui, and The Ginyu Force with him.

Lincoln: We won't be dealing with them for long.

Suddenly, Lincoln's massive white angel wings with orange and aurora tips and medium-sized white angel wings underneath his massive white angel wings with orange and aurora tips turn into massive elemental angel wings with medium-sized elemental angel wings underneath and Lincoln fired massive barrages of elemental forces at Frieza's goons and knocked them down and the massive elemental wings changed back into massive white angel wings with orange and aurora tips and medium-sized white angel wings underneath his massive white angel wings with orange and aurora tips.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the chests of Frieza's goons, and then, Lincoln began absorbing them into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Frieza's goons, and he banished his soul to The Black Gates forever.

Lincoln: Now, to get after the clone of Frieza, and I know just how to get his attention.

Lincoln fired rainbow energy blasts from his massive white angel wings and the four large gold orbiting rings on the corner of the halo that hit the Frieza clone, and that made him even madder and furious than ever as we landed in front of him.

Nico: Frieza… !

Frieza Clone: FILTHY MONKEY!

Nico: You took everything from me Frieza! You're going to pay for your crimes!

Suddenly, a black shadow with blood red eyes appears behind the clone of Frieza and slashed at his back with his massive black greatsword, it was Sebastian.

Sebastian Mendez: Of all the worst things Zedd and Rita have done, making a clone of you and your long dead goons is one that's pissed me off to no end!

Nico: Same here!

Eli fired a wave of energy and blasted Frieza down.

Frieza: So the guest of honor has arrived at last. I didn't expect to see you again Nico but then again you always were persistent. I didn't expect to see Vegeta and Goku with you but then again monkeys do travel in troops.

Vegeta: Ha!

Nico: And I thought we were done with you for good Frieza! Last I remember you were obliterated and scattered to the winds and banished to the black gates!

Vegeta: Lord Zedd cloned you and brought you back to life. Am I right about that?

Frieza: And how grateful it was having Lord Zedd clone me to save me. FROM THE HUMILIATION I SUFFERED IN THE BLACK GATES! YOU CAN NEVER UNDERSTAND THE DEPTHS OF MY AGONY AND ANGUISH THERE! Nico: Try telling that to all the countless lives you senselessly slaughtered! You may have come back but I am now infinitely more powerful than ever.

Maria: Now, before we kill you, we're gonna take those materials off of your hands! (Frieza laughs) The Hell's so funny?

Frieza: You really think Alva"s going to keep his end of the bargain?

Especially with his son still missing?

Maria actually gave this some thought.

But she smirked knowing full well that Frieza was lying!

Maria: Ha! You're just playing mind games with us and I know full well that you're saying that to get under our skin!

Nico: Besides we know you're lying. We know full well what happened to his son and we have the power to save him.

Tsareena charged at him.

Just as Frieza was about to swat her she jumped up a swat and blasted him with an energy ball and it hit him in the back.

Halina Celeste: Even if you are just a clone of Frieza, you still make me sick as always, what you did in terrorizing the many forgotten civilizations all over the universe was truly disgusting, but what you did in destroying Planet Vegeta and wiping out the Saiyans, you crossed a severe line that day, and the original you paid a severe price for it. Lincoln, Halina Celeste, Princess Celestia, and I went after the clone of Frieza, and we fired extremely powerful blasts of rainbow energy, white and golden yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the clone of Frieza, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Halina Celeste, Princess Celestia, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the clone of Frieza even more madder and even more insane with rage.

Then, Nico fired waves of elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Halina Celeste, Princess Celestia, and I fired powerful blasts of energy, magic, stars, light, sunlight, suns, and planets at the clone of Frieza, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Suddenly, Lincoln raised his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal

United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and True Immortal Heroism into the air, and Nico raised his massive Nico Chan's Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Cosmic Elemental Saiyan Pride Dragon Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Cosmic Elemental Saiyan Pride Dragon Phoenix God Angel Justice into the air.

Suddenly, the Elements of Harmony and Unity Stones embedded in their greatswords both glowed with extremely intense light, and then, we suddenly saw trillions of souls flying out of Sebastian as he roared demonically and all those souls flowed into Lincoln and Nico: it was the souls of all those Frieza had killed in the past, and their rainbow energy auras flared up as they gained an astronomically massive power boost.

King Vegeta: This is it.

Vegeta: Indeed, Father. Frieza had this coming for years, and now, death has come for him once again.

Aligned Megatron: Hahahaha! Where is your army? Where is your ship? Where is your POWER now?!

Nico: THIS IS FOR MY RACE!

Lincoln: TIME FOR SOME PAIN! DON'T EVEN DREAM OF RESURRECTING AGAIN!

Frieza upon seeing what's about to happen had all the color in his face drain away, but that was replaced with rage as he charged at Nico and Lincoln, but then, they swung their massive greatswords down as the blades were pointed at Frieza, and their massive greatswords fired two massive beams of rainbow energy, elemental forces, animals, and mythological animals which hit the clone of Frieza and he was eviscerated and obliterated almost immediately and his vile spirit was sent to The Black Gates forever. Everyone cheered wildly as we holstered our weapons and powered down, and Halina Celeste's new body, clothes, weapons, jewelry, 28th

Century silver Miracle Box backpack, Third Eye, eleven massive and long aurora wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large midnight white and golden yellow planets orbiting around her legs, and massive white angel wings and longer white horn are permanent, and Princess Celestia's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer aurora tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large white and golden yellow planets orbiting around her legs, and massive white angel wings and longer white horn are permanent.

Suddenly, Halina Celeste and Princess Celestia felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Halina okay, Princess Celestia.

Princess Celestia: We're a little dizzy, but otherwise, we're okay, Lincoln.

Me: That was so awesome! We really let Frieza have it once again, and Lincoln, Nico, that finishing move you guys did, that was really incredible!

Laney: It was like you invited the spirits of all those Frieza had killed in the past into you, and you both unleashed their fury unto him.

Lincoln: I felt their restless spirits in the air, and they were unable to rest after finding out that a clone of Frieza was located, and ironic enough, they were in Sebastian this whole time.

Nico: And now that Frieza's finally gone, the other restless souls he'd killed can finally rest in peace. Plus, I can't believe that Sebastian had been keeping them prisoner, I should've known that some part of your madness was still alive.

Lincoln: Want the Mascots to knock his block off again?

Nico: Nah. Besides, what we did to that cementhead in freeing the souls of Frieza's other victims that he had been keeping prisoner, that's more than enough punishment for him, Lincoln.

Suddenly, something appeared on Lincoln and Nico's right forearms: it was a kanji that said, "Lincoln Loud, Saiyan Avenger and Destroyer of Frieza" and "Nico Chan, Saiyan Redeemer and Avenger and Destroyer of Frieza"

Me: Whoa, what are those kanjis?

Nico: That's proof of what we did in avenging the Saiyans and all the lives of those ruined by Frieza.

Lincoln: That's really incredible.

Nico: Nice job Tsareena!

Tsareena: Thanks Nico! That was cool!

Me: And now we've seen the last of Frieza.

Camie: YEAH! Nice try Lord Zedd!

Poromon got out a beer bottle.

Poromon: Want one?

Tsareena: Oh no I can't have any. I'm allergic to beer.

Me: Oh boy.

Poromon: Beer allergies. Oh boy.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Aww.

Horsea: Alva wouldn't double-cross us, would he?

Static: We aren't his friends, but we're also offering him something he wants. And his heart is in the right place ultimately. But we should always be prepared for the possibility. Especially with his son still missing.

Me: I agree. But if he double crosses us be will regret it. Either by death or jail.

Qin: Yeah.

Me: He better not double cross us or else.

Nico: Relax guys.

Nico: Now, where's the next material we need?

Eli: Lets see.

Eli concentrated.

Eli: Oh here's something.

He pulled out an Ion mini engine.

Eli: An Ion Mini-Engine. Frieza had one of the components.

Nico: I knew coming here was a good idea!

Me: You got that right!

Eli: Now we just have one last component to find and the best place to search is the planet Jakku.

Rey Skywalker: (British Accent) My home.

Nico: I hope you don't mind going back there.

Rey Skywalker: Not at all.

Nico: Good.

Me: It's the last part we need.

Camie: Yeah.

Nico: What do we do with Frieza's fortress?

Maria: Any ideas?

Nico: We'll keep it as a lookout tower for the city.

Me: Good idea.

Lola: Yeah!

Nico: At least Frieza's property is good for one thing.

Nicole: Yep.

Me: I agree.

Poromon: Me and the others are working on something.

Me: We can't wait to see it.

Lola: Yeah.

Nico: Now comes the fun part.

Me: The Anothers.

Qin: Who do we got?

Eli: (Concentrates) WHOA! We got Mr. X, Crystal Monster, Vile, Chimera (Mystic Force Rangers), Universe 666 Tazma and Chimera (Winx Club), Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror and Louie PoisonSea.

Nico: Nice!

Me: So Juru, Steven Universe, Connie, Yellow Diamond, Blue Diamond and White Diamond and the Cutie Mark Cursaders.

Lola: Nice.

Eli: And I sense that the Anothers minus Mr. X are one person.

Me: Cool.

Nico: There they are!

We saw Another Crystal Monster, Vile, Chimera (Mystic Force Rangers), Universe 666 Tazma and Chimera (Winx Club), Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror and Louie PoisonSea!

Me: Nice!

Qin: This is gonna be good.

Another Vile: (IN A GIRLS VOICE) It sure will.

Me: (GASP) That voice.

They merged and she reverted back and it was a girl with red hair and orange eyes and had an orange shirt and had an orange mermaid tail and she had fire angel wings and had a tiara with the symbol of the Trident Dopant on it and the same symbol on her arm and she had a fire trident.

Me: Volcania Trident!

Volcania Trident: Awesome to see you again J.D.

Me: Same here. Volcania is a Volcano Mermaid and she is the Embodiment of the Trident Dopant and she has intense volcano and fire powers.

Nico: COOL!

Qin: Yeah!

Volcania Trident: It sure is cool.

Me: Yep. By the way is the Another Mr. X friendly or hostile?

Volcania Trident: Friendly and she is an interesting one.

ME: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Nico: And now we wait.

Me: Yep. But we don't have to wait long!

We saw ANOTHER MR. X!

Me: Another Mr. X.

Qin: Whoa!

Camie: Awesome.

Another Mr. X: (In a girls voice) It sure is awesome.

Me: (GASP) That voice.

She reverted back and was a girl with black hair, red eyes, black clothes black demon angel wings and had a tiara with the symbol of the Tombstone Dopant on it and on her skirt and she had a darkness sword.

Me: Bethany Tombstone!

Bethany Tombstone: Awesome to see you again J.D.

Me: Same here. Bethany is the Embodiment of the Tombstone Dopant and she has all the powers of the Undead and is a gravestone master.

Mr. X: That is amazing that she is a master of my kind.

Me: Yeah.

Bethany Tombstone: It sure is awesome.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

He nodded and they got weapons from said ranger teams.

Bethany Tombstone: No he didn't because he was scared of me.

Me: Probably because of what you can do.

Bethany Tombstone: Yep.

Sougo: (gets out Patranger Ridewatch) You'd fit in the Goths of Darkness.

Geiz: (Gets out Kyuranger Ridewatch) After all, you do have powers over the Undead.

Tsukuyomi: (gets out Lupinranger Ridewatch) Bonz would like you as well

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and

Tsukuyomi got LupinRedArmor.

Brittney: I was about to say the same things.

Bethany Tombstone: I agree there.

Lincoln: Lets separate you first.

Lincoln did so.

Me: Awesome.

Nico: (Gets out Mr. X's ridewatch) Time for Undead Power!

May: (Gets out Vile's Ridewatch) This will hurt you bad!

Maria: (Gets out Universe 666 Tazma's ridewatch) Time for darkness!

Steven Universe: (Gets out Crystal Monster's ridewatch) We are the Crystal Gems!

They used the Mr. X, Crystal Monster, Vile, Chimera (Mystic Force Rangers), Universe 666 Tazma and Chimera (Winx Club) and blasted the Another.

Then Tormes the Centaur, Heat Dopant, Cyclone Dopant, Trigger Dopant, Luna Dopant and Metal Dopant came.

Nico: Awesome team Tormes!

Tormes: Thanks Nico.

Me: Cool!

Then a blast of water flew in and drenched the Another and knocked him down and I caught the ridewatch!

Me: WHOA!

Tidal Whale came.

Me: Tidal Whale! Wow!

Tidal Whale: (In a girls voice) That was awesome!

Nico: Willow Whale!? Awesome!

She reverted back and was a girl with blue hair and blue eyes and had blue angel wings and had on a blue bikini and she had a symbol for a whale in the middle of her forehead.

Willow Whale: That was fun.

Nico: Nice one!

May: And I didn't get hit!

KRASPLAT!

She got hit on the head with a watermelon!

Manaphy: Spoke too soon, Mama.

May: I know!

Rarity: Lets get you dressed darling.

They went and did so and they gave her blue clothes and she looked awesome.

Willow Whale: Wow I look amazing.

Nico: You sure do.

Steven Universe: Do you have any favorite memories of Nico?

Willow Whale: When me and Nico went out to the ocean and befriended an amazing pod of whales and then we stopped a group of Whale Poachers and got them put into prison.

Nico: Yep.

Me: Awesome!

Nico: That was cool.

Nico and Willow hugged.

Nico: I've missed you.

Willow Whale: Same here.

We beamed the fortress of Frieza to the city and set it up as a lookout for the city and recalibrated it all for the city's defense and for our languages and more.

We later went back home.

Luan: Since he's Eddy's hypothetical Akuma, the one thing that'll lure him out: the sound of money.

Caitlin Mackenzie made quarters and put them into a trap she made.

Lincoln: Nice one, Caitlin.

Then, Lincoln fired an energy blast that hit King Jawbreaker and sent him to The Masters of Evil and he also assimilated his powers. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you never to hurt anyone ever again! (To Dana Danu) And it's so good to see you again, Dana.

Dana Danu: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Dana Danu as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Dana Danu was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Dana Danu: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Dana Danu and he hugged her, and Dana Danu is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dana Danu: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Dana Danu, Avatar of Naturon Shenron and Daughter of Danu, Celtic Goddess of Nature and Fertility, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Nature with extremely incredible and massively powerful powers over the forces of nature, and summoning creatures of fire, along with powerful black magic arts and dark magic arts, along with being born with green angel wings, and just like Natalia Naturon Shenron, Dana Danu has all the powers and abilities of Naturon Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Naturon Shenron and Daughter of Danu, Celtic Goddess of Nature and Fertility, and she really trained him hard in everything that she knows in using the powers of nature. She's a lover of all life, animals, and plants, and what she's seen of Lincoln taking care of the Earth and all of its inhabitants both animal and plant, have left an eternal impression on her, and she even took Lincoln to her house which also houses a very massive and beautiful garden that's just like The Garden of Eden and like the forests of the United States and it's also as humid as the jungles of the Amazon in South America. Lincoln made her a beautiful necklace and an awesome green nature greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Dana Danu hates Lisa with a blazing passion because of what she's done and she even clobbered her after she found her trying to destroy a beautiful forest in the north of Michigan, and she swore that if she ever saw that heartless cold emotionless evil monster, she would imprison Lisa inside a tree forever.

Nico: Yeesh, so if anyone dared to anger her, she would imprison them inside a tree for good.

Lincoln: It's just like the Nature's Vengeance Kamehameha or Laney's curse she put on Captain Pollution or my Gaia's Vengeance Curse, and the end result is the same, and now that you're here, Dana.

Lincoln went up to and hugged Dana Danu in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Dana Danu: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dana Danu with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Dana Danu: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Dana Danu, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Dana Danu's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Dana Danu had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Vivienne Bissette, Coach Bridget Krüger, Ms. Melody Dewitt, Ms. Farah Irfan, Ms. Tori Okita, Ms. Barbara Ross, and Mrs. Ursula Smith from Summertime Saga and Saeka Arisugawa, Yume Kominami, Kazuha Kusunoki, Mahiru Narukawa, and Nanako Nomiya from The Blackened Classroom.

Lincoln: Oh wow, it's Vivienne Bissette, Coach Bridget Krüger, Ms. Melody Dewitt, Ms. Farah Irfan, Ms. Tori Okita, Ms. Barbara Ross, and Mrs. Ursula Smith from Summertime Saga and Saeka Arisugawa, Yume Kominami, Kazuha Kusunoki, Mahiru Narukawa, and Nanako Nomiya from The Blackened Classroom.

Nicole: So, those are the girls Eddy's hypothetical Akuma captured and tried to hurt.

Lincoln: I hope Vypra gives him Hell. Are you girls okay?

Vivienne Bissette: Yes, we're okay, thanks to you.

Then, when Vivienne Bissette and the other eleven girls saw who it was that saved them from King Jawbreaker, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Vivienne Bissette: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Vivienne Bissette: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Vivienne Bissette, Coach Bridget Krüger, Ms. Melody Dewitt, Ms. Farah Irfan, Ms. Tori Okita, Ms. Barbara Ross, Mrs. Ursula Smith, Saeka Arisugawa, Yume Kominami, Kazuha Kusunoki, Mahiru Narukawa, and Nanako Nomiya with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was King Jawbreaker, The Hypothetical Akuma Villain of Eddy.

But, when Lincoln showed what we did in beating that monster and sending him to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Dana Danu have a lot of catching up to do, now that she's back in town.

Maria: Oh shit, I can't believe there was a hypothetical Akuma of Eddy running loose in Peach Creek.

Lincoln: Yeah, but we took him down and sent him to Vypra.

Nico: Now, we need to keep an eye out for the last Hypothetical Akuma of the Eds.

Me: If he shows up, we'll beat him down.

---

After we took down King Jawbreaker, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dana Danu saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Dana Danu: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been

continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Dana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Dana Danu: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Bridget Brigid: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and

their noses were bleeding.

MONSTROUSLY LOUD BELCH!

Dana Danu: What the Hell was that?!

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm.

Goku: What the? A Packing Day version of me?

Nico: Not good at all!

Sebastian Mendez: We need to get down there and fast! The Packing Day versions of the Louds, J.D., and Nico were bad enough, but this, this is too much!

We flew out of the World Tree Estate and landed.

Lincoln: It's quiet. Too quiet, keep your eyes peeled.

Suddenly, in Feral Monster Goku's point of view as he hides in some trees, he moved the trees aside and was watching us menacingly as he was breathing, snorting, and grunting heavily, then, he pushed the trees back. Then, back to us.

MONSTROUSLY LOUD BELCH!

Lucy: He's here…

Then, we saw snowballs and energy blasts heading our way.

Nico: INCOMING SNOWBALLS AND ENERGY BLASTS!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from the barrage of snowballs and energy blasts that came from nowhere and hit the barrier, but it stood strong and the snowballs and energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of Master Goku, or we'll force you out.

A massive and muscular figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Goku, he looked like him, but with longer wilder unkempt black hair, he had facial stubble on his jawline, he has hair on his forearms, he was extremely muscular with abnormally massive and powerful upper and lower body muscles and eight-pack abs and bulging veins, he has on an orange coat with the sleeves torn off and he has thick chest hair on his massive pecs, he was only dressed in torn orange pants, and he was on all fours.

Nico: That's the feral animal Packing Day version of Kakarot?! Oh, this isn't going to end well.

Feral Animal Packing Day Goku: (ROARS)

Goku's feral animal Packing Day self charged at us, but Lincoln punched him hard and he flew into a wall, he got back up, and he gripped his orange coat and tore it off and he roared and beat his hairy chest like a gorilla: NOW, HE WAS MEGA PISSED!

Lincoln unholstered his massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and Immortal Heroism and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-Dragon-Demon-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel of Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Justice and Divine Cosmic Eternal Harmonious Thunderbird Buffalo Vampire Werewolf Mythological Phoenix God Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

Lincoln charged at Goku's feral animal Packing Day self, and he fired extremely powerful blasts of rainbow energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores,

But, before he could charge after Lincoln, Goku transformed into his Super Saiyan 4 form and he bear hugged him and he absorbed him into his body.

Goku: That'll teach you, you wild animal.

Suddenly, we felt Goku's power and energy rising astronomically as his yellow energy aura flared up extremely, and then… !

We were literally stunned, amazed, and struck with total awe at

Goku's Super Saiyan Angel-Dragon-Great Ape-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Chi-Chi saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Goku: (Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Whoa, looks like I've transformed, this is incredible.

Nico: I'll say, you've really transformed, Kakarot.

King Kai: (Telepathically) I saw the whole thing myself, and I'm really stunned with awe.

Lincoln: We all are.

Goku holstered his new massive greatsword on his back and powered down and Goku's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve planets orbiting around my legs and ten smaller planets orbiting around my waist, Third Eye, longer Saiyan Tail, and massive black angel wings are permanent, and we went back home and we continued our workouts.

Lincoln: That's another Packing Day version of a member of the team taken care of.

Me: But, we still got the rest of the Packing Day versions of your sisters and parents to take care of, Lincoln.

Nico: If we face another more wilder version of Lynn on Packing Day, I hope you don't show her no mercy, Lincoln.

Lincoln: That's a definite, I didn't show that snow monster any mercy when she attacked Miyuki Shirayuki, and I won't show that animal any mercy when she does show herself.

We got a shower, and then, Lincoln, Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox all had feelings for Lincoln, and he also had feelings for them, and Lincoln removed Chino's Dark Side and sent her to The Black Gates, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Chino: Wow, so this is Emerald Coast. It sure is beautiful.

Lincoln: It sure is, Chino, and it's perfect for our first date. Shall we?

Lincoln, Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot, and Simulator Inspector Carmelita Fox dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox and they hugged the girls in their abnormally massive and powerful muscular arms and Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot, and Simulator Inspector Carmelita Fox placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their

necks.

Lily the Mermaid: Wow, now Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox are in your harem, Linky.

Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox showed the marks Lincoln made on the right sides of their necks.

Naruto: Lincoln did a good thing removing Chino's Dark Side and she deserves a chance for happiness after everything she went through.

Aang: Same with Ru.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Catalina Canetti, Ru, Chino, Kitty Katswell, Simulator Tawna Bandicoot, Tawna Bandicoot (Crash Bandicoot 4), and Simulator Inspector Carmelita Fox, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Wooded Kingdom is next.

Me: Ooh!

Qin: That's a cool one!

Nico: Yep.

Tara: Me and Mallow will go.

Nico: Okay.

They went in and the simulator activated it they were inside a huge giant geodesic dome and it was WOODED KINGDOM!

---

The Wooded Kingdom is a region featured in Super Mario Odyssey, and can either be the fourth or the fifth location visited, depending on if the player selects to go here or to the Lake Kingdom after leaving the Sand Kingdom. It is the greater location of Steam Gardens, a large forest area containing several iron structures. This area is also surrounded by large mountains, as well as a geodesic dome. The Steam Gardens is home to the Steam Gardeners, who water and grow flowers throughout the area, especially in their Sky Garden Tower and Secret Flower Field. This area is also home to their prized Soirée Bouquet.

When Mario first visits this kingdom, the Broodals can be found invading the Sky Garden. After traversing through the Iron Road, Mario reaches the top of the Sky Garden Tower, where he encounters Spewart, one of the Broodals. Upon defeating him, Mario will be rewarded with a Multi Moon, which (when collected) causes Torkdrift to appear and wreak havoc in the Secret Flower Field. Mario must then traverse through the area (which is now overrun by Sherms) and reach the entrance to the Secret Flower Field at the far northern reaches of the kingdom. Upon entering the Secret Flower Field, Mario will encounter Torkdrift, who is attempting to steal the flowers. If Mario can successfully defeat Torkdrift, he will be rewarded with another Multi Moon. Collecting this one will restore the Steam Gardens to its former glory, allowing the Steam Gardeners to continue growing flowers and allowing access to more Power Moons. Once Mario collects enough Power Moons, he can access the next kingdom - either the Lake Kingdom (if the player has not yet visited it) or the Cloud Kingdom (if both the Lake and Wooded Kingdoms have been visited).

If Mario falls into the pit below the kingdom's southern region, he lands in the Deep Woods, a dark forest inhabited by a T-Rex. To escape, Mario must plant a seed dispensed by a blue Steam Gardener into one of the glowing pots to grow a beanstalk that leads back to the kingdom's mainland. Throughout the kingdom, there are also many nuts that can be broken to obtain a Power Moon.

This location is potentially based on the Redwood National and State Parks in California. The Steam Gardens' original name, Kogwald, is German for "Cog Woods", and the background features mountains that resemble the Alps. The location also vaguely resembles Canada due to its dense forests and snowy mountains.

The Wooded Kingdom is located south of the Lake Kingdom, southeast of the Sand Kingdom, and southwest of the Cloud Kingdom. The landmass these kingdoms are all located on resembles Pangaea.

Nico: WOW!

Mallow: This is amazing! It's like a massive greenhouse

Nico: It sure feels like it.

Tara: This is amazing!

Nico: Any tips Nicole?

Nicole: (On the radio) Well you guys are going after Torkdrift next right?

Nico: Yeah.

Nicole: Well that one is going to be an easy one. You have to smash the dome it has on top of it.

Nico: Okay.

Nicole: He's inside the factory. You got to go in through the top into a Flower Sanctuary inside.

Nico: Okay.

Tara: We're ready for this.

Nico: Lets get going!

They were off!

They were flying to the top of the factory and it was an amazing place.

Nico: Wow! What a factory.

Tara: It's amazing.

Mallow: It sure is.

They went in through the top and got into a flower room and there they saw TORKDRIFT!

Nico: Torkdrift!

Torkdrift: Come try it!

KRASMASH!

A big boulder hit Torkdrift on its head and smashed it!

Nico: Was that from you, Tara?

Tara: No look!

Then a figure flew in and it was KUWAGAMON and on its back was a girl with orange hair and red eyes and had red butterfly wings and had orange clothes and had a tiara with the symbol for Hornet Man on it.

Nico: Kuwagamon!? Whoa!

They landed.

Kuwagamon: (in a girls voice) Time to snip this freakish robot!

Nico: Katie Kuwaga!? Whoa!

Haillee Hornet: And Haillee Hornet, Embodiment of Hornet Man.

Fluttershy: Haillee! Oh wow!

Zak Saturday: Awesome!

Haillee Hornet: Fluttershy and Zak. It's awesome to hear your voices again. Its been a while.

Nico: Did you throw that boulder, Katie?

Katie Kuwaga: I sure did.

Nico: Nice! We can catch up later. Lets get him.

Tara: Right!

Tara and Mallow fired waves of fire and leaves and blasted Torkdrift all over!

Nico: (gets out Mr. x and Road Kamelot's Ridewatches) Fear the Undead!

Nico activated them and fired energy blasts.

Katie Kuwaga: (ECHOING) SCISSOR CLAW!

She slashed Torkdrift.

Haillee Hornet blasts Torkdrift and then he glowed and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Nico: YEAH!

They got Blue Moons!

Nico: YEAH! THAT WAS AWESOME!

Katie reverted back and was a girl with red hair and red eyes and red butterfly wings and she had red clothes and a symbol for Kuwagamon in the middle of her forehead and on her skirt.

Katie Kuwaga: That was awesome!

They all high five!

Nico: How did you meet Fluttershy and Zak?

Haillee Hornet: I met Fluttershy when she was having problems with the animals and she was trying to get them to go to sleep. I helped them with my soothing flute and made them go to sleep nice and quiet.

Nico: Aww so awesome.

Haillee Hornet: Yeah and I met Zak when he and his family were battling one of their enemies and they were after the legendary Maricoxi.

Nico: The legendary Ape Man Tribe of South America.

Haillee Hornet: Thats right. It was awesome.

Nico: Cool!

Tara: Katie do you have any favorite memories of Nico?

Katie Kuwaga: I sure do. When me and Nico went to my family's butterfly preserve and we had a lot of fun there.

Nico: That was cool.

Nico and Katie hugged.

Nico: I've missed you.

Katie Kuwaga: Same here.

Nico: Would you two like to join us?

Katie Kuwaga: We would be honored.

They left the simulator and we cheered wildly for them.

---

Later we were going to see the mascots.

Mr. Krabs: Let's see how the mascots are killing themselves today

We went into a big room and to our amazement we saw not crazy drunken cartoon style comedy shenanigans but rather an amazing model train set and it was huge! IT COVERED OVER 86,000 square feet and it was full of everything! Mountains, rivers, waterfalls, trees, the works! And the trains were all different trains on tracks!

Me: WOW!

Nico: Oh wow! Look at all these!

Thomas: This is really amazing!

Poromon: Hey guys! What do you think?

Denise Wendoll: When did you make this?!

Poliwag: We made this over the last 4 days. We thought it would be cool.

Nico: This is a really amazing hobby!

Lola: Yeah!

Lana: Model trains are cool!

Midnight Express: Boy they sure are! You guys really did an amazing job.

G1 Tantrum: What do you think, Right?

Right: It's amazing!

Me: I'll say! Wow!

I saw a sign on it.

Me: Alaska Casino Trainville. That's cool!

Nico: I'll say!

G1 Hot Spot: You guys did a good job with this

Nico: I agree.

Mascots: Thanks guys!

Nauthilax: Good thing you guys didn't try to get killed.

Poromon: Nah. We're just doing a fun thing.

Me: It sure is fun.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Poromon was just eating crackers.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it wasn't any of Lord Zedd and Rita Repulsa's minions, it was none other than Ben Tennyson's enemy, Aggregor, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's not any of Lord Zedd and Rita Repulsa's minions, it was none other than Ben Tennyson's enemy, Aggregor, and he's causing havoc.

WE GASPED!

Ben: Aggregor?! Oh man! Don't tell me he… !

Lincoln: Yep, he made an alliance with Lord Zedd and Rita Repulsa.

Me: That bastard… ! He's gonna pay for this!

Nico: That he will. Alright, gang, let's get going. This time, Aggregor dies here and now!

Lincoln: He will pay for everything he's done.

Camie: Can you remind me of who Aggregor is?

Me: Sure.

I went over his history

---

Aggregor is a major antagonist in the Ben 10 franchise, serving as the main antagonist of the first two seasons of Ben 10: Ultimate Alien.

He is an Osmosian warlord who seeks five aliens from the Andromeda Galaxy in order to absorb their powers so he can obtain the Map of Infinity, allowing him to enter the Forge of Creation, where he can absorb the powers of a baby Celestialsapien, and use it to become omnipotent and conquer the universe.

He was voiced by John DiMaggio, who also played Bender in Futurama.

Aggregor's race is the same as Ben's current friend Kevin Levin (they are both members of a subspecies of humans called Osmosians). His powers are mostly the same as Kevin's-matter absorption and energy manipulation. Aggregor is also noted for his high intelligence, demonstrated in how he tricked the protagonists to reach his goal for him, and his genre savviness. He used his powers to activate a time transporter to absorb his captor's powers and succeeded. He is more of an intergalactic threat than Ben's ultimate nemesis, Vilgax. Like Vilgax, though, Aggregor also uses droid minions.

Aggregor first appeared in the Ben 10: Ultimate Alien first episode "Fame". He first appeared after Ben defeated one of his captives, Bivalvin, and then captured him. He had five alien captives: Bivalvin, Galapagus, P'andor, Andreas and Ra'ad, and intended to absorb all of their powers. In the tenth episode of Ultimate Alien, he took his captives to Los Soledad to finally absorb their powers and succeeded (after ignoring the warning from Ben's former nemesis and current best friend, Kevin). The reason for absorbing his captives is to gain their powers (to become Ultimate Aggregor) in order to find four pieces of an artifact called the Map of Infinity in order to find a place known as the Forge of Creation.

He finds the first piece of the Map of Infinity in the episode with the same name in a temple full of traps on a planet that's half sun-like and half frozen. He finds the second piece of the map in the episode "Deep". He finds the second piece on an all-water planet. The third piece is found in "Where The Magic Happens", where he takes the piece from the warlord from Charmcaster's home dimension (also the warlord that Aggregor took the piece of the map from is the same race as one of his alien captors, Galapagus). The fourth and final piece of the map is found in a planetoid known as the Perplexahadron in the episode with the same name from its guardian known only as the Sentinel. He finally finds the Forge of Creation in the episode with the same name and his "Ultimate Prize" was revealed to be a newly born Celestialsapien. He fights off both

10 and 16-year-old Ben, Gwen and Kevin, then proceeds to absorb the newborn Celestialsapien. But as he was about to absorb ultimate power, he was stopped by a once again mutated Kevin, having absorbed the Ultimatrix from 16-year-old Ben to stop him (even though 10-year-old Ben offered him to absorb his Omnitrix) and then, after he had gotten Aggregor away from Alien X, Kevin gets the upper hand on him and then absorbs Aggregor's powers as well, reverting Aggregor back to his normal state, having him finally defeated and left him lying unconscious. After that, Aggregor's fate is left undetermined. It was later revealed in "Night of the Living Nightmare" that he is currently incarcerated.

Aggregor did not appear in the fourth series, but he was mentioned in a few episodes, some of which reveal that Proctor Servantis created him as a lab experiment using DNA from Kevin to recreate the latter's powers. Aggregor was memory-wiped and then turned loose from Servantis after Ben removed the Omnitrix for five years since Servantis felt he didn't need an army any longer.

---

When it was done everyone that hadn't heard about it was shocked and horrified!

Camie: That is horrible!

Lola: Yeah and I did not expect that!

Ra'ad: This is not good. He must have made an alliance with Zedd to finish what he started.

Nico: He might have. We better call P'andor for this.

P'andor then came.

P'andor: (Russian Accent) So Aggregor has returned! I knew it was only a matter of time.

Me: Now we can finish him for good.

The previous group came.

Xaldin: Can me, Toyman, Artie Ziff, King Hiss, Mammoth, King Shark, Shiv, Myotismon, Abra Kadabra, and Devack go with you guys?

Nico: Yes you can. But we got a massive emergency. Aggregor is back.

They gasped!

Toyman: That Osmosian warlord that tried to destroy the entire universe that P'andor told us about!?

Me: The very same!

Riley Anderson: We're not going to let him get away with this!

Eli: What do you think Aggregor is going to do?

Me: My guess is he is going to try and finish what he started in the past. But with the Andromeda 5 now with us he is going to have to resort to using other methods.

Nico: You're right.

Grier: Nico, which Gene Slammer do you think you'll meet next?

Nico: Shining Firefly next.

Me: Ooh illuminating.

Qin: Yep. Where is he now?

Eli: Planet Jakku!

Nico: Then we better get over there.

Ben: And fast! Aggregor must be stopped!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's

Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Luna, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to the feral animal Packing Day version of Luna, and that rampaging animal is coming after us to pummel us with snowballs.

We gasped.

Me: I knew she'd be coming next. Lincoln, can you show us what she looks like?

Lincoln: On it.

Lincoln took out his sketchbook and we saw Luna's feral animal Packing Day version, she looked like her, but with long wild unkempt brown hair, she has on a purple coat with the sleeves torn off and purple pants and black boots, and she was on all fours.

Luna: (SHRIEKS) Dudes, that version of me is nothing but a monstrous beast!

MONSTROUSLY MEGA LOUD BELCH!

Me: Along with having Lynn's monstrous side when she goes psycho on Packing Day.

Aurora Leocadia: We know the real you, Luna, you're far more civilized than her, which is why we're taking her down.

Nico: You said it. Alright, gang, let's go, we're heading out to destroy Aggregor.

Lincoln: And deal another blow to Lord Zedd and Rita Repulsa, and once we get done with Aggregor, you're next, you monstrous beast.

Aurora Leocadia: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy Aggregor, and once we get done with Aggregor, Lincoln and Aurora Leocadia along with me are going to destroy the feral animal Packing Day version of Luna.

We went to the ship and we were off to the planet Jakku!

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,555.6: The U.S.S. Valorous Phoenix is en route to the desert junkyard planet of Jakku and we're not only going there to get the last component needed to stop Lord Zedd's bomb but also because we're going there to stop the Warlord Osmosian, Aggregor who is back for revenge on Ben and to finish what he started in the past.

Toyman: What's Jakku again?

Me: A desert planet that was home to the very last battle during the fall of the Galactic Empire. It was turned into a junkyard and numerous ships and wrecks litter the surface.

Rey Skywalker: It's my home planet. I've lived there for as long as I can remember.

Nico: It'll be the perfect place to destroy Aggregor.

Nicole: Yeah.

Ben: I can't ever forget all the trouble we went through to try and stop him.

Lady Deathstrike: (Japanese Accent) He can't be that challenging.

Kevin Levin: The only real reason he was defeated in the first place was because I absorbed the Ultimatrix's power. So yeah. He's THAT tough.

Gwen: You wouldn't believe what we went through to stop him.

Ra'ad: He is really dangerous everyone.

Nico: Tell us what happened.

Ben: Sure.

They did so and it was a REALLY HARROWING JOURNEY And it was brutal! When it was done we were shocked and horrified!

Julie Yamamoto: I'll never forget that.

Cooper Daniels: Me neither. That was rough.

Lady Deathstrike: Okay I take back what I said!

Me: It's hard to imagine that he was capable of causing you all so much shit!

Nico: Yeah!

Natasha Zvezda: (Russian Accent) I thought I stripped him of his powers!

King Hiss: Well, obviously, Lord Zedd got them back for him.

Nico: I was thinking the exact same thing.

Lola: Yeah.

Natasha Zvezda: And I have a feeling he was promised Celestialsapien power in exchanged for something.

Me: I have that same feeling too. But he doesn't know that we hold power that's just as strong as the Celestialsapiens.

P'andor: You need to be very careful when fighting him. If he touches you and absorbs your powers, you're dead!

Tahu: You told me that before

Tayuya: Like Hell we're going to let him fucking touch us!

Me: Well he can't have our powers anyway. Also we're impervious to the Osmosian touch.

Kevin: He's right. Look.

He touched me and nothing happened.

Kevin: Nothing.

Nico: Well that's good that we won't be affected by that.

Aligned Bumblebee: There's more. I went back to check on the inventory of the Cybertron of my world. And the Power Siphoner that we took from my Starscream? It's gone!

Shiv: Okay, that can't be a coincidence!

Me: That's not one of the components we need is it?

Nico: Nope it isn't.

Me: Oh. Then he must have plans to use it for something else.

RD Lana: Please tell me we're there.

Lisa Loud: We actually have arrived at our destination.

Nico: On screen.

We arrived at the planet Jakku.

Me: Planet Jakku.

Xenia: Wow!

Toyman: Amazing!

Rey Skywalker: My home planet.

We landed and got out and we were on the planet Jakku.

Toyman: Wow!

Me: Planet Jakku.

Abra Kadabra: Glad to be home, Rey?

Rey Skywalker: I sure am. I've missed this place.

Me: I can tell.

We saw NUMEROUS WRECKS of Empire ships all over the place and there was a TON OF THEM!

Sakura Knudson: Wow! Look at this place. What a dump.

Akira Nijino: This was the Empire's ships place to die.

Me: Yep. This was the very spot of the last battle with the Galactic Empire before it officially fell from power.

Nico: Yep that's right.

Devack: You know what? After everything the Empire did, they deserve to lose their ships here!

Nico: You got that right.

Me: Like I said, this whole planet went from a desert planet to a junkyard.

Rey Skywalker: It's true. I was a scavenger for years before I was turned into a Jedi.

Me: That's right I remember that Rey.

Brad Morton: And then there was the whole thing with Kylo Ren.

Me: I know.

Nico: Lets just focus on why we are here.

We nodded.

We went and saw a village and it was the village that Rey lived in for years.

Me: So this is the small village you lived in Rey?

Rey: This is the place. I lived right there.

She lived in a small house in the wreckage of an AT-AT.

Me: Wow in the wreckage of an AT-AT.

Nico: We'll have to teleport that to Earth for you Rey to have a piece of home.

Rey: I would like that.

Myotismon: Is anyone still living here?

Me: Lets go see.

We went into the wreck and it was amazing.

Me: Wow Rey you lived her for a long time?

Rey: Yeah it was home for me.

Jackie Chan Finn: Anyone here?

Me: I highly doubt that.

Rey: For a while it was just me and I was struggling to live in this place.

Me: Boy no kidding here. At least you survived in a place like this.

Rey: That is true.

Eli: (Senses something) Uh oh. We got Footsoldiers coming! They are 20 klicks and closing fast!

Me: Lava Lizards and Chillers no doubt!

We got to a hill and SAW A MASSIVE ARMADA of footsoldiers coming! But it wasn't just Lava Lizards and Chillers there!

King Shark: I see Rinshi and Grinders too!

Nico: Me too! Lets get them!

Mack: OVERDRIVE ACCELERATE!

Casey: JUNGLE BEAST! SPIRIT UNLEASHED!

Scott: RPM! GET IN GEAR!

They transformed and were ready!

Loud House Taylor: Aggregor's making his move!

Me: Lets get them!

Nico: You heard him!

We fired waves of energy and elements and blasted them.

Massive fiery explosions blasted off all over!

KRABBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMM!
KRABBBBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOMMMM!

We blew the soldiers apart all over the place.

Mammoth: Let's go after him!

Troy: First, we got a special morph for you guys.

Me: You guys are going to love this one.

Troy: SUPER LEGENDARY RANGER MODE! FOREVER ELEMENT!

They transformed into whole new elemental ranger forms! They were Elemental versions of all the rangers of their colors over the last 47+ Years!

Troy Burrows: 47 YEARS OF SEARING FIRE! FOREVER FIRE RED!

Noah Carver: 47 YEARS OF CALMING WATER! FOREVER WATER BLUE!

Emma Goodall: 47 YEARS OF ENDLESS WINDS! FOREVER WIND PINK!

Gia Moran: 47 YEARS OF STRIKING THUNDER! FOREVER THUNDER YELLOW!

Jake Holling: 47 YEARS OF ANCIENT EARTH! FOREVER EARTH GREEN!

Orion: 47 YEARS OF SHINING LIGHT! FOREVER LIGHT WHITE!

All: ELEMENTAL MIGHT! EARTHS DEFENDERS NEVER SURRENDER! POWER RANGERS! ELEMENTAL SUPER MEGAFORCE!

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A powerful super fiery explosion blasted off behind them and they were ready for action!

Nico: WHOA! THAT WAS AWESOME!

Laney: WOW!

Nico: How did you get this form!?

Me: I made the keys for it. I used my powers and combined the powers of the elemental forces of nature with the colors of all the Rangers from each series over the last 47+ Years and made them into an ultra powerful new team for the Megaforce Rangers. This is Elemental Super Megaforce.

Nico: AWESOME! Well done!

Me: Thanks. Many more are coming soon.

Eli: Awesome! Wait look!

We saw something and we saw AGGREGOR And he had a power siphoner!

Nico: There he is!

Ratso: Entrance time!

We went at him!

Aggregor: Soon I will finish what I was gonna do. And then the universe will be mine!

Then the spirits of the Universe came and they swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out.

Me: Aggregor!

Aggregor: Team Loud Phoenix Storm. Nice to see you and Tennyson you are looking good. I still haven't forgotten how you defeated me the last time.

Ben: You don't know how long we've waited to do this, Aggregor. This time, we defeat you properly.

Aggregor: Then what are you waiting for?

Lincoln: Gladly!

Lincoln ran at Aggregor but then, the latter seemed to change. Before Lincoln could punch him, his fist was caught by a fist made of fire. He saw what Aggregor turned into. He had a Plant Troll's head, a Fire Troll's hands, a Rock Troll's arms, the legs of a Water Troll, an ice Troll's torso and a Storm Troll's Wings.

Aggregor: Say Hello to the new and improved Ultimate Aggregor! And now, you get to die first, "big guy!"

Aggregor then grabbed Lincoln's head and attempted to crush it.

But Lincoln exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted his arms!

Lincoln: Nice try! That was an Exploding Clone!

Me: Impressive! So this is your substitution for the Andromeda 5.

Aggregor: Yes I used trolls from Kameo's world as well as a Storm Troll from the world of Iron Kingdom.

Me: Not surprising there!

Goku: WHOA! His power is unreal!

Xenia: YEAH! He might be as powerful as Omega Shenron!

Artie Ziff: Going for killing blows already? I thought for sure you'd try to absorb our powers.

Aggregor: Now that I have all the power I need, I no longer have use for you fools anymore.

Shiv tried to stab Aggregor with a light blade but he easily caught it.

Aggregor: Am I supposed to be impressed?

Shiv chuckled weakly before Aggregor threw him to the ground.

Shiv: (dazed) Hey, if you find any teeth lying around, they're mine.

(falls unconscious)

Me: Now I see why Ben, Kevin and Gwen had such a hard time with you. You easily overwhelmed them with sheer god like power.

Aggregor: That is right.

Me: Well you aren't the only one that has that kind of power.

I then went SUPER ANGEL-EBONWU-VAMPIRE-WEREWOLF-DRAGON-DEMON-MERMAID-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA UNIVERSAL ELEMENTAL UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL OF DIVINE COSMIC UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL JUSTICE AND DIVINE COSMIC HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL HOPE!

I kicked him down.

Me: **I was saving this power for when we faced Lord Zedd but you forced my hand.**

I teleported and kicked him in the back and fired a wave of energy and blasted him in his back and he screamed in pain.

Xenia fired arrows and blasted him all over.

Kevin Levin: Guys, there's only one thing that can stop Aggregor now. And it's in me.

Gwen Tennyson: But what if you lose control?

Kevin Levin: I won't. If I can control it, we'll have a fighting chance.

Ben: Okay. Here goes nothing!

As Kevin reached for the Omnitrix, King Shark charged at Aggregor. Aggregor swatted him aside… just in time to see Kevin absorb the powers of the Omnitrix and turn into Ultimate Kevin. Ultimate Kevin then roared.

Winona Whale: Whailpress you have failed this planet.

Nico: YEAH!

Then an aqua blue light appeared on Winona's finger and she saw that it was a Spirit Animal Ring! It was an aqua ring with a blue gem that had a whale in it.

Winona Whale: (GASP) My own spirit ring!

Isabel came.

Isabel: The whale spirit is perfect for you Winona and for good reason too. People that have the Blue Whale spirit show magnificence, communication, music, protection, gratitude, wisdom, transformation, and psychic abilities When Blue Whale symbolism appears to you, there are always big things happening in your life right now. However, this creature is reassuring you that although things feel overwhelming right now, these changes are necessary. Thus, you need to stay focused and connected to yourself so that you can work your way through to resolution

Winona Whale: Wow! That makes sense. Awesome.

Then a blue light appeared and landed in Winona's hand and it was a Blue Whale Crystal.

Winona Whale: My own Wild Zord Crystal!

And then a Crystal Saber appeared on her right hip.

One down.

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyer of Aggregor, these are a collection of greatswords and blasters that'll really put the hurt on that bastard.

Nico teleported back.

Nico: Hit him again!

They fired waves of energy and elements and the blasts all hit him and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Lincoln and the girls fired energy blasts that took on the forms of the Zords of Operation Overdrive, Jungle Fury, and RPM which hits Aggregor and exploded with intense power!

Lincoln and his harem: ZORD FINAL SMASH: OPERATION JUNGLE RPM BLAST!

Lincoln and his harem fired Ki blasts based on the Zords of Operation Overdrive, Jungle Fury, and RPM and they hit Aggregor and exploded with incredible power!

Jen Tennyson, with Aggregor's staff, thrust it down and stabbed Aggregor in the chest before lifting him up and tossing him to me, and then slammed him into Mammoth's fist.

Mammoth: Punch me, will you?!

Aggregor: Please. Have mercy…

Jen Tennyson: Mercy? Mercy?! You've killed countless people including Magister Gilhil before running into my brother and his team. And you forced Kevin to absorb the powers of the Ultimatrix the first time, which drove him crazy! And now, you allied yourself with Lord Zedd in his quest to destroy all good in the multiverse! And after all thaty you've caused my brother and his team, you're pleading for mercy?! We're fresh out of mercy! I thought you were made of sterner stuff, Aggregor. Guess we thought wrong.

I pulled out and tossed my Kunai to Julie Yamamoto. Julie grunted as she slowly sliced Aggregor's throat with the Kunai as he fell to the ground, now dead as a doornail as she walked up to him and stomped on his face. HARD.

KRASQUELCH!

SHE SPLATTERED HIS BRAIN AND GUTS AND HEAD EVERYWHERE!

Me: **WHOA! NICE!**

Then his spirit appeared.

Me: **You are dead and gone! And you are condemned to the black gates!**

I used the Black Gates on him and he was fading away!

Aggregor: No! No! This can't be! DAMN YOU, BEN TENNYSON AND TEAM LOUD PHOENIX STORM!

HE WAS GONE FOREVER!

GOOD RIDDANCE!

We powered down.

Nico: Aggregor, you have failed this whole universe!

Me: And with that, the campaign against Lord Zedd and Rita Repulsa has just begun, but we finally got rid of Aggregor for good!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Luna. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Luna's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY MEGA LOUD BELCH!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of Luna, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Luna.

Zayto: That's the feral animal Packing Day version of Luna?!

Me: Yeah, and she's even worse than Lynn on Packing Day.

Feral Animal Packing Day Luna: (ROARS)

Luna's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Aurora Leocadia: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Aurora Leocadia's green eyes turned neon green and she was surrounded by a green energy aura with stars, darkness, green light, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Luna's feral animal Packing Day self, she left green energy, stars, darkness, green light, paints, phoenixes, and angels with every step.

Aurora Leocadia: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn lets out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Aurora Leocadia was surrounded by a massive vortex of green energy, stars, darkness, green light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Aurora flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Luna's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Aurora Leocadia emerged, but she was changed forever.

But, when Luna's feral animal Packing Day self saw it, she roared in rage and fired more snowballs at her to kill her, but Aurora Leocadia fired a massive barrage of green energy, stars, darkness, green light, paints, phoenixes, and angels which hit Luna's feral animal Packing Day self and sent her flying into another wall, she got back up, and she beat her chest like a gorilla: NOW, SHE WAS MEGA PISSED!

Lincoln, Aurora Leocadia, and I went after Luna's feral animal Packing Day self, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Luna's feral animal Packing Day self, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Aurora Leocadia also did the same by firing green energy slashes from her massive greatsword, and he, Aurora Leocadia, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Luna's feral animal Packing Day self even more madder and even more insane with rage.

Suddenly, Luna turned the tip of one of her eleven massive and long blonde wolf tails into Cell's stinger that opened up into a large sucker and she plunged it onto her feral animal Packing Day self's head and she was unable to fight back. Then, she sucked her into her body and absorbed her as the stinger changed back.

Suddenly, we felt Luna's power and energy rising astronomically, and then… !

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LUNA WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT, AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE MERMAID, SIREN, PHOENIX, AND ANGEL! IT CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE MERMAID, SIREN, PHOENIX, AND ANGEL WENT BACK TO EARTH AND LUNA GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Luna was surrounded by a massive vortex of rainbow energy with stars, water, ocean waves, ice, ocean waves, snow, ice crystals, and music notes surrounding the vortex, there are sirens, mermaids, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a purple phoenix!

Sam S. L.: HOLY GREAT BALLS OF FIRE!

We were really amazed by Luna's Super Angel-Mermaid-Siren-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Sam saw her, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Luna: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Siren Melodious Maelstrom Arctic Snow Melodious Water Ice Mermaid Phoenix God Angel of Divine Cosmic Eternal Harmony United Friendship Almighty Siren Melodious Maelstrom Arctic Snow Melodious Water Ice Mermaid Phoenix God Angel Love) Dudes, did I just…?!

Laney: You sure did, Luna.

Everyone cheered wildly for what Aurora Leocadia, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Aurora Leocadia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large green planets orbiting around her legs, and massive green angel wings are permanent, and Luna's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve purple and blue planets orbiting around her legs, and massive brown angel wings are permanent.

Aurora Leocadia: That's it for that animal. Thanks for helping me take down Luna's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Aurora.

Me: My pleasure, Aurora.

Suddenly, Aurora Leocadia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Leocadia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter Aurora flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and green lights behind them and we cheered wildly. Then, Lincoln and Aurora Leocadia sucked in and absorbed the elemental forces and blue lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Aurora Leocadia and hugged us.

Luna: No kidding dudes, you guys taught my feral animal Packing Day version a lesson she'd never forget.

Luan: And you absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person: Cienna Cliodhna, Avatar of Oceanus Shenron and Daughter of Cliodhna, Celtic Goddess of The Sea, The Otherworld, Passion and Love, and Deep Beauty, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Water with extremely incredible and massively powerful powers over water, and summoning sea creatures, along with powerful black magic arts and dark magic arts, along with being born with blue angel wings, and just like Olivia Oceanus Shenron, Cienna Cliodhna has all the powers and abilities of Oceanus Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Oceanus Shenron and Daughter of Cliodhna, Celtic Goddess of The Sea, The Otherworld, Passion and Love, and she really trained him hard in everything that she knows in using the powers of water, and she and Lincoln love to swim in the lakes of Michigan and they also love swimming in oceans all over the world. Lincoln made her a beautiful necklace and an awesome blue water greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Cienna Cliodhna hates all of Lincoln's enemies with a blazing passion because of what they've done, and she swore that if she ever saw them again, she will drown them in the cold waters of The Bering Sea.

Nico: Yeesh, drowning them in The Bering Sea?! Sounds like something The Yakuza would do.

Lincoln: And she's drowned a lot of Yakuza in The Bering Sea as well, nothing gets by her.

Wilbur: That's it for him.

Runt: Bout time he gets his ass beast for once!

Lunk: (to Ultimate Kevin) You okay, Kevin.

Ultimate Kevin: Don't worry. I'm fine. In fact…

He then shrunk back to normal but without a shirt and shoes.

Gameface: You were able to control your mutated form this time.

Me: You sure were. Well done.

Leap Frog: And Julie was the one who killed Aggregor.

Me: Yeah.

Xigbar: (to Julie) You should be proud of yourself!

Julie: I sure am.

Me: Well done Julie.

Black Manta: Now, to see what materials Aggregor had.

We saw that he had the last component and it was a subatomic particle destroyer engine.

Me: That's the last component.

Nico: Nice! Boy Aggregor was tough and brutal! But great job today everyone!

Lucky: (To the viewers) This was awesome!

Me: Yep.

We had all the components and we went back home and brought Rey's home to Earth and it was cool. We later enjoyed the rest of the day and went to sleep.

Eddy: Ahh good old Peach Creek. It's good to be back in familiar lands.

Nico: It sure is awesome being back here.

Luan: It sure is.

Lola: Peach Creek is awesome and it's doing much better now that the Kankers aren't causing trouble.

Camie: Thank goodness.

Varie: Yeah no kidding.

Shotaro: Yeah that is for sure.

Philip: I'll say.

Nico: Shotaro, I want to thank you, Phillip, Tormes the Centaur, and your teams for coming

Shotaro: No problem Nico. It's awesome.

Philip: It sure is.

Bridget Branley: I'm really excited for this too.

Lola: Me too Bridget.

Nico: Bridget, what do you like to do in your free time?

Bridget: I honestly don'r know. I had a lot of work ahead of me as one of Lincoln's Guardian Angels that I hadn't found anything to do. But if I were to pick one I would do a Cajun Chef.

Nico: Awesome.

Me: I like that.

Nico: Cajun Fox is gonna have competition.

Bridget Branley: (LAUGHS) Yeah he sure is.

Lola: But that is cool.

Lana: I'll say!

Nico: Yep.

Ben: Man! Yesterday was brutal! Aggregor was much of a challenge as he was before!

Me: He sure was! But man oh man! He REALLY was a huge challenge!

Nico: Now I definitely see what you guys were up against when you faced Aggregor.

May: He brutally overwhelmed you all!

Ben: But I made sure to pay him back by using 10 of my aliens!

Nico: You sure did!

Me: From Swampfire to Alien X.

Lola: That was cool!

Varie: Yeah no kidding.

Lola: But that was really interse.

Ben: I'm also glad Kevin could control his Ultimate Kevin form.

Nico: Me too.

Lola: That was so cool!

Qin: Yeah!

Varie: Yep.

Ben: I was shocked that Julie killed Aggregor though.

Nico: Just goes to show you not to underestimate the normal ones

Me: That is for sure. Even humans are NEVER to be underestimated

Xenia: Yep.

Maria: Let's help ourselves to some Jawbreakers.

Me: Good idea!

Ed: JAWBREAKERS!

Edd: JAWBREAKERS!

Eddy: JAWBREAKERS!

We went to the candy store.

We went into the Candy Store.

Nico: Hi, can I have some jawbreakers for my friends?

Clerk: Sure Nico. Always a pleasure doing business with Team Loud Phoenix Storm.

Nico: Thank you.

He got some jawbreakers and paid him $45.00

Nico: Keep the change my good man.

Clerk: Thank you. Have a good day.

Nico: You too.

We were slurping jawbreakers and drool was pouring out of our mouths like waterfalls.

Eddy: This is good. (SLURPS)

Edd: So good! (SLURPS)

Ed: It sure is! (SLURPS)

Me: (SLURPS) Yummy!

Eli: (SLURPS) Cotton Candy flavor. Yummy!

Qin: (Slurps) My favorite.

May: (Slurps) It sure is good.

Camie: (SLURPS) It's good.

May: We sent the materials to Alva. He said he'll have the weapons developed later

Me: Great. (SLURPS) But man going all over the universe Getting those parts was awesome

Laney: (SLURPS) It sure was.

Nico: We're not done yet though.

Me: Nope.

Once we were done with our jawbreakers we wiped the drool off and then smelled SOMETHING REALLY HORRIBLE!

(SEAL BARK!)

Me: OH MAN GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE STENCH!

Camie: OH MAN!

Nico: GEEZ! Ed?

Ed: Not me Nico!

Me: Wait look! Those stink lines there!

Nico: Wonder who has those.

Me: Lincoln might know.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that's really going to involve a ton of hot water and soap: we've got word that a clone of an insane version of Edd is running loose and tracking dirt all over the place.

WE GASPED!

Eli: Wait, is that why we saw those stink lines?! P.U.!

Me: Oh man, I still remembered hearing that from Eddy.

Eddy: Now, we got a clone of that insane version of Sockhead running loose?! This isn't good!

Nico: It sure isn't, we're gonna need gallons of hot water and tons of soap for him.

Suddenly, our 28th Century backpacks had put on our faces 28th Century Exopacks to block the smell, and the rest of the team arrived thanks to Lincoln's message.

Lori: We got the message from Lincoln, and we also have on our 28th Century Exopacks thanks to our 28th Century backpacks reacting to the situation at hand.

Me: You got that right, now let's get going and track down that insane filth monster.

Lincoln: And give him the scrub down of his life, he needs it!

Me: Big time!

Paula heard a Pokemon cry.

Paula: Hey guys look!

We saw a Ditto.

Me: Hey a Ditto.

Nico: Oh wow.

Me: Oh the poor thing is out here all by itself.

Ditto: Yeah.

Paula: Oh you poor thing. Would you like to come with us?

Ditto: Really? I would be honored.

Me: Awesome. Looks like Duplica's Ditto has a new playmate.

Duplica: I sure do.

Nico: You're definitely gonna be useful!

Me: Yep.

Ditto: Thanks.

Me: Now lets go give that stinky sockhead a bath! No offense Double D?

Edd: None taken.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for the insane Double D clone) AHA! Gotcha! I just spotted the clone of the insane version of Edd, he's 20 yards away and he's already making another huge mess!

Nico: We better get after him and quick before he tries to run.

Lincoln: We won't let him, Nico, we've wrangled with Lana every time it was time for her bath, so we know what to expect. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of

hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of the insane version of Edd.

We were flying around, and then, we saw the clone of the insane version of Edd laughing like a total madman and rolling around in garbage. We arrived just in time to see him pick up a trash can and dump the refuge over him. He then proceeds to wallow in it.

Insane Double D: [completely disgusted and horrified] Greetings, microorganisms. Hop aboard! Welcome, bacteria! Oh, happy day!"

He places a fish's head over his head.

Me: OH GOOD GOD!

Qin: THAT IS SICK!

Camie: YUCK!

Lincoln: Gross, there he is, he's rolling around in garbage. Let me take care of this.

Lincoln fired massive jets of hot water mixed with fruit-scented soap from his massive white angel wings with orange and aurora tips and medium-sized white angel wings with orange and aurora tips underneath his massive white angel wings, but the clone of the insane version of Edd dodged it as we landed.

Nico: Drat, he dodged it.

Lincoln: I knew it wouldn't be easy, Lana was always quick to dodge us whenever we tried to spray her with water.

Rarity: That was a good try though, Linky, and I was quite impressed that you also mixed in fruit-scented soap with the jets of hot water.

Insane Edd Clone: (LAUGHING INSANELY) Dive in, everyone, there's enough filth to go around.

Edd: I'll have none of that, thank you very much.

Lynn: Here's what smells worse than you.

Lynn took off her shoe and the stink lines from her smelly feet went and hit the insane clone!

Nico: Disgusting, Lynn. Thank God we got on our 28th Century Exopacks thanks to our 28th Century backpacks.

Me: No kidding! Okay mister you need a MASSIVE BATH AND YOU

Camie: YEAH! YOU SMELL WORSE THAN ED!

Me: OH THAT IS DOWNRIGHT FUCKING DISGUSTING!

Double D: [upset] Stop it, stop it, stop it! Get a grip on yourself, mister! [The head slides down Insane Double D's body.] That's disgusting!

Insane Double D: [leaning in] May I use your shower? [His rotten breath wafts up to us.]

Me: OH YUCK!

She held out a huge bottle of perfume.

Yusuke: Sorry. SPIRIT STYLE: FURY OF THE SPIRIT CLEAN!

He fired waves of energy and blasted him all over.

Insane Double D appeared to be running towards us. But it turns out he was running towards a garbage bag across the street.

Insane Double D: For me? You shouldn't have.

Insane Double D rips the bag open and dumps the waste out on his head.

HE SMELLED EVEN WORSE!

Qin: GEEZ!

Laney: Lets get him again!

Laney tied him up in vines!

Poromon fired a wave of water with Unalaq's powers and blasted him alll over.

Nico: Right! I forgot you have the same powers as me.

Poromon: But I prefer to use Lightning Javelin.

Me: Yeah.

Melanie Gelasia: Yeah, but still, we need to give this garbage monster a serious bath.

Suddenly, Melanie Gelasia's blue eyes turned neon blue and she was surrounded by a pink energy aura with stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached the clone of the insane version of Edd, she left pink energy, stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels with every step.

Melanie Gelasia: Even though you're a clone of the insane version of Edd, you're not as bad and dangerous as the clones of the villains we'd dealt with in the past, but you still need to be stopped by us giving you a much needed bath, mister.

Suddenly, Melanie Gelasia was surrounded by a massive vortex of pink energy with stars, confetti, balloons, magic, and gears surrounding the vortex, there are Alicorns, phoenixes, angels, and Pinkie Pie flying around the vortex, and in the vortex is a light blue phoenix with blue eyes gazing at the clone of the insane version of Edd: the eyes of salvation.

Me: This is it.

Nico: Just like how Pinkie transformed.

Lincoln: But, now you get to see her Gene-Slammer transform.

Then, as the vortex faded, Melanie Gelasia emerged, but she was changed forever.

Melanie Gelasia grew from 7'0" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large pink planets orbiting around her legs, she has the body of a goddess, she has light blue highlights in the bangs of her long flowing pink hair and she has a large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a pink energy aura with stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Pinkie Pie with a balloon emblazoned on her forehead and Third Eye with blue iris, she has on Alicorn earrings with blue gems for eyes and holding the Tech, Laughter, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with blue gems for eyes and holding the Tech, Laughter, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love, Melanie Gelasia has on a pink short-sleeved blouse, pink sleeveless top, pink skirt with Pinkie Pie's cutie mark on it, pink stockings, pink knee-high high-heeled boots with butterflies for shoe buckles, and sleeveless long white trenchcoat with stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels on the coattails, and on the back is Pinkie Pie surrounded by stars, balloons, gears, and magic and right on top of her horn is the symbol of the Tech Skylanders and her cutie mark and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with angels surrounding pink gem with neon glowing pink lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Melanie Gelasia felt a sharp pain on her back, and then, her massive pink angel wings with blue tips on the large pink feathers and pink horn on her head grew much bigger for her new body, and she now has eleven massive and long pink wolf tails with blue tips and blue markings. Melanie Gelasia has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder.

Suddenly, Melanie Gelasia's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink energy, stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels, and when it emerged, it was transformed into Melanie Gelasia's Cosmic Eternal Tech Laughter Party Master Alicorn Phoenix God Angel Greatsword of Cosmic Eternal Tech Laughter Party Master Alicorn Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded pink gems and Pinkie Pie and her cutie mark etched on the 7'9" massive, wide, double-edged gold blade, large gold Alicorn heads for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large gold Alicorn heads with pink gems for eyes and on the bottom of the large gold Alicorn heads is a large gold Alicorn head with pink gems for eyes and pink gem in its mouth for the pommel, Melanie Gelasia has on her large gold Bracers of The Champions of The Universe with large pink gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with an Alicorn for the belt buckle and pink gems for the eyes and a large pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on on her right hip and her Eater of Sins revolver holstered on her left hip. We were truly amazed by Melanie Gelasia's Super Angel-Laughter Alicorn Princess-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when the clone of the insane version of Edd saw it, he laughed like a madman and threw garbage at her, but Lincoln formed a diamond shield that saved Melanie from the garbage blasts, and Melanie Gelasia fired a massive barrage of pink energy, stars, balloons, magic, gears, Alicorns, phoenixes, and angels which hit the insane clone and sent him into more piles of garbage, he got back up, but he was still as crazy as ever.

Melanie Gelasia: (Divine Echoing Godly Voice of The Harmony Laughter Comedic Hilarity Tech Alicorn Phoenix God Angel and Divine Cosmic Eternal Harmony Laughter Comedic Hilarity Tech Alicorn Phoenix God Angel Love) Jeez, you're crazy! Well, looks like we've got to deal with you the hard way!

Suddenly, Melanie Gelasia sensed something and dodged an incoming dark energy blast, and we saw who it was that did this: it was the Simulator version of Sebastian who was absolutely fucked-up insane and absolutely fucked-up evil because of his Dark Side, but it looks like his Dark Side permanently merged with him.

Nico: You (BLARING SIREN) dickhead, I'm gonna shove an entire bottle of hot sauce down your throat!

Me: So, that's…?!

Qin: Yep, the person who turned from our friend into the very fucked-up monster who tried to kill me, Nico, and our friends during and even after the wedding incident and the enemy of Lincoln's Guardian Angels.

Drakus: And who murdered Rachel Carrington and was brought back and turned into Zixkle!

Rachel Carrington: Oh, I've been waiting for this opportunity to get ultimate payback on this bitch!

Lincoln's Guardian Angels, Qin, and Nico's harem: Same with us!

Pinkie Pie: (SHRIEKS) Now, we got two monsters to deal with!

Lincoln: Yeah, one who's in need of a serious bath and the other who's about to be put down!

Suddenly, Pinkie Pie's light blue eyes turned neon light blue and she was surrounded by a pink energy aura with stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels, she unholstered her massive Pinkie Pie's Eternal Laughter Tech Skylander Alicorn Greatsword of Cosmic Comedic Laughter and Magical Tech Laughter Friendship from her back, and as she approached the clone of the insane version of Edd, she left pink energy, stars, confetti, balloons, magic, gears, Alicorns, phoenixes, and angels with every step.

Pinkie Pie: Just like Melanie said, even though you're a clone of the insane version of Edd, you're not as bad and dangerous as the clones of the villains we'd dealt with in the past, but you still need to be stopped by us giving you a much needed bath, mister.

Suddenly, Pinkie Pie was surrounded by a massive vortex of pink energy with stars, confetti, balloons, magic, and gears surrounding the vortex, there are Alicorns, phoenixes, angels, and Pinkie Pie flying around the vortex, and in the vortex is a light blue phoenix with blue eyes gazing at the clone of the insane version of Edd: the eyes of salvation.

Simulator Sebastian ran at Pinkie Pie and tried to slit her throat with his claws, but Lincoln grabbed his arms and ripped them off like pieces of paper as he screamed and howled in agonizing pain, and then, Lincoln clenched his left fist tightly, and then… !

POW! SQUELCH!

Lincoln punched Simulator Sebastian hard and he exploded into a messy bloody explosion of blood, guts, and gore and sent him to The Black Gates. Lincoln's Guardian Angels cheered like crazy.

Lincoln, Melanie Gelasia, Pinkie Pie, and I went after the clone of the insane version of Edd, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the clone of the insane version of Edd, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Melanie Gelasia, Pinkie Pie, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the clone of the insane version of Edd even more insane.

Then, Nico fired waves of elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Melanie Gelasia, Pinkie Pie, and I fired powerful blasts of energy, magic, stars, confetti, balloons, gears, and planets at the clone of the insane version of Edd, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln fired massive jets of hot water mixed with fruit-scented soap from his massive white angel wings with orange and aurora tips and medium-sized white angel wings with orange and aurora tips underneath his massive white angel wings, and this time, they hit the insane clone.

Qin: PILE ON, EVERYONE!

We piled on and we gave that insane clone the scrub-down of his life, and by the time we were done, he was completely clean and he was no longer insane nor smelling like 6 week-old garbage and vomit.

Edd: That was quite a messy job, but we did it.

Lily: That was really gross, and I thought trying to get Lana or Lynn into the tub was messy.

Everyone cheered wildly as we holstered our weapons and powered down, and Melanie Gelasia's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink planets orbiting around her legs, and massive pink angel wings and longer pink horn are permanent, and Pinkie Pie's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer pink curly tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large pink planets orbiting around her legs, and massive pink angel wings and longer pink horn are permanent.

Suddenly, Melanie Gelasia and Pinkie Pie felt wobbly and almost fainted, but Lincoln caught them both in his abnormally massive and powerful muscular arms.

Lincoln: Are you and Melanie okay, Pinkie Pie.

Pinkie Pie: We're a little dizzy, but otherwise, we're okay, Lincoln.

Me: Man, that was one dirty battle.

Nico: I know, right? (Sees us covered in dirt) Oh man, now we're covered in dirt.

Maria turned into her water form and the dirt fell off her and Lincoln made water balls that surrounded the rest of us and the dirt was washed off of us.

Rarity: Ah, much better.

Lana: Aw man, I wanted to remain filthy.

Lincoln: Lana, you realize if you don't bathe for that same amount of time, you're gonna wind up stinking up the whole place. There's a thing of too much of a good thing, right?

Rita: He's right, honey, it's not healthy for you to stay dirty and smelly like that.

Lynn Sr.: And speaking of, when we get home, remind me to get Junior into the bath, that stink foot move almost made us hurl if we didn't have on our 28th Century Exopacks.

Me: Good idea, Mr. Lynn.

Melanie Martinez: No need.

Melanie Martinez fired blasts of lilac soap-infused water at Lynn's feet and washed her stinky feet, and they were now fresh and smelling like roses.

Lynn: Hey!

Sebastian Mendez: Don't complain, besides, I almost hurled when I caught the stench of your smelly feet. Next time, you're on a one-way ticket to Flea Bath City.

Lana: Lynn's not a dog, well, she's no longer a four-legged monstrosity after Lincoln got rid of that filthy animal that terrorized him and all of Royal Woods for years.

Me: THAT is for sure.

Insane Double D was clean.

Nico: There. Nice and clean!

Insane Double D was sparkling clean and he was dressed in a white tuxedo like Billy was.

Me: Billy does Double D look like an awesome Tuxedo Man?

Nico: He sure does!

Billy: Double D is a great TUXEDO MAN!

Qin: YEAH!

Lola: Yep.

Nico: Nice job Ditto!

Ditto: Thanks Nico!

Me: That was cool!

Camie: Yep and also Insane Double D doesn't smell like a corpse.

Poromon got out a beer bottle.

Ditto: Oh no thanks I don't drink

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Manaphy: Can you at least turn into a beer bottle?

Ditto: That I can do.

He turned into one.

Ditto: Tadah!

Horsea (thinking): Should I drink you to see if you now have beer in you. Or just not take the risk

Me: Horsea I know what you're thinking. You want to see if he has beer in him.

Ditto: But I don't. You wanted to see if I can turn into a beer bottle.

Horsea: You know what? I'm not taking the risk

Ditto: But I can do this!

He turned into a CHEESY WHIZ CAN!

Nico: (GASP) CHEDDAR! (HOWLS) CHEDDAR WHIZY!

Ditto fired cheese into Nico's mouth and it was tasty!

Poromon: Nice job killing Aggregor, Julie.

Julie: Thanks Poromon. That was so awesome. My mom and dad are coming over to make sure I'm okay.

Me: Just a precautionary measure to make sure nothing is affecting her.

Nico: Good thinking.

Luna got up and she was dizzy.

Luna: (GROAN) What happened dudes?

Poromon: Um… Zip-a-dee-doo-dah?

Luna: What?

Nico: You don't want to know.

Me: Insane Double D is clean and he doesn't smell like a rotten corpse field.

Julie: (laughs) Bet you guys didn't expect me of all people to kill Aggregor!

Me: Totally caught us by surprise Julie.

Riley Anderson: It sure did. You really made sure to decapitate Aggregor.

Jen Tennyson: She sure did.

Maria: Especially considering that Aggregor was supposed to be out of your league.

Julie: I know.

Qin: But all of us did great.

Lynn: Some of the M.O.E. Members got thrashed by him.

Camie: Yeah they sure did.

Me: Vypra told us that they will be okay though.

Ship hopped around Julie's leg.

---

Me: Even Ship thinks you did great Julie.

Julie: Yeah.

Qin: That was awesome though.

Julie: Although I was hoping for a knife.

Me: Yeah but hey a Kunai still did the trick and it is a knife.

Julie: Yeah. That is true.

Kevin Levin: And I managed to control my mutation this time

Me: You sure did.

Qin: That was cool to see..

Nico: It sure was. Okay. Now it's time for the Anothers.

Qin: Yep.

Eli: (CONCENTRATES) WHOA! We got Another Tormes the Centaur, Heat Dopant, Cyclone Dopant, Trigger Dopant, Luna Dopant and Metal Dopant.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Me: Yep.

Horsea: Can you turn into more things or people, Ditto?

Ditto: Yep.

He transformed into books, toys, people of many kinds and more.

Then he reverted back.

Ditto: Whew! Takes a lot out of me though.

May: What do you like to eat?

Ditto: Cheese.

Nico: CHEEESE!

Me: (LAUGHS) Funny! Uh oh!

Another Tormes: (In a girls voice) Boy this will be fun.

Lola: WHOA! That is powerful!

Nico: Yeah!

Hiyori Firefly: That was awesome and it's awesome to see you again Nico and Qin.

Qin: Boy you too.

Nico: Same here.

May: I didn't get hit!

Manaphy: Mama!

But then a massive pile of snow dumped onto May!

KRAPLOP!

May: I had to open my big mouth!

She got out.

Rarity: Don't worry darling we'll get you some new clothes.

The Fashion brigade gave her new yellow clothes.

Hiyori Firefly: This is an amazing outfit.

Maria: Thanks.

Poromon: Where did the snow come from?

Lana whistled innocently.

Bridget Branley: Do you have any favorite memories of Nico?

Hiyori Firefly: I sure do. When me and Nico went Cave exploring and we went down into the darkest cave in the world with no light and it was pitch black. We found an awesome hidden diamond cave and brought it back and made my family rich.

Nico: Yep.

Me: Boy that is scary.

Hiyori Firefly: Yep. I used my light powers to guide us.

Me: Nice.

Nico: Yep.

Nico and Hiyori hugged.

Nico: I've missed you.

Hiyori Firefly: Same here.

Soji: Hiyori is also my friend for me too.

Grey Fullbuster: HEY!

Grey fired a blast of ice that hit Erigor and knocked him down, but not out.

Lincoln: Now, you've really done it, how dare you attack our sister!

Suddenly, something within Grey Fullbuster's mind suddenly snapped as memories of what Erigor had done in the past and what he just did to Liberty rushed through his head, and his dark eyes turned neon ice blue and he was surrounded by an ice blue energy aura with stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels, he unholstered his massive greatsword from his back, and as he angrily approached Erigor, he left ice blue energy, stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels with every step.

Grey Fullbuster: Even after we got rid of you three years ago, you still make me sick to no end, Erigor, your out of control greed and your disregard for life already damned you when we sent you to The Warp three years ago. Knudson's Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix God Angel Justice glowed with very intense brightness and The Unity Crystals on Lincoln's massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and True Immortal Heroism glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Grey Fullbuster's massive greatsword, and then, it glowed, and then surrounding the massive vortex of ice blue energy with stars, snow, ice, ice crystals, snowflakes, and magic surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Erigor: the red eyes of eternal death is A MASSIVE VORTEX OF RAINBOW LIGHT AND ENERGY AND FIRE, ICE, WATER, WIND, LIGHTNING, EARTH, LAVA, LIGHT, DARKNESS, CRYSTALS, WOOD, STARS, TIME, NATURE, GRAVITY, BLOOD, MAGIC, MOONLIGHT, RAINBOW CRYSTALS, RAINBOW SUPER LIGHTNING, RAINBOW FIRE, SAND, BLUE FIRE, BUBBLES, STEAM, NEBULONIC GAS, SUNS, AURORA, LIGHT MAGIC, DARK MAGIC, BLACK MAGIC, SATANIC MAGIC, MOONLIGHT, EXPLOSIONS, AND ATOMIC RADIATION EXPLODED OUT OF HIM AND HIS POWER WAS REALLY AND RAPIDLY INCREASING AT AN EXPONENTIAL RATE AT A MASSIVE LEVEL!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO GRAY FULLBUSTER! THEN, AS SOON AS THE VORTEX FADED, GREY FULLBUSTER EMERGED FOREVER CHANGED!

Grey Fullbuster grew to 8'9" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has on weighted gold braces on his massive biceps and thighs, he now has twelve ice blue planets orbiting around his legs, and he also now has small planets orbiting around his fingers like rings, he has ice blue highlights in the bangs of his spiky black hair and large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon ice blue eyes and an ice blue energy aura with stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a rainbow phoenix in the center with an ice crystal on its chest surrounded by a rainbow angel and rainbow dragon emblazoned on his forehead and Third Eye with rainbow iris, he has on phoenix earrings with ice blue gems for eyes and holding the Ice, Magic, Xelnaga, Cosmic, Universe, God, and Eternity Kanjis in its claws, he also have a phoenix and dragon with ice blue gems for eyes and holding the Ice, Magic, Xelnaga, Cosmic, Universe, God, and Eternity Kanjis in its claws and hands for the pendant below his ice blue phoenix-shaped Element of Harmony for the pendant on his bare chest with ice blue crystal links from his Crystal Necklace of The Buddha with ice blue gems embedded in the gold ice crystal links and he has on a white and gold accented choker on his neck and his Fairy Tail Guild mark on his right pec was glowing. Grey Fullbuster has on a gold version of He-Man's chest harness with ice blue gems on the crisscrossing gold straps and there's a kanji on the back straps that said, "Grey Fullbuster, Loyal Friend and Destroyer of Dark Mages" and the large gold circular chest plate has a phoenix on it and red gems surrounding the chestplate. Grey Fullbuster has on an ice blue version of He-Man 2002's loincloth with hanging silver snowflakes and long white trenchcoat coattails with stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels and they have intense powerful ice blue flames coming off them and hanging mini silver snowflakes, large white pants with ice on the pants' legs and multicolored lightning bolts on the thighs and elements on them, large gold armored knee-high boots with colored gems on them, and tattooed on his now wider and more muscular back is a ice blue phoenix with snow and ice surrounding it and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenix, thunderbird, buffalo, angel, vampire, and werewolf surrounding a rainbow gem with neon glowing rainbow lights equipped with recognition of me and fits an infinite number of items and components for his

Miraculous, Familiars, and Bakugan to rest in. Suddenly, Grey Fullbuster felt a sharp pain on his wider and muscular back, and then, massive black angel wings with ice blue tips on the large black feathers grew and sprouted out of his back and another pair of medium sized black angel wings with ice blue tips grew underneath, he has on a Ring of The Phoenix with ice blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left finger and Stone of Gelel embedded in my hand, and he has on black fingerless gloves with a rainbow phoenix on it and he has gold-plated claws covering his fingers.

Suddenly, Grey Fullbuster's massive greatsword and all the greatswords and swords he'd gotten began to merge together, and they're surrounded by a massive kaleidoscope of ice blue energy, stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels, and when it emerged, it was transformed into Grey Fullbuster's Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Fairy Tail Guild Ice Mage Dragon Demon Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Fairy Tail Guild Ice Mage Dragon Demon Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded ice blue gems and the symbol of the Fairy Tail Guild etched on the 7'9" massive, wide, double-edged golden blade, large gold dragon heads with ice blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt with large ice blue gems embedded in the foreheads and surrounding the white angel faces are the Elements of Harmony and The Unity Gems on top, longer midnight black handle, four large gold phoenix heads with ice blue gems for eyes, and large gold dragon head with ice blue gem in its mouth for the pommel, Grey Fullbuster has on his large gold Bracers of The Champions of The Universe with ice blue gems on his wrists and Dragon Ball Bracelet and wrist computer on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with gold dragon head with ice blue gems for eyes and ice blue gem in its mouth for the belt buckle and gold demon head, gold phoenix head, and gold angel head with ice blue gems for eyes and large ice blue gems in their mouths around the belt on his waist, phoenix encased in ice blue fire tattooed on his left pec, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian

We were amazed by Grey Fullbuster's Super Angel-Ice Mage-Demon-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Erigor saw it, he went mad and tried to slice Gray open with his scythe, but Gray slashed the blade of his scythe off with one slash of his new massive greatsword and he fired a massive barrage of ice blue energy, stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels which hit Erigor and sent him flying into a tree, he got back up, but now, he was real pissed now.

rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Grey Fullbuster fired blasts of ice blue energy, stars, snow, ice, ice crystals, snowflakes, magic, phoenixes, and angels and they exploded as they hit Erigor and he attacked him with slashes of his massive greatsword leaving scars on him. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Erigor's chest, and then, Lincoln began absorbing Erigor into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of Erigor, and he banished his soul to The Black Gates forever. We cheered as we holstered our weapons and powered down and Grey Fullbuster's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve ice blue planets orbiting around his legs, and massive black angel wings and medium sized black angel wings underneath are permanent.

Lincoln: And to this we say, good riddance, Erigor, and stay dead.

Grey Fullbuster: That sicko's been asking for it for years.

Suddenly, Grey Fullbuster came face to face with Liberty.

Grey Fullbuster: Are you alright now, Liberty?

Liberty Loud: Yeah. Damn it, that asshole caught me off-guard, and I wasn't even quick to dodge it, and… !

Suddenly, Grey Fullbuster grabbed her arms as if to calm her from her anger fueled rant of herself, but then, he pulled her into a tight embrace which caught her off guard and her face had a blush on her face and she wrapped her arms around his waist. Suddenly, Liberty let a few tears fall as they fall on Grey's bare chest.

Lincoln: Liberty's gonna need time to recover after what Erigor did, he had some nerve to do that to our sister.

Luna: But, we wound up getting payback on him Loud House style.

Lincoln: That we did. (To Cienna Cliodhna) And it's so good to see you again, Cienna.

Cienna Cliodhna: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Cienna Cliodhna as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Cienna Cliodhna was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Cienna Cliodhna: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Cienna Cliodhna and he hugged her, and Cienna Cliodhna is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Cienna Cliodhna: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-

year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Cienna Cliodhna, Avatar of Oceanus Shenron and Daughter of Cliodhna, Celtic Goddess of The Sea, The Otherworld, Passion and Love, and Deep Beauty, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Water with extremely incredible and massively powerful powers over water, and summoning sea creatures, along with powerful black magic arts and dark magic arts, along with being born with blue angel wings, and just like Olivia Oceanus Shenron, Cienna Cliodhna has all the powers and abilities of Oceanus Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Oceanus Shenron and Daughter of Cliodhna, Celtic Goddess of The Sea, The Otherworld, Passion and Love, and she really trained him hard in everything that she knows in using the powers of water, and she and Lincoln love to swim in the lakes of Michigan and they also love swimming in oceans all over the world. Lincoln made her a beautiful necklace and an awesome blue water greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Cienna Cliodhna hates all of Lincoln's enemies with a blazing passion because of what they've done, and she swore that if she ever saw them again, she will drown them in the cold waters of The Bering Sea.

Me: Sending them to drown in the cold waters of the Bering Sea, that's a harsh punishment worthy of those who try to piss her off.

Lincoln: And many wound up getting drowned by her, and now that you're here, Cienna.

Lincoln went up to and hugged Cienna Cliodhna in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Cienna Cliodhna: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cienna Cliodhna with ocean blue gems on the gold lightning bolts and ocean blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Cienna Cliodhna: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Cienna Cliodhna, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Cienna Cliodhna's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Cienna Cliodhna had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls Lincoln was to rescue and the four girls Ets was to rescue, and when Lincoln saw the six girls, he immediately recognized them. The six girls are Kasumi Amato, Aya Urabe, Eiko Kinosaki, Yuu Watari, Rika Kuromitsu, and Koume Mitori from Siren Nattara, 2 Byou de Ecchi!?

Lincoln: Oh wow, it's Kasumi Amato, Aya Urabe, Eiko Kinosaki, Yuu Watari, Rika Kuromitsu, and Koume Mitori from Siren Nattara, 2 Byou de Ecchi!?

And Ets went up to the four girls, and when Ets saw them, he immediately recognized them, the four girls are the Simulator versions of Jenny, Nancy, and Yasmina from The Guava Juice Show and Nexa.

Ets: And the Simulator versions of Jenny, Nancy, and Yasmina from The Guava Juice Show and Nexa.

Then, when the four girls saw Ets, they pounced on him and hugged him and kissed him.

Nicole: They sure gave Ets his reward for saving them from Erigor.

Lincoln: It's been a while since we've had a double rescue though. Are you girls okay?

Kasumi Amato: Yes, we're okay, thanks to you.

Kasumi Amato: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kasumi Amato: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kasumi Amato, Aya Urabe, Eiko Kinosaki, Yuu Watari, Rika Kuromitsu, and Koume Mitori with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was our old enemy, Erigor of Oracion Seis, who has come back for revenge.

But, when Lincoln showed what happened with Grey Fullbuster transforming after what Erigor did in hurting Liberty and all of us trouncing him and Grey Fullbuster getting more blows in before Lincoln absorbed Erigor and banished him to The Black Gates forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Cienna Cliodhna have a lot of catching up to do, now that she's back in town.

Maria: I can't believe Erigor came back, and he had some fucking nerve to attack your little sister like that!

Lincoln: He should've known that by attacking a Loud, he threw open the Gates of Hell.

Nico: Yep, he wound up getting the punishment of his lifetime Loud House style.

Me: And now, he's gone for good, and he's never ever coming back.

* * *

After finally getting rid of Erigor and this time for good, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Cienna Cliodhna saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven

massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Cienna Cliodhna: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Cienna, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Cienna Cliodhna: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Cienna Cliodhna: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a male with long black hair with eyes of pure hatred and he was dressed in tattered clothes, and he had a knife in hand.

Lincoln: (GASPS) Damian Sells.

Me: Oh great, Donna's equally evil brother's here!

Nico: You guys also know him?

Lincoln: We do, but he's committed far darker crimes that are even worse than his equally evil sister, he's a serial killer who's murdered over 150 teenage girls and drank their blood and he's a self-proclaimed Satanist.

Nicole: He's even worse than Richard Ramirez, The Night Stalker, this bastard needs to die.

We flew out and Lincoln fired rainbow energy and elemental blasts that hit Damian Sells and he became even more pissed off when he saw us.

Lincoln: I should've known you'd show up after your insane sister's defeat hit you, Damian.

Me: Looks like life on the streets has done a number on you.

Damian Sells: SHUT UP! YOU ALL KILLED MY GLORIOUSLY EVIL SISTER, I WILL AVENGE HER DEATH AND BURN THIS CITY TO THE GROUND!

Nico: Are you crazy, we turned her into a gold statue and sent her to prison forever, but you, we're going to kill you.

Lincoln fired blasts of midnight blue energy and darkness from his massive angel wings and they incinerated Damian Sells and sent him to The Black Gates. We returned home and we continued our workouts.

Me: That'll teach that monstrous psychopath.

Lincoln: His sister got off getting turned into a gold statue, but her brother, because he'd committed far darker crimes, he wound up getting the ultimate punishment.

Nico: Death and banishment to The Black Gates, good riddance to that shit for brains.

We got a shower, and then, Lincoln, Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane are heading to Aqua Star, but they're not going alone.

Ets, Catherina the Flying Sentry Drone, The Telle-Twins, Saprina, Sapphyre, and Ambie are also joining in as well.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Ets was dressed in a pair of cyan blue swim shorts, cyan blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Catherina the Flying Sentry Drone, The Telle-Twins, Saprina, Sapphyre, and Ambie are dressed in two-piece bikinis.

And Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Ty Lin: Wow, so this is Aqua Star. It sure is beautiful.

Lincoln: It sure is, Ty Lin, and it's perfect for our first double date.

Ets: You said it, Lincoln. Shall we?

Lincoln, Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane and Ets, Catherina the Flying Sentry Drone, The Telle-Twins, Saprina, Sapphyre, and Ambie dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, same with Catherina the Flying Sentry Drone, The Telle-Twins, Saprina, Sapphyre, and Ambie when they saw Ets lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long black wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane and they hugged the girls in their abnormally massive and powerful muscular arms and Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane placed their hands on the massive pecs of Lincoln and his clones and Ets went up to Catherina the Flying Sentry Drone, The Telle-Twins, Saprina, Sapphyre, and Ambie.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln and Ets covered in kisses on their faces, bodies, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aqua Star, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Ets: (In Heaven) So… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane are in your harem, Linky.

Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane showed the marks Lincoln made on the right sides of their necks.

Ty Lee: You can thank me for introducing my sisters to Lincoln, and they fell in love with him at first sight.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for

himself.

Rarity: And trying to kill Ty Lin, Ty Lat, Ty Lao, Ty Liu, Ty Lum, and Ty Woo, Jessica (Scooby-Doo!), Lindsay Pagano, Celia Clyde, and Professor Maura Ravenmane, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for Sunny, Harry and Aqua's final mission.

Nico: Anyone else want to go with Aqua, Harry, and Sunny? Besides Halinor, Shinnosuke and Ultrox?

Double D: Same here Joey.

Shinnosuke: And this is Mr. Belt.

Mr. Belt: Hello there.

Joey Felt: Wow! He is awesome!

Me: Yep. He is an awesome Kamen Rider Belt and also an amazing Artificial intelligence system.

Eddy: It sure is. Also Onewa's mission was the Drive Riders.

Nico: Yep. My wife May killed the monster that killed Shinnosuke's father.

Pauline Bell: Did she really!?

Me: Yep.

Disk Wars Iron Man: I'm the Iron Man from Akira's earth. But not to worry. I'm a genuine hero then Sergeant Subatomic will ever be!

Me: Tony and Akira are from a world where the Heroes and villains are summoned and locked in these.

I pulled out a DISK and in it was Loki.

Pauline Bell: Wow!

Me: Yep. We first learned about that world Before, During and After the Great War with the Royal Defenders and the DISKS are really cool.

Pauline Bell: That is amazing!

Joey Felt: I've heard all about the 2020 Battle with The Royal Defenders! That was amazing!

Me: Yep. It sure was.

Aqua: Joey, I was thinking about giving you something.

Joey Felt: Which is?

Aqua: (smiles) Would you like your own Keyblade?

Joey Felt: Really? Wow! And can Pauline have one too?

Aqua: Sure. Why not.

Aqua used her powers and gave them both awesome Keybades! Joey's was called THE NUCLEAR HERO PUPPET and Pauline's was called THE ATOMIC SKY QUEEN!

Pauline Bell: Awesome!

Nico: Cool Keyblades and also Aqua when she has spare time can teach you in everything she knows. She's one of the legendary keybladers after all.

Pauline Bell: We would like that.

Atomic Puppet: (pouts) None for me?

Me: Don't take this personally but I don't think you can use one.

Atomic Puppet: You're right because I'm a puppet. I understand.

Me: Besides you're plenty powerful enough as you are as a puppet and with Joey.

Atomic Puppet: You're right on that.

Nico: Before we discuss anymore, is there anyone else you want to introduce us to?

Joey Felt: Not that we can think of.

Me: Okay then.

Eli: That's okay.

Pauline Bell: Good. Oh who was the monster that May killed?

Me: You would hate this guy to the Nth degree. His name was Mitsuhide Nira.

Joey Felt: What did he do?

Me: Murdered Shinnosuke's father in cold blood in a jealous rage by shooting him in the back.

Nico: He was a total coward. He was supposed to be his friend and he turned on him.

Eli: Yeah. Jerk.

Nico: We dismembered him alive and banished him to the Black Gates.

Rarity: It was most amazing darlings.

Pauline Bell: The Black Gates?

Me: The deadliest technique we have in our arsenal.

I told them what it does and it was amazing.

Atomic Puppet: Wow! That is amazing!

Me: Yep. We only use it on the most evil of all villains.

Eli: We sure do.

Pauline Bell: Amazing!

Me: Yep.

Shinnosuke: (to Atomic Puppet) I bet you and Joey had issues working together at first.

Atomic Puppet: At first we did but now we're awesome partners.

Me: Awesome.

Joey: (to the Eds) Also, I heard what happened several years ago in Peach Creek. Sorry you went through that.

Eddy: It's all right.

Edd: We're over that now.

Ed: Yep.

Pauline Bell: What happened?

Me: The Kanker Sisters that's what. Look here.

I showed a bunch of papers from back then on my device.

July 14th, 2014. It was actually a bunch of newspapers stuck together. What we saw was extremely horrifying. It showed on the front page an incredibly horrible picture of the entire city of Atlanta, Georgia completely reduced to flaming rubble and there were buildings burning and thousands of people were dead. All the buildings were completely destroyed and burning on fire. Cars were thrown into the buildings and the entire city looked like it was hit by a nuclear explosion. Damage was estimated to be in the hundreds of trillions of dollars. The article said in big bold letters: "ATLANTA

CATASTROPHICALLY DESTROYED!" In smaller letters was "3 Sisters to Blame For City-Wide Devastation" and a picture of the mugshots of the Kanker Sisters was below it.

They read the whole series of papers on it and they saw that the Kanker's were the true cause of the Vengeance Express that sent the kids of Peach Creek on a statewide hunt for the Ed's intending to kill them and mount their heads on pikes. The Kanker's were found guilty of numerous crimes as a result and they were sentenced to serve 3 eternity sentences in prison with no hope of parole and were ordered to pay $1,512,323,435,734,899,900.00 in restitution. They were also declared the most hated kids in all of America and the 3 biggest mistakes any parent could ever make. Their mom Bebe was made the most hated woman who ever lived and she was killed by an angry mob armed with pitchforks and torches for giving birth to the most hated children ever.

When it was done they were shocked!

Pauline Bell: OH MAN! That was horrible!

Atomic Puppet: It sure was!

Nico: Yeah it was.

Me: Years ago I was the one that brought the Kankers to justice back then.

Eli: Wow!

Nico: I remember that! You couldn't remember that because you had amnesia.

Joey Felt: You couldn't remember?

Me: I hit my head while performing a daredevil stunt and lost my memory. Long story.

Aqua: Marie and May learned the error of their ways

Pauline Bell: Wow!

Luan: Yeah I reformed Marie and May is now in the M.O.E.

Me: Yep.

Pauline Bell: What about Lee?

Me: No she is never going to change no matter what.

Eli: She's frozen forever in the Neptune Cryoprison.

Double D: And this morning, we encountered a version of myself

Me: He was insane and was rolling around in filth and grime.

Joey Felt: YUCK!

Me: I know. He was like that because his parents were renovating their bathroom and no one else would let him use a shower.

Nico: Yep.

Joey Felt: Geez! That is awful!

Edd: It was.

Eddy: At least we didn't have to deal with the Cursed Telephone of Doom.

Ed: Zip-a-dee-doo-dah!

Eddy: Shut up Ed!

Me: Oh anything happen since we were here last?

Joey Felt: Well the Were-Chicken has been sighted.

Me: Were-Chicken!?

Ed: A chicken Joey!?

Joey Felt: Not just a chicken. A Were-Chicken.

Shinnosuke: Were-Chicken?

Joey Felt: It's a chicken that was made to make big portions. But as an unexpected side effect it made him turn into a Werechicken during the full moon.

He went over its history.

---

As explained by AP, in the flashback, while as Captain Atomic and Mintenburg, who was opening a fast food restaurant involving chicken, just as the crown the chicken randomly came from nowhere, as AP spoke upon the chicken until the clouds rolled away, revealing a full moon, he violently transformed into a werechicken as Captain Atomic were battling against it but were intensely injured on the point where he could not get him in accurate position, the werechicken later disappeared, until the point now were Abby came upon the chicken as it alewives Joey and AP to keep it away from it putting harm on Abby and the others, while AP tried to put restraint to the chicken, all the sudden he figured that Mintenburg had something to do about all this, as they were ahead to his place and while explained about the history of Mintenburg's restaurant and also explained about him adding something in order to make chickens appeared as a large portion but ended up with a side effect that causes the chicken to mutate whenever a full moon.

---

We were shocked!

Me: WHOA! Good thing the next full moon isn't tonight

Mr. Belt: It would still be wise to go after him.

Me: Good idea.

Eli: I sense him. That way.

He pointed west.

Eli: 30 klicks.

Me: Okay.

I gave Pauline and Joey their legend items.

Me: You're going to love your archenemies.

Ultrox got into his car.

We were off.

We looked around and then we saw it!

Me: There it is!

We saw THE WERE-CHICKEN!

But it wasn't transformed.

Me: Is that it there?

Joey Felt: Yep.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ed went over and hugged the chicken!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙!

Shinnosuke: HENSHIN!

He turned into KAMEN RIDER DRIVE!

Me: Yeah!

I then put on the Lunar Locket.

Me: Lunar Locket!

I had the Full Moon come out!

Then THE WERE-CHICKEN TRANSFORMED! IT WAS A FEROCIOUS CHICKEN MONSTER!

Duskmon: I knew it wasn't going to be easy!

Nico: But the Lunar Locket really came in handy for this!

Me: Yep!

But then…

KRABLAM!

WE FELT A REALLY HUGE THUNDEROUS FOOTFALL!

Me: WHAT THE FUCK WAS THAT!?

Nico: No idea!

Shinnosuke, not wasting any time, got his Shift Car out!

He fired energy blasts and blasted the Were-chicken!

I teleported and smashed the Were-chicken down.

Me: YEAH!

KRABLAM!

There was another massive footfall!

Eli: (GASP) LOOK!

WE SAW A HUGE FIGURE AND IT WAS A GIRL WITH BLUE HAIR AND RED EYES AND BLACK CLOTHES AND BLACK ANGEL WINGS AND SHE HAD A TIARA WITH A PICTURE OF ULTIMATE WAY BIG ON IT!

WE GASPED!

Me: OH MAN! EVELYN WAY BIG!

Nico: The Embodiment of Ultimate Way Big!? WHOA!

Eli: SHE'S HUGE!

Me: KAIJU SIZE! She's half Evolved Toku'Star and she is over 500 feet tall.

I grew to her size!

Eli: We're going to need Kaiju power! ARISE GHIDORAH!

He raised his hand and then…

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted up into the air and it formed into a fireball and exploded numerous times and formed into KING GHIDORAH!

King Ghidorah landed!

Me: Better take us to Glaren just to be safe.

I snapped my fingers and we were on Glaren!

Pauline Bell: WHOA! Where are we?

Me: Planet Glaren. Mountain Desert planet.

Nico: We use it as a battle area just in case.

Joey Felt: Wow!

Akira: IRON MAN! D-SMASH!

He summoned DISK WARS IRON MAN!

Eli: All right!

Drive type Formula! (Dramatic music, followed by a Formula One car passing by)

Shinnosuke went into his Drive Type Formula form.

Joey: Cool!

Shinnosuke: Yep.

Twilight used her Shift Car and fired waves of energy and elements and blasted the Were-Chicken.

Fluttershy used her stare on it and scared it!

Rarity fired jewels

Applejack fired apple bombs.

Pinkie Pie fired balloon blasts.

Evelyn Way Big: Help me J.D.!

Me: This will take a while to kick in!

I fired an electron blast and injected her with the antidote.

Ultrox used his shift car and fired marshmallow blasts and stuck the Were Chicken all over.

Pauline Bell: Marshmallows?

Rainbow Dash: His archenemy is the Stay Puft Marshmallow Man.

Pauline Bell: Oh wow!

King Ghidorah and me fired waves of blue fire and Gravity Lightning and blasted Evelyn all over.

Halinor got out her Shift Car and fired waves of fire and blasted the chicken!

I fired waves of blue fire and blasted Evelyn.

Eli and Ghidorah blasted her with lightning blasts and gravity rays.

Akira got out his shift car and fired a wave of energy and blasted the Were-Chicken!

Ed, Edd N Eddy got out their Shift Cars and blasted the chicken.

Eli: Take that!

Duskmon charged at Evelyn.

DuskmonL (ECHOING) DEADLY GAZE!

He fired a wave of darkness energy and blasted her down!

Nico: Take that!

Eli: And this!

We fired energy and Lightning blasts and smashed Evelyn down.

Me: I'm sorry Evelyn but it's for your own good.

Disk Wars Iron Man fired his repulsors and blasted the Were-Chicken!

Eli: Take that!

Double D donned his Iron Boy armor and blasted the Were-Chicken all over.

Ed turned into Edzilla!

Edzilla: Ed no like smashing chicken. BUT ED SMASH BAD CHICKEN!

Ed smashed him all over!

I fired waves of energy and blasted Evelyn all over.

Eddy fired his blaster.

He blasted the Were-Chicken all over!

Joey Felt: Time to use my new Keyblade!

Pauline Bell: Same here!

They used them and fired waves of fire and blasted the chicken.

I fired energy waves and blasted Evelyn. Then the antidote took effect and she was shrinking and was back to normal.

Me: Took a while didn't it?

Evelyn was cured and her eyes were back to their blue color.

Nico: You okay?

Evelyn Way Big: Yeah. I feel amazing! Thanks.

Eli: Lets finish this featherbrain!

Joey: Lets see what our shift cars can do!

Pauline: Same here.

They activated them and Joey smashed and pulverized the Were-Chicken and Pauline got an axe and slashed him.

Nico: WHOA!

Me: Joey's is The Ox and Pauline's is Giant Axe Mummy.

Nico: Cool!

?: (ECHOING) LIGHTNING BLADE!

A blade of lightning hit the chicken and slashed it!

We saw Andromon come!

Me: WHOA! Andromon!

Nico: Andromon! Wow!

Andromon: (In a girls voice) That chicken had this coming.

Nico: Abby Andro! Whoa!

Abby Andro: Yep. I got this. GATTLING ATTACK!

Her chest opened and fired missiles and then they hit the chicken

and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The chicken was blasted and knocked out.

Eli: Nice shot!

Nico: YEAH!

Abby reverted back and she was a girl with blue hair and blue eyes and had grey clothes and red angel wings and had a cybernetic device on her arm and she had a symbol of Andromon in the middle of her forehead and on her skirt.

Abby Andro: That was awesome!

Ed: Aww! The chicken got tired!

Eddy: Well he used a lot of energy lumpy.

Abby Andro: That was awesome though.

Sunny Starscout: Yeah. What's your favorite memory of Nico?

Abby Andro: When me and Nico were in tech club and he made me this awesome Swiss Army gauntlet. It's equipped with 400,000,000 functions.

Nico: Yep.

Eli: That is spiffy.

Nico: It sure is.

Nico and Abby hugged.

Nico: I've missed you.

Abby Andro: Same here.

Sunny Starscout: But this was so awesome and fun!

Harry Potter: (British Accent) It sure was!

Joey Felt: Sunny, ever since I met you, Harry, and Aqua, I've seen as my big siblings.

Sunny: Really? Oh Joey!

Harry: We love how you think that!

Aqua: Same here. Sora is gonna be happy.

Pauline Bell: Can I be included too?

Sunny: Come on in here.

She hugged them.

Atomic Puppet: I am happy too!

Me: Aww.

Twilight and friends hugged them too.

Me: So awesome.

---

Later we came back.

May: How did it go guys?

Me: Really awesome May.

Nico: Yeah!

We told them everything and it was cool.

May: WOW! That is awesome!

Argyle Starshine: Way ti go Sunny Bunny.

Sunny: Thanks Dad.

Nico: Next are Luna, Samurai Jack and Marina Reagan's missions.

Luna: Sweet! This is gonna be so fun dudes!

Me: Yep and you're going to love what your missions are for.

Nico: Yep.

---

Later Nico had Namine and Xion with him for something awesome. I was talking with Julie's parents to see if she is going to be all right. Just as a precautionary measure.

Lightning Rod: So, you two want your own Gene Slammed forms?

Namine: We sure do.

Xion: It's why we're in jumpsuits.

Namine's was white and Xion's was black.

Nico: I do have good choices in mind. Namine you're going to be a Groudon and Xion is going to be Deoxys.

Xion: Cool!

Connie Dennison: Just to warn you that it's going to be very painful. I speak from personal experience.

Namine: We're ready.

Xion: Yep.

Nico: Okay girls. Here we go. (SNAPS FINGERS)

Nico snapped his fingers and they doubled over in pain and it was EXCRUCIATING! Namine grew in height and her yellow hair fell out and she had lava skin form and her suit ripped and then she grew a tail and then claws, her temperature rose and then she grew more dinosaur like. She turned into GROUDON!

Xion grew limber and taller and her arms turned longer, her black hair fell out and her feet turned into points and her suit ripped and she turned into DEOXYS!

Namine: WOW!

Xion: Wow! Look at me! This is amazing!

I was talking with Julie's mom.

Me: Thank you so much for coming Mr. And Mrs. Yamamoto.

Mrs. Yamamoto: It was our pleasure J.D.

Poromon: Hi, Julie's mommy and daddy!

Mr. Yamamoto: Hello Poromon.

Me: Can we get you guys anything? Soda, tea, coffee or water?

Mr. Yamamoto: Tea is good.

Me: Okay.

I went and made them some.

Me: There you go.

Julie Yamamoto: It's great you're here mom and dad.

Riley: And it's awesome to meet you too. My name is Riley Anderson and I'm Ben's current girlfriend.

Me: Long story on that.

Mrs. Yamamoto: Pleasure to meet you Riley. So what is it you have to tell us?

Me: Well we are just worried for Julie. You remember that monster Aggregor?

Mr. Yamamoto: You mean that alien that was after those 5 aliens?

Me: The very same. Well Julie delivered the killing blow to him yesterday on our previous mission.

I told them everything.

Mr. Yamamoto: That is amazing!

Mrs. Yamamoto: Oh Julie.

Poliwag: Seriously, I don't know what you need to be worried about. I'm honestly surprised she was able to kill him at all. And considering what he caused for Ben and the others, no one's mourning his death.

Me: Poliwag please. But yes you're right. Julie did an amazing job yesterday and we're all really proud of her.

Julie Yamamoto: I had to do it mom and dad. Aggregor would have destroyed the entire universe. Also he hurt Ben, Gwen and Kevin a lot when they pursued him and it was not pretty. You think I was going to take that laying down?

Mrs. Yamamoto: No you weren't. You did a great job Julie.

Julie Yamamoto: Thank you mom.

Me: Like Ben, Julie was given a tremendous responsibility like everyone on Team Loud Phoenix Storm has and that makes her a very important part of the team and to the Plumbers too. She may not be Ben's girlfriend anymore but it's part of what she does for us and the world and the universe.

Mr. Yamamoto: (sighs) You're right. I admit I was hard on Ben before. But his relationship with you was fun while it lasted.

Julie: Thanks. But just to clarify, me and Ben didn't break up because of a phone call during a video game. We just felt like the relationship just wasn't going to work out.

Me: Well there are still plenty of other fish in the sea.

Mrs. Yamamoto: Yeah.

Riley Anderson: I felt really bad for Julie. I'm sorry it didn't work out between them.

Mrs. Yamamoto: I know. But they can still be friends.

Me: That's true.

Poromon: Now, here's a surprise!

Poromon presented a man made of beer!

Mrs. Yamamoto: Is that a?

Me: Yeah a Beer Man made of beer.

Rodney: (LAUGHS) Like mine and Andy's pancake man.

Applejack: (LAUGHS) That is too funny!

Lola: Yeah!

Poromon: What are you waiting for? Drink the beers!

Me: Poromon they said they didn't want any.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Me: Poliwag that's enough.

Poliwag: Okay okay. That's twice I did that in one day.

Me: I know.

Dirge: Hey Julie, take a look outside.

She saw Namine and xion as Groudon and Deoxys!

Julie: Whoa! Is that?

Me: Wow! Nico turned Namine and Xion into Groudon and Deoxys! That is amazing!

Lola: So cool!

Poromon: Wow!

Me: So this is what Nico was going to do.

?: Boy that is awesome!

A girl came and it was a girl with yellow hair and purple eyes and purple clothes and had purple angel wings and she had a tiara with the symbol of Plug Man on it.

Penny Plug: Penny Plug, Embodiment of Plug Man.

Julie: Penny!

Shope: Penny!

Penny Plug: Julie! Ben! Shope!

She hugged her, Shope, and Ben.

Julie Yamamoto: It's awesome to see you here.

Shope: Boy it has been a while.

Ben: Yeah it sure is.

Penny Plug: Boy it has been a while. I'm sorry it didn't work out with you two.

Julie: It's okay.

G1 Blades: How did you meet Julie and Shope?

Penny Plug: I met Julie when she and Ben were having a Tennis Match and then it was rudely interrupted by an attack from Zombozo. I helped them battle him and sent that big nosed blackhearted buffoon packing.

Me: (LAUGHS) Big Nosed Blackhearted Buffoon I like that.

Julie: That was awesome. And her lightning powers gave him a really painful lobotomy.

Me: Nice.

Penny Plug: Yep. And I met Shope when she and I were in Mr. Wertz's class and we found him trying to kill Tyler and Amy and we sent that Lunatic to the looneybin.

Me: Well he was given the Black Gates so he is dead now.

Penny Plug: Yep. I heard. Good riddance.

Me: Would you like to join us?

Penny Plug: I would be honored.

Me: Awesome.

Weather Vane: You two can revert back now.

Xion: Okay.

Me: Uh oh.

Nico: Here we go.

The boys covered their eyes.

They reverted back. The changes went in reverts but Namine and Xion were naked.

Rarity and the Fashion brigade came and gave them their clothes that they normally wear.

Nico: Awesome.

We later went back into the estate.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Ben: Well, I'm glad your Dad expressed his opinion of me. Because I swore he still hated me back when Elena impersonated you.

Julie: Yeah my dad is very overprotective of me.

Nico: Oh boy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and he had a vision, and he saw who it was that we're going to confront today: it was Specs and Trapper, and they got Alva's son. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Specs and Trapper, and they got Alva's son.

WE GASPED!

Me: Oh man, we got two more of Virgil's old enemies running loose.

Static: We've got to rescue Alva's son, and then, we're sending those two to prison for good.

Nico: You got that right, Virgil. Alright, gang, let's head down to Dakota City and throw those two snobby Brainiac criminals in prison.

Lincoln: But not before I turn them into drool monkeys by draining their brains.

The Previous group came.

Taskmaster: Can me, Metalseadramon, Dodgeball Wizard, Hydrax, White Lightning, Six Gum Gang, Gameface, Leap Frog, Xigbar, and Black Manta go with you guys?

Goof: (to Xion and Namine) How do you girls like your new forms?

Namine: They are so cool!

Xion: YEAH!

Nico: Awesome! And yes you all can come with us.

Lola: Yeah!

Bubble Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Crescent Grizzly next.

Qin: Ooh! Moonshining.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Luan, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something we're not going to like in the slightest. The figures we sensed belongs to the feral animal Packing Day version of Luan, and that rampaging animal is coming after us to pummel us with snowballs.

We gasped.

Me: I knew she'd be coming next. Lincoln, can you show us what she looks like?

Lincoln: On it.

Lincoln took out his sketchbook and we saw Luan's feral animal Packing Day version, she looked like her, but with long wild unkempt brown hair, she has on a yellow coat with the sleeves torn off and yellow pants and black boots, and she was on all fours.

Luan: (SHRIEKS) That version of me is nothing but a monstrous beast! Even worse than Lynn!

MONSTROUSLY MEGA LOUD BELCH!

Me: Along with having Lynn's monstrous side when she goes psycho on Packing Day.

Helena Helios: We've dealt with Luan when her Dark Side came out along with Lynn when she went psycho on Packing Day, but it looks like we've got our work cut out for us.

Nico: But, you've dealt with far worse. Alright, gang, let's go, we're heading out to Dakota City and rescue Alva's son and send Specs and Trapper to prison.

Lincoln: Those snobs are heading for prison for the rest of their lives, and once we get done with those snobs, you're next, you monstrous beast.

Helena Helios: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Dakota City and rescue Alva's son and send Specs and Trapper to prison, and once we get done with those two snobs, Lincoln and Helena Helios along with me are going to destroy the feral animal Packing Day version of Luan.

We were off to Alva Industries in the Dakota City Sector.

As we arrived, King Kai called us.

King Kai: (Telepathically to us) Nico, Everyone can you hear me?

Nico: We hear you King Kai. What's wrong?

King Kai: Guys, are you in Dakota right now?

MetalSeadramon: We are. Why?

King Kai: Good. You need to make a quick stop before meeting with Alva. I know you guys aren't going to like it but Powell is beating beat up by Zedd's goons!

Lunk: (annoyed) So? He deserves it? How's that just as important as meeting with Alva?

Me: Yeah.

King Kai: Because I overheard one goon telling Powell that he's outlived his usefulness.

Nico: Ok, THAT'S suspicious!

Me: And let me guess, you want us to save him despite him being our enemy.

King Kai: That's right!

We had no option but to comply regardless.

ZENTINELS WERE TORTURING HIM!

Zentinel: (to Powell) Scream all you want. You really think anyone's coming to save you after you helped us?

Powell: It wasn't supposed to be like this!

We came just in time to see this.

Dixie: With all the crap he's pulled as well as his smear campaign, he almost deserves this, but we still need answers. And he should pay by being locked in prison, not beaten to death.

Me: I agree!

I fired waves of energy and blasted the Zentinels and blew them apart!

We went over to Powell.

Me: You okay?

Powell: Yeah.

Sari Sumdac: Wow, with your approval ratings, I was kind of expecting a bigger crowd. Are you okay?

Powell: I don't need your help, Sumdac. This is all your fault. None of this would've happened if it wasn't for you, Team Loud Phoenix Storm, and those Autobots!

Sair Sumdac: (annoyed) Ugh. Figures you'd shift the blame onto someone else. But this time, you're answering for it.

Me: And this is all YOUR Fault! You need to stop blaming Sumdac for your own actions and learn how to take accountability for everything you did! If you hadn't launched that smear campaign against us then you wouldn't have gotten into this mess!

She grabbed Powell and flew off with him.

Wilbur: Should we follow her?

Me: We should!

We followed Sari Sumdac.

Sari Sumdac flew to a nearby building, which she held Powell over the edge from by his ankle. We were there too!

Powell: No! Please, no!

Sari Sumdac: Here's what's gonna happen. You're gonna tell us everything you know about Zedd and why you seem to be involved in this!

Me: I would start talking if I were you!

Powell: OKAY! OKAY! I'll tell you everything! Zedd came to me back when you guys were fooling around in this year's Ridonculous Race! He told me he had friends, powerful friends, the sort of people that could make things happen! All I had to do was turn a blind eye to what he was doing and work on my campaign! He said his friends would ensure I won!

Me: Some friends.

Sari Sumdac: Pretty generous friends. Where might we meet them?

Borth: And are they in Zedd's crew?

Powell: They aren't! And before you ask, I have no idea who they are! I never met them! They just funded everything! Money was never an issue! All I had to do was set up focus on mayor and smear campaigns and give Zedd the Blackwing Virus I made! It made perfect sense! You, Team Loud Phoenix Storm, those Autobots, and your cult followers need to be wiped off the face of the Earth! It would be my legacy!

WE GASPED!

Lincoln: Wait. THAT WAS YOU?!

Me: YOU MADE THE BLACKWING GUARDIAN EATOS 12 VIRUS!?

Sari Sumdac: Do our so called cult followers include innocent girls. Because they were just minding their own business until Zedd and Rita infected them with the virus YOU made! Maybe you didn't realize what would happen. Or maybe you didn't give a damn. Enjoy your so called legacy.

Sari Sumdac pulled him back onto the rooftop, but punched him in the face to knock him out, anyway.

Lincoln: (angry) JUST FUCKING GREAT! Another thing people are gonna be blaming us for just for being in the Ridonculous Race!

Majar: Calm down, Lincoln.

Nico: At least this isn't really a big thing this time.

Sari Sumdac: But I hope you guys caught all that. Powell just said Zedd isn't working alone. He's got someone else on his side.

Lincoln: I'm gonna curse Powell right now and find out who this mystery person is!

Nico: Lincoln wait! Do that when this mess is all over, Lincoln. Right now, we gotta go to Alva for those blasters.

Me: Agreed. Sheila, Tom, get this fucking piece of garbage out of our sights!

They arrested Powell.

Vince: I'm gonna go tell the President and everyone in office what he did.

He made a shadow clone and it went to the Whitehouse.

We later went to Alva Industries.

We arrived.

Alva: You all really impressed me. I thought you'd actually never get these.

White Lightning: You know us. We can do the impossible.

Alva placed one blaster in a safe on the wall and held the other in his hand.

Me: So, are those-?

Alva: The Subatomic Disassembling Ray Blasters? Yes.

Lincoln: (impatiently) About damn time!

Me: Lincoln!

Alva: (mockingly) So, should I expect you and J.D. being on the wrong side of the bed to be a regular thing throughout this whole thing?

Me: (sighs) Don't start with us, okay? Just give us the blasters.

Nico: (glares at me and Lincoln) PLEASE?

Alva was now the only one with access to the blasters, so it was best to not anger him.

Alva: If I were you two, I'd listen to Nico. Not only is he your leader to begin with. But he's been far more sensible than you two through this whole mess. Still, I'm afraid I can't simply hand them over. I'm done taking orders. I'm ready to give them now.

He held out the blaster and put some pressure on it to make it crack.

Nico: NO! Alright! What do you need? We'll do it. Just don't destroy the blasters. It's not just us who need it. It's countless people in the Multiverse. If you destroy those blasters, you're destroying a chance to save them all from Zedd's bomb! Do you really want that on your conscience?!

Alva: Your words won't be enough to save you this time, Nico. Only your actions will. Zedd sent Specs and Trapper to capture my son. I want him back.

Nico: We would've done that, anyway. If People are in danger, then we save them! That's how it works. If your son's in danger, then we'll find him! Just hand over the blasters.

Nico: He's giving you a choice, Alva. I would Take it if I were you.

Lincoln: (growls) And be fucking thankful. It's more than what we would've done!

Alva: And you make it seem as though you have a choice. In reality, none of you do. Either you find find my son or none of you are leaving here alive.

Flash then zoomed forward, knocked Alva back, got the blaster he was holding, and zoomed back to us while giving said blaster to me. Just in time for Alva to activate turrets on the ceiling that fired at us. Fortunately, Gwen Tennyson used a Mana Shield to protect us.

I fired energy blasts and blew the turrets apart.

Maria: I can't believe it! That Frieza clone actually called it!

Static: Hey, can you really blame Alva for doing this? His son's life is still on the line.

Nico: (to me and Lincoln): Nice, you two. If it weren't for your attitudes, he wouldn't have been provoked into starting a fight with us!

May: Now's not the time Nico!

I teleported and grabbed Alva.

Gantu went over to the control panel but a force field went around it.

Alva: I allowed you to access the control panel to stop Scrozzle. That same trick won't work on me!

Me: Like we didn't see that coming.

I pressed a remote and disabled the force field and Gantu deactivated the turrets.

Me: That did it.

Nico: Yep. (HITS ME)

Me: Ouch!

Nico: That was for being those comments.

Me: Sorry.

Alva: Please… find my son… He's all I have left!

Gameface: We were always going to do that, Alva. For all the trouble you evercaused, Edwin's innocent.

Me: Yeah.

Nico opened the vault to find the back of it had been exploded and the blaster in it was gone.

Nico: (horrified) No… It's gone.

Maria: Zedd must have sent Specs and Trapper to come get it. Lucky for them, it was in the vault and we were too busy fighting.

Alva: It's over. That's all I could manufacture.

Nico growled at this and punched Alva in the face, knocking him down.

Nico: God Fucking Dammit, Alva! Why did you have to do that! You know what kind of people we are! You know we would've saved your son! There was no reason to fight us! Now everyone in the multiverse is doomed and Zedd's about to get winand it's all your fault!

May: (puts hand on Nico shoulder) Babe, please.

Alva: I'm sorry. The thought of Zedd having my son… Having him in danger… I wasn't thinking clearly. I was desperate.

Tommy Oliver: Don't beat yourself up too much. It's Zedd. It's what he does.

Me: Yeah.

Zayto: We promise to find your son. But it won't be easy.

Nico: Is it ever?

Alva: (gets up) Perhaps I can help. I also made some blasters based on Static's electricity.

Me: Cool!

Static: Aww. You've been thinking about me. I'm flattered.

He gave us powerful 500 Yottawatt Lightning Rays.

Me: Now these are cool!

Alva: Super 500 Yottawatt Megabeam Blasters.

Me: Ooh! Electrifying. But Alva I promise you that we'll bring your son back.

Static: Thank you, Alva. We'll find Edwin. We promise.

Nico: (sighs) And Sorry for that last hit.

Alva: I suppose I did deserve it. Just be sure to hit Specs and Trapper harder.

Me: Oh that you can count on! Especially with those two going to jail.

Itachi: Oh, that's a promise. Especially since we still can't get to Zedd and Rita just yet.

Nico: but soon we will.

Xigbar: Geez. Anyone else feel bad for the guy in spite of what he caused?

Gabriel: I do. He reminded me of my Hawk Moth Days.

Batman: And he reminds me of Freeze as well. In fact, that earlier fight was exactly how Freeze would've reacted in his shoes.

Me: And Void Knight too. Very coincidental.

Qin: Yeah.

Me: Virgil, Alva is one of your enemies that I feel sorry for next to some of your enemies of the Metabreed.

Static: I agree there.

Headstrong: (to me and Lincoln): Despite what you two caused, we can still fix this.

Nico: We just need to find Specs and Trapper.

Eli: Leave that to me.

Eli used the force and found them in the park

Eli: The park.

Black Manta: They both probably are in their armors that they designed for themselves. That's fine. I've been wanting to test my optic blasts against Spectral's visor blasts anyway.

Me: That will be cool.

Lola: Yeah!

Nico: Lets go!

We were off.

We then saw MOOGERS COMING!

Hood Sickle: Fuck! Moogers are in the way!

Me: The Samurai Footsoldiers! Nice!

Jayden: SAMURAIZER! GO GO SAMURAI!

He turned into the Red Samurai Ranger!

Leap Frog: Time to hop to it!

Crash Man: Time to crash and burn!

He ran at them and smashed them.

Nico: YEAH!

Eli: There!

We saw Specs and Trapper!

Me: Targets sighted! And they have the statue of Edwin.

Runt: Let's follow them into their hideout first while they still don't see us

Me: Right.

Nico: Lets go.

We saw them on the move and stayed hidden.

We arrived in a junkyard.

Octopunch: Is that their hideout right there?

Static: That's it.

Me: In the Gotham Royal York Junkyard.

Nico: No one would ever think of looking here.

Hydrax: No one except us that is.

Me: Yep.

Nico: Lets get them.

Eli: Entrance time?

Carly Atlas: Entrance time!

We went at the hideout.

Specs: Wonder what Alva made this blaster for?

Trapper: We'll find out soon.

Then the spirits of the rangers came and swirled around them and then they converged and then…

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard!

We landed.

Me: You two are in big big trouble!

Nico: YEAH!

Static Shock: And it's going to hurt!

Trapper used a Force Field on Edwin's Statue and the stolen blaster at the same time.

Trapper: Take one more step and I crush Alva's son and the blaster!

Dodgeball Wizard: Why don't you take on people who can fight back?

Specs: Fine by me. I was wanting some target practice anyway!

Specs fired a blast from his visor but Black Manta countered with his optic blasts.

The blasts collided and then Black Manta's blast hit Specs and blasted his visor!

Nico: Nice try!

I snapped my fingers and beamed them over and then I channeled energy into him and Omnifarious was broght back to life!

Omnifarious: What? What happened?

Ben turned into Nanomech.

Ben: (Tiny Voice) NANOMECH!

Specs: (laughs) What's that puny thing gonna do? Tickle us?

Nanomech: Nope. This!

He fired energy blasts and blasted them all over.

Ant Man and Nanomech: TINY DEATH BEAM BLAST!

They fired energy blasts and smashed them both all over.

Me: We have a long story for you Edwin.

WE GASPED!

Lincoln and the girls fired elemental energy blasts that took on the forms of the Foldingzords of the Samurai Rangers and they smashed into Specs and Trapper and exploded.

Lincoln and his harem: SAMURAI FINAL SMASH: SAMURAI SHARK GIGAZORD!

They summoned the Samurai Shark Gigazord which slashed Specs and Trapper all over.

Lincoln tied Specs and Trapper up with vines he summoned, and I poured a rainbow liquid on Alva's son and restored him to normal.

Specs: DAMN IT! Our plan to extort Alva failed! Don't think we'll be forced to live the rest of our lives in prison!

Trapper: We're smarter than all of you mindless beasts, we'll break out of your pathetic space prisons and we will destroy you all.

Lincoln: That's not going to happen.

Lincoln fired a blue energy blast that hit Specs and Trapper and he began sucking out and draining their brains dry of their intelligence and memories, and when he was all done, Specs and Trapper were nothing more than brainless drool monkeys. Then, he beamed them to The Uranus Prison where they'll stay for life.

Nico: That'll teach you asshole snobs!

Me: That's another of Lord Zedd and Rita Repulsa's allies taken down.

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Luan. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Luan's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY MEGA LOUD BELCH!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come on out now, feral animal Packing Day version of Luan, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Luan.

Zayto: That's the feral animal Packing Day version of Luan?!

Me: Yeah, and she's even worse than Lynn on Packing Day.

Feral Animal Packing Day Luan: (ROARS)

Luan's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Helena Helios: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Helena Helios' orange eyes turned neon orange and she was surrounded by an orange energy aura with stars, fire, flames, orange light, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Luan's feral animal Packing Day self, she left orange energy, stars, fire, flames, orange light, paints, phoenixes, and angels with every step.

Helena Helios: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn lets out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Helena Helios was surrounded by a massive vortex of orange energy, stars, fire, flames, orange light, and paints surrounding the vortex, there are phoenixes, angels, and Weather

Painter Sun flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Luan's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Helena Helios emerged, but she was changed forever.

Helena Helios grew from 7'0" to 8'0" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large orange planets orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange energy aura with stars, fire, flames, orange light, paints, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Weather Painter Sun emblazoned on her forehead with orange iris, she has on angel earrings with orange gems for eyes and holding the Star, Sun, Fire, Light, and Eternity Kanjis in their hands, she also has Weather Painter Sun with orange gems for eyes and holding the Star, Sun, Fire, Light, and Eternity Kanjis in her hands for the second pendant on the bottom of her green angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. We were really amazed by Luan's Super Angel-Fairy-Light Animal-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Eddy saw her, he had an atomic red blush on his face.

Luan: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Sulis Celestial Comedic Solar Storm Star Comedy Fairy Phoenix God Angel and Divine Cosmic Eternal Harmony United Friendship Almighty Sulis Celestial Comedic Solar Storm Star Comedy Fairy Phoenix God Angel Love) (GASPS) Whoa, now I've ascended, that's awesome!

Everyone cheered wildly for what Helena Helios, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Helena Helios' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large orange planets orbiting around her legs, and massive orange angel wings are permanent, and Luan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve yellow planets orbiting around her legs, and massive light brown angel wings are permanent.

Helena Helios: That's it for that animal. Thanks for helping me take down Luan's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Helena.

Me: My pleasure, Helena.

Suddenly, Helena Helios wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Helena Helios' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter Sun flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and orange lights behind them and we cheered wildly. Then, Lincoln and Helena Helios sucked in and absorbed the elemental forces and orange lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Helena Helios and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Leni a lesson she'd never forget.

Luan: And Leni absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person: Trista Taranis, Avatar of Rage Shenron and Daughter of Taranis, Celtic God of Thunder, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Lightning with extremely incredible and massively powerful powers over the forces of lightning, and summoning creatures of lightning, along with powerful black magic arts and dark magic arts, along with being born with purple angel wings, and just like Rachel Rage Shenron, Trista Taranis has all the powers and abilities of Rage Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Rage Shenron and Daughter of

Taranis, Celtic God of Thunder, and she really trained him hard in everything that she knows in using the powers of lightning ever since he'd gotten his powers from Hinon and he also defeated Rage Shenron. She's a lover of the storms and she and Lincoln enjoyed going out whenever a lightning storm arrives. Lincoln made her a beautiful necklace and an awesome neon blue lightning greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Trista Taranis hates Scoots with a blazing passion because of what she's done and she even clobbered and electrocuted her after she found her trying to run Lincoln over again, and she swore that if she ever saw that heckling stupid old goat, she would electrocute her so hard, her heart will be stopped forever.

Me: That's so awesome, and Ms. Rita got her powers from Taranis along with getting elastic powers from Lisa's experiment years ago.

Rita: I still remember that.

Nico: Wow, so, if anyone dares to threaten her.

Lincoln: She'll electrocute them so hard, their hearts will stop forever.

Selina Morrigan: We still remembered what Trista did to a group of thugs back in Ireland.

Sabrina Morrigan: She electrocuted them and many of them died as a result.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral eight has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Later we came back to Alva Industries and Alva saw his son.

Alva: Edwin!

Edwin: Dad!

They hugged each other.

Mojo: J.D. and the others told you they'd find him.

Me: That's right. And Specs and Trapper are now in jail

Alva: Thank you, Team Loud Phoenix Storm. I doubted you. I'm sorry.

Me: Aw no problem.

Copperhead: Just start being in his life again and go back to the good side.

Hank Scorpio: We know you can do both.

Top: Because now, you've given us the means to stop Zedd.

General Schwarz: Though it'll take a while to get to him

Me: But we got all the time in the world.

Nico: Yep. Great job everyone.

Lucky: (To the viewers) Boy what an adventure.

Me: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

# COSMIC FURY PART 9

COSMIC FURY PART 9

---

In the early morning hours of 3:25 AM, Lincoln was having a dream, and he saw a symbol in the skies: it was a black demon Alicorn with a flaming Earth for a cutie mark, and he knew what that symbol was: The Midnight Princesses of Royal Woods.

Lincoln: The Midnight Princesses of Royal Woods. So, they're planning their return to Earth and they're going to finish what we started.

Spirit of The Tree of Harmony: Yes, that's correct, but it's not going to happen until next year.

Lincoln: I've got to warn Princess Celestia and Princess Luna, this'll also no doubt warn the Daydream Princesses as well.

Lincoln's dream ended as he woke up, and he got up and got dressed to head for Canterlot to warn the three Princesses. Lincoln arrived at Princess Celestia's castle, and he headed into the throne room.

Princess Celestia: Hello, Lincoln, what brings you here?

Lincoln: Princess Celestia, there's something I need to tell you: I had a dream and what I saw is a prelude to what's about to happen next year: The Midnight Princesses of Royal Woods are planning to return to Earth, and they intend to finish what they started and destroy Earth.

This alarmed Princess Celestia, along with Princess Luna.

Princess Luna: This is indeed quite alarming.

Suddenly, the Daydream Princesses arrived along with me.

Lincoln: You guys had the dream too?

Catherine Fontaine: We did, so The Midnight Princesses are returning next year, we've got a lot of preparing to do.

Me: We sure do. Boy this is bad. We got to be ready for them.

We returned home and went back to sleep, and when morning came, Lincoln told everyone of his dream, and they were horrified.

Nico: Oh man, so next year, The Midnight Princesses of Royal Woods are returning to Earth to finish what was started seven years ago.

Me: That's what the Spirit of The Tree of Harmony and Lincoln told us.

Eli: It's a good thing you went to Princess Celestia and Princess Luna and warned them as well of what's about to happen.

Maria: Now, we know of what's coming next year.

Lincoln: We'll be ready for them, and we'll make them pay for all of their crimes.

Nico: I have a feeling this world will be cool and awesome.

Camie: Me too!

Lincoln: I'm excited for this one too.

Me: Me too. I hope it's an awesome World.

Eli: Me too.

Varie: Yeah and one where everyone will love it.

Lana: Yeah!

Yamato: I'm ready for it too.

Nico: Yamato, I want to thank you, Master Zik, and your teams for coming

Yamato: Not a problem Nico. This will be so fun.

Lola: Awesome!

Elemental HERO Darkbright: We're ready for anything guys.

Nico: Darkbright, what do you like to do in your free time?

Elemental HERO Darkbright: I haven't given it much thought. Its been a while since we did anything fun other than helping Jaden and being awesome heroes.

Nico: Well you'll think of something.

Lola: Yeah it'll come to you.

Elemental HERO Darkbright: That's true.

Maria: What jobs come to mind?

He got to thinking.

Elemental HERO Darkbright: Hmm. I was thinking maybe historian on the history of the Elemental HERO Force.

Jaden: That's an awesome idea!

Me: It sure is!

Qin: Yep.

Me: Man! What a wild adventure! But now we know who is responsible for the Blackwing Eatos 12 Virus and that's Powell!

Nico: He gave Zedd the virus while we were participating in the Ridonculous Race.

Me: He sure did.

Qin: Man talk about a grand opportunity.

Xenia: Crazy!

Me: Yeah! But also now Powell is in prison and soon he will be brought to trial and condemned for his crimes.

Lincoln: I agree!

Nico: Also, did you two really have to provoke Alva into attacking us? We're just lucky that things were able to be salvaged!

Me: Sorry Nico. I'm just really anxious. I just want to rip Lord Zedd and Rita apart for everything they did.

Lincoln: Yeah I'm anxious too.

Nico: Well that's understandable. I know you're excited but at least be patient and wait okay.

Me: We will. But what matters is that Alva has his son back and we're happy for him.

Nico: That is true and we're glad he is back together with him.

Laney: We sure are.

Nico: (sighs) To be fair, I wasn't much better. I WAS harsh in punching him after he clearly felt bad.

May: We're lucky that didn't kill him or do any serious damage.

Me: Is the Dark Orb Bomb affecting you again?

Eli sensed for something.

Eli: Tiny bit.

Nico: Uh oh.

Nico cleansed himself.

Nico: Man I got to really watch out for that. Anyway I still feel bad for that.

Me: No worries Nico. But he had to have some sense knocked into him.

Nico: True. But also we retrieved Omnifarious and one of the blasters from Specs and Trapper and sent them off to prison.

Maria: Nico, you realize that if you had punched Alva any harder, he would've wound up dead. And J.D., need I remind that the last time you became obsessed with killing a main Power Ranger villain, you nearly led to the timeline being destroyed?

Me: No need to remind me of that Maria.

Maria: Just saying.

Nico: Yeah. Sorry.

May: At least Sari finally got her payback on Powell for everything he did to her and her father. Now, we just need to clean up his mess.

Me: Yep.

Nico: Vince told the president what Powell did and he was indicted on Treason and many federal offenses. He's looking at the death penalty.

Maria: Good. Mom is going to make sure no plea deals are given.

Nico: Awesome.

Maria: Oh we're here.

We saw that it looked like a desert mountain planet from space.

Me: Looks like a desert mountain planet from up here.

Nico; Lets head down.

We flew down and landed and we saw that it was a planet made of CHICKEN PARMASAN SANDWICHES!

Me: Oh wow! A Chicken Parmasan Sandwich planet!

Xenia: Oh boy!

Nico: LETS DIG IN!

We got to eating!

Me: (EATING) Mmm! So delicious!

It was really tasty! The chicken was cooked to perfection!

Me: Yummy! San Marzano Marinara Sauce.

Eli: (Eating) Mmm! And the cheese is so melty and yummy!

Nico ate some.

Nico: (Eating) Mmm! Delicious! Ooh on garlic toast breat too.

Qin: Yummy! (EATING) Mmm!

Lola: (EATING) Boy this is awesome.

Laney: It sure is! (EATING)

May ate some.

May: (Eating) Mmm! Boy this is really tender and delicious!

Lana: I'll say! (Eating) Mmm!

Lisa: It sure is most delicious and scrumptious. (Eating)

Lily: It sure is awesome.

Lily ate some too.

Maria ate some.

Maria: (Eating) Mmm! So delicious! Just like eating a pizza on a bun.

Nico: Yep. (Eating) Mmm! This is one of my favorite planets.

Sakura Knudson: (Eating) It sure is delicious.

Fu: I'll say! (Eating) Yummy.

Nico: Let's pack some for the mascots.

Me: Good idea.

Qin: Yeah!

Lincoln: They will love that.

Nico packed a few for the mascots.

I packed lots of sandwiches for everyone.

Xenia: Perfect!

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that's really going to be one technological fight: we got word that Technoparasite, Double D's hypothetical Akuma, is here, and he's out for revenge on Jimmy.

WE GASPED!

Me: So, we're facing the last hypothetical Akuma of the Eds.

Nico: Yep. Say, what's his story?

Lincoln: According to Gabriel, he was created when he was wrongfully framed along with Eddy and Ed, and he's going to be hellbent on killing Jimmy.

Eli: Oh God.

Suddenly, the rest of the team arrived thanks to Lincoln's message.

Lori: We got the message from Lincoln, but we got to watch it, he's got techno powers.

Lincoln: But, so do we and we also put in tough firewalls in our technology, Lori, and he can't hack through them at all, that'll be his downfall.

Nico: You said it. Now, let's get going and stop him.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for Technoparasite) AHA! Gotcha! I just spotted Technoparasite, he's 20 yards away, and he's searching for Jimmy.

Nico: Let's head on over and give him a thrashing and send him to Vypra.

Lincoln: That technology parasite's not getting out of this without a scratch. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began

growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Technoparasite.

Mizore heard a Pokemon cry.

Mizore: Look here!

We saw a Mega Articuno.

Me: Wow! A Mega Articuno.

Mizore: Wow. And the poor thing hurt its wing.

Mega Articuno: Yeah I was fighting that monster.

Me: You mean Technoparasite.

Mega Articuno: I guess so.

We got to healing it.

Nico: You okay now?

Mega Articuno: Thanks to you guys.

Mizore: Do you want to come with us?

Mega Articuno: I would be honored.

Me: Awesome.

We were off to face Technoparasite.

Just then, Iron Boy stopped against his will

Edd: What the!?

Me: Double D?

Lola: Uh oh!

We looked and saw TECHNOPARASITE!

Lincoln: There he is. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into Fire Moon as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and he grew a brown wolf snout, his massive white angel wings and medium sized white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Me: Let's get that technology parasite! KIBAL, LET'S HOWL!

I transformed into Wolf Moon! 🌙

Lincoln and I fired red and blue wolf fire which hits Technoparasite and he was enraged upon seeing us as we landed.

Me: You know why we're here.

Technoparasite: HAND OVER THAT RETAINER-WEARING LITTLE BRAT! HE MUST PAY FOR FRAMING ME ALONG WITH EDDY AND ED!

Lincoln: Not happening. Looks like we got to do this the hard way.

We unholstered our massive greatswords.

Me and Lincoln: RAGE OF THE JANUARY WOLF FIRE MOON! 一月のウルフファイアムーンの激怒!

Lincoln and I swung our massive greatswords and we fired a massive vortex of red and blue wolf fire with red and blue wolf spirits circling around the vortex and the massive vortex hits

Xenia: Take that!

Qin: Yeah!

Technoparasite made Iron Boy grab Jimmy again but this time made him start beating him to a pulp.

Ben: I think Double D's suit needs a firewall!

Ben turned into Upgrade

Upgrade: UPGRADE!

He merged with Double D's suit and made it awesome!

Nico: WHOA!

Iron Boy: Try controlling my suit now!

Technoparasite did so. But nothing happened!

Me: HA! How do you like them apples!?

Upgrade: Think of my Upgrade form as a firewall!

Nico: Nice one!

Technoparasite: YOU WRETCH!

Edd: Thank you Ben.

Iron Boy fired missiles

He blasted him all over.

Technoparasite was blasted all over the place.

Qin: Yeah! Take that!

Iron Boy: I know what Jimmy did was bad. But resulting to murder?!

Technoparasite: HE DESERVES IT! HE DID IT ALL FOR REVENGE!

Upgrade: So your only option is to kill out of revenge back?!

Technoparasite: THAT'S RIGHT! HE HAD IT COMING!

He then grabbed him and punched Jimmy in his face and beat him into a pulp brutally!

Upgrade: At least you're finally doing your own dirty work!

I kicked him in the face.

Horsea squirted ink and blinded him.

Emily Goodall: Looks like we're doing this the hard way.

Suddenly, Emily Goodall's blue eyes turned neon blue and she was surrounded by a pink energy aura with stars, pink fire, pink flames, phoenixes, and angels, she unholstered her massive Emily Goodall's Cosmic Eternal Pink Inferno Firestorm Pink Power Rangers Embodiment Phoenix God Angel Greatsword of Cosmic Eternal Pink Inferno Firestorm Pink Power Rangers Embodiment Phoenix God Angel Justice from her back, and as she approached Technoparasite, she left pink energy, stars, pink fire, pink flames, phoenixes, and angels with every step.

But, when Technoparasite saw it, he went mad and fired energy beams at her, butt Emily Goodall fired a massive barrage of pink energy, stars, pink fire, pink flames, phoenixes, and angels which hits Technoparasite and sent him crashing onto the ground, he got back up and he was now really enraged.

Emily Goodall: (Divine Echoing Godly Voice of The Pink Inferno Firestorm Pink Rangers Embodiment Phoenix God Angel and Divine Cosmic Eternal Pink Inferno Firestorm Pink Rangers Embodiment Phoenix God Angel Love) We better take care of Technoparasite and fast before he does anything else.

Lincoln, Emily Goodall, and I went after Technoparasite, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Technoparasite, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Emily Goodall, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Technoparasite even more insane.

Then, Nico fired waves of elemental forces, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Emily Goodall, and I fired powerful blasts of energy, stars, pink flames, and planets at Technoparasite, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to send you to Vypra.

Lincoln fired an energy blast that hit Technoparasite and he was sent into a portal that led to The Masters of Evil, but not before he also assimilated all of his powers. Everyone cheered wildly as we holstered our weapons and powered down, and Emily Goodall's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large pink orbs orbiting around her legs, and massive pink angel wings are permanent.

Emily Goodall: Now, we have the hypothetical Akumas of the Eds in The Masters of Evil.

Lincoln: Yep, and Vypra will keep an eye on them.

Nico: You said it.

?: Aw man, we missed the fight.

Suddenly, we saw five 7'0" tall girls with long black hair, red eyes, and massive black angel wings with black stockings and black knee-high high-heeled boots with butterfly buckles, but they were dressed in different colored shirts and skirts: white, pink, purple, red, and orange, and they have five black greatswords holstered on their backs.

Lincoln: (GASPS) Beatrice Coeurfantôme, Gene-Slammer of Hun-Gurrr, Camille Bêteloup, Gene-Slammer of Rippersnapper, Elise Rosescarabée, Gene-Slammer of Blot, Helena Poussièresang, Gene-Slammer of Sinnertwin, and Isabel Concasseurcrâne, Gene-Slammer of Cutthroat.

Anna Anyanova: The Horror Lovers Club are here!

Juleka: It's been a long while since we last saw them!

Eli: You guys know them?

Lincoln: You bet we do.

Eman Reynolds: And so do we, meet Beatrice Coeurfantôme, Gene-Slammer of Hun-Gurrr, Camille Bêteloup, Gene-Slammer of Rippersnapper, Elise Rosescarabée, Gene-Slammer of Blot, Helena Poussièresang, Gene-Slammer of Sinnertwin, and Isabel Concasseurcrâne, Gene-Slammer of Cutthroat, these five girls are Lincoln's Guardian Angels from France and classmates in English, and they're lovers of all horror and everything related to horror including Goosebumps. Their last names, Coeurfantôme means Phantom Heart in French, Bêteloup means Beast Wolf in French, Rosescarabée means Pink Beetle in French, Poussièresang means Blood Dust in French, and Concasseurcrâne means Skull Crusher in French. They, along with Lincoln, Lucy, and Juleka Couffaine are members of The Horror Lovers Club. The five girls have black hair and red eyes, but their clothing tells the difference of who they are, Beatrice Coeurfantôme has the color white, Camille Bêteloup has the color purple, Elise Rosescarabée has the color pink, Helena

Poussièresang has the color red, and Isabel Concasseurcrâne has the color orange. They are also true masters of summoning the supernatural creatures and they've even mastered dark magic, along with black magic and Satanic Magic, and they even got along with The Goths of Darkness. Lincoln made The Horror Lovers Club beautiful black necklaces with their favorite gems, and to show thanks, they each kissed Lincoln on the lips. They along with Juleka hate Lila Rossi with a blazing passion, the reason why is because she once tried to summon a demon via a dark magic ritual to kill Lincoln's family along with Marinette and her friends for revenge, but thankfully Lincoln, Juleka Couffaine, and The Horror Lovers Club stopped the ritual before it began and the ritual's prevention destroyed the demon, and they beat the crap out of Lila Rossi and left her wedgied onto a tree only in her undergarments, but Juleka Couffaine who was angry at what Lila Rossi had done decided to throw her right into the middle of a massive fashion party while in her undergarments which meant total humiliation.

Me: Wait, I remembered that incident all too well!

Nico: Me too, this was the second time Lie-La resorted to using black magic rituals to try and kill Lincoln's family along with Marinette and her friends for revenge, which proved to all of us that she's willing to sell her black soul to The Devil for revenge.

Varie: What a conceited black-hearted bitch.

Lincoln: My words exactly, and it's so good to see you all again.

Beatrice Coeurfantôme: (French Accent) You too, Lincoln, and you've really really grown into quite a man.

Suddenly, Lincoln went up to and hugged Beatrice Coeurfantôme, Camille Bêteloup, Elise Rosescarabée, Helena Poussièresang, and Isabel Concasseurcrâne in his massive and powerful muscular arms and he bit them on the sides of their necks with his fangs and fed on their blood and we saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, five Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with red gems embedded in the gold lightning bolt links and red crystal links from their merged Crystal Necklaces of The Buddha and five Elemental Thunderbird Chokers of Eternal Love appeared on their necks, and when they saw they were now part of his harem and his many future wives, they all shared a passionate kiss with Lincoln as we all cheered for them.

Nico: You okay, Jimmy?

Jimmy: (Groans in agony)

Nico: Ooh ouch.

I gave him a senzu bean and he was healed.

Nico: NOW, are you okay?

Jimmy: Yeah thanks to you guys.

Me: Man that Akuma had it out for him.

Xenia: No kidding.

Lola: Yep.

Nico: Nice job, Mega Articuno!

Mega Articuno: THanks Nico! That was cool!

Me: Yeah! It sure was!

Poromon got out a beer bottle.

Poromon: Want one?

Mega Articuno: No thank you. I don't drink sorry.

Poromon: Oh okay,

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Animated Bulkhead: Man, I'm really glad that Powell's getting what's coming to him!

Nico: Me too!

Qin: All of us are.

Me: Soon Lincoln is going to give him the worst curse he can muster on him.

Nico: Nice.

Me: Yep.

Nico: You guys must be really happy about this.

Animated Bumblebee: Can you blame us? Powell kicked Sari out of Sumdac Tower after it was revealed there were no records of her birth. He had this coming!

Me: That is for sure!

Nico: Good riddance.

Me: Well soon he will be gone for good.

Camie: Good riddance. He's nothing more than a scourge on Humanity.

Maria: Now, I just hope he doesn't do anything to himself before his trial.

Nico: But if he does, your Mom will inform us

Me: Don't worry we have him put under 24/7 suicide watch and Lincoln put restraints on him to make sure he doesn't try anything.

Xenia: Good.

Poliwag: Suicide watch?

Me: It's where they watch high profile inmates in prisons to make sure that they don't kill themselves before their upcoming trials.

Poliwag: Oh!

Nico: Yeah.

Manaphy: How do they do that?

Me: The guards watch him on 15 minute intervals 24/7 and make sure he can't kill himself.

Nico: Yep.

Manaphy: Oh.

Me: We don't want Powell to go to Hell. We want him to get the Black Gates. Hell for someone like him is too lenient in my opinion.

Lincoln: J.D. calls it the cowards way out.

Qin: Yeah.

Lola: Either way, Powell is getting what's coming to him.

Nico: Yep.

Horsea: Does it matter if he kills himself? If he does, then we can just give his spirit the Black Gates anyway.

Me: Horsea we want him to suffer in a trial and show the world the monster he is.

Horsea: You're right.

Lola: Yep.

Luan: But just in case, I recorded what he said yesterday.

Me: Great! That'll be ultimate damning piece of evidence in his trial.

Nico: Yep.

Qin: Good riddance.

Laney: That is for sure. Powell deserves nothing short of death.

Luan: This way, if he DOES kill himself, then we still have evidence of him confessing.

Me: Good idea and good thinking.

Qin: Yep.

Me: Make sure that evidence doesn't get lost.

Luan: Right.

Me: Now it's time for the Anothers.

Nico: Yep. Who do we have?

Eli: (Concentrates) Whoa! Another Master Zik, Glowing Alien, Necro Claw, Chaotic Gore Magala, Amatsu and Akantor.

Me: Awesome! So Yamato, Darkbright, Escuridao and Magma, Storm and Chaos Neos.

Nico: Yep.

Timber Spruce: This will be awesome.

Timber's cutie mark was glowing.

Me: Whoa Timber's cutie mark is glowing.

Eli: Yep. And I sense that the Anothers are one person.

Me: Nice.

Nico: THERE THEY ARE!

Out came Glowing Alien, Necro Claw, Chaotic Gore Magala, Amatsu and Akantor!

Me: WHOA!

Qin: Nice!

Another Necro Claw: (In a girls voice) This will be cool.

They merged and she reverted back and was a girl with green hair, green eyes, green clothes and green angel wings and had a tiara with the symbol of Timber Sprice's cutie mark on it and on her shorts and had Timber's tail and a nature sword.

Catalina Timber Spruce: Catalina Timber Spruce, The Embodiment, Gene-slammer and legacy of Timber Spruce.

Nico: Awesome!

Timber Spruce: Awesome to meet my embodiment and legacy.

Catalina Timber Spruce: Same here.

Me: By the way is the Another Master Zik friendly or hostile?

Catalina Timber Spruce: Friendly and you guys will like her.

Me: Awesome.

May: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD

FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Nico: And now we wait.

Me: This will be interesting.

Camie: Yep.

Wolverine then sniffed something

Me: What is it Logan?

Wolverine: I smell something. It smells similar to Kirby.

Kirby: to me? Wow.

Wolverine: It smells like bubblegum

Nico: Wow.

Qin: Bubblegum huh?

Nico: Wow.

May: Cool.

Nico: Well, that and Kirby ARE the same color

Me: Nice. Wait look!

We saw ANOTHER MASTER ZIK!

Nico: There it is!

Me: Yep!

Another Master Zik: (In a girls voice) I am ready for this.

Me: (GASP) That voice!

Kirby: Wait! Katie!? Is that you!?

She reverted back and was a girl with pink hair, pink eyes, pink clothes and pink angel wings and had a tiara with the Kirby Dopant symbol on it and on her skirt and she had a rainbow sword in her hand.

Katie Kirby: You bet it is! Katie Kirby.

Me: Wow! Awesome to see you!

Kirby: KATIE!

She and Kirby then hugged.

Katie Kirby: Wow! Kirby! You are looking as awesome as ever! And Waddle Dee and Dedede, You and all of our friends are looking great too.

Waddle Dee: We sure are.

King Dedede: That is for sure.

Nico: Wow! An Embodiment of Kirby!? That is amazing!

Me: It sure is. Katie has all of Kirby's powers from over the course of 31+ Years and knows Kirby and all his friends and despises all his enemies.

Nico: That is cool!

Me: Yep. And also he and Kirby are both the same height and are both video game world characters.

Katie Kirby: That's right.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

They got weapons from the LupinRangers and PatRangers and Kyurangers

Katie Kirby: No he didn't. I fired a wave of lightning and electrocuted him with the power of Spark and then ran out of there with the power of Fireball.

Nico: WHOA! That is cool!

Me: Yep It sure is.

Katie Kirby: I thuoght it was cool.

Camie; Ir sure is.

Sougo: (gets out Patranger Ridewatch) You have Kirby's powers, right?

Geiz: (Gets out Kyuranger Ridewatch) Does that mean you can copy powers by swallowing people?

Tsukuyomi: (gets out Lupinranger Ridewatch) And have a big appetite?

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Katie Kirby: In order: Yes, yes and yes. I have a huge appetite and eat a lot! I can gain the powers of many kinds.

Me: That is awesome.

Nico: Yep.

Lincoln: Lets separate you first.

Lincoln did so and we faced the Another!

Me: Lets do it!

Nico: (gets out Master Zik's Ridewatch) Prepare to be tested, young one!

May: (GETS OUT NECRO CLAW'S RIDEWATCH) LETS RAISE THE DEAD!

Maria: (GETS OUT AMATSU'S RIDEWATCH) UNLEASH THE STORM!

Elemental HERO Darkbright: (Gets out Glowing Alien's Ridewatch) Darkness and Aliens are awesome.

They used the powers of Master Zik, Glowing Alien, Necro Claw, Chaotic Gore Magala, Amatsu and Akantor and blasted the Another!

Then Ring-Ring, Kabatoncue, Sonoza, Moby, Escagoo, Totemer, Ravemanta, Golem (Mega Man), Whopper and Steephinx appeared.

Me: WHOA!

Nico: Nice team Ring-Ring!

Ring Ring: Thanks Nico.

Nico: The Embodiment here is a Nintendo One.

Me: Yep.

Katie Kirby: And there are many more where that came from.

?: (Russian Accent) That will be cool!

Crescent Grizzly came!

Qin: Crescent Grizzly!? Whoa!

Crescent Grizzly: (In a girls voice) I'm ready for this!

Nico: Crescent Medved!? Whoa!

Crescent Medved: Great to see you Comrade Nico. And you too Qin. I got this.

The Another got blasted by a moonlight blast and I caught the Ridewatch and purified it.

Crescent reverted back and had blue hair and brown eyes and had blue angel wings and had a blue bikini and had a symbol in the shape of a Crescent Moon with a Grizzly Bear in the middle of her forehead and she got a moon sword.

Crescent Medved: That was fun!

Horsea: Are you from Russia?

Crescent Medved: Yes I sure am.

Me: Awesome.

May: And I didn't get hit!

Manaphy: Mama!?

May: Sorry.

Rarity: Lets get you new clothes darling.

The Fashion Brigade gave her awesome blue and yellow clothes.

Crescent Medved: Awesome outfit.

Maria: Thanks.

Nico: Yep.

Elemental HERO Darkbright: Do you have a favorite memory of Nico?

Crescent Medved: When me and Nico were at my family's nesting doll shop. We make nesting dolls and they are works of art.

Xenia: That is awesome.

Camie: Yep.

Nico: Yep.

Nico and Crescent hugged.

Nico: I've missed you.

Crescent Medved: Me too Nico.

We later went back home.

And we were already sweating from the heat.

Lincoln: Whew, we're here in The Nevada Desert, and I know what we're going to do here, not only am I going to rescue the eighteen girls here, but we got bad news: a clone of Galactus was sighted here.

WE GASPED!

Nico: Oh God, this isn't good at all!

Me: But, thank God it's just a clone of Galactus.

Lincoln: Yeah, but I've heard about him from The Silver Surfer, he's caused Reed and the rest of the team tons of trouble and what he did for eons devouring planets to slake his hunger, but it's going to end the same with all the clones, I'm going to absorb him after we take him down.

Yamato: He won't be easy to take down though.

Lincoln: No, he'll put up a fight just like the real Galactus, but we've taken down dangerous threats like him before.

Suddenly, we saw a very beautiful and super sexy girl with long neon purple hair and neon purple headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a purple sleeveless crop top, necklace with the Five Star Dragon Ball for the pendant, black sleeveless gloves, purple skirt, purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic magic, bolts of lightning, phoenixes, and angels on the coattails and on the back is Rage Shenron, The Five-Star Dragon of Lightning and Taranis, Celtic God of Thunder, holstered on her back is a massive neon blue greatsword with seven replicas of the Seven Dragon Balls embedded in it and angel runes etched on the 7'9" massive, wide, double-edged blue blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the eighteen girls.

Lincoln: (GASPS) Trista Taranis, Avatar of Rage Shenron and Daughter of Taranis, Celtic God of Thunder.

Trista Taranis: That's right, and I got the girls away from the clone of Galactus, but he's heading here now.

?: None of you will escape from Galactus.

We then saw the clone of Galactus heading for us, and he fired energy blasts at us, but we dodged them.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the Galactus clone's chest, and then, Lincoln began absorbing the Galactus clone into his body as he and all of us assimilated his Cosmic Entity Physiology, Immortality, Godlike Strength, Godlike Stamina, Godlike Speed, Invulnerability, Energy Projection, Energy Absorption, Force Field Generation, Levitation, Size Alteration, Molecular Restructuring, Matter Transmutation, Teleportation, Interdimensional and Intradimensional Portal Creation, Telepathy, Telekinesis, Cosmic Awareness, Resurrection, Life Creation, Soul Control and Manipulation, Recreation, Power and Ability Bestowal, Healing Powers, Adapted Appearance, Cosmic Genius, Biosphere Recreation, Powers as The Lifebringer, and Fear Ray Generation and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of the Galactus clone, and he banished his soul to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Oh man, that was really really crazy. I just absorbed the clone of Galactus and we all gained all of his godlike powers and abilities, and I can now see throughout the universe and all the planets we'd explored and there's more yet to explore. But, I know we haven't faced Galactus before, but we'll be ready for him in the future. (To Trista Taranis) And it's so good to see you again, Trista.

Trista Taranis: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Trista Taranis as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Trista Taranis was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Trista Taranis: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Trista Taranis and he hugged her, and Trista Taranis is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Trista Taranis: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met

your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Trista Taranis, Avatar of Rage Shenron and Daughter of Taranis, Celtic God of Thunder, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Lightning with extremely incredible and massively powerful powers over the forces of lightning, and summoning creatures of lightning, along with powerful black magic arts and dark magic arts, along with being born with purple angel wings, and just like Rachel Rage Shenron, Trista Taranis has all the powers and abilities of Rage Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Rage Shenron and Daughter of Taranis, Celtic God of Thunder, and she really trained him hard in everything that she knows in using the powers of lightning ever since he'd gotten his powers from Hinon and he also defeated Rage Shenron. She's a lover of the storms and she and Lincoln enjoyed going out whenever a lightning storm arrives. Lincoln made her a beautiful necklace and an awesome neon blue lightning greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Trista Taranis hates Scoots with a blazing passion because of what she's done and she even clobbered and electrocuted her after she found her trying to run Lincoln over again, and she swore that if she ever saw that heckling stupid old goat, she would electrocute her so hard, her heart will be stopped forever.

Me: Man, she's really electrifying!

Lincoln: And she's definitely powerful and a force of lightning no one would dare to mess with, and now that you're here, Trista.

Lincoln went up to and hugged Trista Taranis in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Trista Taranis: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Trista Taranis with neon purple gems on the gold lightning bolts and neon purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Trista Taranis: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Trista Taranis, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Trista Taranis' waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Trista Taranis had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eighteen girls, and when Lincoln saw the eighteen girls, he immediately recognized them. The eighteen girls are Carol Caroline, Elisa Griffith, Amelia Rose, Abbie Garnet, Ariane Algren, Claris Cleveland, Rebecca Bradley, Laquis Simeld, Zuina Shuck, Helena Grady, Wanda Erika, and Jeryl Yumimaru from The Iceblade Sorcerer Shall Rule the World and Madoka Kasuka, Makoto Hagino, Misuzu Shinoduka, Shiori Himenomiya, Sumika Ichikawa, and Hiromi Yanagi from Do You Like Horny Bunnies?

Ed Cowart: Whoa, the girls you just rescued are Carol Caroline, Elisa Griffith, Amelia Rose, Abbie Garnet, Ariane Algren, Claris Cleveland, Rebecca Bradley, Laquis Simeld, Zuina Shuck, Helena Grady, Wanda Erika, and Jeryl Yumimaru from The Iceblade Sorcerer Shall Rule the World and Madoka Kasuka, Makoto Hagino, Misuzu Shinoduka, Shiori Himenomiya, Sumika Ichikawa, and Hiromi Yanagi from Do You Like Horny Bunnies? You rescued more voluptous babes from Galactus, and those girls are…

Zackary Nightingale pointed his staff at Ed Cowart.

Zackary Nightingale: Unless you want to find yourself wedgied to a tree branch, do not finish that sentence.

Nicole: Yikes, this guy's scarier than I am.

Lincoln: I had no idea of how defensive Valencia's brother is towards women. Are you girls okay?

Carol Caroline: Yes, we're okay, thanks to you.

Carol Caroline: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Madoka Kasuka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Carol Caroline, Elisa Griffith, Amelia Rose, Abbie Garnet, Ariane Algren, Claris Cleveland, Rebecca Bradley, Laquis Simeld, Zuina Shuck, Helena Grady, Wanda Erika, Jeryl Yumimaru, Madoka Kasuka, Makoto Hagino, Misuzu Shinoduka, Shiori Himenomiya, Sumika Ichikawa, and Hiromi Yanagi with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was a clone of Galactus.

But, when Lincoln showed what we all did in thrashing him into the ground and Lincoln absorbing him and he and all of us assimilating all of his godlike powers and abilities and sending him to The Black Gates forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Trista Taranis have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe it, you guys faced off against a clone of Galactus, thank God it's not the real one!

Lincoln: Yeah, we hadn't faced off against the real one before, but we knew what to expect after everything we heard from Silver Surfer and the Fantastic Four.

Nico: When the time comes, we'll make him pay for everything he's done.

Me: That we will.

---

After Lincoln and all of us beat down the clone of Galactus and Lincoln absorbed him, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Trista Taranis saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Trista Taranis: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been

continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Trista, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Trista Taranis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Trista Taranis: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and

their noses were bleeding.

Luna: Say, Lincoln, why don't you and J.D. have an arm wrestling match?

Eli: With how excessively strong those two are, they'll break the table!

Nico: Not with what I got.

Nico got out a solid titanium table.

Nico: Okay, boys. Lock hands!

Lincoln and I locked hands, and Eli blew the whistle as we began to arm wrestle, and we were both no pushovers and we didn't hold back.

Luna: Dudes, this is getting tense!

Suddenly, the titanium table began to shake from the force of both mine and Lincoln's really excessive brute superhuman strength, and then… !

CRASH!

The titanium table fell apart, and we were actually tied.

Qin: We have a draw, wow! But, bad news, the titanium table you got out fell apart.

Nico: Damn. You two muscle gods broke that titanium table like it was nothing.

Lincoln and me: Sorry.

Me: Boy Lincoln we are totally equal!

Lincoln: We sure are!

Suddenly, Lincoln absorbed the titanium table's remains into his body and it made his body and muscles even more stronger and more powerful than ever and we continued working out.

Me: If you took on someone who was constantly running his mouth in an arm wrestling match, you'd easily mop the floor with him.

Lincoln: Or toss him out of the building he's in or crush his hand.

Nico: Now that I'd like to see. I hate to be the idiot you describe, J.D., that'd be hilarious.

Poromon: Almost as hilarious as this!

CRACKS KNUCKLES!

Ed: WHAT A PEST!

Edd: That's disgusting.

Ed: MAKE HIM STOP!

We laughed.

We got a shower, and then, Lincoln, Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) are heading to Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Ms. Sara Bellum: Wow, so this is Seaside Hill. It sure is beautiful.

Lincoln: It sure is, Ms. Bellum, and it's perfect for our first double date.

Ets: You said it, Lincoln. Shall we?

Lincoln, Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) are in your harem, Linky.

Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z) showed the marks Lincoln made on the right sides of their necks.

Buttercup: (Whistles) Man, Lincoln, you sure are one ladies man.

Bubbles: It was so cute when we saw Ms. Bellum kissing Lincoln.

Blossom: It wasn't cute, that was full-on kissing with passion we saw, and Lincoln's body and face turn red like a firetruck.

Lola: You told me about that, and even I was stunned.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Princess Spinnerella, Simulator Princess Netossa, Ms. Sara Bellum, and Ms. Bellum (Powerpuff Girls Z), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Wooden Kingdom for part 2.

Me: Awesome!

Ebonwumon: (Irish Accent) Oh this will be fun.

Zhuqiaomon: Me and Ebonwumon will go with.

Nico: Okay.

They went into the simulator and it activated and they were in Wooded Kingdom for round 2!

Nico: Any tips Nicole?

Nicole: Well you going after Spewart next from the Broodals.

Nico: Yep.

Nicole: Okay so you are going to be giving that slime spewer what for..

Zhuqiaomon: This will be good.

Ebonwumon: Another boss fight no one besides you two were expecting.

Nico: Without a doubt the Embodiment and Gene-slammer will meet us there. Lets go.

They were off and they flew around the place.

Zhuqiaomon: Nico, why don't you hop on my back?

Nico: Okay.

He did so.

They got to a platform and out came SPEWART!

Nico: Spewart!

Zhuqiaomon: Here we go.

Spewart: I bet you weren't expecting me, huh?!

Nico: It was mutual.

Spewart: I'm going to splatter you all over.

Ebonwumon: Come give it a try!

But then…

KRASPLAT!

Digimon sludge hit him right in his face! YUCK!

Zhuqiaomon: Let me see if I can identify that sludge!

Nico: I think I know what that one is!

?: From me!

Out came Numemon and a girl with Yellow hair and orange eyes and orange clothes and fire angel wings and a tiara with the symbol of Solar Man on it.

Sakura Solar: Sakura Solar, Embodiment of Solar Man.

Numemon: (In a girls voice) And we're ready to slop all over her.

Nico: Naomi Nume!? Whoa!

Zhuqiaomon: And Sakura it's great to see you!

Ebonwumon: It's good to see you lass!

Sakura Solar: Its been a while Zhuqiaomon and Ebonwumon.

Nico: We can catch up later. Lets get him.

Nico: (gets out Master Zik and Tormes the Centaur's Ridewatches) Time for this Centaur to test you, young one!

He activated them and fired energy blasts and blasted Spewart down.

Sakura Solar: (ECHOING) BLAZING HELIX!

She fired a massive blast of fire and blasted Spewart in a massive and huge explosion!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: OH YEAH!

Ebonwumon: Don't Leave us out!

Second Head: (Irish Accent) This will be fun.

Ebonwumon: Okay okay Mr. Ernest-O-Eager! (ECHOING) BLACK HAIL!

He fired waves of black hailstones and blasted down Spewart.

Zhuqiaomon: (Echoing) PHOENIX FIRE!

He fired a wave of fire from his mouth and he blasted Spewart down.

Sakura Solar: (laughs) I missed that second head of yours!

Ebonwumon: We always think it's ccool.

Second Head: It's always fun talking to each other.

Ebonwumon: All right all right Mr. Chatterbox-Snappington!

Numimon fired a sludge and blasted Spewart and Nico fired waves of energy and blasted Spewart and sent him flying!

Nico: YEAH!

They got more Moons!

Naomi reverted back and she was a girl with green hair and green eyes and had snail eyes on stalks on the top of her head and she had green clothes and purple wings and she had a symbol of Numemon in the middle of her forehead and on her skirt. AND SHE SMELLED REALLY HORRIBLE!

Naomi Nume: That was awesome!

They high five!

Nico: How did you meet Ebonwumon and Zhuqiaomon?

Sakura Solar: I met Ebonwumon in the Digital World and he taught me how to use nature powers and it's we got along amazingly well and yes the way the two heads talk are cool.

Nico: It sure is.

Ebonwumon: Yeah we get that a lot lass.

Second Head: It's great that she was with us.

Ebonwumon: Oh indeed she was Mr. Excited McMurphy!

They laughed!

Nico: Yeah!

Sakura Solar: That is true. Also I met Zhuqiaomon and he taught me all kinds of fire powers and some of his moves. It was really awesome. I was a master of his moves with the strength of 20 Mega Level Digimon under his wings.

Zhuqiaomon: She is a very diligent student too.

Nico: That is cool!

Zhuqiaomon: It sure is. Naomi do you have any favorite memories of Nico?

Naomi Nume: Well I do but I'm afraid you don't want to know. Some of them are in the sewers because they stink. Literally.

Nico: Yeah. I would hug you but you know.

Naomi Nume: I know. But I've missed you.

Nico: Same here. Would you two like to join the team?

Sakura Solar: We would be honored.

They left the simulator and we cheered wildly.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later The Mascots, Shiv, Maria, Carol, me and Sheila, Bobby and friends were playing Dungeons and Dragons.

Ed: Can I play what you guys are playing?

Me: Sure Ed. We're playing Dungeons and Dragons.

Nico: Nice.

We were having a lot of fun and imagining fighting monsters and warriors.

Sakura Taiyouhime: You guys just encountered a pack of ogres. What do you guys do?

Poromon:… we sacrifice Poliwag to them!

Poliwag: WHAT!?

Me: I'll save you all.

I had my warriors blast the ogres.

Shiv and Maria had elves and elementals come and blasted the ogres.

Sheila: Awesome job guys.

Bobby: Yeah!

Drillhorn: You guys find a treasure chest. How do you open it?

Poliwag: With a pickaxe!

I used a spell and made sure the chest wasn't a trap.

In it was treasure, jewels, gold and weapons too.

Nico: That is cool.

Nosecone: Now you guys are at the final boss. What do you guys do?

Poromon: We get out a lot of bombs!

The final boss was Tiamat.

Me: Tiamat is going down.

We blasted him like in the REAL world of D&D and it was cool.

Everyone had fun.

Later we were done with the game.

Poliwag (to Poromon): I didn't like that you tried to sacrifice me!

Poromon: Hey, all's fair in Dungeons and Dragons!

Arixam: He's got a point.

Me: That's war for you. Sometimes you do whatever it takes to stay alive.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was Bajillia Naire, another of Lord Zedd's minions and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Bajillia Naire, another of Lord Zedd's minions and she's causing havoc.

WE GASPED!

Nico: So, now we're back to destroying Lord Zedd's minions.

Me: Looks like it.

Lincoln: And I've got an idea, we'll condemn Bajillia Naire to forced eternal servitude in The Masters of Evil after I absorb her and send her soul to Vypra.

Nico: That's an awesome idea, Lincoln.

But, needless to say, Drakus and Sebastian were pissed off.

Drakus: What?! Sending that miserable squid to The Masters of Evil, I'd rather kill her and send her to The Black Gates!

Sebastian Mendez: Yeah, I don't care if she's Squillia Naire's mother, I'd rather see said daughter suffer in anguish and hatred when we get rid of her mother!

Eli went up to and grabbed Drakus by the collar of his coat and Lincoln went up to and grabbed Sebastian by the collar of his coat.

Eli and Lincoln: Pardon us, but I must discipline the nanny goats!

Eli and Lincoln ran in opposite directions until they faced each other, and then… !

Drakus and Sebastian Mendez: OH, FOR THE LOVE OF… !

THEN, ELI AND LINCOLN THREW DRAKUS AND SEBASTIAN AND THEY BONKED THEIR HEADS TOGETHER AND THEY

CRASHED ONTO THE GROUND WITH BIRDS CIRCLING THEIR HEADS!

KRABLAM!

Me: Ooh, that's gonna leave a mark.

Nico: No kidding, but nice one. Drakus, we're not going to send Bajillia Naire to The Black Gates, so you and Sebastian better not get any ideas on trying to kill her behind our backs.

Me: OR ELSE!

X-Squad Cyclonus: Drakus won't, but Sebastian, we're not so sure, he has a history of dark malevolence and madness in his heart.

Qin: Oh, we'll keep an eye on him to make sure he doesn't try anything.

Nico's harem punched their fists together to make sure Sebastian got the message, as he growled like an angry dog and complied.

Nico: That's better. Alright, now, let's get after Bajillia Naire and take her down.

Lincoln: That evil squid isn't getting away that easily.

Nico: Nope.

Eli: I sense her on the planet Risa!

Rita Risa: Ooh! You guys are going to love my home planet Risa. It's so awesome.

Xenia: That is cool!

The previous group came.

Hank Scorpio: Can me, Hydros, Electropede, Gator Ghoul, Vulkanus, Brass Knuckles, Mojo Jojo, Copperhead, Top, and General Schwarz go with you guys?

Nico: Yes you all can come with us.

Rita Risa: Bajilla Naire is on my home planet causing trouble.

Hydros: Uh oh!

Nico: Yeah.

Driscoll: Nico, which Gene Slammer do you think you'll meet next?

Nico: Spiral Pegasus net.

Qin: Cool!

Me: Ooh that one is gonna be interesting.

Camie: It sure will.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Lynn, the most extremely feral and violent of the feral animal Packing Day version of Team Loud Phoenix Storm, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to the feral animal Packing Day version of Lynn, the most extremely feral and violent of the feral animal Packing Day version of Team Loud Phoenix Storm, and that rampaging animal is coming after us to pummel us with snowballs.

WE GASPED AND LINCOLN'S SISTERS AND PARENTS SCREAMED IN TERROR!

Me: HOLY SHIT, NOT THAT SNOW MONSTER AGAIN!

Nico: Is she just as bad as Lynn on Packing Day.

Lincoln: She's actually infinite-times worse than Lynn. Look.

Lincoln took out his sketchbook and we saw Lynn's feral animal Packing Day version, she looked like her on Packing Day, but with longer wilder unkempt chestnut brown hair, she has on a red coat with the sleeves torn off, red pants and black boots, and she was on all fours, and she has stink lines coming off her like crazy.

Nico: (GULPS) Mommy!

Luna: (SHRIEKS) DUDES, THAT VERSION OF LYNN IS EVEN MORE WORSE THAN LYNN WHEN SHE GOES FULL-BEAST MODE ON PACKING DAY!

Lori: Literally a full all-out monster!

MONSTROUSLY MEGA LOUD BELCH!

Me: And there's no mistaking that monstrously loud belch along with smelling her sweaty pits!

Levina Zeus: If this is a mega monstrous version of Lynn we're dealing with, we're gonna need the heavy artillery to deal with that fucked-up snow monster!

Me: Yep.

Nico: Oh, this is gonna end badly for her. Alright, gang, let's go, we're taking down Bajillia Naire.

Lincoln: And sending her to Vypra who's going to enjoy putting her through Hell, and once we get done with her, you're next, you monstrous beast.

Levina Zeus: All of the Packing Day nightmares we've had to endure because of you, so many of us were pummeled hard with snowballs because of you. I've had it up to hear with you for the last fucking time, I'm gonna tear you apart limb from limb and hang you by your smelly jockstrap!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Bajillia Naire and send her to Vypra, and once we get done with her, Lincoln and Levina Zeus along with me are going to destroy the feral animal Packing Day version of Lynn.

We went to the ship and we were off to Risa.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,621.1: The U.S.S. Valorous Phoenix is en route to the island paradise planet Risa not for vacation but to battle Bajillia Naire and send her to the M.O.E.

Hydros: I already called Ranamon to meet us there

Me: She'll love Risa. I heard it's really beautiful.

Rita Risa: You guys are going to love my home planet. It's known as one of the best Island Paradise vacation spots in the galaxy. And the sunset of the planet Twin Suns is absolutely breathtaking.

Nico: Wow! We may have to go there for some R&R.

Nicole: I agree.

RD Lola: Ok. I admit it's a good vacation spot. But let's not forget our mission

Nico: I know. Just pointing it out.

Xenia: Yeah.

Lisa Loud: We have arrived at our Destination.

Nico: Oh screen.

We saw that we were at the planet Risa and it was a beautiful planet.

Rita Risa: Home.

Me: WOW!

Nico: So that's Risa!

Gator Ghoul: You weren't kidding!

Nico: Lets land.

We got to landing and we got out and we saw that it was a BEAUTIFUL ISLAND PARADISE WORLD that is like Hawaii on steroids!

We were in awe!

Me: WOW! So this is Risa!

Nico: It's really beautiful!

Eli: Boy it's amazing!

Varie: When you said it was an island paradise world you weren't kidding how beautiful it was.

Rita Risa: Yeah it's home. And I missed this place.

Beelzemon: You sure did.

Luke Skywalker: It's like an island paradise version of Tatooine.

We saw the 2 suns.

Me: Wow the view of the twin suns is awesome.

Rita Risa: Just wait till sunset.

Nico: Boy Tatooine is a desert planet and Risa is an island paradise

world.

Nicole: It sure is.

Rita Risa: Yeah. But my home planet was not always like this. It was constantly plagued by torrential rainstorms and violent earthquakes that wreaked havoc on the planet.

Nico: Wow! That is scary.

Laney: Yeah no kidding.

Me: It went from Hell to Heaven. Because of a special stabilization device from what I remember.

Rita Risa: That's right. My people built that device to stop the rains and earthquakes and there hasn't been an instability like that since.

Brass Knuckles: All the more reason to make sure Zedd's plans don't destroy it.

Me: That is for sure.

Eli: I don't think Bajillia is after the entire planet. I think she's after something else.

Rita Risa: Hmm. (GASP) The Horga'hn!

Me: The Sacred Idol of Risa?

Rita Risa: That's right! It's Risa's most sacred treasure! It's the Symbol of Fertility here.

Nico: We got to stop her!

Eli: She's heading to the resort! 560 klicks to the west and moving fast!

Nico: Lets head over there.

We were off.

We landed at the Risa resort and it was an amazing hotel.

Lola: Wow! What a hotel.

Rita Risa: The Risa Hotel is the best hotel here on Risa. It's the reason why Risa is a popular vacation spot here.

Nico: That is awesome.

Rita Risa: Let me show you the planet's most sacred treasure,

We followed Rita and we saw Ranamon.

RD Sam Sharp: Hey Ranamon!

Ranamon: Hey there to y'all. This is a really amazing place.

Me: Boy it sure is Ranamon.

Rita Risa: Yep. This is my home planet and it's a very amazing island paradise world.

Nico: It's amazing.

Rita Risa: Yep. This is what Bajillia is after.

We saw Horga'hn.

Nico: So that's the Horga'hn.

Me: Just as amazing as I remember seeing it on TV.

Rita Risa: Yep this is a very important and sacred relic to everyone here on Risa. Including me because this was my home planet before I joined you all.

Nico: That is of great importance to you all.

Copperhead: Wait. You guys hear that?

Eli: More than here it! Look!

On the ocean on Jetski like crafts were the MEGAFORCE FOOTSOLDIERS - THE LOOGIES!

Me: Loogies!

Troy Burrows: This is gonna be awesome!

Copperhead: That's not all! Look!

We saw a red hair girl and she had red eyes and black clothes and black angel wings and had cat ears and a cat tail and a tiara with the symbol of Panuncian on it.

Me: (GASP) Poppy Panuncian!?

Nico: Oh man the Panuncian Embodiment!

Me: She's half Panuncian hence why she has cat ears and a tail and also she's from the planet Hathor!

Devon: My turn!

Devon charged at Poppy.

Devon smashed Poppy down with a powerful ramming move.

Troy: GO GO MEGAFORCE!

He transformed and was ready!

Nico: YEAH!

Poppy Panuncian: Help me J.D.

Poppy turned into Panuncian and charged at Ranamon!

She roared and formed clones.

Ranamon: (ECHOING) DARK VAPOR!

She formed a smokescreen.

Nico: WHOA!

Me: Hang on!

I fired an electron blast and it injected t he antidote into her.

Winx Club Stella: My turn!

She fired light blasts and blasted the Panuncian down and then the Antidote took effect and she was cured!

She had blue eyes again.

Poppy Panuncian: (GROANS) What? What happened? Where am I?

Me: You're on the planet Risa. But you were cured.

Poppy got up.

Poppy Panuncian: Thanks J.D.

Me: We're not done yet.

I fired waves of light and blasted the Loogies all over.

Carol fired a blast of Atomic Energy and the Loogies were all blown apart.

Nelson: HA HA!

Nico: Nice Nelson.

Eli: Now to go after Bajillia. I sense her on that island there.

He pointed to an island up in front of us.

General Schwarz: Are you okay, Poppy?

Poppy Panuncian: Yeah. I am now.

Nico: Good.

Dardemus: Let's use some jet skis to get there

Me: We can just fly there.

Dardemus: True.

Nico: Lets roll.

We were off.

Top: More Loogies up ahead!

Nico: Lets get them!

I fired waves of fire and energy and blasted them.

Nico fired energy blasts and blasted them.

Troy blasted the Loogies all over.

Anemone: Take this!

She blasted the Loogies all over!

Eli fired waves of Force Lightning and electrocuted them all over.

Nico: YEAH!

Me: Take that!

Mojo Jojo: Feel the genius of Mojo Jojo!

He fired a Star Ray blast and blasted the Loogies all over.

Nico: Take that too!

We blew them apart.

Me: Now for Bajillia.

Laxus: We're here.

Nico: Yep. And target sighted.

We saw in a clearing on an island BAJILLIA NAIRE!

Nico: There she is.

Xenia: She sure is ugly than what we saw on TV.

Zhalia: Entrance time!

We went at her.

Bajillia was wandering around.

Bajillia: Hmm. Haven't gotten texts from my daughter in a while.

But then the spirits of the rangers came and they swirled around her and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a phoenix cry was heard and then we came out.

Me: Bajillia Naire. Nice to finally meet you in person.

Bajillia Naire: The famous Team Loud Phoenix Storm.

Zayto: Nice day to kick your ass, isn't it?

Bajillia Naire: Manners cost nothing, Team Loud Phoenix Storm. A 'please' wouldn't go amiss.

Lincoln: (growls) Well, we aren't too PLEASED about you being involved in Zedd's plan to destroy all good. So, my advice? Come quietly before we fucking change our minds and send you to the Black Gates!

Bajillia Naire: Oh, come now, Lincoln Loud! If you and your friends really want to fight me so badly, you only had to ask!

Me: Well who are we to deny that? Also we were not really happy that you turned Ollie against us.

Nico: Yeah! You really pissed us off back then.

SEIZA CHANGE!

Kyurangers: STAR CHANGE!

They transformed!

Bajillia Naire: It looks like I need to teach you all some respect.

Nico: (scoffs) Like you can teach us anything.

Me: We're going to be the ones that teach YOU something. After we kick your ass into oblivion!

I fired waves of energy and blasted her all over!

She was blasted all over the place and fiery explosions rang out from the blasts.

Lucky: Time to Test your luck!

Me: And it's just run out!

Bajillia Naire: Come on! There's always something that can be learned! Let's start with 'Getting your asses kicked 101'.

Me: No thanks! We already covered those basics!

I teleported and kicked and pulverized and smashed and punched her all over with incredible speed and power.

I kicked her down!

Ben turned into Feedback.

Ben: FEEDBACK!

He fired lightning blasts and electrocuted her!

Feedback: Electropede, mind filling me with juice before I do a combo?

Mortal Kombat Scorpion: Great spot for a vacation

Stratos: You said it.

Ice Demon: (to Nico) We heard you fought another Evil Double D.

Nico: We sure did. But it was his Akuma form.

SkullMeramon (to Mizore): I hope you take care of that Mega Articuno

Mizore: Oh I will.

Nico: Awesome.

?: Great!

A figure came and it was SPLITFACE from episode 16 of Samurai

---

Splitface is a Mouth/Spirit Stealing themed Nighlok who can steal people's spirits and if people don't return their souls until the sunset, they will disappear forever. He serves as the main antagonist of the episode "Team Spirit".

He is voiced by Simon McKinney who previously voiced Dyna Bot from RPM and later voiced Phonepanzee from Ninja Steel.

Splitface is one of Nighloks. He possesses the ability to steal spirits of people and if people don't return their souls until the sunset, they will disappear forever. In the sixteenth episode Splitface arrived at the Junk of Master Xandred and offered Octoroo and Dayu to increase level of Sanzu River by stealing people's souls and making their loved ones cry.

Splitface attacked Panorama City and stole souls of office workers. Then he encountered Power Rangers. Splitface wielded sword in battle, could fire energy blasts, separate his body on balls, which he was made of and attack enemies in this state. During the battle he stole soul of Emily. Splitface told rangers that only by defeating him they could return souls of people and their fellow friend, but he will return to the Underworld and they will never defeat him. Samurai Rangers again tried to battle him, but unsuccessfully.

During the battle Antonio marked the monster with a Claw Symbol, which allowed them to reach monster. Splitface left and returned to the Underworld on the junk and told his fellow Nighloks that soon Sanzu River will increase, as people, whose souls he stole, will die and their loved ones will cry for them. However Antonio found a way to summon Splitface back to the human world.

Due to mark of Claw Zord on the monster, Antonio could dragged the villain like a magnet. Rangers used powers of their symbols and activated Claw Zord, who dragged Splitface to the human world like a magnet. Splitface was surprised by his teleportation and again battled heroes. Now he couldn't separate his body and rangers used their weapons and battled him. Villain was destroyed by Fire Smasher.

Then he returned as Mega Monster and Antonio formed Claw Battlezord and battled the villain. After Antonio gained upper hand, Splitface summoned giant Moogers, but Antonio attacked them with Claw Disks. Then Antonio transformed zord into Claw Battlezord East. Antonio battled Moogers, but he was hard, so Jayden, Kevin and Mike used their powers and formed Samurai Battle Wing and defeated Moogers. Then Antonio transformed his Zord into Claw Battlezord South and defeated Moogers. Then Gold Ranger balled Splitface and used his double katana to injure monster and then Splitface was destroyed by the final strike of Claw Battlezord East. After his death, all of the spirit's he stole were returned.

Splitface later attended a Halloween party at the Nighlok Heaven where he recounts his battles with the Samurai Ranger.

---

Emily: SPLITFACE!

Splitface: Been a while rangers!

Me: I remember you Splitface! You stole the souls of loved once and made people cry! Also those people that lost their souls would die by sunset!

Splitface: That's right! Good memory.

Me: Yep.

Kate Lloyd: Your name sounds very similar to the Thing that was Adam and Edvard.

Me: That fucking scared the shit out of me!

Nico: No kidding!

Splitface: It does sound similar doesn't it.

Nico: Yep.

Splitface: (to Jack) Consider this a warmup for your mission with Luna and Marina tomorrow

Samurai Jack: Looking forward to it.

Me: Me too.

Nico: Yeah! Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway!

Lincoln and his harem: MEGAFORCE FINAL SMASH: MEGAFORCE ZORD BLAST!

They fired Ki blasts based on the Zords of Power Rangers Megaforce at Bajillia Naire and they slammed into her and exploded, but she won't die from the final smash. she wound up getting really big boo-boos.

Then, Lincoln tied Bajillia Naire up and he opened a portal that led to The Masters of Evil, and then, he kicked Bajillia Naire in the butt and she flew in and wound up in The Masters of Evil, and when she saw Vypra, she was in trouble as the portal closed.

Nico: Bajillia Naire, you have failed this whole universe!

Me: And the campaign against Lord Zedd and Rita Repulsa has just begun!

Lincoln: You said it. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Lynn. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Lynn's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY MEGA LOUD BELCH!

Suddenly, the twelve large planets orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the stench of B.O. and sweaty pits from anywhere, come on out now, feral animal Packing Day version of Lynn, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Lynn, and she's the most extremely feral and violent of the feral animal Packing Day version of Team Loud Phoenix Storm.

Zayto: That's the feral animal Packing Day version of Lynn?!

Me: Yeah, and I dealt with her years ago before Winter Break, and she was a monster.

Feral Animal Packing Day Lynn: (ROARS)

Lynn's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Levina Zeus: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Levina Zeus' purple eyes turned neon purple and she was surrounded by a yellow and purple energy aura with stars, bolts of lightning, yellow light, paints, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Lynn's feral animal Packing Day self, she left yellow and purple energy, stars, bolts of lightning, yellow light, paints, phoenixes, and angels with every step.

Levina Zeus: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that you let out when you go psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Levina Zeus was surrounded by a massive vortex of yellow and purple energy, stars, bolts of lightning, yellow light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Thunder flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Lynn's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Levina Zeus emerged, but she was changed forever.

Lincoln, Levina Zeus, and I went after Lynn's feral animal Packing Day self, and we fired extremely powerful blasts of rainbow energy, yellow and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Lynn's feral animal Packing Day self, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Levina Zeus also did the same by firing yellow and purple energy slashes from her massive greatsword, and he, Levina Zeus, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Lynn's feral animal Packing Day self even more madder and even more insane with rage as she let out another bellowing roar of rage.

Suddenly, Lynn turned the tip of one of my eleven massive and long chestnut brown wolf tails into Cell's stinger that opened up into a large sucker and she plunged it onto her feral animal Packing Day self's head and she was unable to fight back. Then, she sucked her into her body and absorbed her as the stinger changed back.

Suddenly, we felt Lynn's power and energy rising astronomically, and then… !

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LYNN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT, AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE DRAGON, PHOENIX, AND ANGEL! IT CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE DRAGON, PHOENIX, AND ANGEL WENT BACK TO EARTH AND LYNN GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Lynn was surrounded by a massive vortex of rainbow energy with stars, earth, lava, fire, and four erupting volcanoes surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a scarlet red phoenix!

Luna: HOLY GREAT BALLS OF FIRE!

Eli: WHOA!

Suddenly, The Unity Crystals on my J.D. Knudson's Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix God Angel Justice glowed with very intense brightness and The Unity Crystals on Lincoln's massive Lincoln Loud's Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Greatsword of Cosmic Eternal United Friendship Almighty Hinon True Eternal Friendship Universal Cosmic Storm Phoenix God Angel Universal Hope Elemental Cosmic Heavenly Bravery and True Unbreakable Eternal Bonds and True Immortal Heroism glowed with very intense brightness, and then, The Unity Crystals fired a beam of light into Lynn's massive Lynn Loud's Cosmic Eternal Almighty Guabancex Volcano Athletic Firestorm

We were really amazed by Lynn's Super Angel-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lightning saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Lynn: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Guabancex Firestorm Athlete Volcanic Rage Draconic Phoenix God Angel and Divine Cosmic Eternal Harmony United Friendship Almighty Guabancex Firestorm Athlete Volcanic Rage Draconic Phoenix God Angel Love) (GASPS) Whoa, now I've ascended, that's awesome!

Everyone cheered wildly for what Levina Zeus, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Levina Zeus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large yellow and purple planets orbiting around her legs, and massive yellow angel wings are permanent, and Lynn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long chestnut brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve yellow and purple planets orbiting around her legs, and massive chestnut brown angel wings and medium sized angel wings underneath are permanent.

Levina Zeus: That's it for that animal. Thanks for helping me take down Lynn's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Levina.

Me: My pleasure, Levina.

Suddenly, Levina Zeus wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Levina Zeus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Weather Painter Thunder flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and yellow lights behind them and we cheered wildly. Then, Lincoln and Levina Zeus sucked in and absorbed the elemental forces and yellow lights and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Levina Zeus and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Lynn a lesson she'd never forget.

Luan: And Lynn absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who's the next Shadow Dragon Avatar and Daughter of The Celtic Gods and Goddesses we're meeting on your rescue tomorrow?

Sabrina Morrigan: I've got just the person, but she's not a daughter of The Celtic Gods and Goddesses: her name is Phoebe Phthisis, Avatar of Haze Shenron and Phthisis, Roman Goddess of Decay, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Decay with extremely incredible and massively powerful powers over the forces of rot and decay, and summoning creatures of rot and decay, along with powerful black magic arts and dark magic arts, along with being born with purple angel wings, and just like Shanan Haze Shenron, Phoebe Phthisis has all the powers and abilities of Haze Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Haze Shenron and Phthisis, Roman Goddess of Decay, and she really trained him hard in everything that she knows in using the powers of rot. She's made tons of villains rot and decay whenever they try to piss her off. Lincoln made her a beautiful necklace and an awesome neon blue lightning greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Phoebe Phthisis hates Hawk, Hank, Chandler, Flip, Scoots, and all the other jerks with a blazing passion because of what they've done and she even clobbered them after she found them trying to kill Lincoln again, and she swore that if she ever saw them, she would fire blasts of dark rot and decay and it'll turn them into rotting and decaying corpses.

Nico: Whoa!

Me: I've heard of Phthisis, being the Roman Goddess of Decay, she's one goddess no one dared to anger.

Lincoln: You said a mouthful.

Selina Morrigan: We still remembered what Phoebe did to a group of thugs back in Ireland.

Sabrina Morrigan: I could still hear their screams even to to this very day, and angering her will lead to their demise.

Suddenly, the special alarm on our wrist computers on our left Bracers rang, and it showed that Sebastian's curse on Rita Repulsa and Lord Zedd has gone up as the Roman Numeral nine has lit up.

Me: And another day down means the curse has risen even more.

Lincoln: I can guess they're suffering extreme pain.

We found out Lincoln was right: Rita Repulsa and Lord Zedd were screaming in pain, and they can't do anything about it.

Marluxia: All that's left is Rita and Zedd.

Black Knight Ghost: And whoever their mysterious ally is.

Puppetmon: We'll find that out eventually.

Count Spankulot: And he will be punished for being bad!

Me: Absolutely!

David Cain: Let's celebrate on this planet.

Nico: Good idea. Great job today everyone.

Lucky: (To the viewers) Part 9 is done. This was awesome.

Me: Yep.

I looked to the sky and knew that Rita and Lord Zedd's deaths were coming.

Me: Get ready Lord Zedd and Rita, (EYES GLOW RED) We're coming for you. You have had this coming for 30 years.

We celebrated and had a good time and then went back home and enjoyed the rest of the day and went to sleep.

TO BE CONTINUED…

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Mexico City, but we got bad news: an old friend friend of Luna and Sol Rodriguez named Miguel Álvarez and his wife and his son and daughter are being tormented by a demon and Miguel's been suffering from one horrible attack to another by the entity. But, we're going to find out that the demon was summoned by his parents who've tried to get rid of him for years because of the simple fact that they hated him since the day he was born and when they found out he'd gotten married and had kids along with a successful life, they went mad with wrathful hate and abominable jealousy, and in their wrathful hatred, they used Spanish dark magic and they summoned the demon to bring death and destruction to them. So, we're going to save Miguel and his family and banish the demon back to Hell, and then, we're going to find his parents and make them suffer for what they did in their wrathful hatred and abominable jealousy. And we're going to meet Phoebe Phthisis, Avatar of Haze Shenron and Phthisis, Roman Goddess of Decay, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Decay with extremely incredible and massively powerful powers over the forces of rot and decay, and summoning creatures of rot and decay, along with powerful black magic arts and dark magic arts, along with being born with purple angel wings, and just like Shanan Haze Shenron, Phoebe Phthisis has all the powers and abilities of Haze Shenron. Me: Boy I wonder what this mysterious planet is going to be like.

Camie: You think it might be a food planet?

Nico: We'll find out when we get there.

Lola: But we're really looking forward to this one.

Lana: I'll say.

Nico: Yep.

Supremacy Sun: We're ready for it.

Nico: Supremacy Sun, I want to thank you, Ring Ring, and your tams for coming

Supremacy Sun: My pleasure Nico. The Legendary Planets and myself will be a big help to you all.

Tripper Mercury: We sure will.

Lola: Yeah.

Nico: Tripper Mercury, what do you like to do in your free time?

Tripper Mercury: In all honesty I haven't thought about it. I have been so busy with all kinds of things that I haven't thought about it. But if I do, I would like to learn more about the planets me and my fellow Legendary Planets represent.

Xenia: That is cool.

Splendid Venus: It sure is. And we all feel the same way ourselves.

Supremacy Sun: And me too with the sun.

Nico: That is cool.

Laney: It sure is.

Nico: Well, there are lots of places to research about that.

Me: Yep.

Qin: Plenty.

Camie: Yeah.

Despair Uranus: That is true. And it'll be fun.

Big Saturn: It sure will.

Camie: Yep.

Nico: Yep. Man yesterday was awesome.

Lincoln: Yeah and Rita's planet was cool.

Rita Risa: Glad you guys loved my home planet.

Nico: It's a good vacation spot.

Me: Yep. And that is going to be the most awesome spot for the anniversary of the battle with Opaline.

Nico: Oh man! I forgot that was almost one year ago. Perfect idea.

But also we took down Bajillia Naire there.

Xenia: Yep. That was so cool.

Nico: It sure was.

Maria: Wasn't expecting the jetskis.

Me: Well when you live on an island planet like that it's the only form of transportation there.

Maria: True.

Nico: Yep. By the way J.D. did you warn Zordon?

Me: Yes I did. I told him everything about what Lord Zedd is planning and he was shocked. Same with Alpha.

---

I came into the Command Center in Angel Grove.

Zordon: Greetings J.D.

Me: Hello Zordon.

Zordon: You have been doing really well against Lord Zedd and his forces.

Me: Thank you Zordon. But I'm afraid I didn't come here to tell you our progress. I came here because we found out what Zedd was planning and it's big.

Zordon: My sensors indicate that whatever it is he is planning is not good.

Me: It's NEVER not good with him. Lord Zedd is building a bomb that will destroy all the Good across the entire Multiverse and he is going to rule over it all in his name only.

Alpha 5: AY YI YI YI YI! This is not good at all!

Me: But if that fails he's going to destroy all of Angel Grove like he tried to do back 27 years ago with Serpentera.

Alpha 5: AY YI YI YI YI! That's even worse!

Zordon: This is most grave news indeed.

Me: We've taken necessary precautions and needs for that. We made these Subatomic Ioo Disintegrator Ray guns that will destroy the bomb. And Lord Zedd doesn't know that I have his own Zord Serpentera as my own.

Alpha 5: We must evacuate all of Angel Grove immediately!

Me: No Alpha. If we do that Zedd will launch an early attack. We can't take that chance.

Zordon: J.D. is right Alpha. It'll giveaway his plan and detonate the bomb sooner. J.D. be careful out there. You must destroy Zedd at all costs or the entire mutiverse is finished.

Me: No need to tell me twice. But we're going to be ready for him. I got 30 years of payback to dish out on him.

Zordon: Good luck J.D.

Me: Won't need it.

I left.

FLASHBACK ENDS

Nico: Wow! Good work J.D.

Eli: At least now Zordon is aware of what Zedd is planning.

Nico: We're going to tell all of Angel Grove to hide in any shelters they can find

Qin: Good idea.

Tommy Oliver: We won't let Zedd cause problems anymore.

Me: Yeah no kidding.

Qin: He almost destroyed Angel Grove back 27 years ago with Serpentera and almost succeeded.

Nico: But thankfully they stopped him.

Lola: No kidding.

Nico: I'll send an emergency message to the mayor of Angel Grove when we get back.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a pure white planet and it was as white as a snowball.

Maria: Here we are!

Nico: Wow! It looks like an ice planet from up here.

Nicole: It sure does.

Shanan: But this is unlike any kind of planet we've seen.

Nico: Lets get to landing.

We went and did so.

We got out and saw that it was a TOTALLY BLANK PLANET! It was ALL WHITE! No clouds, landscape, nothing! IT WAS ALL BLANK!

Nico:… nothing. There's nothing!

Qin: It's all blank!

Xenia: This is really weird! A planet that is completely empty!

Nico: Yeah!

Sunset Shimmer: Aw man!

Lincoln: There has to be some form of life! SHOW US!

He punched the ground and then flowers suddenly appeared like magic!

WE GASPED!

Eddy: How are we supposed to eat any of this?!

Nico: Wait look!

We saw the flowers Lincoln inadvertantly made.

Me: I think this is a place where we can make our OWN world!

Nico: Cool!

Laney: Like a giant artist canvas!

Nico: AWESOME!

Me: Lets see. How about this world has an orange sky with 3 moons and 3 suns?

Then almost instantanously everything I said appeared! There was 3 red suns and 3 moons in an orange sky!

Nico: Okay what else?

May: How about amazing tall and jagged mountains covered in flowers?

Then a rumble was felt and NUMEROUS TALL MOUNTAINS came and they were FULL of flowers!

Nico: Beautiful!

Laney: WOW! Trees full of life and full of forests and life.

THEN NUMEROUS TREES APPEARED LIKE MAD!

Nico: COOL!

Qin: WHOA!

Me: Lets see. How about some lakes that are crystal blue and clear and full of fish and mermaids.

Lakes then appeared and it was blue and beautiful and full of fish and mermaids!

Nico: WOW!

Maria: The Possibilities are endless!

Me: Yeah! How about beautiful rivers, waterfalls and streams around the world.

Those appeared too and it was beautiful!

Lana: Wait I got an idea!

Lana used her imagination and made a beautiful mansion appear along the lake.

Nico: WHOA!

Me: One thing for the sky. A Saturn planet for what the planet Orbits around.

Nico: Good idea.

A planet of that description then appeared and it was awesome!

Qin: WOW!

Nico: YEAH!

Varie: Crystal towers around the landscape.

Crystal Towers then appeared of so many colors.

Fluttershy: Birds and all kinds of creatures.

Birds and many creatures of all kinds came!

Eddy: So far so good!

Me: How about a beautiful and magnificent castle and kingdom next to the lake?

Then said castle and kingdom came and it was amazing! It looking like Neuschwanstein Castle in Germany and Cinderella's castle.

Nico: WOW!

Qin: Beautiful castle!

Varie: Yeah!

Rainbow Dash: Clouds next.

Then clouds appeared.

Nico: Nice!

Me: Hmm. I know!

I used my imagination and made a huge hometree like the ones on Pandora. It was amazing and tall!

Qin: WHOA!

Camie: WOW!

Nico: Looking good so far!

Me: Yeah!

Eli: Hmm. I wonder. Lets have amazing rock formations in the mountains.

Rock Formations appeared and were amazing and they were beautiful!

Nico: Cool!

Shanan: Boy this is a world that is perfect for me! I'm an artist myself! It's everything I've dreamed of!

Sunset Shimmer: It sure is awesome!

Laney: Me too!

Nico: Anything else?

Me: Hmm. How about treehouses for every kid ever here and it's a perfect utopia for kids of all ages.

Everything happened.

Numbuh 1: Wow! It's so perfect.

Numbuh 362: It's amazing.

Camie: It sure is.

Nico: It's perfect! Wow!

Laney: It sure is!

Maria: Amazing!

Qin: Yeah!

Xenia: Boy this is so amazing!

Lola: Yeah! A perfect Utopia for all kids everywhere.

Nico: Yeah!

Numbuh 1: This would be a perfect world for all kids and no adults.

Me: Yeah.

Numbuh 1: No evil adults, that is

Me: Yep.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that's really going to be one hilarious fight: we got word that a clone of The Red Guy has been sighted.

Me: Wait, what?!

Nico: Vypra told me about that, and I was really stunned, but she told me it wasn't Lord Zedd who did this, this was Rita Repulsa's doing. Also, we got another problem.

Nico formed a portal and dragged Sebastian out, but he was tied up in chains and had a cloth wrapped around his mouth and he was thrashing like a madman.

Qin: We also found out Sebastian went behind our backs and he made a clone of The Red Guy for Rita Repulsa to send out to cause havoc.

WE GASPED!

Lori: We were literally pissed at Sebastian, so we pulverized him and tied him up.

Nico: I warned him that if he didn't control himself, I was gonna kick him out of the team.

Lincoln: And I was not only going to strip him of his powers, but I was also going to finish what my Guardian Angels started with him and end him, and this time, send him straight to Hell for good.

Phoenix Shimmer: It's not only that, Dad, but many of us have also been viciously attacked by Sebastian, he punched us hard in the nose, punched you and Uncles J.D. and Nico hard in the stomach but broke his fists and punched you three hard in the nose which you three recovered from thanks to your regeneration factors, he purposefully locked the cupboards in the kitchen and the fridge and denied us of food and water, and he was laughing with utter cruelty and malice at all of us.

QIN AND THE REST OF NICO'S HAREM ALONG WITH LINCOLN'S HAREM AND GUARDIAN ANGELS AND MY HAREM SNAPPED AND SCREAMED OUT VIOLENT DEATH THREATS AT HIM, AND QIN WAS THE LOUDEST!

QIN: YOU SADISTIC MONSTROUS, VIOLENT, EVIL, CRUELTY-CRAZED, BLACK-HEARTED OUT OF CONTROL FUCK! YOU HAVEN'T CHANGED AT ALL, YOU'RE STILL THE SAME

MONSTROUS ASSHOLE FROM BEFORE, I'M GONNA RIP YOUR FUCKING HEAD OFF AND TEAR YOUR BLACK HEART OUT OF YOUR HEADLESS CORPSE AND MAKE YOUR SEVERED HEAD EAT IT!

Suddenly, Lincoln noticed two shining objects on Sebastian.

Lincoln: Wait, what's this?

Lincoln removed the objects, and we saw that they were chips: one of them was a Malevolent Chip Lord Zedd put on him years ago and the other was a missing Rebellion Chip put on him by the since deceased Audrey Madison years ago as well, and Sebastian was calm once more.

Lisa Loud: Sweet Neutrons! The first chip Lincoln removed is a Malevolence Chip and it has the symbol of Lord Zedd!

WE WERE HORRIFIED!

Qin: A Malevolence Chip?!

Lincoln: But, this wasn't recent, this must've been from when he killed Rachel Carrington years ago and brought her body to Lord Zedd and Rita Repulsa, and Lord Zedd put that chip on him since he knew Sebastian would try and back stab and kill him and Rita Repulsa to slake his thirst for blood.

Qin: And the second thing you removed was one of Audrey Madison's Rebellion Chips, she also knew that he had ties with Nico and I. Which means you weren't the first to fall victim to that slut's Rebellion Chip.

Nico: That bastard!

Nico removed the chains and gag.

Sebastian Mendez: (Groans) What… happened?

We explained everything, and Sebastian was furious.

Sebastian Mendez: So… , that's why I still remained that malevolent and I tried to kill you guys once more. Lord Zedd, you're absolutely despicable, and I should've known that slut was also behind that.

Nico: Yep, and she tried to do that to Lincoln as well, but Kurumu removed that Rebellion Chip from him last year and we sent that slut, her treacherous and evil parents, and her equally sadistic and monstrous brother to The Black Gates.

Sebastian Mendez: Though that slut and her family are gone for good, Lord Zedd's still out there. When we face him, I'm gonna kill him myself. (Formed a malevolent black sword made of black fire and malevolent darkness) All the malevolence and evil left over because of my Dark Side still resides in me, but I'll use it to kill him for good.

The sword disappears.

Me: Alright, let's get after that clone of The Red Guy and kick his big red ass!

Nico: Now, you're talking, let's get that buttwalker.

Me: Sebastian are you okay?

Sebastian Mendez: Yeah I just have the worst ever headache.

Lola: At least you're back to normal.

Camie: Yeah.

Sebastian Mendez: Damn that Zedd. I will mount his head on a pike for this.

Silverstream heard a Pokemon cry.

Silverstream: Look here!

We saw a Shiny Rapidash!

Me: Whoa a Shiny Rapidash!

Xenia: Wow!

It was a Rapidash with blue fire.

Shiny Rapidash: (Groans)

Me: Are you all right?

Shiny Rapidash: I got bumped down by that pantsless jerk.

Me: That stupid pantsless buttface.

We got to healing it.

Nico: You okay now?

Shiny Rapidash: I am now. Thanks.

Silverstream: May I get on you?

Shiny Rapidash: Sure.

She got on Shiny Rapidash and it was cool.

Me: Wow!

Twilight Sparkle: That is amazing. Now Silverstream has an amazing Rapidash.

May: Like my Rapidash too.

Nico: Lets get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for The Red Guy clone) AHA! Gotcha! I just spotted the clone of that buttwalker, he's 20 yards away and he's causing trouble.

Nico: Let's tear his red ass apart.

Lincoln: Just like I did to him last year. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility,

blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of The Red Guy.

We were flying around, and then, we saw the clone of The Red Guy causing havoc and laughing maniacally.

Me: There's the clone of that buttwalker!

Lincoln: Let's give him a nasty little surprise.

Lincoln made an army of skunks appear and they surrounded The Red Guy clone, and then, as they raised their tails… !

THEY SPRAYED HIM SO HARD, THE RED GUY CLONE LITERALLY SMELLED LIKE A CITY CESSPOOL! P.U.!

FOGHORN SOUND!

We landed and we burst out laughing hysterically!

Me: WHEW! MAN, YOU STINK! SOMEONE OPEN A WINDOW!

Ed: WHO STEPPED ON A DUCK?!

Nico: That was a stinky surprise, Lincoln. (Smirks) But, so is this!

Nico threw a specially enhanced El Mongo Stink Bomb, and it exploded and The Red Guy clone literally smelled even worse! TRIPLE P.U.!

Luna: P.U.! Dude, was that the enhanced El Mongo Stink Bomb Lincoln used on Matt's former brother and sister?!

Nico: Yep! But, I added more of Lynn's smelly socks to the mix.

Eddy: P.U.! Did something crawl on him and die?!

Me: YEAH! It smells like something crawled in your brain and died! Not that you had one.

The Red Guy clone growled ferociously!

Red Guy clone: Also, adding all this stuff is a little overkill, don't you think?!

Me: Not if we want to kick your butt!

Supercow then came!

Supercow: SUPERCOW AL RESCATE!

She jumped the Red Guy Clone and bashed and pulverized him bad!

BAM BAM BAM BAM BLAM SMASH WHAM BIFF CRACK WHOMP POW!

Nico: Take that!

POW!

I punched the clone in the face and smashed his teeth out!

Shiny Rapidash charged at him and bashed him with a powerful buck! Then fired a wave of blue fire and the blasts hit him and smashed him all over!

Red Guy Clone: (Groans) That wasn't so bad.

Me: Actually it's GOING TO GET WORSE!

Me and Nico bashed and smashed and pulverized him all over!

KROW CRACK SMASH WHAM!

Red Guy Clone: (Groans) (Dazed) I take that back. This is REAL bad.

Gi got out the Water Sword of Gaia

Gi: This will be funny! WATER STYLE: WHIRLPOOL SPIN STORM!

She fired a wave of wave and it spun the Red Guy clone around and it made him sick! He then threw up all over Nico!

Nico: OH SICK! YUCK!

He was enveloped in a huge ice crystal structure!

Flare Corona got out the Fire Sword of the Flaming Sun

Flare Corona: Here I'll get you out. FIRE STYLE: FLAME HEAVEN STORM!

Baihumon: That was awesome! WIND STYLE: WESTERN TIGER BLAST!

He fired waves of wind and slashed him all over the place.

Nico: Nice!

Me: So is this!

I teleported and farted in his face!

SUPER MASSIVE FART!

Meg: Nice one!

Thetis got out the Sword of the Whirlpools of Umi III

Thetis: This will spin you all over! WHIRLPOOL STYLE: WHIRLPOOL TORNADO DRENCH!

She fired waves of water and spun him all over in a whirlpool and drenched him.

Layla Williams got out the Life Scythe of the Circle of Life

Layla Williams: The Circle of Life is everywhere! LIFE STYLE: LEAVE STORM SLASH STORM!

She fired waves of leaves and grass and blasted the Red Guy Clone all over the place.

Xenia: YEAH!

Red She Hulk got out the Sword of the Black Kingdom

Red She-Hulk: This will be good. KNIGHT STYLE: KNIGHT BRIGADE BLAST!

She fired waves of energy and blasted the Red Guy Clone all over!

Qin: YEAH!

Xenia: That was awesome!

Yae got out the Wood Sword of the Wood Element

Yae: Time to grow and slash! WOOD STYLE: WOOD SLASHER BRANCHES!

She stabbed the ground and grew trees and they slashed the Red Guy all over.

Xenia: YEAH!

Camie: Nice one!

Lucy Heartfilia got out the Star Sword of the Celestial Zodiac

Lucy: Your Horoscope is one of buttkicking! ZODIAC STYLE: STORM OF SAGITTARIUS!

She fired a storm of Arrows and blasted him.

Nico activated Count Spankulot's ridewatch!

Nico: (Transylvanian Accent) THOSE WHO BREAK THE RULES ARE BAD AND MUST BE PUNISHED! PREPARE TO FACE THE STINGY WRATH OF COUNT SPANKULOT! (EVIL LAUGHTER)

Nico then grabbed the Red Guy and spanked him hard!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Me: OUCH!

Palutena got out the Sword of the Light of Skyworld

Palutena: THis will be enlightening! LIGHT STYLE: SKYWORLD LIGHT BURST!

She fired light blasts and blasted him all over.

Xenia: YEAH!

Poromon: Let me see if the beer man I imagined can help!

Poromon did so and out came NUMEROUS POROMONS!

Qin: WHOA! A POROMON SWARM!

Pinkie Pie: OOH! ME TOO!

Pinkie Pie formed the PINKIE SWARM!

Pinkie's: FUN FUN FUN FUN FUN FUN!

Applejack: NOT THIS AGAIN!

THey went over and bashed and blasted and smashed the Red Guy

Poromon: Wait. I wanted the beer man I made a few days ago to come to life!

Then the Beer Man came to life like he said and it pulverized and smashed the Red Guy.

Poromon: That's more like it!

Qin: Yeah!

American Dad Roger Smith: I got an idea for backup! How about a man made of cocaine?

He summoned a man of cocaine and it bashed the Red Guy clone all over.

Qin: Take that!

Camie: YEAH

American Dad Roger Smith: (to the cocaine man) Well, you'll have to vanish now. Don't want J.D. and the rest to be annoyed by you.

He understood and vanished.

Xenia: Nice one.

Camie: Take that.

Stan Smith: You did the right thing, Roger.

American Dad Roger Smith: Thanks Stan.

I punched and pulverized Red Guy all over.

One of the Poromon clones drooled.

They bashed and pulverized the Red Guy all over.

Nico: Take that! And Poromons no cocaine for sure.

Poromon: (to Poliwag) You know what to do after this.

Poliwag got out a shotgun and cocked it

Me: Wait! This is a painting planet.

Poromon: Oh right. Just do this.

He had the clones disappear. Same for Pinkie.

Some of the clones stayed though.

Me: That was funny though.

Nico: Yep.

Nico: I warned him that if he didn't control himself, I was gonna kick him out of the team.

Lincoln: And I was not only going to strip him of his powers, but I was also going to finish what my Guardian Angels started with him and end him, and this time, send him straight to Hell for good.

Phoenix Shimmer: It's not only that, Dad, but many of us have also been viciously attacked by Sebastian, he punched us hard in the nose, punched you and Uncles J.D. and Nico hard in the stomach but broke his fists and punched you three hard in the nose which you three recovered from thanks to your regeneration factors, he purposefully locked the cupboards in the kitchen and the fridge and denied us of food and water, and he was laughing with utter cruelty and malice at all of us.

QIN AND THE REST OF NICO'S HAREM ALONG WITH LINCOLN'S HAREM AND GUARDIAN ANGELS AND MY HAREM SNAPPED AND SCREAMED OUT VIOLENT DEATH THREATS AT HIM, AND QIN WAS THE LOUDEST!

QIN: YOU SADISTIC MONSTROUS, VIOLENT, EVIL, CRUELTY-CRAZED, BLACK-HEARTED OUT OF CONTROL FUCK! YOU HAVEN'T CHANGED AT ALL, YOU'RE STILL THE SAME MONSTROUS ASSHOLE FROM BEFORE, I'M GONNA RIP YOUR FUCKING HEAD OFF AND TEAR YOUR BLACK HEART OUT OF YOUR HEADLESS CORPSE AND MAKE YOUR SEVERED HEAD EAT IT!

Suddenly, Lincoln noticed two shining objects on Sebastian.

Lincoln: Wait, what's this?

Lincoln removed the objects, and we saw that they were chips: one of them was a Malevolent Chip Lord Zedd put on him years ago and the other was a missing Rebellion Chip put on him by the since deceased Audrey Madison years ago as well, and Sebastian was calm once more.

Lisa Loud: Sweet Neutrons! The first chip Lincoln removed is a Malevolence Chip and it has the symbol of Lord Zedd!

WE WERE HORRIFIED!

Qin: A Malevolence Chip?!

Lincoln: But, this wasn't recent, this must've been from when he killed Rachel Carrington years ago and brought her body to Lord Zedd and Rita Repulsa, and Lord Zedd put that chip on him since he knew Sebastian would try and back stab and kill him and Rita Repulsa to slake his thirst for blood.

Qin: And the second thing you removed was one of Audrey Madison's Rebellion Chips, she also knew that he had ties with Nico and I. Which means you weren't the first to fall victim to that slut's Rebellion Chip.

Nico: That bastard!

Nico removed the chains and gag.

Sebastian Mendez: (Groans) What… happened?

We explained everything, and Sebastian was furious.

Sebastian Mendez: So… , that's why I still remained that malevolent and I tried to kill you guys once more. Lord Zedd, you're absolutely despicable, and I should've known that slut was also behind that.

Nico: Yep, and she tried to do that to Lincoln as well, but Kurumu removed that Rebellion Chip from him last year and we sent that slut, her treacherous and evil parents, and her equally sadistic and monstrous brother to The Black Gates.

Sebastian Mendez: Though that slut and her family are gone for good, Lord Zedd's still out there. When we face him, I'm gonna kill him myself. (Formed a malevolent black sword made of black fire and malevolent darkness) All the malevolence and evil left over because of my Dark Side still resides in me, but I'll use it to kill him for good.

The sword disappears.

Me: Alright, let's get after that clone of The Red Guy and kick his big red ass!

Nico: Now, you're talking, let's get that buttwalker.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and

they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for The Red Guy clone) AHA! Gotcha! I just spotted the clone of that buttwalker, he's 20 yards away and he's causing trouble.

Nico: Let's tear his red ass apart.

Lincoln: Just like I did to him last year. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of The Red Guy.

We were flying around, and then, we saw the clone of The Red Guy causing havoc and laughing maniacally.

Me: There's the clone of that buttwalker!

Lincoln: Let's give him a nasty little surprise.

Lincoln made an army of skunks appear and they surrounded The Red Guy clone, and then, as they raised their tails… !

THEY SPRAYED HIM SO HARD, THE RED GUY CLONE LITERALLY SMELLED LIKE A CITY CESSPOOL! P.U.!

FOGHORN SOUND!

We landed and we burst out laughing hysterically!

Me: WHEW! MAN, YOU STINK! SOMEONE OPEN A WINDOW!

Ed: WHO STEPPED ON A DUCK?!

Nico: That was a stinky surprise, Lincoln. (Smirks) But, so is this!

Nico threw a specially enhanced El Mongo Stink Bomb, and it exploded and The Red Guy clone literally smelled even worse! TRIPLE P.U.!

Luna: P.U.! Dude, was that the enhanced El Mongo Stink Bomb Lincoln used on Matt's former brother and sister?!

Nico: Yep! But, I added more of Lynn's smelly socks to the mix.

Eddy: P.U.! Did something crawl on him and die?!

Sarah Tinsley: Alright, now that we got that out of the way, time to take this buttwalker down!

Suddenly, the eyes of Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, and Fiona, Marie, and Nicole Hernandez turned neon and they were surrounded by colored energy auras with stars, elemental forces, creatures, phoenixes, and angels, they unholstered their massive greatswords from their backs, and as they approached The Red Guy clone, they left colored energy, stars, elemental forces, creatures, phoenixes, and angels with every step.

Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, and Fiona, Marie, and Nicole Hernandez: We've absolutely had it up to hear with you, buttwalker! You've caused a ton of havoc here in the city, and even worse, this had Rita Repulsa behind it! We've had it up to hear with that hag! She's going to pay for this later on, and what better way to do it than deal with you!

Suddenly, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, and Fiona, Marie, and Nicole Hernandez were surrounded by massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are creatures, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at the Red Guy clone: the red eyes of death.

Nico: Oh man, this is gonna get ugly, we only saw Sarah, Sophia, Amber, and The Hazeltucker Sisters transform when we dealt with members of The Extraterrestrial Order of The Planets of Holy Ghidorah and Gabriel Tinsley.

Me: And we saw the Hernandez Sisters transform last year, now they're going to transform against the clone of The Red Guy, this is gonna get messy.

Then, as the vortexes faded, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, and Fiona, Marie, and Nicole Hernandez emerged, but they were changed forever.

We were amazed by the transformations of Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, and Fiona, Marie, and Nicole Hernandez, and when Lincoln saw Sarah Tinsley, Sophia Presley, and Amber Blakely and when Nico saw The Hazeltucker Sisters and The Hernandez Sisters, they had atomic red blushes on their faces, hearts in their eyes, and their noses were bleeding hard, but when the Red Guy clone saw it, he went mad and got out a bazooka to blast them!

Lincoln and Nico: HEY, BUTTWALKER, ARE YOU TRYING TO BLAST OUR FUTURE WIVES!?

Lincoln and Nico pounced on The Red Guy clone, and they PROCEEDED TO GIVE HIM THE NASTIEST THRASHING EVER! LINCOLN BROKE HIS ARMS AND LEGS, NICO POKED HIM IN THE EYES AND TWISTED HIS NOSE, LINCOLN SPANKED HIM WITH A SPIKED METAL PADDLE ON HIS BIG BUTT, AND NICO WHACKED HIM HARD WITH A MALLET AND HE HAD A LUMP

ON HIS HEAD!

Lincoln, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, Fiona, Marie, and Nicole Hernandez, Nico, and I went after The Red Guy clone, and we fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The

Red Guy clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, Fiona, Marie, and Nicole Hernandez, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving The Red Guy clone even more insane.

Then, May fired blasts of ice, Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, Fiona, Marie, and Nicole Hernandez, Nico, and I fired powerful blasts of energy, stars, elemental forces, and planets at The Red Guy clone, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked him and he got badly hurt.

Then, Lincoln wrapped one of his eleven massive and long white wolf tails around The Red Guy clone's legs, and he screamed as Lincoln held him upside down.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Godly Universal Mythological Cosmic Eternal Harmonious

Lincoln puts on a pair of spiked brass knuckles and he proceeded with punching The Red Guy clone brutally and painfully, as the rest of the team sat in chairs and ate some popcorn. But, they also began flinching when Lincoln started breaking The Red Guy clone's bones.

Qin: (Winces) Ooh, that's not going to heal that easily.

Then, Nico, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, Fiona, Marie, and Nicole Hernandez, and I joined in and we also brutally thrashed the Red Guy clone hard

Then, Lincoln grabbed and broke The Red Guy clone's spine by smashing him onto his knee, and he screams in excruciating pain.

May: (Winces) Neither is getting his spine broken like that.

Luna: Dang, that's brutal!

Then, when Lincoln, Nico, Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, Fiona, Marie, and Nicole Hernandez, and I were done, Lincoln body slammed The Red Guy clone hard onto the ground, and Lincoln stood on the Red Guy's mangled and broken body, as he raised his left fist and left arm up in victory, and everyone cheer wildly for him and all of us.

Then, Sebastian took out a super heated branding iron and ran at the Red Guy clone and he branded him on his big red butt and he screamed in pain as he jumped into the air, and Lincoln jumped into the air and he slashed him into pieces and he exploded and was sent to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, twelve large colored planets, large gold halos with four large orbiting gold rings on each corner, eleven massive and long colored wolf tails, and massive colored angel wings and medium sized colored angel wings of Sarah Tinsley, Sophia Presley, Amber Blakely, The Hazeltucker Sisters, Fiona, Marie, and Nicole Hernandez are permanent.

Amber Blakeley: That'll teach that big butted moron!

Me: Even though he was just a clone made by Rita Repulsa, he sure caused us trouble.

Sebastian Mendez: That… rotten… old… (ENRAGED SCREAM) HAG!

Qin: Crap, the real Sebastian's back!

Nico: Yep, that's the one we know all too well: the one who gets so mad whenever someone hurts those close to him and even uses him for their own purposes! Now, there's definitely going to be oceans of blood spilled today!

Lincoln: This is gonna get really really ugly later on today when we get after Rita Repulsa.

Me: And when we get to Lord Zedd, it's gonna get uglier.

Eli: Yeah.

Nico: Man this planet is awesome!

Qin: It sure is!

Me: Yeah! I think it's awesome that this planet is full of powers of the Imagination.

Camie: It sure is awesome!

Laney: It's amazing.

NIco: Nice job Shiny Rapidash.

Shiny Rapidash: Thanks Nico. It was cool!

Qin: It sure was!

Xenia: Yep.

Poromon got out a beer.

Poromon: Want one?

Shiny Rapidash: No thanks. I don't drink beer.

Poromon: Okay then.

Poliwag gave the puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Maria: Besides, you don't need to get out a beer bottles. The Beer man's right there!

Nico: Still she is not interested.

Poliwag: Okay okay.

Poromon: Okay.

Poliwag: (to the Poromon clones) Okay. Now before we abandon you all to die on this planet, who knows the way back home?

Poromon Clone: (raises hand) I do!

Poliwag pulled out a shotgun and shot the clone.

BANG!

Poliwag: Anybody else?

Another clone raised his hand and Poliwag shot him.

BANG!

Poliwag: Anyone else? (no one answers) Don't be shy.

Another clone raised his hand and Poliwag shot him

BANG!

Me: Nice shooting.

Poliwag: Anyone else?

No one answered.

Poliwag: Don't be shy.

But then…

BANG BANG BANG!

3 more were shot.

The rest of them were clear.

Nico: Where did you get the shotgun?

Poliwag: It's a Painter planet. Anything is possible.

Nico: Oh right.

Me: Cool though.

Maria: You sure they won't find their way back to Earth?

Poromon: They're completely brainless. What's the worst that can happen?

Nico: Poromon please don't ask that.

Me: Yeah.

Poromon: Sorry.

Spongebob: This planet really is a good place for… imagination!

He formed a rainbow as he said that.

Camie: (LAUGHS) Yeah that is true.

Me: Now it's time for the Anothers.

Qin: Yep.

Eli: (Concentrates) WHOA! We got Another Ring-Ring, Kabatoncue, Sonoza, Moby, Escagoo, Totemer, Ravemanta, Golem (Mega Man), Whopper and Steephinx.

Nico: WHOA! And it's obvious who is up for that one.

Me: Yep. The Legendary Planets.

Nico: Yep.

Then my sword and the cutie marks of me and the Mane 11 glowed.

Me: My sword and Cutie Mark are both reacting to something.

Twilight Sparkle: Mine too.

Applejack: Our marks are all reacting.

Trixie Lulamoon: Yeah they sure are.

Nico: Wonder what it means?

Eli: The Anothers minus Ring Ring are one person.

Me: Whoa that is unusual.

Nico: There they are!

We saw Another Kabatoncue, Sonoza, Moby, Escagoo, Totemer, Ravemanta, Golem (Mega Man), Whopper and Steephinx.

Nico: WHOA!

Me: Wow!

Xenia: This will be awesome.

They merged and she reverted back and was a girl with yellow hair and blue eyes and had yellow clothes and rainbow angel wings and had the tails of the Mane 12 including me and she had a sword of light and had a tiara with the symbol of the 12 Elements of Harmony on it and the same symbol on her skirt.

Hailey Harmonia: Hailey Harmonia - Embodiment, Gene-slammer and Legacy of J.D. Knudson and the Mane 11.

WE GASPED!

Me: WHOA! It's awesome to meet you.

Twilight Sparkle: Wow! This is amazing! And it's a pleasure to meet you.

Hailey Harmonia: Same here and I heard so much about all your adventures in Equestria and how you all destroyed Opaline and everyone evil there.

Nico: We sure did.

Rarity: That was a really amazing series of adventures darlings.

Me: Yep. By the way is the Another Ring Ring friendly or hostile?

Hailey Harmonia: Friendly and she is a really awesome one.

Me: Nice.

May: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and we caught the Wonder Ride Books.

Me: YEAH!

Qin: OH YEAH!

Maria: (Turns dial) ZIK FORCE 6!

She summoned Master Zik, Glowing Alien, Necro Claw, Chaotic Gore Magala, Amatsu and Akantor.

Me: Nice!

Qin: Now we wait.

Master Zik: This a very creative planet

Me: It sure is.

Qin: We were amazed this world was here.

Nico: I know.

Eli: Yeah.

Nico: We got creative with designing it

Me: When we first got here this world was totally blank. White as a sheet. But now we made this a perfect and beautiful world.

Master Zik: Wow! That is amazing! Very creative.

Me: It sure is.

Nico: Yeah.

Me: Look!

We saw ANOTHER RING RING!

Me: Another Ring Ring!

Nico: This will be good.

Another Ring Ring: (In a girls voice) Good because I'm getting dizzy!

Me: (GASP) That voice!

Samus: Wait can it be?

She reverted back and it was a girl with blond hair and blue eyes and had blue clothes like Samus and she had blue angel wings and had a tiara with the symbol of the Metroid Dopant on it and on her skirt and she had an arm band on that can turn into a cool blaster and she had a blue blade sword.

Me: (GASP) Samara Metroid!

Samara Metroid: Awesome to see you J.D.

Samus: Samara!

Samara Metroid: Samus!

They hugged!

Samus: I thought I would never see you again.

Samara Metroid: I know. Its been a while.

Me: Samara is the Embodiment of the Metroid Dopant and she has all the powers of the aliens and creatures and bosses and creatures of the Metroid Games from over the course of 31+ Years and she has all the smarts of the technology of all the planets in the Metroid Universe.

Nico: WHOA!

Samus: That's right.

Me: She is also a robot wizz and knows all about robots.

Nico: Nice.

Qin: Yep.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

They got Kyurangers, LupinRangers and PatRangers weapons.

Samara Metroid: No he didn't. I sucked out all of his power and made it my own with my Metroid powers.

Sakura Knudson: That explains why I found him weak and on the verge of death back then. He couldn't get out of bed for 3 months.

Camie: GEEZ!

Lola: Too bad you didn't kill her.

Samara Metroid: I know.

Sougo: (gets out Patranger Ridewatch) He probably regained all his power

Geiz: (Gets out Kyuranger Ridewatch) He was still strong when we fought him.

Tsukuyomi: (gets out Lupinranger Ridewatch) And are you still dizzy?

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Samara Metroid: No I'm better now. But I'm glad Swartz is dead.

Qin: Yeah me too.

Lola: Yep.

Lincoln: Lets separate you first.

We did so.

Samara Metroid: Thanks!

She fired a plasma beam blast and blasted the Another.

Nico: (gets out Ring Ring's Ridewatch) YOU SPIN ME RIGHT ROUND BABY RIGHT ROUND LIKE A RECORD BABY RIGHT ROUND ROUND ROUND!

May: (Gets out Sonoza's Ridewatch) Time for some sparkle!

Maria: (Gets out Escagoo's ridewatch) No offense to Marinette and her friends but I don't like escargot.

Tripper Mercury: (Gets out Kabatoncue's ridewatch) I'll sit on you!

They used the powers of Ring-Ring, Kabatoncue, Sonoza, Moby, Escagoo, Totemer, Ravemanta, Golem (Mega Man), Whopper and Steephinx and blasted the another!

Then Buzzord, Timebreaker, Ghost Truck, Gothmog (LOTR), Snow Cat (Transformers Energon) and Sapotis and Frightningale came.

Nico: COOL! Nice team Buzzord.

Buzzord: Thanks Nico!

?: BOY THIS PLANET IS AMAZING!

Out came Spiral Pegasus!

Me: Whoa! Spiral Pegasus!

Nico: Cool!

Spiral Pegasus: (In a girls voice) This is gonna be fun.

Nico: Vanya Pegasus!? Whoa!

Vanya Pegasus: Awesome to see you again Nico and you too Qin. I got this.

She fired a wave of magic and blasted the Another and I caught the Ridewatch and purified it.

Nico: Nice one!

She reverted back and was a girl with purple hair and a pink streak like Twilight Sparkle's and she had purple eyes and purple clothes and had purple angel wings and had the symbol of the Elemental of Harmony in the middle of her forehead and had Pegasi, Unicorns, Earth Ponies and Alicorns around it and she had had Twilight Sparkle's tail and had her own version of the Sword of Harmony in her hand.

Vanya Pegasus: I had my own clothes made for me from this planet's power.

Me: That's the beauty of imagination.

Vanya Pegasus: Yep.

May: I still didn't get hit!

Manaphy: Mama!

KRAPOW!

May got smashed in the face by a spring loaded boxing glove courtesy of Luan!

OUCH!

Me: OOH! Ouch!

Luan: You got your lights PUNCHED out! (LAUGHS) Get it?

May: (Dazed) Mommy someone ate the last of the ice cream sandwiches.

Luan: Sorry! Couldn't resist!

Eddy: (LAUGHS) Nice one Luan!

May: (BLUBBERS) Me and my big mouth!

Tripper Mercury: Do you have any favorite memories of Nico?

Vanya Pegasus: I sure do. When me and Nico went and raided a Mafia hideout and sent them all to prison.

Nico: Yep. But they vowed revenge and are one day going to come after us and kill us.

Me: If they come after you they will pay.

Qin: We'll kill them.

Nico: Yep.

Nico and Vanya hugged.

Nico: I've missed you.

Vanya Pegasus: Same here.

We had the planet beamed to the solar system and we went back home. Later we had an emergency message sent to Angel Grove and the Mayor told the people to get to shelters immediately.

An old friend of Luna and Sol Rodriguez named Miguel Álvarez and his wife and his son and daughter are being tormented by a demon and Miguel's been suffering from one horrible attack to another by the entity. But, we're going to find out that the demon was summoned by his parents who've tried to get rid of him for years because of the simple fact that they hated him since the day he was born and when they found out he'd gotten married and had kids along with a successful life, they went mad with wrathful hate and abominable jealousy, and in their wrathful hatred, they used Spanish dark magic and they summoned the demon to bring death and destruction to them. So, we're going to save Miguel and his family and banish the demon back to Hell, and then, we're going to find his parents and make them suffer for what they did in their wrathful hatred and abominable jealousy.

Lincoln: Whoa, we're here in Mexico City, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news.

Luna Rodriguez: (Spanish Accent) That's right, an old friend of ours is in danger.

Sol Rodriguez: (Spanish Accent) Our old friend, Miguel Álvarez, and his wife Sophia, and his son, Juan, and his daughter Emilia, are being tormented by a demon, and Miguel has been suffering the most from one horrible attack to another by the demon.

Nico: What?! Who could've done this?!

Lincoln: We can only think of two people who've done this: Miguel's selfish, wrathful, hateful, and jealous parents.

Sol Rodriguez: (Spanish Accent) I knew those two piles of crap would be the ones responsible for this and we hated them so much, his parents have tried to get rid of him for years because of the simple fact: they hated him since the day he was born and when they found out he'd gotten married and had kids along with a successful life, those toxic pendejos went mad with wrathful hate and abominable jealousy, and in their wrathful hatred, they used Spanish dark magic and they summoned the demon to bring death and destruction to them.

Me: Those two really make me sick!

Supremacy Sun: What do we do?

Lincoln: First, we're going to save Miguel Álvarez, and his wife Sophia, and his son, Juan, and his daughter Emilia and banish the demon back to Hell, and after that, we're going to find his parents and make them suffer for what they did in their wrathful hatred and abominable jealousy, and there's one place they're going: ADX Florence in Florence, Colorado.

Me: Good, those two deserve to rot there for all eternity.

We headed for Miguel Álvarez's house, and we were greeted by Miguel Álvarez, his wife Sophia, and his son, Juan, and his daughter, Emilia.

Sol Rodriguez: (Spanish Accent) Miguel, we arrived here as fast as we could.

Miguel Álvarez: (Spanish Accent) Thank goodness you all arrived. This entity has attacked me, my wife, and kids, but I was attacked the worst, I knew my parents hated me, but to resort to using Spanish dark magic to summon a demon to bring death to all of us, they've gone too far.

Luna Rodriguez: (Spanish Accent) When we take care of this demon, your parents are heading for prison for good.

We went inside the house, and immediately, we felt the presence of the demon, it was so full of hate and our energy auras flared up extremely.

Lincoln: No doubt the demon's here. We need to do the exorcism and fast.

We wasted no time as we proceeded to do the exorcism and Lincoln said The Lord's Prayer and almost immediately, dark energy began gathering inside a circle of salt Lincoln made, and the dark energy shadow transformed into the demon Miguel's toxic parents sent to kill their son and his wife and kids. It roared in pure rage and hatred at us, but we stood strong and as we concluded the exorcism, Brittney opened a portal and it dragged him back to Hell forever, and the dark presence is gone.

Brittney: It's gone for good.

Sophia Álvarez: (Spanish Accent) Thank God. Thank you all.

Nico: You're welcome. Now, we need to find your husband's ex-parents.

Sol Rodriguez: (Spanish Accent) Leave this to us, but you better cover the kids' ears.

They did so as Sol and Luna Rodriguez and the rest of us went outside, and then, they did something that was bound to drive out our targets.

Sol and Luna Rodriguez: (In Spanish) USTEDES, MISERABLES EXCUSAS ABUSIVAS Y BUENAS PARA NADA DE PADRES, ¡HEMOS SALVADO AL HIJO QUE INTENTÓ MATAR HACE TODOS ESOS AÑOS JUNTO CON SU ESPOSA E HIJOS DEL DEMONIO QUE ENVIÓ TRAS ELLOS! ¡SERÁ MEJOR QUE SALGAS DE AQUÍ AHORA MISMO, PARA QUE PODEMOS ENVIARTE DIRECTO AL INFIERNO! (Translated into English: YOU MISERABLE ABUSIVE GOOD-FOR-NOTHING EXCUSES OF PARENTS, WE'VE SAVED THE SON YOU TRIED TO KILL ALL THOSE YEARS AGO ALONG WITH HIS WIFE AND KIDS FROM THE DEMON YOU SENT AFTER THEM! YOU BETTER GET OUT HERE RIGHT NOW, SO WE CAN SEND YOU STRAIGHT TO HELL!)

Suddenly, we heard loud and very enraged bellowing screams!

Maria Garcia: (Spanish Accent) I knew it, I knew they would do something like this!

Ronnie Anne: Whoa, Sol and Luna really angered Miguel's toxic ex-parents badly!

Lincoln: They sure did, now we wait for those toxic abusive jerks to show up.

Suddenly, we saw a very beautiful and super sexy girl with long dark green hair and dark green headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful dark green angel wings, she's dressed in a dark green sleeveless crop top, necklace with the Two Star Dragon Ball for the pendant, black sleeveless gloves, dark green skirt, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic magic, decay, phoenixes, and angels on the coattails and on the back is Haze Shenron, The Two-Star Dragon of Pollution and Phthisis, Roman Goddess of Decay, holstered on her back is a massive neon blue greatsword with seven replicas of the Seven Dragon Balls embedded in it and angel runes etched on the 7'9" massive, wide, double-edged black and red blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the twelve girls.

Lincoln: (GASPS) Phoebe Phthisis, Avatar of Haze Shenron and Phthisis, Roman Goddess of Decay.

Phoebe Phthisis: That's right, and I got the girls away from those abusive jerks, and they're really pissed off because of what Sol and Luna yelled out.

?: (Spanish Accent) (ENRAGED SCREAMS) YOU MISERABLE LITTLE BITCH, WE'RE GONNA KILL YOU FOR EVEN EXISTING!

We then saw Miguel Alvarez's abusive and toxic parents heading right for us and they were really pissed off!

Sylvester: So, now we need to send them straight to ADX Florence.

Then, Lincoln fired energy blasts that turned into dark blue and purple straitjackets with stars, galaxies, and planets reflecting and they tied them up, and he beamed them to ADX Florence and thrown in separate cells where they'll stay there forever. We cheered as we holstered our weapons and powered down.

Lincoln: You two pieces of trash don't deserve to be out in society ever again. (To Phoebe Phthisis) And it's so good to see you again, Phoebe.

Phoebe Phthisis: You too, Lincoln, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Phoebe Phthisis as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Phoebe Phthisis was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Phoebe Phthisis: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Phoebe Phthisis and he hugged her, and Phoebe Phthisis is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Phoebe Phthisis: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Phoebe Phthisis, Avatar of Haze Shenron and Phthisis, Roman Goddess of Decay, she's Lincoln's Guardian Angel from Ireland and an extremely powerful Angel of Decay with extremely incredible and massively powerful powers over the forces of rot and decay, and summoning creatures of rot and decay, along with powerful black magic arts and dark magic arts, along with being born with purple angel wings, and just like Shanan Haze Shenron, Phoebe Phthisis has all the powers and abilities of Haze Shenron. But, Lincoln's the only person who knows this: that she's The Avatar of Haze Shenron and Phthisis, Roman Goddess of Decay, and she really trained him hard in everything that she knows in using the powers of rot. She's made tons of villains rot and decay whenever they try to piss her off. Lincoln made her a beautiful necklace and an awesome neon blue lightning greatsword with seven replicas of the Seven Dragon Balls embedded in it, and to show her thanks, she kissed Lincoln on the lips, and he promised that when he comes of age, he will marry her along with his entire harem. Phoebe Phthisis hates Hawk, Hank, Chandler, Flip, Scoots, and all the other jerks with a blazing passion because of what they've done and she even clobbered them after she found them trying to kill Lincoln again, and she swore that if she ever saw them, she would fire blasts of dark rot and decay and it'll turn them into rotting and decaying corpses.

Nico: Yikes, now that's one Shadow Dragon Avatar no one wants to ever piss off.

Lincoln: Not unless they want to be found as a rotten and decayed corpse, and now that you're here, Phoebe.

Lincoln went up to and hugged Phoebe Phthisis in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Phoebe Phthisis: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Phoebe Phthisis with dark green gems on the gold lightning bolts and dark green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Phoebe Phthisis: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Phoebe Phthisis, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Phoebe Phthisis' waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Phoebe Phthisis had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eleven girls, and when Lincoln saw the eighteen girls, he immediately recognized them. The eleven girls are Multi Nanairo from Beyblade X, Saki from the anime Yasuke, Nene Nanasato, Hozumi Momozono, Ayame Hikami, Mimari Anesaki, and Kano Hoshimi from Ubu na Otome no Ecchi na Onegai, and Teru Momijiyama A.K.A. Shy, Pepesha Andranof, Piltz Dunant, and Iko Koishikawa from the anime Shy.

Lincoln: Oh wow, it's Multi Nanairo from Beyblade X, Saki from the anime Yasuke, Nene Nanasato, Hozumi Momozono, Ayame Hikami, Mimari Anesaki, and Kano Hoshimi from Ubu na Otome no Ecchi na Onegai, and Teru Momijiyama A.K.A. Shy, Pepesha Andranof, Piltz Dunant, and Iko Koishikawa from the anime Shy.

Nicole: So, those are the girls Miguel's parents captured. They probably tried to sacrifice them to increase the demon's power.

Lincoln: Phoebe prevented that from happening. Are you girls okay?

Multi Nanairo: Yes, we're okay, thanks to you.

Then, when Multi Nanairo and the other ten girls saw who it was that saved them from Miguel Álvarez's toxic murderous parents, their faces turned atomic red upon seeing the 18-year-old 8'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

Multi Nanairo: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Muilti Nanairo: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Multi Nanairo, Saki, Nene Nanasato, Hozumi Momozono, Ayame Hikami, Mimari Anesaki, Kano Hoshimi, Teru Momijiyama A.K.A. Shy, Pepesha Andranof, Piltz Dunant, and Iko Koishikawa with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was a demon terrorizing Sol and Luna Rodriguez's old friend, Miguel Álvarez, he, his wife, and his son and daughter were repeatedly being attacked by the demon and Miguel was suffering the worst of it. But, we also found out the demon was summoned by his parents who've tried to get rid of him for years because of the simple fact: they hated him since the day he was born and when they found out that he'd gotten married and had kids along with a successful life, they went mad with wrathful hate and abominable jealousy, and in their wrathful hatred, they used Spanish dark magic and they summoned the demon to bring death and destruction to them.

But, when Lincoln showed what we did first in performing an exorcism that sent the demon back to Hell and then us thrashing those pieces of trash abusive parents and Lincoln sending them to ADX Florence forever, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Phoebe Phthisis have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys had to deal with a demonic attack in Mexico City, and it was caused by those two piece of trash abusive parents?!

Lincoln: Yep, and Luna and Sol hated them for years for what they tried to do to their own son.

Nico: They were monsters, so they need to be put in prison for good.

Me: And ADX Florence is the perfect place for them: they'll never get out ever, and the only way they're leaving is in a pine box.

Here's the second scene

After dealing with the demon problem in Mexico City, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Phoebe Phthisis saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Phoebe Phthisis: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Phoebe, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Phoebe Phthisis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Phoebe Phthisis: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Eli: So, now we're going to finally be dealing with Rita Repulsa and Lord Zedd, this is it.

Lincoln: Yeah, 30 years of ultimate payback are finally coming for them, and we'll make sure they both pay for everything last one of their crimes.

Nico: Those two have caused more than enough trouble to last an eternity, and soon, their crimes will be repaid with their own blood, and we'll be rid of the Power Rangers' most dangerous enemies for good.

Me: We'll be holding an awesome party when that comes after the trial of Powell and Lincoln uses his most lethal curse on him. If it's just as bad as Lincoln's Guardian Angels say, this should be good.

Selene Arcangela: I never thought Lincoln would use one of his most lethal curses, this is gonna get ugly.

We got a shower, and then, Lincoln, Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy are heading to Laverra Beach.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Simulator Agent Honeydew: Wow, so this is Laverra Beach. It sure is beautiful.

Lincoln: It sure is, Agent Honeydew, and it's perfect for our first double date.

Ets: You said it, Lincoln. Shall we?

Lincoln, Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed

and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy are in your harem, Linky.

Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Agent Honeydew, Simulator Princess Fiona, Simulator Tooth Fairy, and Simulator Princess Mindy, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for the first Ambassador mission of Luna Loud, Samurai Jack and Marina Reagan and we were going to meet the Ultraman Ginga.

Me: You guys are going to love meeting Hikaru Raido and he is amazing.

Qin: Cool!

Nico: Anyone else want go with Luna, Jack, and Marina? Besides 3 Rabbids?

Ice Demon: I'll go.

Qin: So will I.

Hikaru Raido: Oh wow! Congratulations to you.

The Rabbid's gibbered.

Luna Loud (sighs): And these are Rabbids.

Rabbids Gibbering.

Hikaru Raido: Oh they are awesome.

Me: Yeah but they are idiots. They are not the brightest lightbulbs in the closet if you know what I mean. But they are really funny.

Hikaru Raido: I see. Want to see everyone at the base?

Me: Sure.

We went to the base of the Ultraman Ginga Team. It was the UPG or Ultra Party Guardians HQ

Hikaru Raido: Here we are.

Me: Wow!

Tomoya Ichijoji: Hey J.D.! Long time no see!

Me: Tomoya wow! You too! And Misuzu its been a while.

Misuzu: Same here J.D.! Wow it's an honor to meet you all.

Nico: Same here guys. Wow! Awesome place you guys have here.

Tomoya Ichijoji: Thanks Nico.

A Rabbid started humping Tomoya's leg

Tomoya: Hey!

Nico: Now now cut it out.

Me: See what I mean Hikaru?

Hikaru Raido: Yes I see what you mean.

Nico: Yep.

Nico grabbed the Rabbid.

Misuzu: Awesome to meet the rock star of the Loud Siblings. We saw all your adventures and it was awesome.

Luna: Thanks. Rockin that I get to be your ambassadors to you all too.

Hikaru: I personally have no problem with gay people

Sam S.L.: I'm glad you think that.

Luna: Me too.

Nico: Yeah. J.D. how did you meet Hikaru and his team?

Me: Well it was 10 years ago. I helped the Ultraman Ginga team battle their most dangerous enemy ever and that was Dark Lugiel.

Nico: Dark Lugiel?

I showed a picture of him.

Me: He is the Ultimate Evil force that threatens the universe. He wants to plunge the world into eternal darkness.

I went over his history.

---

Dark Lugiel is the wielder of the Dark Spark and the main antagonist of Ultraman Ginga and the overarching antagonist of Ultraman Ginga S. He is the dark half of an unknown entity, alongside Ultraman Ginga being the light half but defused upon arguing about their decisions of life itself. He is the sole culprit behind the Dark Spark War.

He was voiced by Tomokazu Sugita, who also played Ultraman Ginga in the character title series with the same name.

Ultraman Ginga and Dark Lugiel were originally one entity, but their conflicting views on how to create an "ultimate paradise" led to them splitting. Dark Lugiel believed that all lifeforms must be paused, while Ginga thought that active lifeforms brought prosperity.

After becoming two separate entities, Ginga inherited the light while Dark Lugiel gained the darkness.

During the Dark Spark War, Dark Lugiel used the Dark Spark to transform every Ultra and Monster into a Spark Doll. However, Dark Lugiel and his light counterpart Ginga also wound up as Spark Dolls, with Lugiel being locked in his Spark Device.

Lugiel then sent his minion, Alien Valky, to distribute Spark Dolls.

Dark Lugiel was eventually revealed to have been inhabiting the body of Furoboshi Private Elementary School. He was later purged from her body by Hotsuma Raido, but this didn't stop him from reviving himself.

Ultraman Ginga then went to challenge Dark Lugiel, but his dark half managed to overpower him. However, Ultraman Taro managed to regain his full size and went to fight Dark Lugiel. Dark Lugiel managed to defeat him too, but not before he could revive Ultraman Ginga.

Ginga and Dark Lugiel then clashed again. Ginga eventually defeated Lugiel with a Ginga Especially, freeing all of his Spark Dolls.

Dark Lugiel's body was later recovered by Exceller, who sought to combine with it to create a powerful being. Dark Lugiel was eventually revived thanks to the Victorium Crystals. Lugiel's first move after his revival was to combine with the Live Base on Earth, taking the Victorium Cannon and becoming Vict Lugiel. While Vict Lugiel was initially piloted by Exceller, Dark Lugiel eventually revealed himself and killed Exceller by transforming him into a Spark Doll.

After his revival, Dark Lugiel resumed his plan to petrify all life. He was combatted by Ginga and Victory, but managed to have the upper hand in the fight. This changed when Zero hacked and weakened Vict Lugiel, allowing the Ultras to gain the advantage. Lugiel was eventually finished off by the Ultra duo with a Cosmo Miracle Especially.

An Eteldummy copy of Dark Lugiel was created by Etelgar. It was defeated by Ultraman Ginga Victory with the Ginga Victory Breaker.

---

When I was done everyone was shocked!

Luna: That is horrible dude!

Sam S.L.: No kidding!

Eli: Yeah!

Hikaru Raido: Yeah and he put up an amazing fight.

Me: He sure did.

Qin: But yeah. That was cool that you faced him before.

Me: Yep. Hikaru and I teamed up and we overpowered him and banished him to another dimension.

Hikaru Raido: That's right.

Nico: Wow! That is awesome J.D. Like the Dragon Knight Kamen Riders we didn't know you had past experiences with this.

Me: You never asked about it. But now you know.

Eli: Yep.

Me: And Nico I'm going to be inviting some special guests for the missions for today and tomorrow.

Nico: Looking forward to it.

Eli: Cool

Hikaru Raido: Awesome. Sam I heard you were raised by phony parents.

Sam S.L.: Yes it's something I don't like to talk about.

I beckoned Hikaru.

Me: (Whispers) She doesn't like to talk about that. It brings back really bad memories.

Hikaru Raido: Oh man I'm sorry.

Me: It's okay.

Samurai Jack: I was told about that and it was bad.

Misuzu: Wait a second. Jack I remember seeing you in The Chronicles of The Brave 12! That was amazing!

Me: That was one of the most fun ever we had. And you're looking at one of the Brave 12. Me.

Eli: Yep

Misuzu: Oh wow! That is amazing! Was Aku really that bad?

Me: Yep.

Samurai Jack: Yes he was. It was that bad.

Me: It was. Aku was a force of ultimate evil that existed since the Beginning of Time and the three great gods Odin, Ra and Vishnu were going to destroy him. But a piece of Aku broke off. Over the course of many eons Aku was rejuvenating himself here on Earth.

He was spreading over the land like a cancer. Jack's father was chosen to destroy him. He was given a powerful sword that was forged from the Righteousness within him and destroy Aku for good.

Samurai Jack: Yes and I was chosen to wield the sword too. I underwent intense training to do so.

Me: It was a really amazing adventure and we helped Jack find his way back to the past. You'll meet the brave 12 members later.

Hikaru Raido: Wow! Looking forward to it.

Me: Yep.

Hikaru: Do we have to worry about Dark Eddy?

Nico: Not really.

Me: Nope you don't have to worry about him anymore. He's gone forever. We gave him the black gates earlier this year.

Eli: It's true.

Misuzu: Wow! Thank goodness.

Me: Now we have a new threat. The Blackwing Eatos 12 Vampire Angels.

I went over what they are and more and it was shocking.

Misuzu: Oh man! That explains it and Powell made the virus and gave it to Lord Zedd!? That is terrible!

Me: It is. We first found out about it during the first mission with the Taiga Ultraman team. Then as time went on we found out more and more about it.

Luna Loud: (growls) And all because we were having fun in the Ridonculous Race!

Hikaru: Well, at least it's not that bad like with Team Buktu.

Me: That is true.

Luna Loud: Yeah it sure is. But Lisa made the antidote.

Misuzu: That's good she did.

Me: Yep.

Hikaru Raido: And Lord Zedd and Rita are both going to get their comeuppance soon so that's good.

Nico: Yeah it sure is.

Me: And Hikaru, Tomoya, when we face Lord Zedd would you like to help us bring him down?

Nico: Yeah.

Me: Lord Zedd is building a bomb that is going to destroy all the Good in the Entire Multiverse so that only evil will reign supreme. We got to destroy that bomb at all costs or we're all doomed. So will you help us?

Hikaru: Sure. But I have a feeling that Zedd's just a pawn in someone else's plan.

Me: I have that feeling too. But great. We're going to need all the help we can get to bring him down.

Qin: The Universe has had enough of Zedd.

Ice Demon: He must be stopped now.

Me: I know. There's 2 possibilities that he might be a pawn in this from someone. One is Master Vile and the other is Ben's archnemesis Vilgax. But we'll worry about that later.

Nico: Yeah.

Hikaru: I just hope Powell doesn't do anything to himself before his planned trial.

Me: Don't worry. They are going to make sure he doesn't kick the bucket too soon.

Nico: Yeah we want his entire image to be completely exposed to the world.

Eli: It's true.

Then the alarm sounded.

Me: Uh oh!

We went to the computer and we saw the monoster KING PANDON from episode 3 of Ginga!

---

King Pandon is a two-headed bird Kaiju that first appeared in Ultraseven. Pandon first appeared in the final two episodes as the vanguard of the Alien Ghose, with these appearances cementing Pandon as one of the Ultraman Series' most popular monsters. Since then, Pandon has appeared in numerous shows in the Ultraman Series, exhibiting a variety of different forms.

King Pandon appeared in episode 3 of Ultraman Ginga as a Spark Doll given to Yuuka Sugou, a senior who went to the same school as Hikaru and his friends. After setting Hikaru's room on fire, Yuuka DarkLived into King Pandon and was faced by Hikaru's Kemur. However, King Pandon proved to be a far superior foe, keeping Kemur at bay while burning him with streams of scorching fire. With her foe weakened, King Pandon stood over the downed alien and delivered a series of forceful stomps. Despite her early advantage, King Pandon quickly lost ground when Hikaru UltraLived into Ultraman Ginga. Even with her fiery breaths focused on Ginga for an extended period of time, with the hero receiving the attack head on, King Pandon only managed to weaken the Ultra slightly. After her flames subsided, Ginga took the initiative to strike back. Materializing the Ginga Saber from his right arm, Ginga plunged his weapon into the ground, causing an explosive pillar of magma to spurt out from below King Pandon. Defeated, King Pandon was turned back into a Spark Doll under Hikaru's possession.

---

WE GASPED!

Me: That's King Pandon!

Qin: WHOA! I've heard of 2 heads being better than one but this is ridiculous!

Me: Looks like Yuuka Sugou some manners!

Nico: Yep! Lets head out!

We were off!

---

We were flying over the forest.

Nico: Keep an eye out!

Me: There!

We saw KING PANDAN!

We flew and I grew to her size and landed!

Me: King Pandan! Been a long time chicken face!

Yuuka Sugou: J.D. Knudson. It has been a long time.

Me: You have always been a rotten to the core apple Yuuka. But then again you always do what you can to get what you want.

She then fired massive blasts of intense fire and I absorbed the blasts of fire and got stronger.

Me: Sheesh get this girl a breath mint.

Hikaru: Lets do it!

He got out the Ginga doll and transformed into ULTRAMAN GINGA!

Nico: WHOA!

Me: AWESOME!

Ultraman Ginga: Just like old times huh J.D.

Me: You got that right!

King Pandan fired massive blasts of fire and I fired waves of intense fire and the blasts collided and exploded!

KRABBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

Fireballs rained down all over and blasted everything all over!

Luna got out her Progrisekey!

Luna: Take this!

HYDRO MAN'S WATERY MAELSTROM!

She fired a massive blast of water and drenched Pandan all over!

Me and Ginga: GINGA ULTRA FIREBALL STORM!

We fired a wave of fireballs and blasted her all over the place in powerful fiery explosions!

KRABBBBBBBOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBOOOOOOOOOMMMMMMM!

Samurai Jack got out his Progrisekey.

SPLITFACES MOUTHS OF DARKNESS!

He fired energy blasts and blasted Pandan all over!

But then waves of ice flew in and my feet were frozen to the ground!

Me: What the!?

Nico: LOOK!

We saw a girl with blue hair and red eyes and she had back clothes and pitch black angel wings and had a tiara with the symbol of Big Chill on it.

Me: (GASP) Bonnie Big Chill! Oh no!

Nico: You know her?

Me: She's half Necrofriggian and she's from the planet Kylmyys and she has the powers of ice and can go intangible and her wings can fold and turn into a hood like Big Chill's can.

Nico: WHOA!

Eli: Uh oh!

Bonnie Big Chill: J.D. help me! (Crying) I can't keep going like this!

Me: Hold on Bonnie!

I broke my legs out of the ice.

Bonnie breathes a flow of cold wind at Ice Demon.

But the Ice Demon jumped and surfed on the wind with no problem.

Ice Demon: Bad choice there honey. Ice is my element.

He fired waves of ice and knocked her down.

Me: Hold on.

I fired an electron beam and injected the antidote into her.

Qin: Hold on Bonnie!

Bonnie (to Ice Demon): Try and hit me now!

Bonnie went intangible.

She flew at him.

But then Eli used the Force and made him intangible too!

She flew through him but no ice appeared.

Bonnie: WHAT!? Whoa!

Eli: Nice try!

Me: Is it cold in here or is it just me?

I fired waves of ice and froze Pandan.

Ice Demon charged at Bonnie and kicked her down.

But then Laser blasts hit Bonnie from out of nowhere.

KRABBBBBBBBOOOOOOOOOOOOOOMMMM!

Nico: What the!?

Monzaemon then appeared!

Me: Whoa Monzaemon!

Qin: I hope this isn't the one at Toy Town.

Monzaemon: (In a girls voice) It's not but I'm ready for this.

Qin: Monica Monzae! Whoa!

Nico: Toy Master Monica! Awesome!

Monica Monzae: Awesome to see you again Nico and Qin.

Marina: Hikaru, you should that I'm not entirely human

Hikaru: You aren't?

Marina: No I'm a gene-slammer of a Piscciss Volans from the planet Piscciss.

Me: That's Ripjaws species.

Marina: Yep.

Hikaru: Wow!

Marina fired waves of water and drenched Pandan.

Eli: 3 heads are better! GHIDORAH COME FORTH!

Eli raised his hand up into the air and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

A massive fiery explosion blasted out of the ground and a fireball flew into the air and exploded numerous times annd formed into KING GHIDORAH!

King Ghidorah landed and Eli got on the middle head!

Eli: Fire!

He fired waves of gravity lightning and blasted Pandan all over in fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMM!
KRABBOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMM!

Marina got out her Progrisekey!

AQUAFIEND'S MAELSTROM OF FURY!

She fired waves of water and drenched Bonnie down.

The antidote then took effect and she was cured! Her blue eyes were back!

Bonnie Big Chill: (Groans) What happened? I have the worst headache.

Qin got out her Progrisekey

CAPTAIN COLD'S ICE SABER!

She formed a sword of ice and blasted Pandan with ice and blasted her.

Yuuka Sugou: WHY CAN'T YOU JERKS MIND YOUR OWN BUSINESS!?

Me: This IS our business!

Nico: It was J.D.'s business first. Now it's Luna, Jack, and Marina's business.

Me: That's right!

I fired waves of lightning and blasted Pandan all over!

Me: Time to finish this!

Ginga: You got it!

Me and Ginga: GINGA ULTRA BLAST!

We fired a massive blast of rainbow energy and the blasts all hit Pandan and she exploded!

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Pandan Spark Doll and purified it!

Me: Whoa! Just like old times!

Nico: Yeah! King Pandan you have failed this world!

Luna: Off to a good start, dudes.

Me: You got that right!

Hikaru: That was fun!

Monica reverted back and she was a girl with yellow hair and red eyes and had yellow clothes and yellow angel wings and she had a symbol of Monzaemon in the middle of her forehead and on her skirt.

Monica Monzae: That was so awesome and cool.

Luna: Rockin dudes!

Nico: You okay Bonnie?

Bonnie Big Chill: Yeah just got a nasty headache.

Me: You'll be fine.

Luna: Monica do you have any favorite memories of Nico Dude?

Monica Monzae: When I took Nico to my family's toy shop and we got him awesome toys for his siblings.

Nico: Yeah they loved them.

Me: Cool.

Nico and Monica hugged.

Nico: I'va missed you.

Monica Monzae: Same here.

---

Later we came back.

May: Hey guys how did it go?

Me: Really awesome.

Nico: Yep.

We told them everything and it was awesome.

Lola: WOW!

Varie: That is cool!

Lynn Sr.: We're so proud of you sweetie.

Luna: Thanks Popstar.

Nico: Thomas the Tank Engine, Right, and Rarity will go Next.

Me: Awesome!

Rarity: Oh this will be great darling.

Me: Yep.

---

ZING! THUMP!

An arrow hit the bullseye in the Archery range at the estate.

Applejack: YEEHAW! That was a good shot.

Me: Thanks.

Cynder: What are you Guys doing?

Me: Practicing archery.

Aylene Carter: It's really fun and it's awesome too.

Me: Yep.

Nico fired arrows and got 3 bullseyes.

Nico: YEAH!

Maria Keihanaikukauakahihuliheekahaunaele: Let me try

Nico: Sure.

She tried to load an arrow but had trouble as it fell off.

Nico: It's not easy Maria.

Aylene Carter: Here.

She showed her how to do it.

Aylene Carter: Pull it back and let the arrow go.

She fired and it hit the bullseye!

THUMP!

Me: Nice shot Maria!

Maria Keihanaikukauakahihuliheekahaunaele: Wow! Not bad!

Nico: Good shot on your first try!

Ironbison: I can see why Clint and Oliver like doing this sort of thing.

Hawkeye: Yeah it's fun.

Green Arrow: It sure is.

ZING!

He hit a target and bashed it down.

Qin: Nice one!

Poromon: Let me try!

He grabbed a bow and arrow.

Poromon: Here we go.

Phil: Here let me… WHOA!

Poromon accidentally fired him and he plowed through a bush, a wall, a statue and into a bullseye!

Phil: THERE GOES MY ULCER!

WE LAUGHED!

Hercules: (LAUGHS) Sorry Phil.

Poromon: It's not easy doing it with just a beak and wings.

Nico: No it's not.

Phil: I see what you mean.

Poliwag: I want to try!

Me: I don't think you can do it because you don't have hands.

Poliwag: You're right. But lets see.

He used his tail and grabbed an arrow and then fired and it hit a bullseye.

Nico: Nice one!

?: Good shot!

A girl with red hair and red eyes and red sports clothes and had red angel wings and a baseball bat and ball in her hands and she had a tiara with Strike Man's symbol on it.

Siera Strike: Siera Strike, Embodiment of Strike Man.

Lynn: Hey! Strike Queen Siera! Been a while!

Lynn Jr.: Yeah! The Strike Queen is back!

Siera Strike: Slugger Queen Lynn! Awesome!

They high five.

G1 Lightspeed: How did you meet both Lynns?

Siera Strike: I met them at a baseball game that was up against Hazeltuckey. We were playing against those jerks Hawk and Hank. We won against them. But they didn't take losing well. They were about to pulverize both Lynn's and I stepped in and bashed their faces in.

Nico: NICE!

Qin: Awesome!

Lynn: Yeah she is called Strike Queen Siera because she always throws strikes and never got any hits or balls.

Me: Whoa! This I got to see.

I got out a ball glove and I was 500 yards away.

Me: HEY BATTER BATTER BATTER!

Then…

WHOOSH! ZOOM!

SHE THREW A BALL THAT WAS SO FAST AND THEN..

CRASH!

I caught the ball and crashed into a wall!

Me: That's the old pepper! Wow! WHAT A THROW!

Nico: Awesome!

Lynn Jr.: It sure is.

Me: Yeah!

Nico: Would you like to join the team?

Siera Strike: I would be honored.

Viceroy: The targets are drawings of Power Ranger monsters.

Nico: Yep.

Me: That's right.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was Rita Repulsa, and she's finally on the move and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move, Rita Repulsa.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Rita Repulsa, and she's finally on the move and causing havoc.

WE GASPED!

Nico: So, Rita Repulsa's finally on the move, eh? Took her long enough.

Me: Yep, but this is where it finally ends for her.

Nico: You said it, that witch is finally getting her comeuppance. Alright, team, let's go, the time to destroy Rita Repulsa has finally come.

Lincoln: Finally, she will pay for everything she's done.

The previous group came.

Stratos: Can me, Chillyfish, SkullMeramon, Mortal Kombat Scorpion, Ice Demon, Marluxia, Black Knight Ghost, Puppetmon, Count Spankulot, and David Cain go with you guys?

Nico: Yes you all can come with.

Qin: We need all the help we can get for this.

Disk Wars Mandarin: Nico, which Gene Slammer do you think you'll meet next?

Nico: Spike Rosebud next.

Qin: Flowery.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Laney, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to the feral animal Packing Day version of Laney, and that rampaging animal is coming after us to pummel us with snowballs.

Me: Uh oh, what does she look like?

Lincoln took out his sketchbook and we saw Laney's feral animal Packing Day version, she looked like her on Packing Day, but with long wild unkempt brown hair, she has on a black coat with the sleeves torn off, black pants and black boots, and she was on all fours.

Laney: (SHRIEKS) THAT VERSION OF ME LOOKS LIKE AN UNCIVILIZED BEAST!

MONSTROUSLY MEGA LOUD BELCH!

Me: Along with having Lynn's monstrous side on Packing Day.

Gloria Fullbuster: We'll be ready for her, we've dealt with Lynn on Packing Day before, this won't be any different.

Nico: Oh, this is gonna end badly for her. Alright, gang, let's go, the time to destroy Rita Repulsa has finally come.

Lincoln: Finally, Rita Repulsa will finally meet judgement for her crimes, and once we get done with her, you're next, you monstrous beast.

Gloria Fullbuster: We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Rita Repulsa and make her pay for everything she's done, and once we get done with her, Lincoln and Gloria Fullbuster along with me are going to destroy the feral animal Packing Day version of Laney.

Me: Get ready Rita. (EYES GLOW RED) We're coming for you and you will pay for everything you did.

We teleported to Terraformed Venus

---

We were on Terraformed Venus.

SkullMeramon: Here we are!

Nico: Yep.

Qin: Wow amazing.

Camie: It sure is.

Nico: This place certainly hasn't changed.

Drillhorn: Um, guys?!

Me: UH OH!

We saw some Kudabots and Basherbots blast rocks near us, causing an avalanche that buries us. At the same time, the King Ohgers appeared, looking 2 years older then we last met them.

Kaguragi Dybowski: This looks to be where J.D. wanted us to meet

them.

Jeramie Brasieri: It must be.

Gira Husty: You realize we need to be focusing on fighting Racules and his pals, right?

Rita Kaniska: Well, if Zedd detonates that bomb, all of us and every hero in the Multiverse will be destroyed. And that's not good for any of us.

They saw us just in time for the avalanche to bury us alive.

Hymeno Ran: Oh no! We have to get them out!

They went towards the rocks and started moving them off us.

Yanma Gast: C'mon, you slack jawed Tanukis. Put your backs into it!

But then…

KRABBBOOOOOOOOOOOOOOOOMMMMMMMM!

We blasted out of the rubble!

Me: Nice try!

The Kudabots came and we blasted them and blew them apart!

More Kudabots and Basherbots came!

Me: Come and get some!

I fired lightning blasts and blasted them.

Drillhorn (sees the King Ohgers): Hey, guys!

Gira Husty: We saw that avalanche and knew we had to help you guys from that.

Nico: (chuckles) And you were right. I think I chipped a nail back there.

Hymeno Ran: You know you're not a girl like me and Rita, right?

Nico: I know.

Me: But thank goodness you all made it.

Gira Husty: We wouldn't miss this for anything.

Me: Awesome. Thank goodness. We're going to need all the help we can get for this to stop Rita and Zedd.

Nico: Yeah.

Yanma Gast: We'll gladly assist you all.

Jeramie Braiser: Yeah and make those two monsters pay.

Nico: Awesome.

Marluxia: But why do you guys look a bit older?

Jeramie Brasieri: Well, where it's been several months since you last saw us, for us, it's been two years in our world

Me: That's right. Planet Chikyu has a much shorter Orbital period than we do.

Gira Husty: That's right.

Rita Kaniska: We also heard about Powell. Being the one that carries out the law in my kingdom, I do not listen to smear campaigns such as his.

Me: That's good and word sure travelled fast didn't it and our planets are thousands of lightyears apart.

Rita Kaniska: I know. Word sure travels fast doesn't it.

Me: I know.

Yanma Gast: Honestly, I don't see why you can't just hand to Maria's mom what Luan recorded and just let that slacked jawed tanuki do what he wants to himself in prison. He's dead either way.

Leni: Slack jawed what?

Me: It's Yamna's insult. It means Raccoon Brain.

Leni: Oh.

Me: We're trying to make sure that Lord Zedd is dealt with first before we proceed with the trial. You know it's best to let your prey marinate in sauce before you dig in to it. So to speak.

Nico: That's a good way to put it but I totally understand what that means.

Smithers: But let's worry about that after Rita Repulsa is dead.

Rita Kaniska: That witch has the nerve to share the same first name as me!

Me: Well this is the very first American Power Rangers villain. She has done all kinds of terrible atrocities to the rangers over the first 5 years of their series. Then 25 years later she resurfaced.

Nico: Yep.

Me: But yeah she will pay big time

Puppetmon: Also, remember when we were discussing Quagmire? We'll, here are the porn magazines he kept.

They saw said magazines.

Jeramie Brasieri: Oh my.

Kaguragi Dybowski: I have no words.

Yanma Gast: What kind of slacked jawed Tanaki would read this crap?!

Me: SOMEONE WHO HAS NO FUCKING BRAIN AT ALL!

All Rita Kaniska did was stare at the filthy magazine in her hands before screaming at the top of her lungs and ripping said magazine apart

Nicole: WHOA!

Hymeno Ran: This is disgusting!

Gira Husty: I saw nothing!

Nicole: WHOA! Hymeno I think you and Rita would make 2 great members of the Anti-Pervert Patrol.

Hymeno Ran: Thanks.

Me: Just don't get any ideas or my daughter Nicole will kill you.

Gira: And with that, we should continue on our mission to burn a witch!

Me: I like the way you think Gita! Like how we burned people at the stake for Heresy back over 1,000 years ago on Earth.

Gira Husty: That is true.

We continued walking.

Yanma: Was Venus always like this?

Me: No. Maybe millions of years ago but not now. Before it was terraformed like this it was a scorching and incredibly inhospitable world. Clouds rich in carbon dioxide blanketed the atmosphere and it was full of Sulfuric Acid. The surface was over 900˚Fahrenheit and volcanoes were going off all the time.

Leeli: But thanks to my song I somehow turned it into this.

Nico: It was during one of my rescues. We were amazed when that happened.

Yanma: That is amazing.

Po Kong then appeared.

Po Kong: Hey guys!

Nora Valkyrie: Po Kong! Glad you could make it.

Po Kong: Like I would miss this and King Ohgers great to see you all here.

Gira Husty: Same here.

Nico: Wait. You guys hear that?

Eli: It's over there!

We saw a figure and it was a girl with black hair and red eyes and had cat ears and a cat tail and had black clothes and black angel wings and had a tiara with the symbol of Ultimate Panuncian on it.

Me: (GASP) Eleanor Ultimate Panuncian!

Nico: WHOA! The Evolved Panuncian Embodiment.

Me: Yep. And she is more powerful.

Eleanor Ultimate Panuncian: Help me J.D.

Eleanor slashed at Po Kong

But her claws didn't even scratch her big enormous girth!

Po Kong: Ha! That tickles.

She fired a wave of energy and blasted her down

Me: Hold on!

I fired a beam of electrons and injected the antidote.

Me: Sorry about this Eleanor!

Winx Club Stella: My turn!

She charged at her

She blasted Eleanor all over.

Then the antidote took effect.

She was back to normal and had blue eyes.

Kerchak: Are you okay?

Eleanor Ultimate Panuncian: Yeah I'm fine now. Thanks to you guys.

Me: You're welcome Eleanor.

Camie: You're safe now thanks to us.

Me: We're not done yet. And I have an awesome entrance for this one.

David Cain: I see X Borbs, Vivix, Tronics, Kudabots and Basherbots!

Poromon: Oh my!

Me: Whoa boy.

Qin: Lets get them!

I fired waves of energy and blasted them.

Tyler: DINO CHARGER READY! ENERGIZE! UNLEASH THE POWER!

Devon: ACTIVATE BEAST POWER!

Troy: SUPER MEGA MODE!

Brody: READY! NINJA SPIN!

They transformed and were ready!

Disk Wars Deadpool: (To the viewers) How about that? You get to see the King Ohger morph for the second time!

Jamesdean5842: We sure do.

Qin: Yep.

Lola: This will be awesome.

Eli: She's up ahead 45 klicks.

Count Spankulot: (Transylvanian Accent) You all have been very bad!

Me: They sure have!

Qin: Yeah!

We fired waves of energy and blasted the footsoldiers.

Me: That's it for them.

Larry Koopa: More incoming!

Me: Not for long!

I fired a wave of energy and blasted them all into dust.

Eli: That's it.

Nico: Now for Rita.

We went to face her.

Black Knight Ghost: Nice job earlier, Luna.

Luna: Thanks dudes. It was fun.

Me: It was.

We got to a huge open patch of land and saw our target. RITA REPULSA!

Me: Target sighted. Now here is the entrance. All the rangers will morph and we'll blast out of the explosion.

Nico: Nice.

Me: Lets do it.

I went to face her.

Coconuts: Let's be very quiet

I stood in front of her.

Me: Rita Repulsa!

Rita Repulsa: You came to face me by yourself? Not very smart.

Me: You still are full of talk. But I'm going to silence that mouth of yours permanently.

Rita Repulsa: Yeah right! You and what army?

Me: Me and THIS ARMY!

Out came all the rangers from over the last 47+ Years!

Me: IT'S MORPHIN TIME GUYS!

(THUNDERCLAP!)

Tommy Oliver: DRAGONZORD!

Zack Taylor: MASTODON!

Kimberly Ann Hart: PTERODACTYL!

Billy Cranston: TRICERATOPS!

Trini Kwan: SABER-TOOTH TIGER!

Jason Lee Scott: TYRANNOSAURUS!

Rocky DeSantos: RED RANGER POWER!

Kat Hillard: (Australian Accent) PINK RANGER POWER!

Aisha Campbell: YELLOW RANGER POWER!

Adam Park: BLACK RANGER POWER!

Lincoln formed clones and they turned into 5 of the ZEO POWER RANGERS!

Delphine: (Alien Voice) IT'S MORPHIN TIME! WHITE AQUITAR RANGER POWER!

Corcus: BLACK AQUITAR RANGER POWER!

Cestro: BLUE AQUITAR RANGER POWER!

Tideus: YELLOW AQUITAR RANGER POWER!

Aurico: RED AQUITAR RANGER POWER!

The Aquitar Rangers transformed and they were ready!

Aurico: Rangers of Aquitar, FULL POWER!

Aquitar Rangers: POWER OF WATER! POWER OF LIGHT! POWERS UNITE!

Tanya Sloan: ZEO RANGER II! YELLOW!

Suddenly, the sound of a clock bell rang: IT WAS THE TIME OF FINAL JUDGEMENT! Then, the tattoo of the demon, the manifestation of Sebastian's curse finally moved and it reached Rita Repulsa's black heart, and the demon crushed Rita Repulsa's heart.

Then, we fired energy beams that hit Rita Repulsa head on and destroyed her and her body was knocked down and killed, and she was finally sent to The Black Gates forever. GOOD RIDDANCE FOREVER, RITA REPULSA!

We powered down.

Nico: Good riddance forever, Rita Repulsa, you have failed this entire universe!

Me: She's failed this universe for 10,000 years, and now, her reign of terror is finally over.

Lincoln: Good riddance to her.

I then unsheathed my sword.

Me: Time for Zedd's present to get ready.

I looked like a SADISTIC MADMAN! Then…

SLASH!

I slashed her head off and held it up like how the mighty Perseus killed Medusa!

Nico: YEAH!

Lincoln: That was awesome! Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Laney. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Laney's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY MEGA LOUD BELCH!

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood, come on out now, feral animal Packing Day version of Laney, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Laney.

Zayto: That's the feral animal Packing Day version of Laney?!

Me: Yikes!

Feral Animal Packing Day Laney: (ROARS)

Laney's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Gloria Fullbuster: Oh, roar yourself, you four-legged monstrosity!

Suddenly, Gloria Fullbuster's blue eyes turned neon purple and she was surrounded by a marine blue energy aura with stars, snow, ice, magic, ice crystals, snowflakes, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached

Laney's feral animal Packing Day self, she left marine blue energy, stars, snow, ice, magic, ice crystals, snowflakes, phoenixes, and angels with every step.

Gloria Fullbuster: I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn let out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Gloria Fullbuster was surrounded by a massive vortex of marine blue energy, stars, bolts of lightning, yellow light, and paints surrounding the vortex, there are phoenixes, angels, and Weather Painter Thunder flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Lynn's feral animal Packing Day self: the red eyes of eternal death.

Lincoln, Gloria Fullbuster, and I went after Laney's feral animal Packing Day self, and we fired extremely powerful blasts of rainbow energy, marine blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Laney's feral animal Packing Day self, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Gloria Fullbuster also did the same by firing marine blue energy slashes from her massive greatsword, and he, Gloria Fullbuster, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Laney's feral animal Packing Day self even more madder and even more insane with rage as she let out another bellowing roar of rage.

Suddenly, Laney turned the tip of one of her eleven massive and long brown wolf tails into Cell's stinger that opened up into a large sucker and she plunged it onto her feral animal Packing Day self's head and she was unable to fight back. Then, she sucked her into her body and absorbed her as the stinger changed back.

Suddenly, we felt Laney's power and energy rising astronomically, and then… !

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LANEY WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT, AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE FAIRY, THE ANIMALS OF THE ANIMAL KINGDOM, PHOENIX, AND ANGEL! IT CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE FAIRY, THE ANIMALS OF THE ANIMAL KINGDOM, PHOENIX, AND ANGEL WENT BACK TO EARTH AND LANEY GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Laney was surrounded by a massive vortex of rainbow energy with stars, leaves, and rainbow fire surrounding the vortex, there are animals, fairies, plants, phoenixes, and angels flying around the vortex, and in the vortex is a brown phoenix!

Luna: HOLY GREAT BALLS OF FIRE!

We were really amazed by Laney's Super Angel-Fairy-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Joey saw her, he had an atomic red blush on her face, hearts in his eyes, and his nose was bleeding.

Laney: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Gaia Rainbow Firestorm Artistic Nature Fairy Phoenix God Angel and Divine Cosmic Eternal Harmony United Friendship Almighty Gaia Rainbow Firestorm Artistic Nature Fairy Phoenix God Angel Love) (GASPS) Whoa, now I've ascended, that's awesome!

Everyone cheered wildly for what Gloria Fullbuster, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Gloria Fullbuster's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large marine blue planets orbiting around her legs, and massive black angel wings and medium sized black angel wings underneath are permanent, and Laney's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve brown and green planets orbiting around her legs, and massive brown angel wings and medium sized brown angel wings underneath are permanent.

Gloria Fullbuster: That's it for that animal. Thanks for helping me take down Laney's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Gloria.

Me: My pleasure, Gloria.

Suddenly, Gloria Fullbuster wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gloria Fullbuster's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Yuki-Onna flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and snow and magic behind them and we cheered wildly. Then, Lincoln and Gloria Fullbuster sucked in and absorbed the elemental forces and snow and magic and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Gloria Fullbuster and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Laney a lesson she'd never forget.

Luan: And Laney absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: There's one person that comes to mind: Melanie Harmonia, Avatar of Harmony and Protector of Equestria.

Suddenly, my cutie mark, Hailey Harmonia's cutie marks, Lincoln's cutie mark tattoo on his back, and the cutie marks of Twilight Sparkle, Sunset Shimmer, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Trixie Lulamoon, Princess Celestia and Princess Luna were glowing.

Hailey Harmonia: My twin sister, wow.

Catherine Fontaine: I knew you'd pick her, Lincoln, I just knew it, and you guys are going to love meeting her, Melanie Harmonia is Lincoln's Guardian Angel from Equestria, and she's the Avatar of Harmony and the Avatar of The Legacy of J.D. Knudson, Twilight Sparkle, Sunset Shimmer, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Trixie Lulamoon, Princess Celestia and Princess Luna and she has all of J.D.'s powers and all the powers of Twilight Sparkle and friends, along with having the powers as one of Lincoln's Guardian Angels, and she's also an extremely powerful master of magic, The Elements of Harmony, and all the powers of Equestria. She's the ultimate bringer of light and peace, and she's the twin sister of Hailey Harmonia.

Eli: That is so awesome!

Celestia Equestria: Melanie also saw how Lincoln had ascended in the last seven years and how like you, J.D., became a True Champion of The Elements of Harmony and Friendship.

Me: That is really incredible.

Reina Brenton: And like all of the Daydream Princesses, Melanie trained Lincoln hard in using the same powers as her, as he used the experience from our training sessions and he really proved to be an amazing master.

Maria Nightingale: Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She absolutely hated The Doomsday 23, The Midnight Princesses of Royal Woods, the insane powerhungry Fire Alicorn who caused 2,000 years of pain and suffering and the mastermind behind The Doomsday 23, Queen Opaline Arcana, and all of Lincoln's enemies who were just as dangerous as The Doomsday 23 and The Midnight Princesses of Royal Woods. And she's more than once dealt with Lori, Lynn, Lola, Lisa, and Luan and she's used her magic to teach them a lesson and put them in their place.

Nico: Nice. And now, there's one person who's about to be dealt with, Lord Zedd.

Lincoln: That's right, along with the mystery person who's also causing trouble. Get ready, Lord Zedd. (DEEP SAPPHIRE EYES TURN RED AND WERE GLOWING) WE'RE COMING FOR YOU!

Jason Lee Scott: It's over!

Billy Cranston: After so many years, Rita Repulsa is finally gone for good!

Samon Shakekisutanchin: You guys must be really happy.

Zack Taylor: Can you really blame us?

Trini Kwan: She WAS our first major villain.

Killer Croc: That's true.

Dayu: But don't forget we still have Zedd and his mystery boss to deal with.

Kimberly Hart: We haven't forgotten.

Tommy Oliver: But this is still a moment to celebrate.

Yenaldoshi: You're right about that.

Weather Wizard: Let's enjoy the moment

Me: Yeah. And I got his present ready.

Nico: Yep.

I held up a box.

Me: Sorry you had to see me like that.

Nico: No worries. But the look on Zedd's face if he has one is going to be PRICELESS.

Qin: Yep.

Nico: Great job today everyone.

Lucky: (To the viewers) Now this was an awesome one.

Me: Yep.

We later went back home and enjoyed the rest of the day and went to sleep.

Me: Ahh New York City.

Laney: I always love coming here.

Camie: New York City is so awesome.

Varie: Yeah it sure is.

Lola: New York City is full of so many awesome things.

Camie: Yeah it sure is.

Ryu Tendo: I agree there too.

Nico: Ryu, I want to thank you, Buzzord, and your teams for coming.

Ryu Tendo: No problem Nico. This will be so awesome.

Varie: Yeah it sure will.

Armada Starscream: I'm really excited for this.

Nico: Starscream, remember when Lynn got you out of your G1 Self?

Armada Starscream: I sure do and that was so heroic of her for that.

Nico: It sure was. Alexis was devastated when you died back then.

Armada Starscream: I know. I had to do what I had to do to stop the Autobots and Decepticons from fighting and unite against Unicron.

Me: A brave and honorable sacrifice.

Varie: Yeah.

Nico: That is for sure. But it was really awesome that Lynn brought you back.

Armada Starscream: And in doing so she had her heart healed.

Nico: That's right and that is really cool.

Carly Atlas: But that was during the time was framed and me and the others went on that road trip.

Misty Tredwell: Yeah I remember that.

Me: That was awesome.

Camie: What happened back then?

Me: During the fight Lynn had to clear her name, she battled the G1 version of Starscream along with her evil self. She separated Armada Starscream from his G1 self and they worked together and reunited with Alexis.

Camie: Wow! That is amazing!

Me: Yep. And that was really amazing that the M.O.E. And Shiv helped Lynn back then.

Varie: It sure was.

Lincoln: I agree there. That was awesome.

Leni: Hard to believe that Lynn in that universe would turn out to be so evil.

Laney: Yeah she was a total nutjob. No offense to our Lynn.

Me: Yeah. But enough about that. But man we are now finally rid of Rita!

Nico: After 30 years!

Maria: It's only fitting that she get hit by the Power Blaster.

Me: In my opinion I would have chosen both the Power Blaster and the Power Cannon as a double whammy.

Nico: Yeah you're right. But that is true.

Maria: Still that was so awesome.

Me: but now we're finally rid of Rita Repulsa.

Lincoln: That is for sure. She survived for far too long and caused nothing but trouble.

Camie: That is for sure.

Nico: The Power Cannon will be used on Lord Zedd, honestly.

Me: Fair enough.

Nico: But J.D. you really were sadistic doing that with Rita by cutting her head off.

Me: (Chuckles sheepishly) Sorry you had to see that. But it was all part of my plan.

Maria: J.D., are you that focused on making Zedd suffer that you're completely forgetting about Zedd's mystery ally that Powell mentioned?

Me: I haven't forgotten. But it's part of my plan. I want to see the reaction on Lord Zedd's face when he sees it.

Maria: Oh I get it.

Me: I have a feeling it's going to be someone that Ben knows. Someone familiar.

Nico: We'll find out later though.

Nico: Everything's peaceful so far.

Me: Yep.

Lincoln: Okay, guys, we got ourselves a huge emergency, and this is one that's really going to be one technological fight: we got word that a clone of Sapotis, is here, and is causing havoc.

WE GASPED!

Nico: Oh no, not a clone of Sapotis, that Akuma's a nightmare to deal with.

Me: You said it. You think Lord Zedd was the one who sent it?

Lincoln: That definitely has to be the case, but of course, we'll also find out who his mystery partner is after we defeat him, but I've also got the feeling he'll be denying Sebastian the chance to kill him.

Suddenly, the rest of the team arrived thanks to Lincoln's message.

Lori: We got the message from Lincoln, but we got to watch it, Sapotis was a nightmare the last time we fought that Akuma.

Me: Yeah, but we won't let that stop us, let's get them!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them for all eternity. (Sensed for The Sapotis clone) AHA! Gotcha! I just spotted the clone of Sapotis, they're 20 yards away and they're already causing trouble.

Nico: Let's tear them apart.

Lincoln: And leave nothing of them standing. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) Flip, you stupid mutant cheapskate!

Me: That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs,

and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clone of Sapotis.

a Pokemon Cry and in the lake we saw a WAILORD!

Me: WHOA! Wailord!

Nico: A big one!

Boris: Oh cool.

Me: And the poor thing just needs a bigger lake home.

Nico: Yeah.

Wailord: Yeah it's too cramped.

Me: Oh you poor thing, Would you like to come with us?

Boris: I was about to say that.

Me: Cool.

Wailord: Awesome! And yes I would be honored.

Nico: You'll be perfect for what we're gonna fight in a few seconds!

Qin: Yeah!

Wailord: Yeah I sure will!

We were flying around, and then, we saw the clone of Sapotis.

Lincoln: There they are. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into Fire Moon as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and he grew a brown wolf snout, his massive white angel wings and medium sized white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Me: Let's get those miserable little terrors! KIBAL, LET'S HOWL!

Lincoln: So, it's just as we said, Lord Zedd was responsible for creating you.

Me: And his mystery partner is also involved, eh?

Qin: I have a feeling that he is too!

The clones then ran at Twilight!

Twilight Sparkle: Oh so that's how you want to play it!

She ran at them and they ran at her and she had her sword ready to slash!

She charged up the blade and then…

SLASH!

She slashed them and slashed their Akuma Costumes apart into shreds! They were in their underwear!

Lea: Hey! Remember me?!

Ed put on Bunny Slippers and I pulled out a carpet! Ed was shuffling along it.

Edd: "You see, by shuffling along the carpet, you absorb eager electrons, rapidly looking for a direct escape." [He observes Ed some more, and becomes worried as Ed becomes more and more charged, his eyebrow now being an electric bolt then proceeding to shuffle all over the place.] "Now, Ed, there's no need to overdo it." [becoming nervous as Ed attracts enough electricity to blow up all the lightbulbs all over the city] "Ed, that's quite enough." [terrified as Ed's electromagnetic pull starts attracting everything in the room towards him] "Ed, please stop!" Ed: [clearly enjoying himself] "Like this, Double D?" [he puts his finger near the clones noses] "Zappity

Zap Zap!"

[The camera moves to outside the house, where a big explosion is seen.]

Nico: That was funny!

They dogpiled on Mevya. But he inflated and blew them off him.

Me: Yeah!

Lincoln, Nyarla Nightmare Moon, and I went after the Sapotis clone, and we fired extremely powerful blasts of rainbow energy, midnight blue and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at the Sapotis clone, and they exploded with incredible power as they hit them.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on he and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well, and he, Nyarla Nightmare Moon, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving the Sapotis clone even more madder and even more insane with rage.

Then, Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Then, Lincoln, Adrienne Nightingale, Princess Luna, and I fired powerful blasts of energy, magic, stars, darkness, moonlight, and planets at the Sapotis clone, and Lincoln summoned fire wolf spirits and they brutally mauled and attacked them and he got badly hurt.

Lincoln fired black and midnight blue energy blasts at the Sapotis clone, and as soon as they got hit, Lincoln sucked out their souls and he made their powers his and left them as lifeless dried up corpses and were sent to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Nyarla Nightmare Moon's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer midnight blue tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large midnight black and blue planets orbiting around her legs, and massive midnight black angel wings and medium sized black angel wings underneath are permanent.

Me: That's it for those despicable troublemakers, and I can guess you used Shang Tsung's soul steal on them.

Lincoln: Yep, now their powers are permanently mine and I sent them to The Black Gates.

Nico: Nice one. And that's another Akuma clone taken care of.

Eli: Thank goodness. Now, all we got to do is worry about Lord Zedd and his mystery boss, and we don't know if it's Master Vile or Ben's archnemesis, Vilgax.

Lincoln: Both of them seem like good guesses, but there's no way Vilgax would ever be the boss of Lord Zedd, he has his own agenda, and Lord Zedd is now even more insane than ever. But, we'll have to find out by defeating Lord Zedd, and when his mystery boss shows up, Lord Zedd's gonna get double-crossed and killed himself by his mystery boss.

Nico: That's true.

Me: It sure is.

Qin: Yep.

Nico: I didn't know you could inflate, Mevya.

Mevya: Well I am a pufferfish and fit over someones head for air.

Nico: Good point.

Kevin Levin: It's true. He did that to me before.

Nico: Nice job Wailord.

Me: Boy no kidding.

Wailord: That was awesome! I flattened them.

Camie: You sure did.

Poromon got out a beer keg!

Me: A Beer Keg!?

Poromon: For someone as big as him it fits. Want some?

Wailord: Oh no thanks. I don't drink. I drink apple juice.

Nico: Cool.

Applejack: Always love a good apple juice lover.

Poromon: Okay then.

Poliwag: I'm too tired to do the puppy dog eyes.

Nico: Okay.

Poliwag: But I'll do it anyway!

Poliwag did Puppy Eyes.

Poliwag: Pwetty Pwease?

Nico: Poliwag that's enough.

Camie: That was still funny.

Nico: I was bitten on the hand!

He had bite marks.

Me: Yikes!

Qin: Ouch!

May: THEY LICKED MY FACE!

Maria: They almost gave me a wet willie!

Lincoln: They gave me a wedgie!

Luan: AND DOGPILED ON US!

Qin: But we dodged them.

Camie: All the gags we used were funny.

Me: Yep. Like this!

I GRABBED NICO'S FACE AND SHOVED IT IN MY BUTT AND THEN…

LOUD FART!

I farted in his face!

Nico gagged and coughed!

Nico: What was that for?!

Me (LAUGHS) Sorry I couldn't resist.

Nico: Oh. (SARCASTICALLY) Ha ha ha. Very funny.

Eddy: What did you think of my oven suit?

Me: That was really cool Eddy!

Rolf: Rolf can see shoddy spot-welding from a distance of twenty goats."

Eddy: "Hey!" [Rolf taps on his suit.] "Quit wasting your time, Rolfy boy." [Rolf puts his tongue on a specific spot and hits it with his fist.] Kevin: "You're a freak, dude."

Rolf: "Behold." [Eddy's suit splits down the middle.]

Me: Okay that was cool.

Qin: It sure was.

Eddy: It was fun while it lasted.

Me: Still cool though. We'll get more of those later.

Luan: I agree.

Eddy: Cool.

Double D: I'll be the one to make them

Me: All right. Now for the Anothers!

Eli: (Concentrates) WHOA! We got Buzzord, Timebreaker, Ghost Truck, Gothmog (LOTR), Snow Cat (Transformers Energon) and

Me: STAR SABER!

Nico: Oh yeah!

Eli: And I sense the Anothers minus Buzzord are one person.

Sunny Starscout: This is gonna be fun.

Then Sunny and friends cutie marks started glowing.

Nico: Sunny and friends cutie marks are glowing.

Eli: That means one thing.

Nico: There they are!

We saw Another Timebreaker, Ghost Truck, Gothmog (LOTR), Snow Cat (Transformers Energon) and Sapotis and Frightningale.

Me: This will be good!

Qin: YEAH!

Me: Oh yeah!

Another Ghost Truck: (In a girls voice) I'm ready for this!

Then they merged and reverted back and it was a girl with red hair and blue eyes and had purple clothes and had yellow angel wings ablaze with purple fire and she had the symbol of the Elements of Harmony in the middle of her forehead and on her skirt and she had the tails of Sunny Starscout, Izzy Moonbow, Pipp Petals, Zipp Storm, Hitch Trailblazer and Misty Brightdawn and had their cutie marks and Opaline's cutie mark on her arm and she had a sword with purple fire on the blade.

Sunny Starscout: Same here! It's an honor.

Solaria Harmonia: Yeah.

Me: By the way is the Another Buzzord friendly or hostile?

Solaria Harmonia: Friendly and you guys are gonna like her.

Me: Nice.

May: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER

They got Zyuranger and Jetman weapons.

Sira Starfox: I also saw numerous ships blasting numerous forces of

Andross on all the planets a while back.

Me: That was us. We were fighting in the Lylat Wars back then.

Sira Starfox: Cool!

Sira Starfox: No he didn't because I threaten to throw him into the fires of the star Solar in the Lylat System.

Nico: WHOA! Harsh!

Me: Infernal.

Qin: Yep.

Sougo: (gets out Jetman Ridewatch) It's fitting that I use this since Ryu's team is getting a chance to shine.

Sougo got RedHawkArmor whole Geiz got TyrannoMightyMorphinArmor

Sira Starfox: I heard about that.

Slippy Toad: It's true.

Sira Starfox: It was a harrowing adventure but it was awesome.

Nico: Yeah.

Nico and Rose hugged.

Nico: I've missed you.

Rose Rosebud: Me too Nico.

TOILET FLUSHES

Then Nico's eyes watered and he sneezed.

Then, Lincoln fired an energy blast that turned into a dark blue and purple straitjacket with stars, galaxies, and planets reflecting and tied Suri Polomare, and he beamed her to Vypra and she's in a lot of trouble. We cheered as we holstered our weapons and powered down.

Lincoln: You're lucky I'm not planning on launching a lawsuit on you for stealing Rarity's designs because I'll drive you to bankruptcy with all the evidence on your crimes. (To Melanie Harmonia) And it's so good to see you again, Melanie.

Melanie Harmonia: You too, Lincoln, it's been seven years since we last met. And it's so good to see you again, Hailey.

Hailey Harmonia: You too, Melanie.

Suddenly, Lincoln was pounced on by Melanie Harmonia as he caught her and she proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Melanie Harmonia was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered.

Melanie Harmonia: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Melanie Harmonia and he hugged her, and Melanie Harmonia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings and medium sized angel wings underneath with orange and aurora tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Harmonia: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli.

Selene Emperyous: And so do we, this is Melanie Harmonia, Avatar of Harmony and Protector of Equestria, she's Lincoln's Guardian Angel from Equestria, and she's the Avatar of Harmony and the Avatar of The Legacy of J.D. Knudson, Twilight Sparkle, Sunset Shimmer, Applejack, Rarity, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Trixie Lulamoon, Princess Celestia and Princess Luna and she has all of J.D.'s powers and all the powers of Twilight Sparkle and friends, along with having the powers as one of Lincoln's Guardian Angels, and she's also an extremely powerful master of magic, The Elements of Harmony, and all the powers of Equestria. She's the ultimate bringer of light and peace, and she's the twin sister of Hailey Harmonia. Melanie also saw how Lincoln had ascended in the last seven years and how like me, became a True Champion of The Elements of Harmony and Friendship, and she was so proud of him, and like all of the Daydream Princesses, Melanie trained Lincoln hard in using the same powers as her, as he used the experience from our training sessions and he really proved to be an amazing master. Lincoln made her a beautiful necklace to show his thanks to her, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem. She absolutely hated The Doomsday 23, The Midnight Princesses of Royal Woods, the insane powerhungry Fire Alicorn who caused 2,000 years of pain and suffering and the mastermind behind The Doomsday 23, Queen Opaline Arcana, and all of Lincoln's enemies who were just as dangerous as The Doomsday 23 and The Midnight Princesses of Royal Woods. And she's more than once dealt with Lori, Lynn, Lola, Lisa, and Luan and she's used her magic to teach them a lesson and put them in their place.

Nico: WHOA!

Selene Arcangela: Yep, she's one of the most powerful warriors of Equestria, and she despises those who dare to bring chaos.

Lincoln: The Doomsday 23, The Midnight Princesses of Royal Woods, Queen Opaline, and the rest of my enemies were all on the bad end of her fury, and she's put Lori, Lynn, Lola, Lisa, and Luan in their place more than once, and now that you're here, Melanie.

Lincoln went up to and hugged Melanie Harmonia in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we suddenly saw his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Harmonia: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Harmonia with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Melanie Harmonia: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Harmonia, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Melanie Harmonia's waist, and he leaned down to her face and kissed her on the lips, but when she placed her hands on his massive pecs, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Melanie Harmonia had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the twenty girls, and when Lincoln saw the twenty girls, he immediately recognized them. The twenty girls are Lucifer, Modeus, Azazel, Beelzebub, Cerberus, Generic, Judgement, Justice, Loremaster, Malina, Pandemonica, Zdrada, Zoe Badgeworth, and Renee Armorhero from Helltaker and Celestia Lindwurm, Irias Reginleif, Giee, Lugh Ciel, Rain Lindwurm, and Sriabell Orphnknight from Jade Penetrate.

Celestia Lindwurm: Yes, we're okay, thanks to you.

Celestia Lindwurm: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made nineteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Modeus: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucifer, Modeus, Azazel, Beelzebub, Cerberus, Generic, Judgement, Justice, Loremaster, Malina, Pandemonica, Zdrada, Zoe Badgeworth, Renee Armorhero, Celestia Lindwurm, Irias Reginleif, Giee, Lugh Ciel, Rain Lindwurm, and Sriabell Orphnknight with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and they were shocked to find out the villain we went after was Suri Polomare, Rarity's enemy who came back, and she was still out for revenge on Rarity for making her career go down the toilet.

But, when Lincoln showed what we did in taking her down and sending her to Vypra, everyone cheered and they went up to us and hugged us and Lincoln's harem kissed him on the lips. Lincoln and Melanie Harmonia have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that excuse for a dress designer was causing havoc in Canterlot.

Lincoln: Her hatred towards Rarity hasn't died down even after her career went down the drain, and like I said, she's lucky I wasn't planning on launching a lawsuit on her for stealing Rarity's designs because I'll drive her to bankruptcy with all the evidence on her crimes.

Nico: If you did that, she'd be penniless and out on the streets dressed in rags.

Me: But, still, what Suri did in stealing Rarity's designs on her dresses, that really pissed Lincoln off and he was that close to launching that lawsuit on her. Thank goodness she was sent to Vypra, and that's much better than getting sued for stealing Rarity's designs.

---

After taking down Suri Polomare, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Harmonia saw Lincoln doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Harmonia: My God, I was right that Lincoln's really grown into a 18-year-old, 8'9" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet

plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Melanie Harmonia: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Melanie Harmonia: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

When we were finished looking through the file on The Midnight Princesses, WE GASPED IN PURE SHOCK AND HORROR: THESE GIRLS ARE EVEN MORE DANGEROUS THAN THE

MIDNIGHT 15!

Nico: MY GOD, THESE GIRLS ARE ABSOLUTE MONSTERS!

Me: ABSOLUTE AGENTS OF DISHARMONY AND CHAOS!

Eli: THEY'RE JUST LIKE THE MIDNIGHT 15! BUT FAR MORE DANGEROUS!

Catherine Fontaine: That's exactly right, Eli.

Me: These girls are PURE EVIL!

Lincoln: We drove them out years ago, and now, they're going to return next year. That dream I had was more than just a dream, it's a prophecy: the prophecy spoke of seventeen agents of darkness and disharmony returning to get revenge for being cast out, and those seventeen agents of darkness and disharmony are none other than The Midnight Princesses of Royal Woods.

Twilight Sparkle: They need to be stopped once and for all.

Sunset Shimmer: And we will, if they appear on The Ridonculous Race next year, then, we're looking at a repeat of the battle against The Midnight 13.

Me: I still remember that all too well.

Zarya: Me too.

Nico: Those Midnight Princesses are already making me sick, they're on the same scale as The Doomsday 23 and Queen Opaline, as it stands, they've already sealed their fate.

Lincoln: That they have.

We got a shower, and then, Lincoln, Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 8'9", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that mutant cheapskate go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of him, but they also got to keep their heads up, they got word that mutant cheapskate has sent more muscle-bound thugs to kill them.

Simulator Mindy Simmons: Wow, so this is Laverra Beach. It sure is beautiful.

Lincoln: It sure is, Mindy, and it's perfect for our first double date. Shall we?

Lincoln, Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest

which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he absorbed them.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings underneath with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers are in your harem, Linky.

Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers showed the marks Lincoln made on the right sides of their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Becky (The Simpsons), Simulator Mindy Simmons, Simulator Lurlee Lumpkin, and Simulator Ruth Powers, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that dumb mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, he's officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant three-butt-cheeked cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three butt-cheeks like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you stupid mutant cheapskate!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Now, Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Next is Wooded Kingdom part 3.

Me: Nice!

Azulongmon: Me and Baihumon next.

Nico: All right then.

They went into the simulator and it activated and they were at WOODED KINGDOM for round 3!

Nico: Any tips Nicole?

Nicole: Well you guys aren't going to like this one. You'll see why when you get to where you fought Spewart before.

Nico: Oh boy. We better get over there.

Azulongmon: Lets go then.

Nico: We better get over there.

They were off.

Azulongmon: This is amazing.

Baihumon: It sure is.

Nico: I wonder who's waiting for us this time.

Azulongmon: I see someone. Look.

They saw a figure and it was a man dressed in a black shirt and brown pants and black shoes and he had a green tie.

Nico: Uh hello sir.

Lonnie Talbot: Nico. I need your help.

Nico: What's the problem? Is something wrong?

Lonnie Talbot: My name Lonnie Talbot and I have a horrible problem.

Nico: What is it?

He grabbed Nico's shirt!

Lonnie Talbot: You don't understand! I need your help big time!

Nico: Okay okay! What's wrong?

I recognized him from somewhere.

Me: He looks very… (GASP) Oh man!

I went in and flew in to help Nico!

Me: Lonnie wait!

Nico: J.D.?

Me: Sorry Nico but I know this man. Lonnie Talbot. He's a werewolf!

Nico: (GASP)

Azulongmon: Oh dear!

Baihumon: Oh boy!

Lonnie Talbot: Yes Nico. Years ago I was bitten by one. When the full moon comes out I change and I do horrible things!

Me: And you wake up the next morning covered in blood. Right?

Lonnie Talbot: That's right. It's why I need your help.

Nico: (to Lonnie Talbot) Okay. If you calm down, I can help you. But while I'm doing so, if Lord Zedd did this to you, I need you to tell me. Who's his mystery partner?

Lonnie Talbot: No Lord Zedd didn't do this to me. But I do know who his mystery partner is.

Me: The next full moon isn't tonight.

Lonnie Talbot: His partner is…

He looked up and saw THE FULL MOON!

Me: Uh oh. In this world it is.

Lonnie quivered and put his hands on his head and he got down on the floor. Then he was changing! He grew fur, claws and fangs and he turned into THE WOLF MAN!

He growled and roared ferociously!

Nico: You know what? I'll just get the name of Zedd's mystery partner before we use the Black Gates on him!

?: (ECHOING) HORNBLASTER!

A ball of energy flew in and blasted Lonnie down!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMMM!

Unimon and a girl with blue hair and blue eyes and blue clothes and blue angel wings and a tiara with the symbol of Chill Man came and she was on its back.

Catia Chill: (Russian Accent) Catia Chill, Embodiment of Chill Man and Gene-slammer of Chill. Stay Cool.

Azulongmon: Catia! Great to see you.

Baihumon: Same here.

Catia Chill: You too Azulongmon and Baihumon. Been a while.

Unimon: (In a girls voice) This is gonna be awesome.

Nico: Ulrika Uni!? Whoa!

Me: Cool!

Ulrika Uni: We can catch up later. Lets save this guy.

Me: Time to fight wolf with wolf!

I growled and went werewolf! I turned into J.D. the Nocturnal!

Me: (HOWLS!)

Nico: YEAH!

Me: Lonnie I know you can hear me. We'll help you! Just hang on!

I fired waves of blue fire and blasted him.

Nico: (gets out Buzzord and Ring Ring's Ridewatch): Time for rings of Buzzards!

Nico activated them and fired waves of energy and blasted him.

Azulongmon: (Echoing) LIGHTNING WHIP!

He fired a wave of lightning and electrocuted him.

Baihumon: (Echoing) GOLD STRENGTH!

He fired an energy beam from his mouth and Lonnie dodged it but it turned the floor into metal!

Nico: WHOA!

Me: Nice one!

Ulrika Uni: (Echoing) HORNBLASTER!

She fired a wave of energy and blasted him.

Catia Chill: NARWHAL!

She fired waves of ice and it formed a narwhal and blasted him down.

Nico: Sorry about this!

I fired a wave of light and it hit him and it cured him and he was back to normal. He was unconscious though.

Me: He'll be okay. Just out cold.

I reverted back.

Ulrika reverted back and she was a girl with red hair and gray clothes and had black angel wings and had one of those awesome Science Fiction Style visors like those of Cyclops and she had a red blade lightsaber on her hip.

Ulrika Uni: That was cool!

We got more moons.

Nico: Awesome!

We high five.

Me: Cool Visor.

Ulrika Uni: Oh thanks. I was born with the powers of those of Cyclops.

Me: That is awesome.

Nico: How did you meet Azulongmon and Baihumon?

Catia Chill: I met them in the Digital World and helped them take down evil Digimon. They taught me all their powers of Lightning and metal and wind.

Baihumon: That's right.

Azulongmon: She is a very amazing learner too.

Nico: Neat!

Me: And Ulrika what's your favorite memory of Nico?

Ulrika Uni: When me and Nico were battling Trask's Sentinels and saving mutant children from then.

Me: That is cool! You don't have to worry about Mutants being hated anymore. We stopped all that. And Trask is dead now. He was sent to the Neptune Prison and he tried to escape and fell into the clouds.

Nico: Yep. People and mutants are now friends.

Ulrika Uni: That's awesome!

Nico: Yep.

Nico and Ulrika hugged.

Nico: I've missed you.

Ulrika Uni: Same here.

Me: Would you two like to join the team?

Catia Chill: We would be honored.

Me: Awesome.

We left the simulator and everyone cheered wildly for us.

Later the mascots were leading us to somewhere.

Me: Where are you taking us guys?

Poromon: It's a surprise.

We arrived at a cool hotel.

Me: Ooh very luxurious.

We later went up to the roof and we saw something.

Holly Whoopass: Is this where I think it is?

Laney Simmons: It is.

We saw an amazing and beautiful rooftop mansion!

Laney Simmons: It's my home.

Me: WOW! Laney your house is absolutely amazing.

Laney Simmons: Yep and you guys are going to love my mom and dad.

Nico screamed and he hid behind me and was shaking like a leaf.

Me: Nico!

May: It's going to be okay.

We walked through the courtyard garden.

Me: Wow your garden is beautiful.

Laney Simmons: Thanks.

Me: The view of the city is amazing. What does your family do that makes them rich?

Laney Simmons: They are video game makers and they make really popular video games.

Me: That is cool Laney.

Laney Loud: It sure is awesome.

Laney Simmons: Yep.

We got to the door and Laney knocked on it.

A butler answered.

Butler: Yes?

Laney Simmons: Hello Jacques.

Jacques: Why Ms. Laney welcome home. Your mother and father are worried about you.

Laney Simmons: May we all come in?

Jacques: Certainly.

We all went in.

Me: Wow Laney your house is beautiful.

We saw jeweled furniture and more.

Rarity: Oh my it's absolutely beautiful darling.

Laney Simmons: It sure is.

Jacques: Right this way.

Poromon: Hello Jacques!

Jacques: Ah Poromon and Poliwag good to see you 2.

Poliwag: Same here.

We arrived at the living room entrance.

Jacques: Team Loud Phoenix Storm madam and sir.

John Simmons: Ah welcome everyone.

Laney Simmons: Hello mom and dad.

Victoria Simmons: Laney welcome home princess.

They hugged her.

Laney Simmons: It's great to see you.

Me: Hello Mr. And Mrs. Simmons. It's a pleasure to meet you.

John Simmons: Why hello J.D. and welcome.

Me: Your house is really beautiful.

Victoria Simmons: Thank you very much.

They saw Nico shaking.

John Simmons: Why Nico is that you chap?

Nico: (Afraid) He… he.. Hello Mr. Simmons.

John Simmons: It's good to see you.

Me: We should tell you why he's afraid.

John Simmons: Of course. Jacques bring us some tea would you?

Jacques: Right away.

We got to having tea.

Poromon: It's awesome to see you again Mr. And Mrs. Simmons.

Victoria Simmons: You too Poromon. And you as well Poliwag.

Me: (drinks tea) Mmm. Jasmine mint Oolong. Good tea.

Victoria Simmons: Thank you very much.

Nico was shaking like a leaf in fright.

Me: Nico gets like this whenever he is is meeting the parents of the girls in his harem.

Nico: (GULPS)

Rarity: Laney your family has very exquisite tastes darling.

Laney Simmons: Thanks Rarity. I'm glad you all like my house.

Me: And it's amazing that it's right on top of the roof of the Saint Callador Hotel. One of the finest hotels in the city.

Poliwag: (gives them shotgun) Here's a shotgun you can use! Don't worry! It still works!

Zuzana Berzins: (Latvian accent) After you used it to shoot Poromon's clones

Me: Poliwag! Did you have to do that?

Poliwag: Sorry.

Nico: Don't kill me!

Thrust: Nico, you have nothing to worry about

Me: Nico is afraid that you are going to kill him. It's because you're looking out for your daughter.

John Simmons: Oh I see what you mean. But goodness no Nico we would never do that to you.

Victoria Simmons: Yeah Nico we love our daughter but we would never hurt you like that.

Nico: Really?

John Simmons: Sure Nico we love you like our own son.

Nico: (Sighs in relief)

John Simmons: But Nico we heard about your harem and you have our blessings.

Victoria Simmons: We know you will love our daughter.

Nico: Thank you Mr. And Mrs. Simmons.

Strafe: I hope he and your daughter get married.

Me: He will and Nico is a man of his word.

Nico: Simmons: Just one more thing, Nico.

Nico: What is it?

Victoria Simmons: Give Lord Zedd Hell!

Nico: With pleasure!

Drax: No. He will get nothing. We will just kill him.

Ultra Humanite: (sighs) Pardon Drax. He tends to take things literally. But yes. We WILL give Lord Zedd Hell.

Me: That we can do. If Lord Zedd is attacking Angel Grove then it's good we got everyone out of there.

Nico: Yep. The mayor informed me that the city was evacuated.

Me: Good.

We went back to the estate.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was Lord Zedd, and he's on the move and causing havoc, and he's major pissed off. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move, Lord Zedd.

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Lord Zedd, and he's on the move and causing havoc, and he's major pissed off.

WE GASPED!

Nico: So, Lord Zedd's finally on the move.

Me: Yep, and this is where it finally ends for him.

Nico: You said it, that monster is finally getting his comeuppance. Plus, like Lincoln said, we're gonna find out who Lord Zedd's mystery boss is.

Lincoln: Whoever it is, we're facing him tomorrow and we'll make him pay.

Me: You said it.

Nico: That we will. Alright, team, let's go, the time to destroy Lord Zedd has finally come.

Lincoln: Finally, he will pay for everything she's done.

Me: Perfect! This will be good! And if Lord Zedd is moving then the mystery foe is not far behind.

Nico: Yep.

The Previous Group came.

Goro: Can me, 10,000 Volt Ghost, Zavok, Black Lance, Lythos, Samon Shakekisutanchin, Killer Croc, Dayu, Yenaldoshi and Weather Wizard go with you guys?

Nico: Yes you all can come with.

Qin: We're going to need all the help we can get on this one.

Me: Yep.

Overkill: Nico, which Gene Slammer do you think you'll meet next?

Nico: Dark Necrobat next.

Qin: Nice.

Lucy Loud: Wicked.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than the feral animal Packing Day version of Lucy, and that rampaging animal is coming after us to pummel us with snowballs. When we saw it, we knew it meant trouble.

Lincoln: Uh oh.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is something none of us are going to like in the slightest. The figure we sensed belongs to the feral animal Packing Day version of Lucy, and that rampaging animal is coming after us to pummel us with snowballs.

Me: Uh oh, what does she look like?

Lincoln took out his sketchbook and we saw Lucy's feral animal Packing Day version, she looked like her on Packing Day, but with long wild unkempt black hair, she has on a black coat with the sleeves torn off, black pants and black boots, and she was on all fours.

Lucy Loud: Gasp, that version of me looks like an uncivilized beast!

MONSTROUSLY MEGA LOUD BELCH!

Lucy Loud: GASP!

Me: Along with having Lynn's monstrous side on Packing Day.

Fay Reikova: (Ukrainian Accent) We'll be ready for her, we've dealt with Lynn on Packing Day before, this won't be any different.

Nico: Oh, this is gonna end badly for her. Alright, gang, let's go, the time to destroy Lord Zedd has finally come.

Lincoln: Finally, Lord Zedd will finally meet judgement for his crimes and we'll be seeing his mystery boss, and once we get done with him, you're next, you monstrous beast.

Fay Reikova: (Ukrainian Accent) We knew this day was coming, but we've been through a lot worse with Lynn on Packing Day, but either way, we're stopping you dead in your tracks.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Lord Zedd and make him pay for everything he's done and we'll also be seeing his mystery boss as well, and once we get done with him, Lincoln and Fay Reikova along with me are going to destroy the feral animal Packing Day version of Lucy.

We were off to Angel Grove!

---

We arrived.

Me: Angel Grove.

Nico: Yep.

10,000 Volt Ghost: Shouldn't Hikaru be here too?

Me: He should be here right about… now.

Hikaru Raido: I'm here guys!

Me: Hey Hikaru glad you could make it.

Jared: Wow it's an honor to meet one of the Ultraman.

Hikaru Raido: Same here Jared.

Nico: Yep. Thanks for coming.

Sabrina (Pokemon): I sense there's only about half the population here.

Me: That's because they are underground in a huge shelter.

Qin: Good.

Sabrina (Pokemon): At least they are safe.

Camie: Yep.

Lythos: We need to stay sharp. No telling how Zedd's planning to attack Angel Grove.

Me: Yep.

Eli: (Senses Something) We got company!

We saw ZENTINELS COMING!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMMM!

Massive fiery explosions blasted buildings all over!

Me: Here they come!

Divebomb (sees something): Guys, I think I know how they're attacking Angel Grove!

Divebomb was seeing Zentinels using helicopters to launch missiles at the city!

Nico: WHOA! Helicopters too!?

Me: Time for some pain!

I fired waves of lightning and blasted the Zentinels on land and air!

KRABBBBBBBBOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOMMM! KRABBBBBBBBOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOMMM!
KRABBBBBBOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOMMMMM!

Nico: Nice one!

Killer Croc: Geez, if this happened in Gotham, the death toll would be countless!

Me: No kidding!

Qin: Yeah!

Me: Watch this!

I gave them the LAAAAAZY EYE

I was blubbering like crazy and then it caused the Zentinels and helicopters all exploded everywhere!

MULTIPLE FIERY EXPLOSIONS!

They were all destroyed!

I stopped.

Me: WHOA! That was nuts!

Hikaru Raido: Nice one!

Me: Yeah!

More Helicopters appeared.

Eye Five: This is getting us nowhere!

Nico: I got an idea! I'm gonna call Sombra from Overwatch in the MOE HQ!

Me: Good idea!

We did so.

Sombra came and destroyed them all over.

More Helicopters appeared.

Me: They just keep coming!

Sombra: Okay, I know you didn't just call me here to destroy some choppers.

Weather Wizard: Can you find any way for us to get into Zedd's ship?

Sombra: I checked already. To get in, you'll have to get the Master Control Program from one of the helicopters. After that, send it to me and I'll use it to open the entrance to Zedd's ship.

Eli: Lets go then!

Eli flew and got into one of the choppers and kicked a Zentinel out and got the program out of it and sent it to Sombra and teleported back.

Eli: Got it!

Sombra: Well done Eli!

Me: Yeah!

Sombra: Alright. Let me work my magic.

RD Luna: Don't mean to rush you, dude, but you should hurry. We're getting reports that several people are injured. No deaths yet.

Me: The medical units are getting there.

Sombra was working her magic.

Yenaldooshi then smelled something.

Nico: You okay?

Yenaldooshi: Relax. I'm fine. (In his head) So HE'S here? I should tell J.D. and Lincoln but they're so focused on killing Zedd. I'll just have to wait until this is done.

Nico: Okay then.

Sombra: Voila. It's open!

Terrence: Nice job! Alright, wait out here. We'll give the signal when it's time for you to shut Zedd's toys down and end his whole plan.

Sombra: Right.

We went to stop the toys for Zedd.

Dayu: I see Hengemen and more Zentinels!

Me: Lets get them!

Zayto: LINK TO MORPHIN GRID!

He transformed and was ready!

We blasted the Zentinels and Hengemen!

Beastbox: Have some of this!

He fired laser blasts and blew them apart!

Qin: YEAH! And this!

She fired fireballs and blasted them all over!

Me: Take this!

I fired energy blasts and blew them apart.

Samon Shakekisutanchin: Have some salmon!

He fired fish bombs and blasted them.

Qin: TAKE THAT!

We saw Zedd's ship!

Me: Target sighted.

Slash Man: Time to slice and dice these dumbasses!

He slashed and cut more footsoldiers.

Me: Okay it's all clear.

Terrance: All clear!

Sombra came.

Sombra: I'll wait out here. Give that asshole Hell.

Black Lance: Our pleasure!

Me: Lets go guys!

Nico: Yeah!

We went into the ship!

We saw our target.

Me: There he is.

Frenzy: Entrance time!

Me: Let me work my magic.

I went up to him.

Me: Lord Zedd!

Lord Zedd saw me.

Lord Zedd: Well J.D. Knudson!

Me: This ends now Zedd! You are going to pay for everything you did!

Lord Zedd: Do you honestly think you can beat me alone?

Me: I don't think. I know. Also I'm not alone.

Out came all the rangers from over the last 47+ Years!

Lincoln and the girls fired waves of energy and elements that transformed into the Zords of Dino Fury and Cosmic Fury and they smashed into Lord Zedd head on and they exploded as they hit him.

Lincoln and his harem: ZORD FINAL SMASH: COSMIC DINO FURY MEGABLAST!

They fired Ki blasts based on the Zords of Dino Fury and Cosmic Fury at Lord Zedd.

Lord Zedd: Oh no…

THEN… !

KRABBOOOOOOOOMMMMMM!

The blasts hit Lord Zedd head on and exploded with incredible power on contact and he was dazed and stunned.

Lord Zedd: YOU!… YOU!

Sebastian Mendez formed a huge black sword in his left hand: the black sword was all of the malevolent darkness and madness that he had in his heart.

Sebastian Mendez: This is where you die, Lord Zedd! Now, GO TO HELL!

Tommy Oliver: Time to finish this. With the Power Cannon!

They summoned the Power Cannon!

Jason: RED CHARGE!

Zach: BLACK CHARGE!

Kimberly: PINK CHARGE!

Billy: BLUE CHARGE!

Trini: YELLOW CHARGE!

Tommy: GREEN CHARGE!

It was charged up!

Tommy: FIRE!

They fired a massive blast of energy and it hit Zedd and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Nico: Sombra, we've ended things here. Now I need you to shut it down.

Sombra: My pleasure!

Sombra worked her magic and soon, the Zentinels and helicopters shut down.

Zedd: You've ruined everything!

Me: And we show no remorse for it.

Zayto growled at this, then grabbed Zedd, dragging him to the window and slamming him against it to look at the carnage he created.

Zayto: Take a good look at what you've done! The only thing that's ruined is the peace of mind anyone in Angel Grove has! Yeah, no one died! But the destruction is still there! Everyone's going to be afraid that from now on, there's going to be attacks like this every day!

Zedd: (laughs delusionally) Yes. Isn't it glorious?

Zayto growled and threw him to the ground.

Ollie: You're insane, Zedd. We should've killed you along with Void Queen, Yodon, and their buddies last year.

Cornelia: The only reason we didn't is because you escaped from the Morphin Masters' prison before my big mission.

Zedd: (stands up) I have powerful friends, you foolish Rangers. This is just the beginning. You cannot stop me. Soon, I will command forces beyond your comprehension.

Me: We'll see about that.

Iron Boy: (scoffs) Buddy, you have no idea what we've had to comprehend.

Iron Boy used his suit to hack into a nearby screen to show footage of our battles against Burns, Crocker, Joker, Luthor, Maleficent, Xehanort, Paul, Malfoy, Kurata, Master Org, Krytus, and Masato Kusaka. Zedd was shocked at this, but tried to play it off.

Zedd: Mindless fools drived mad by their desire to kill you all. Incapable of any true planning. My forces will be unmatched. And very soon, the Multiverse will forever tremble befrore Lord… Zedd?!

Just then, a sword suddenly burst through his chest. He then fell to the ground, revealing Vilgax behind him.

Vilgax: Your part in this is over, Lord Zedd. (walks to the window)

Ben: Vilgax?!

Me: VILGAX!

Lincoln: (growls) Dammit, squidface. Can't you just wait your fucking turn?!

Vilgax: (chuckles) As usual, Lincoln Loud, you and J.D. Knudson's hatred towards evil clouds your judgement. Haven't you figured it out by now? I thought Aggregor and the Embodiments of Tennyson's aliens being infected with that virus would give you a hint.

Nico: (eyes widen) Wait. It was you. You've been the one pulling the strings the entire time!

Me: I knew it!

Vilgax: Figures you'd piece together everything much quickly. No wonder you replaced J.D. Knudson as leader.

Zedd: (gasps and coughs weakly) Why? I did everything you wanted!

Vilgax: Indeed. You clearly demonstrated you are unworthy if Team Loud Phoenix Storm could defeat you, let alone the Power Rangers and Ben Tennyson.

Nico was shocked at this, glaring at Vilgax. Zedd's wound was most certainly fatal, even if we healed him, which we wouldn't, it would be too little too late to repair the damage. So we turned to the one who did the damage in the first place.

Izzy Garcia: You monster! How could you!? We might hate the guy. But He did whatever you asked and you thank him like this!?

Javi: No wonder he's so twisted if you were his example!

Zedd: (weakly) You said I could replace you. This was… Our vision…

Vilgax: And you failed to see it through.

Zedd: But…

Vilgax: When I freed you from the prison the Morphin Masters put you in, I gave you this chance to prove your worth, providing you with limitless resources for your plan. You came… Close. But overall, you have failed me for the last time.

Ben: (growls) Of course. He's just another pawn to you, isn't he?! Just like Albedo and Psyphon!

Amelia: (gestures to Zedd) They're not toys for you to use, Vilgax! They're people! And you just killed one like he was nothing!

Vilgax: (laughs evilly) Oh please. You should be thanking me. After all, you wanted him dead to begin with. Or are you all just mad that you didn't land the killing blow?

Zedd: I'm so close… Just give me more time.

Vilgax: Too late. I don't give second chances. (to Ben) This is a good day, Ben Tennyson.

Ben: Good?! People are dying!

Vilgax: The world will not miss them. Why should you? (looks at the damage Zedd caused) Look at my work. You may have defeated Zedd, but this… this is just the beginning. I'm in a good mood. So, I'll give you and your friends one chance to surrender.

Ben: You must be crazy if you think I'm going to surrender to you! When I'm done with you this time, there's going to be nothing left!

Aiyon: And we'll help him!

Me: Same here!

Vilgax (laughs): I doubt it. But I prefer if we settle this tomorrow.

Fern: Glad we can agree on something!

Me: Fair enough!

However, Zedd had one last surprise for us.

Zedd: Computer: Activate… Self… Detruct.

Nico: Say what?!

Me: Uh oh!

Vilgax: (amused) Oh, and just what are you doing?!

Zedd: Pass code: Thrax!

With that, Lord Zedd finally took his last breath and died. Suddenly, a new alarm was raised and the screen showed the number ten and began counting down.

Vilgax: Oh please. (teleports away)

Sombra: (from outside) GUYS, GET OUT OF THERE NOW!

WE TELEPORTED AWAY!

I fired a beam of black energy and it hit Zedd,

Me: Hasta la vista Zedd!

We teleported out of there and it exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion obliterated Lord Zedd and banished him to the black gates!Lincoln gave Lord Zedd The Black Gates,

Me: So, now we know who Lord Zedd's mystery ally was.

Nico: Vilgax, Ben's other powerful archenemy. So, our final battle will be taking place at Angel Grove tomorrow.

Lincoln: Then, it'll be where Vilgax's grip on universal domination end for good. Now, there's only one last thing to do and one last loose end to tie up: the feral animal Packing Day version of Laney. Everyone, keep your eyes peeled.

Suddenly, in Feral Monster Laney's point of view as she hides in some trees, she moved the trees aside and was watching us menacingly as she was breathing, snorting, and grunting heavily, then, she pushed the trees back. Then, back to us.

MONSTROUSLY MEGA LOUD BELCH!

Suddenly, the twelve large planets orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters' legs, the twelve large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley

Lucy: She's here…

Then, we saw snowballs heading our way.

Nico: INCOMING SNOWBALLS!

Lincoln formed a massive indestructible diamond barrier infused with fire that protected all of us from the barrage of snowballs that came from nowhere and hit the barrier, but it stood strong and the fire melted the snowballs into water.

Lincoln: (Catches the scent) There's no mistaking the scent of blood, come on out now, feral animal Packing Day version of Lucy, or we're going to force you out.

A figure came out on all fours growling like a dog, it was the feral animal Packing Day version of Lucy.

Zayto: That's the feral animal Packing Day version of Lucy?!

Me: Yikes!

Feral Animal Packing Day Lucy: (ROARS)

Lucy's feral animal Packing Day self charged at Lincoln, but he punched her hard and she flew right into a wall, she got back up, but she roared and beat her chest like a gorilla: SHE WAS PISSED!

Fay Reikova: (Ukrainian Accent) Oh, roar yourself, you four-legged monstrosity.

Suddenly, Fay Reikova's blue eyes turned neon purple and she was surrounded by a light blue and white energy aura with stars, light, white lightning, white dragons, phoenixes, and angels, she unholstered her massive gold greatsword, and as she approached Lucy's feral animal Packing Day self, she left light blue and white energy, stars, light, white lightning, white dragons, phoenixes, and angels with every step.

Fay Reikova: (Ukrainian Accent) I shouldn't be surprised that you would show up, but I always knew you'd be coming because of the loud belches that Lynn let out when she goes psycho on Packing Day, but we've known you were coming and we're ready to take you and your feral team down!

Suddenly, Fay Reikova was surrounded by a massive vortex of light blue and white energy with stars, light, and white lightning surrounding the vortex, there are white dragons, phoenixes, angels, and Blue-Eyes Quinquennial Dragon flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Lucy's feral animal Packing Day self: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: WHOA!

Lincoln: This is going to be one wild fight.

Then, as the vortex faded, Fay Reikova emerged, but she was changed forever.

Fay Reikova grew from 6'11" to 8'3" in height, she has large gold metal braces on her biceps and thighs, and she now has twelve large light blue planets orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long light blue hair and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a light blue and white energy aura with stars, light, white lightning, white dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Blue-Eyes Quinquennial Dragon, a phoenix, and angel emblazoned on her forehead with blue iris, she has on dragon earrings with blue gems for eyes and holding the Star, Light, White Lightning, and Eternity Kanjis in their claws, she also has Blue-Eyes Quinquennial Dragon with blue gems for eyes and holding the Star, Light, White Lightning, and Eternity Kanjis in its claws for the second pendant on the bottom of her light blue dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with light blue crystal links from her merged Crystal Necklace of the Buddha and light blue gems embedded on the gold lightning bolt links, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Lincoln, Fay Reikova, and I went after Lucy's feral animal Packing Day self, and we fired extremely powerful blasts of rainbow energy, light blue and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Lucy's feral animal Packing Day self, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well and Fay Reikova also did the same by firing light blue and white energy slashes from her massive greatsword, and he, Fay Reikova, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was driving Lucy's feral animal Packing Day self even more madder and even more insane with rage as she let out another bellowing roar of rage.

Suddenly, Lucy turned the tip of one of her eleven massive and long black wolf tails into Cell's stinger that opened up into a large sucker and she plunged it onto her feral animal Packing Day self's head and she was unable to fight back. Then, she sucked her into her body and absorbed her as the stinger changed back.

Suddenly, we felt Lucy's power and energy rising astronomically, and then… !

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LUCY LOUD WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! We were really amazed by Lucy's Super Angel-Vampire-Demon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Rocky Spokes saw her, he had an atomic red blush on her face, hearts in his eyes, and his nose was bleeding.

Lucy: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Harmony United Friendship Almighty Nott Nizogamourne Eternal Darkness Gothic Blood Fear Vampire Demon Phoenix God Angel and Divine Cosmic Eternal Harmony United Friendship Almighty Nott Nizogamourne Eternal Darkness Gothic Blood Fear Vampire Demon Phoenix God Angel Love) Gasp, now I've ascended.

Everyone cheered wildly for what Gloria Fullbuster, Lincoln, and I did as we holstered their massive greatswords on their backs and powered down and Fay Reikova's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twelve large light blue and white planets orbiting around her legs, and massive light blue angel wings and medium sized light blue angel wings underneath are permanent, and Lucy's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve black and blood red planets orbiting around her legs, and massive black angel wings and medium sized black angel wings underneath are permanent.

Fay Reikova: (Ukrainian Accent) That's it for that animal. Thanks for helping me take down Laney's feral animal Packing Day self, Lincoln, you too, J.D.

Lincoln: (Smiles Warmly) You're welcome, Fay.

Me: My pleasure, Fay.

Suddenly, Fay Reikova wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gloria Fullbuster's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, and Blue-Eyes Quinquennial Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light and white lightning behind them and we cheered wildly. Then, Lincoln and Fay Reikova sucked in and absorbed the elemental forces and light and white lightning and they came back to us as the display vanished.

Nico: My God. Guys, what we just saw, THAT WAS ONE AWESOME FIGHT!

Nico ran to me, Lincoln, and Fay Reikova and hugged us.

Luna: No kidding dudes, you guys taught feral animal Packing Day version of Lucy a lesson she'd never forget.

Luan: And Lucy absorbed her and transformed and ascended just like Lincoln and J.D.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: There is one who comes to mind, but boys, let me give you a warning, you better keep your cool or Nicole and I are gonna knock your heads off. The person we're meeting tomorrow is Amara Roshansa.

Michelle Aphrodite: The Sexy Angel of Erosa, oh man, I knew you'd pick her, and like Lincoln said, you boys better keep your cool. Anyways, Amara Roshansa is Lincoln's Guardian Angel from a planet in the Andromeda Galaxy known as Erosa, this planet is inhabited by extremely super smoking, hot, gorgeous, sexy voluptuous women, but don't let that fool you: they're also extremely very powerful warriors and they also know how to use their seductive powers to get male perverts to lower their guard, and then, BAM!, they knock them out and send them flying into the middle of nowhere with one punch.

Nicole: Using seduction to rat out perverts and send them flying into the middle of nowhere with one punch, looks like Lady Tsunade is gona have some competition.

Michelle Aphrodite: Lincoln saved Amara from a group of Flip's thugs and he drained them all dry of their blood, muscle mass, massive physical strength, and virility, and when Amara laid her eyes on Lincoln, almost immediately, she fell in love with him as she saw just how strong, brave, and courageous he was in saving her from them, and she even saw that he was definitely a strong and handsome male, and she engaged in a fierce make-out session with him which lasted for almost two hours.

May: Whoa!

Selene Arcangela: She also trained Lincoln hard underneath the scorching hot sun, and she was really impressed at how he was able to endure extreme heat along with extreme cold, and she found herself a man who went beyond her expectations. Lincoln made her a claymore sword, and to show her thanks, she kissed Lincoln on the lips which he returned, and as a result, he promised that when he comes of age, he will marry her along with the rest of his harem. She hates all of Lincoln's enemies with a blazing passion, and she's also quite defensive when it came to protecting and defending Lincoln from Lori, Lynn, Lola, Lisa, and Luan and she's more than once knocked them out.

Me: Whoa!

Lincoln: And there's a lot more like Amara whom I rescued from musclebound thugs.

Nico: Well, we better head home and prepare for tomorrow.

Me: Yeah, tomorrow will be Vilgax's last day alive.

Lincoln: You said it. Get ready, Vilgax. (DEEP SAPPHIRE EYES TURN RED AND WERE GLOWING) WE'RE COMING FOR YOU AND TOMORROW WILL BE YOUR LAST DAY ALIVE!

New Wave: So, Vilgax was the true mastermind behind everything?!

Me: Ben's Public enemy Number 1. Now it's all clear to us.

Manta Bayarsh: He was behind it all. Zedd, Rita, and their forces, Specs and Trappers, Aggregor, all of it.

Me: Yeah.

Girder: On the bright side, no one innocent got hurt.

See-More: And we stopped Zedd's plan.

Avalanche: But now, we just got a new problem.

Me: Vilgax is coming. But Ben faced him many times before. Now he has us with him and we're ready for him too.

Nico: Yep. Time for the Warlord of Vilgaxia to pay.

Me: Yep. On the plus side, the rangers are now free of their 2 most dangerous enemies over the course of 30 years.

Nico: Yep. Great job everyone.

Tommy: (To the viewers) This is an epic battle. Hope you all liked it.

Me: We sure did.

We went back home and told the mayor that it's clear. Now we had to get ready for Vilgax.

We enjoyed the rest of the day and went to sleep.
